Our office provides a safety training video for each customer. Also, being one of the original rental companies in South Florida, we are allowed to offer FWC Boaters Certificates in our office. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. Question and Answers for Bid #12592-525 - Watersports Activities Rental Concession (Motorized & Non-Motorized)

Overall Bid Questions

Question 1

Would the City consider allowing the installation of floating Jet Ski Docks. And if so where is the best place to consider? (Submitted: Oct 24, 2021 12:49:53 PM EDT)

Answer

- Yes, but the proposer would need to have the location approved (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 2

Can you please provide better clarification of expectations for conducting Jet Ski Rentals versus a guided Tour? The Proposal suggest a Chaperone for Rentals, which is very vague; does the rental need to be in full sight the entire duration of rental or can you further define expectations? (Submitted: Oct 24, 2021 12:58:29 PM EDT)

Answer

- Yes, we would like there to be an individual present and in site during the rentals as part of the rental. A guided tour would be an individual leading the tour where they would follow. (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 3

The current concessionaire has a storage unit to host paddle board and kayak equipment; does that belong to the Vendor or the City. Would the City consider building a permanent Paddle Board / Kayak Rack good for all future Vendors?

Example: Hugh Birch Park has a permanent structure. (Submitted: Oct 24, 2021 1:31:41 PM EDT)

Answer

- The structure belongs to the city, but was built by the current contractor (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 4

Would the City consider building a permanent structure for hosting Jet Ski's? Please provide details as to why or why not as having this creates better efficiency and especially if this can be done on the water. George English has plenty of room for such and this could alleviate congestion at the ramps which are currently being hosted by multiple business operators. Please provide your best scenarios of what you prefer and why. (Submitted: Oct 24, 2021 1:36:14 PM EDT)

Answer

- At this point, there are no plans
The vendor may elect to build an approved structure, this is a public dock and the public will have access. However, the awarded vendor will be the only approved operator and any others on site should be reported to PD. (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 5

George English has multiple Jet Ski Operators that are routinely parked with Jet Ski's and are routinely approached by the public seeking Rental. As a new Vendor, should I expect the same situation that exist or will there be changes to protect a new Vendor for Jet Ski Rentals? (Submitted: Oct 24, 2021 1:39:09 PM EDT)

Answer

- The awarded vendor will be the sole approved vendor to provide jet ski and water sport activities. All other operators should be advised and reported to Marine patrol. (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 6

Currently, many Operators are allowing Renters that do not follow the Speed Zones and as a result cause complaints from Home Owners who really have no idea which company is responsible. Does the City have any plans that will alter the current issues? (Submitted: Oct 24, 2021 1:43:17 PM EDT)

Answer

- The vendor will need to advise their clients. There will only be one approved operator on the beach. (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 7

The waterways north of George English allow Water Skiing up to 35mph, however the Police enforce Jet Ski's to go at minimal to no wake speed's (3 - 8 mph) in an area that would be ideal for monitoring and or training beginners at speeds up to 25 or 35mph. Would the City support it's Vendor towards lobbying for a more friendlier use for Jet Ski Operators in this same designated area? (Submitted: Oct 24, 2021 1:49:04 PM EDT)

Answer

- Vendor would need to comply with existing wake speeds (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 8

The Parking Requirements suggest that the Vendor is same as a customer regarding Parking, which is an expense that needs to be considered if that is accurate. Please elaborate. Will the City issue any parking for Vendors and or anyone working for the Vendor? (Submitted: Oct 24, 2021 1:54:32 PM EDT)

Answer

- They will not, that will be the cost of doing business. (Answered: Oct 25, 2021 3:10:19 PM EDT)

Question 9

For section 4.2.5 References, in addition to proposer references, can references be submitted for any subcontractors that will be operating with the proposer? (Submitted: Oct 25, 2021 11:41:23 AM EDT)

Answer

- This is ok, but the subs will be responsible to the awarded vendor. (Answered: Oct 25, 2021 3:10:19 PM EDT)
