TO: Honorable Mayor & Members of the Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: June 18, 2024

TITLE: Public Hearing Approving the Issuance of a Certificate of Public Convenience and Necessity for CTMT Enterprises LLC to Operate Three Low Speed Vehicles within the City of Fort Lauderdale - **(Commission Districts 1, 2, 3, and 4)**

Recommendation

Staff recommends the City Commission approve the issuance of a Certificate of Public Convenience and Necessity authorizing CTMT Enterprises LLC to operate three (3) for-hire low speed vehicles within the City of Fort Lauderdale.

Background

Per Chapter 27 of the City's Code of Ordinances, it is unlawful for any person to engage in, or carry on the business of operating for-hire transportation services within the City without obtaining a Certificate of Public Convenience and Necessity. Vehicle for Hire applications are reviewed by staff for sufficiency before they are scheduled for City Commission approval. Risk Management will review the Certificate of Insurance prior to the issuance of any permits.

CTMT Enterprises LLC applied to provide service in the City utilizing one (1) six-passenger low speed vehicle and two (2) eight-passenger low speed vehicles for a total of three (3) low speed vehicles which are registered with the State of Florida as four-wheeled vehicles capable of speeds up to 25 MPH and may operate on streets where the posted speed limit is 35 MPH or less and are not considered golf carts per Florida State Statute 320.01(22). Staff reviewed the application (Exhibit 1) in which the applicant proposes to operate with the sole purpose of providing a private, for-hire transportation service. Staff has found the application to be acceptable and recommends the approval to operate on City roadways.
