Mills Pond Park	Pending Assessment	\$1,000,000
Citywide Emergency Protective Measures	Pending Documentation	\$6,000,000

Total Submittal

\$62,358,313

ALTERNATIVE PROCEDURES EXPLAINED

FEMA caps Federal funding for an Alternative Procedures Project based on the aggregate Federal share of the approved estimated cost:

- To restore the damaged facilities to pre-disaster design and function in accordance with eligible codes and standards; and*
- For cost-effective Public Assistance mitigation measures associated with the actual restoration that the Applicant will perform.*

City Hall

Repairs= \$9.2M + \$4M Hazard Mitigation Proposal Estimates (Total \$13.2M)
Less Anticipated Insurance Cost (TBD) is 428 Alternative Project

Total Potential Funding Award = \$11.6M (87.5%)
