

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#14-0732

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Lee R. Feldman, ICMA-CM, City Manager

DATE: August 19, 2014

TITLE: Consent Resolution - License Agreement Allowing the Florida Department
of Transportation to Access City Property – Holiday Park at Sunrise
Boulevard and NE 10 Avenue

RECOMMENDATION

It is recommended that the City Commission adopt a resolution allowing the Florida Department of Transportation (FDOT) to access a portion of Holiday Park along US-1 for the purposes of sloping, grading, tying in, harmonizing and reconnecting existing features of the City property with the roadway improvements.

Background

FDOT has a resurfacing project along US-1 (Sunrise Boulevard) from Broward Boulevard to NE 17th Way. In order to reconnect the driveway at NE 10 Avenue (entryway into Holiday Park) with the existing sidewalk, FDOT requires a license agreement with the City to access the property. This license agreement does not convey an easement or permanent rights to the property.

The resurfacing project is set to begin construction in March of 2015. This agreement will be in effect until the completion of the resurfacing project, but no later than July 31, 2019.

Resource Impact

There is no resource impact at this time.
