WHEREAS, in accordance with Sections 47-37A, 47-24.4, 47-25.2 and 47-25.3 of the City of Fort Lauderdale, Florida Unified Land Development Regulations ("ULDR"), rezoning to a Planned Development District ("PDD") zoning district requires the approval of a development plan which meets the criteria provided in the above sections of the ULDR; and

WHEREAS, applicant, KT Seabreeze Atlantic, LP, has submitted a development plan known as "3000 Alhambra", located at 3000 Alhambra Street, Fort Lauderdale, Florida, as part of the zoning application to develop a residential development consisting of 215 residential units, 5,150 square feet of ground floor retail and restaurant space, and public parking, to be rezoned as more particularly described in Exhibit "A" attached hereto and incorporated herein; and

WHEREAS, the Planning and Zoning Board, at its meeting of July 15, 2020 (Case No. PDD19001) recommended to the City Commission of the City of Fort Lauderdale ("City Commission") that the rezoning application be approved and that the lands herein described should be rezoned from A-1-A Beachfront Area District ("ABA") to Planned Development District ("PDD") based on the development plan as reviewed and approved as described herein and that the Official Zoning Map and Schedule "A" attached thereto should be amended to include such lands; and

WHEREAS, the City Clerk notified the public of public hearings to be held on Tuesday, September 15, 2020, and Tuesday, October 6, 2020, at 6:00 P.M., or as soon thereafter as possible, in the City Commission Room, City Hall, Fort Lauderdale, Florida, for the purpose of hearing any public comment to such rezoning; and

WHEREAS, such public hearing was duly held at the time and place designated after notice was given as required by law, and the City Commission determined that the applicant demonstrated by competent, substantial evidence in the record that the requested rezoning met the criteria for the PDD zoning district;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF FORT LAUDERDALE, FLORIDA:

SECTION 1. That the above recitals are true and correct and incorporated into this ordinance by reference.

SECTION 2. The City Commission finds that the application for rezoning of lands described in Section 3 of this ordinance meets the criteria of Sections 47-37A, 47-24.4, 47-25.2 and 47-25.3 of the ULDR, subject to the conditions imposed by the Development Review Committee and the Planning and Zoning Board, as enunciated and memorialized in the minutes of its meetings of September 15, 2020 and October 6, 2020, a portion of those findings expressly listed as follows:

1. The underlying land use is Central Beach Regional Activity Center. The proposed PDD contains residential and commercial uses, which are permitted in this land use designation and is therefore the zoning district is consistent with the City's Comprehensive Plan.
2. The proposed PDD is generally consistent with the character of development in the surrounding area, which is predominantly multi-family residential with a mix of commercial uses such as restaurants, retail, and hotels. The general intensity of the surrounding area ranges from medium to high residential to resort hotels along State Road A-1-A. The proposed project is similar in character of development with the majority of the projects in the area and consists mostly of residential use, which generates lesser impacts in comparison to other land uses.
3. The proposed PDD uses are the same as those uses existing in the area and support the existing built environment. The properties to the north and south are zoned ABA district and contain residential and hotel uses. Properties to the west are zoned Intracoastal Overlook Area District (IOA) and contain residential and smaller boutique-type hotels. The proposed PDD is compatible with surrounding districts and uses.

SECTION 3. That the City of Fort Lauderdale, Florida ULDR, together with the Official Zoning

Map of the City of Fort Lauderdale and revised Schedule "A", describing the lands lying within each zoning district, as approved on June 18, 1997, and described in Section 47-1.6 of the ULDR, be amended by rezoning from A-1-A Beachfront Area District ("ABA") to Planned Development District ("PDD"), the following lands situated in the City of Fort Lauderdale, Broward County, Florida, to wit:

ALL OF LOTS 7, 8, 9, 10, 11, 12, 13, 16, 17, 18, 19, 20 AND A PORTION OF LOTS 1, 2, 3, 4, 6, 14 AND 15, BLOCK 5, "LAUDERDALE MAR", ACCORDING TO THE PLAT THEREOF, RECORDED IN PLAT BOOK 7, PAGE 30, OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA

Location: West of Seabreeze Boulevard (SR A-1-A), north of Sebastian Street, east of North Birch Road and south of Alhambra Street

being more particularly described in Exhibit "B" attached hereto and made a part hereof.

SECTION 4. That in accordance with Section 47-37A. Planned Development District ("PDD") zoning district of the ULDR, the development plan attached hereto as Exhibit "A" (the "Development Plan") is hereby approved, subject to the conditions imposed by the department and City Commission set forth in the attached Exhibit "C", and by reference made a part of this Ordinance as the specific zoning regulations and standards for the development of the property identified in Section 3 hereof (the "Property").

SECTION 5. All provisions of Section 47-37A of the ULDR shall apply to this PDD, including but not limited to, regulations regarding amendments of the PDD and expiration and extension of the PDD development plan.

SECTION 6. If there is a conflict between any of the documents comprising the approved Development Plan, the more restrictive interpretation by the City's Zoning Administrator shall govern the development of the Property.

SECTION 7. That the appropriate City officials of the City of Fort Lauderdale shall indicate such zoning upon a copy of the Official Zoning Map, and shall indicate an amendment of Schedule "A" accordingly, upon the records with proper reference to this ordinance, the date of passage, and a notation that the zoning may revert to the ABA zoning district if the PDD approval expires pursuant to Section 47-37A.16 of the ULDR.

SECTION 8.
