City Commission Agenda Memo
REGULAR MEETING**

#24-0997

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: November 7, 2024

TITLE: Motion Approving Program Participation and Execution of an Agreement
under the FY 2024-2025 Drone Replacement Program - \$76,926.80
(Commission Districts 1, 2, 3 and 4)

Recommendation

Staff recommends the City Commission approve a motion authorizing the participation in and execution of a grant agreement for the FY 2024-2025 Drone Replacement Program (DRP).

Background

The Florida Legislature requires governmental entities to only utilize unmanned aerial systems, other known as drones, to meet the requirements outlined in Rule 60GG-2.0075, Florida Administrative Code. A significant impact of this Rule is the use of drones only from manufacturers that meet specified minimum security requirements. This change required governmental agencies who use drones for various purposes to cease the use of any drone that is not in compliance with the Rule.

The Florida Department of Law Enforcement (FDLE) has appropriated funds to implement the Drone Replacement Grant Program, which provides funding for the police departments to replace drones that are not in compliance. The Fort Lauderdale Police Department will be submitting four (4) non-compliant drones and associated accessories at a cost of \$76,926.80 for review and reimbursement. The grant period is July 1, 2024 through June 30, 2025.

Resource Impact

There is an anticipated positive fiscal impact to the City in the amount of \$76,926.80. This item is contingent upon the approval of the Consolidated Budget Amendment CAM 24-0981.
