DRIVE • RIDE • WALK • RUN

The NE 13th Street Complete Street project is designed to create a street that provides safe access for all users. Pedestrians, bicyclists, motorists and transit riders of all ages and abilities will be able to safely move along and across the redesigned roadway. Upon completion, NE 13th Street will encourage pedestrian-friendly activity, sustainability and make it easy to walk to shops or bicycle to work.

COMMUNITY BENEFITS

Improves Safety • Lowers transportation costs • Promotes economic development
Builds strong communities • Reduces traffic congestion • Encourages walking and bicycling
Creates a healthier community • Fosters a green environment
