
TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: August 21, 2012

TITLE: Motion to approve Addendum to Revocable License with B-Cycle, LLC

Recommendation

It is recommended that the City Commission approve an Addendum to the B-Cycle Revocable License Agreement granted to B-Cycle, LLC to expand two B-Cycle stations on city-owned property (Site plans attached as Exhibit 3), and authorize the City Manager to execute on the Addendum behalf of the City.

Background

On July 6, 2011, the City Commission approved the Revocable License with B-Cycle, LLC, subject to Chapter 27, Article IV, of the Code of Ordinances, to allow bike-sharing stations on city-owned property.

On April 19, 2012, the Property and Right of Way Committee reviewed B-Cycle LLC's application for expansion of two existing stations and found it in compliance with the criteria regarding location of bicycle sharing stations as provided in Chapter 27, Article IV of the Code of Ordinances.

In accordance with the proposed Addendum to the Revocable License (Exhibit 4), B-Cycle LLC is requesting to expand two stations by adding 11 docks and bicycles to the Willingham Park station and 2 additional docks and bicycles to the Sebastian Lot station (See Exhibit 3 for more information).

Resource Impact

There is no fiscal impact associated with this action.
