

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#21-0095

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Chris Lagerbloom, ICMA-CM, City Manager

DATE: June 1, 2021

TITLE: Resolution Approving the Consolidated Budget Amendment to Fiscal Year
2021 – Appropriation - **(Commission Districts 1, 2, 3 and 4)**

Recommendation

Staff recommends that the City Commission adopt a resolution amending the Fiscal Year (FY) 2021 Budget, and FY 2021 – FY 2025 Community Investment Plan (CIP).

Background

Examples of recommended actions within the budget amendment are:

- transfer between funds;
- transfer between capital and operating budgets;
- transfer between capital projects;
- acceptance and appropriation of grant funding;
- amendment to staffing level;
- appropriation from fund balance; and
- appropriation for modified revenue and related expenditures.

Staff recommends the City Commission amend the FY 2021 Final Budget and FY 2021 – FY 2025 Community Investment Plan, as revised, by approving the following transfers and appropriations:

Police Department

A. Appropriation of Grant Funds – Grant Fund – Florida Department of Juvenile Justice Grant for Disproportionate Minority Contact - \$27,777

In January 2015, the City applied to the Florida Department of Juvenile Justice (DJJ) in response to a solicitation for proposals to deliver services that address the issue of overrepresentation of minority youth in Florida's juvenile justice system. The City was awarded grant funding to address Disproportionate Minority Contact (DMC) for Fiscal Year (FY) 2016 and extended the contract with the DJJ for three additional years.

DJJ would like to extend the contract with the City by another year and increase the total grant award by \$27,777 from \$55,554 to \$83,331 to accommodate additional DMC trainings, focus groups, and analysis reports. The revised grant period will be September 1, 2021 through August 31, 2022. No grant match is required.

Staff recommends the City Commission amend the FY 2021 Operating Budget in the amount of \$27,777 for the Florida Department of Juvenile Justice Grant for Disproportionate Minority Contact. This item is contingent upon the approval of grant acceptance CAM 21-0488.

Transportation and Mobility

B. Transfer between Capital Project and Operating Budget – Parking System Fund – 3rd Avenue On-Street Parking and Streetscape Project - \$59,188.41

The Transportation and Mobility Department is requesting the transfer of \$59,188.41 from the recently completed 3rd Avenue On-Street Parking and Streetscape Capital Improvement Project to the Parking Fund's operating budget. The transfer of un-spent funds will provide the funding needed to upgrade communication modems for the City's Global parking meters from 3G to 4G.

Staff recommends that the City Commission amend the FY 2021 – FY 2025 Community Investment Plan (CIP) and FY 2021 Operating Budget by amending the appropriate accounts in the amount of \$59,188.41 to fund modem upgrades to the City's Global parking meters.

C. Appropriation of Grant Funds – Grant Funds – Florida Department of Transportation Community Bus Service - \$200,000

The Transportation and Mobility Department was awarded a grant from the Florida Department of Transportation (FDOT) to supplement the operational costs of a community bus service. The grant allocates \$200,000 to the City with no match requirements. This grant will be used by the City for the operation of the Northwest Neighborhood Community Bus route. The new grant agreement will become effective upon the execution of both parties and will run through June 30, 2023.

Staff recommends that the City Commission amend the FY 2021 Operating Budget in the amount of \$200,000 for the Florida Department of Transportation community bus service. This item is contingent upon grant acceptance CAM 21-0457.

D. Appropriation of Grant Funds – Grant Funds – Downtown Link Community Bus Route - \$182,680

The City of Fort Lauderdale's Transportation and Mobility Department was awarded a grant from the Florida Department of Transportation (FDOT) in the amount of \$182,680 with no match requirements. The grant will be used by the City for the operation of the Downtown Link community Bus route. The new grant will become effective upon the execution of both parties and will run through June 30, 2023.

Staff recommends that the City Commission amend the FY2021 Operating Budget in the amount of \$182,680 for downtown link community bus service. This item is contingent upon grant acceptance CAM 21-0458.

City Manager's Office

Housing and Community Development

E. Appropriation from Fund Balance – Affordable Housing Trust Fund – Sailboat Bend Apartments II - \$783,250

The City Manager's Office, Housing and Community Development Division, is requesting to appropriate funding for the "Sailboat Bend Apartments II" in the amount of \$783,250. A development partnership between Atlantic/Pacific Communities and the Housing Authority of the City of Fort Lauderdale received an award for low-income housing tax credits from the Florida Housing Finance Corporation. Funding will be used to finance the construction of a new development which will consist of a 9-story, 110-unit building that will be located next to the existing Sailboat Bend apartments.

The City Commission approved a loan in the amount of \$783,250 for the project on December 20, 2017. Funding was not spent before the end of the fiscal year and must be re-appropriated.

Staff recommends that the City Commission amend the FY 2021 Operating Budget in the amount of \$783,250 for the Sailboat Bend Apartments II.

Parks and Recreation

F. Transfer of Un-used Grant Match Funds – Grant Fund, General Fund – Clean Vessel Act 2020 New River Dock Pump Out State - \$1,396.25

In 2020, the Florida Department of Environmental Protection (FDEP) awarded \$64,700.25 to the Parks and Recreation Department under the Clean Vessel Act grant program. The funds were used to renovate and repair a vessel sewage pump-out station at the City's New River Docking Facility, which provides free pump-out services to dock customers and commercial and recreation vessels within the area. The grant required a local match of \$21,566.75, which was funded through the General Fund. The Parks and Recreation Department utilized

06/01/2021

CAM #21-0095

Page 5 of 13

\$60,511.50 of the grant funding and \$20,170.50 of the General Fund grant match. Currently, there is an available balance of \$1,396.25 remaining in un-used grant match funds.

Staff recommends that the City Commission amend the FY 2021 Operating Budget in the amount of \$1,396.25 to return the un-used grant match to the General Fund.

G. Appropriation of Bond Funds – GO Bonds, Series 2020A (Parks and Recreation Projects) – Various Parks Bond Improvement Projects - \$29,800,350

On March 12, 2019, Fort Lauderdale voters approved a bond proposal authorizing the City to make significant investments in the Fort Lauderdale parks system.

During the months of January and February 2021, the City and its parks bond consultant, AECOM, Inc., conducted a virtual public engagement regarding potential parks bond projects. The results of the outreach efforts and recommendations for 42 parks projects were presented to the Parks, Recreation, and Beaches Advisory Board on March 24, 2021. The board recommended approval of Parks Bond funds to be used for these projects. The City Commission held a public hearing and adopted a resolution (CAM 21-0404) on May 4, 2021 approving 39 projects. Joseph Carter Park, Holiday Park, and Lockhart Stadium are considered signature projects and already had funding previously appropriated into accounts for them. The estimated cost to fund the 39 parks is \$25,675,855. Details regarding proposed improvements for each park are included in Exhibit 2 – Parks Bond Resolution.

In addition, the Parks, Recreation, and Beaches Advisory Board recommended the approval of using Parks Bond funding for field lighting upgrades on April 28, 2021 for the following eight parks: Bayview, Croissant, Floranada, Florence C. Hardy, Holiday, Mills Pond, Osswald, and Sunset Parks. Upgrading these lights will result in 40% to 60% decrease in electricity usage, increased lighting levels and safety, as well as reduced maintenance costs. The estimated cost to fund the athletic field lighting upgrades is \$4,124,495.

Funding is available for this purpose in the Parks Bond Fund. After the appropriations included in this budget amendment, approximately \$5.8 Million will remain available of the first \$80 Million of Parks Bond debt issuance.

Staff recommends the City Commission amend the FY 2021 – FY 2025 Community Investment Plan by amending the appropriate accounts in the amount of \$29,800,350 to fund various Parks Bond Improvement Projects.

H. Appropriation from Fund Balance – General Fund – Galt Ocean Mile Beautification Project - \$55,000

The Galt Ocean Mile corridor provides continued mobility for the City and offers a safe and accessible space for residents and visitors. Staff is requesting funds for the conceptual design and planning of the Galt Ocean Mile Beautification Project, which aims to enhance pedestrian and roadway safety throughout the corridor by adding traffic calming, upgraded sidewalks, bicycle lanes, landscape, and streetlighting.

Funds are available in the General Fund Balance for this purpose.

Staff recommends the City Commission amend the FY 2021 Operating Budget and FY 2021 – FY 2025 Community Investment Plan in the amount of \$55,000 to facilitate the conceptual design and planning of the proposed Galt Ocean Mile Beautification project.

Finance

I. Appropriation of Anticipated Water and Sewer Refunding Bonds – Water and Sewer – Debt Service Fund, Central Regional Wastewater System Fund – Bond Proceeds, Associated Issuance Costs, and Debt Service Payments - \$44,656,568

On May 18, 2021 (CAM 21-0151), the City Commission approved issuance of the Series 2021 Water and Sewer Revenue Refunding Bonds in the amount of \$42,145,000. City staff and consultants determined that it was beneficial to refinance the Series 2012 Water and Sewer Bonds, based on current market conditions and the overall economic environment. The refinancing of the current debt is estimated to result in lower interest rates and substantial savings to the City. The estimated net present value savings of the refinancing is \$5,161,325 or 11.9% (as of May 7, 2021).

As a part of this transaction, the City will apply funds held in the Sinking Fund account in the amount of \$2,073,246, which is held in the Reserve Account, to pay off principal and interest due on the refunded bond.

The budget amendment reflects anticipated loan proceeds, cost of issuance, changes in anticipated debt payments and Fiscal Year 2021 savings.

Staff recommends the City Commission amend the FY 2021 Operating Budget in the
06/01/2021
CAM #21-0095

Public Works

J. Appropriation from Fund Balance – Water and Sewer - Operations Fund – Utilities Engineering Operations - \$1,500,000

The Public Works Utilities Engineering Division manages operational repairs, maintenance, and improvements of the City's water and sewer infrastructure systems. There is an increased demand for infrastructure repairs (well point systems, sanitary sewer bypass system, sanitary sewer pipe and water main pipe repair and installation, etc.) throughout the City. Staff is requesting \$1,500,000 in funding to conduct repairs in the following locations:

- NE 21st St & A1A – 10-inch Sanitary Sewer Pipe Repair - \$25,000
- NE 25th St & NE 32 Avenue – 24-inch Force main Pipe Repair - \$40,000
