Alternative public access routes exist in and around adjacent streets without any impacts on circulation in the immediate area. Access from SE 3rd Avenue to South Federal Highway via SE 11th Street will remain unchanged.

- d. This segment of right-of-way only serves the applicant's properties abutting this portion of SE 4th Avenue. Future development plans will be required to include improved sidewalks along all street frontages, including on SE 3rd Avenue and SE 11th Street which will facilitate improved pedestrian connectivity from SE 3rd Avenue to South Federal Highway.

SECTION 5. That all ordinances or parts of ordinances in conflict herewith, are hereby repealed.

SECTION 6. Issuance of a development permit by a municipality does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the municipality for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

SECTION 7. This approval is conditioned upon the applicant obtaining all other applicable state or federal permits before commencement of the development.
