**Recommendation**

It is recommended that the City Commission approve Amendment Agreement No. 1 for the Sailboat Bend Preserve Canal Head Restoration Plan and authorize the proper City officials to execute the amendment.

**Background**

On February 21, 2012 the City Commission approved of the submission of a Coastal Partnership Initiative grant from the Florida Department of Environmental Protection, Coastal Management Program. The grant agreement, fully executed on January 3, 2013 is set to expire on June 28, 2013. The Sailboat Bend Canal Head project was submitted to the City's Development Review Committee for February review. Staff anticipates advertising for bids in April or May 2013, construction award in July, and project completion by December 2013.
