None

II. Approval of Meeting Minutes

- **Regular Meeting, August 7, 2019**

Motion made by Mr. Castillo-Olivera, seconded by Mr. Talbot to approve the August 7, 2019, regular meeting minutes. In a voice vote, the motion passed unanimously.

III. Sherwin Williams – NE 4th Avenue (ZR19003)

Chair Antonelli introduced Stephanie Toothaker, Attorney for Town Development Co., who gave a short PowerPoint presentation (see attached). Justin Greenbaum is the landowner and Sherwin Williams is the applicant. Cumberland Farms has the other half of the site and has already been approved. The property has two different land uses (commercial and medium residential) and two different zonings (CB and RD15), almost identical to the Cumberland Farms. The reason for coming now is that Sherwin Williams has to move a bit faster than the City sometimes likes to move. The request is for approval of the site plan and rezoning with commercial flex allocation for 0.57 acre.

Mr. Castillo-Olivera had questions on the landscaping on NE 3rd Avenue and the parking lot accessibility, if it is open to the public. Ms. Toothaker said it is open and can be walked across; not shown on the site plan are sidewalks like the ones on Cumberland Farms. Mr. Castillo-Olivera suggested that there be a lot of illumination and was assured that there will be, as well as security cameras.

Mr. Kosinski asked if the next step was Planning & Zoning; Ms. Toothaker said the site plan will go to Planning & Zoning, but the rezoning will go all the way to the Commission.

There were no public comments.

Motion made by Mr. Talbot, seconded by Ms. Gunn, to provide support for the project. In a voice vote, the motion passed unanimously.

IV. Central City Event Funding Application – Process Discussion

Ms. Omengabar recapped the last meeting to use some money for the event funding application. There was a communication to the City Commission; it was discussed but there was confusion as to what it was. Ms. Omengabar explained to the Commission that the CRA Board has an event funding application and the CCRAB Board would like to adopt the same process. A discussion of pages 23-28, Event Funding Application followed, with attention given to page 25, Question #6. (See attached.) Question #6 provides that the revenue source be defined so the CCRAB can decide on the amount of funding. Also related, Question #12 states “CRA sponsorship, if approved, shall only be seed money with contributions reduced in subsequent years.”

Ms. Omengabar corrected her previous statement that the money would come out of incentives; instead it will be coming out of the marketing budget. Because there are no marketing campaigns, so coming out of the marketing budget, the CRA logo can be required with advertising for events. The marketing budget is \$50,000 and \$20,000 will be set aside for these events. An overview of the rest of the application was given. This is the application process that begins with the new fiscal year. Beginning the second week in October, Staff will send via snail mail to properties to notify re: incentives available (\$276,000 to apply for) and notify them of the event funding application if anyone should be interested.

Mr. Castillo-Olivera wondered if there can only be a 10 by 10 space on weekdays, why not ask for same circumstances and find volunteers to do it over the weekend; people in the neighborhood or one of this Board might be found to help out. Somebody will do it; if not City employees, someone will be found.

Motion made by Mr. Castillo-Olivera, seconded by Ms. Lalwani, to approve with the change as discussed immediately above. In a voice vote, the motion passed unanimously.

There were no public comments.

V. Communications to City Commission – None

VI. Public Comment – None

For addition to the Agenda for the next (November) meeting, Mr. Castillo-Olivera wished to include a discussion of a single's club on 13th street, the pros and cons of such new business in the area. Also of concern is an understanding of the zoning map, that which leaves half lots that are too small for anything, perhaps this rezoning can be discussed as well. Chair Antonelli clarified that if the property is zoned for community business (CB) and what is being proposed is a private club, then it does not need to be approved. Ms. Omengebar will arrange for appropriate input from the City and public.

VII. Adjournment

The next regular CCRAB meeting will be held November 6, 2019.

Motion to adjourn the meeting was duly made and seconded. There being no further business, the meeting was adjourned at 3:58 p.m.
