NOW THEREFORE, the City and Clear Channel, in consideration of the terms and conditions contained herein, do hereby agree as follows:

AGREEMENT

1. **Incorporation of Recitals.** The above recitals are true and correct and are incorporated into and made part of this Agreement.

2. **Waiver of Just Compensation.** Clear Channel hereby expressly waives any right to receive from the City just compensation for the removal of the billboard sign faces and supporting sign structures associated with the Takedown Billboards identified in Exhibit “A” whether such a claim for just compensation is predicated on Sections 70.001, 70.20(9), 479.15(2) or 479.24, Florida Statutes.

3. **70.20 Billboards/Voluntary Removal of Takedown Billboards/Alternative Locations.**

3.1 Clear Channel shall remove the Takedown Billboards described in Exhibit A in accordance with the provisions of Section 3.2 hereof. In accordance with Section 70.20, Florida Statutes, in consideration for, among other things, Clear Channel’s removal of the Takedown Billboards and the Neighborhood Enhancement Program described herein, Clear Channel shall be permitted to relocate, replace, reconstruct, retrofit, or any combination of the foregoing the Takedown Billboards as the 70.20 Billboards at the locations specified on Exhibit B hereto, in accordance with the Replacement and Removal Schedule provided in Exhibit C hereto.

3.2 Clear Channel shall, at its sole cost and expense, permanently and voluntarily remove the printed sign face(s), the above-ground portions of the Takedown Billboards, or both as applicable, identified in the Replacement and Removal Schedule in Exhibit “C” hereto for the corresponding 70.20 Billboard within sixty (60) days of receipt by Clear Channel of all necessary final, non-appealable or appealable with no appeal having been filed governmental approvals, authorizations and permits for the erection, installation and operation of

a 70.20 Billboard (“Permits”). Clear Channel shall be the owner of all Permits and all 70.20 Digital Billboards.

3.3 Within ten (10) business days from receipt of all Permits for a 70.20 Billboard, Clear Channel will use commercially reasonable efforts to commence construction of such 70.20 Billboard.

3.4 The City has agreed to permit the 70.20 Billboards at the Designated Locations identified in Exhibit “B,” subject to demonstration that the billboards are in full compliance with applicable regulations.

4. Advertising Space.

4.1 Clear Channel will utilize the advertising space available on the Digital Billboard Face(s) on the 70.20 Billboards through the State of Florida’s Office of Emergency Management (the “OEM”), upon official activation of the OEM for certain limited emergency reasons, such as hurricanes, amber alerts, and police or fire emergency situations. Such access shall be subject to the agreements that Clear Channel has in place from time to time with the FBI, the National Amber Alert System, the State of Florida, or the OEM.

4.2 Clear Channel will reserve up to five (5) hours per month of space on the Digital Faces, to display public service and community messaging which shall be limited to City and BHS sponsored event announcements and non-commercial public service announcements, as applicable (“**Public Service Messages**”). The City shall be responsible for providing Clear Channel with approved Public Service Message copy and shall also be responsible for any costs associated with providing Clear Channel with artwork in acceptable format for City approved copy. By January 1st of each year, the City shall provide stock Public Service Message copy with artwork in acceptable format which may be utilized by Clear Channel for that calendar year. Such advertising space shall be allocated equally between the City and BHS.

4.3 Clear Channel will also utilize unsold space on the Digital Billboard face(s) to display messaging on behalf of the City, BHS, or both to display public service and community messaging on a space available basis only. Subject to the requirements specified in this Section 4.

4.4 The display of Public Service Message copy is subject to the following conditions and parameters: all advertising copy must be submitted to Clear Channel at least five (5) business days before the proposed display date and will be subject to Clear Channel's standard advertising policies which allow Clear Channel, in its sole discretion, to approve or disapprove copy and remove copy once posted or displayed. Neither the City shall charge for, or exchange goods or services for, any space granted for Public Service Messages. Any unused billboard display time will be forfeited and will not roll over.

4.5 Notwithstanding anything else in this agreement, the City shall and hereby does agree to indemnify, defend and hold harmless Clear Channel for, from and against, any claims, costs (including, but not limited to, court costs and reasonable attorneys' fees), losses, actions or liabilities arising from or in connection with any third party allegation concerning any Public Service Message requested by the City, including, but not limited to, a claim that any portion of any such Public Service Message infringes or violates the rights, including, but not limited to, copyright, trademark, trade secret or any similar right, of any third party. This indemnity shall not include an obligation for City to be responsible for compensating Clear Channel for any lost profits or consequential damages or any similar remedy that Clear Channel may assert against any third party. Notwithstanding anything else in this Agreement, this section shall survive any termination or expiration of this Agreement. The City does not agree to indemnify, defend and hold harmless Clear Channel for, from and against, any claims, costs (including, but not limited to, court costs and reasonable attorneys' fees), losses, actions or liabilities arising from or in connection with any third party allegation concerning any Public Service Message requested by BHS. Clear Channel will enter into its standard advertising contract with BHS which contains similar terms and conditions.

4.6 Clear Channel may replace a Digital Billboard Face with a printed billboard face from time to time in its sole and absolute discretion. Clear Channel shall not be required to pay a permit amendment fee upon any such change. In the event Clear Channel replaces a Digital Face on a 70.20 Billboard with a printed face, Clear Channel will offer for City approval an alternative digital billboard in the Fort Lauderdale market to provide Public Service Messages on behalf of the City in accordance with Section 4. In the event that Clear Channel and City fail to come to an agreement on a suitable alternative digital billboard, the parties may agree to an increase to the Neighborhood Enhancement Contribution that equals an estimated fair market value of the loss of advertising space.

5. **Building Standards Governing 70.20 Billboards; City Regulations.** Building standards for the 70.20 Billboards shall be governed by the South Florida Building Code, as it shall be amended from time to time.

6. **Digital Face Operating Requirements.**

6.1 The Digital Faces shall utilize digital message technology, capable of changing the message or copy on the sign electronically. A Digital Face may be internally or externally illuminated. Digital Faces shall contain static messages only, and shall not have animation, movement, or the appearance or optical illusion of movement, of any part of the sign structure, design or pictorial segment of the sign, including the movement or appearance of movement. Each static message shall not include flashing or the varying of light intensity.

6.2 Digital Faces installed and operated in conformance with this Agreement shall not be considered scintillating, flashing, moving or containing animation.

6.3 Each message on a Digital Face must be displayed for a minimum of (8) eight seconds.

6.4 Digital Faces shall not operate at brightness levels of more than 0.3 (zero point three) foot candles above ambient light, as measured using a foot candle meter at a pre-set distance, which for a 14' x 48' Digital Face is 250 feet.

6.5 Each Digital Face must have a light sensing device that will adjust the brightness as ambient light conditions change.

6.6 The technology currently being deployed for digital billboards is LED (light emitting diode), but there may be alternate, preferred and superior technology available in the future. Any other technology that operates under the maximum brightness stated above shall not require an ordinance change for approval. The City shall expedite any required approvals for technology that is superior in energy efficiency over previous generations or types.

7. Neighborhood Enhancement Contribution.

7.1 Commencing on the NEA Commencement Date (as defined below) for each Digital Face, Clear Channel shall create a Neighborhood Enhancement Account for the benefit of the City (the "NEA"). The Neighborhood Enhancement Account is an account established by Clear Channel for the depositing of funds earmarked for expenditures associated with the Neighborhood Enhancement Program that will allow funds to be dispersed to valid not-for-profit entities chosen by the City that will enhance neighborhoods by the reduction of slum and blight, including but not limited to the assistance to and reduction of homelessness. Clear Channel will pay into the NEA an annual fee of Twenty-Five Thousand Dollars (\$25,000.00) per year per Digital Face (a total of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) per year for all five proposed Digital Faces) as a neighborhood enhancement contribution pursuant to the Neighborhood Enhancement Program for so long as each 70.20 Billboard remains installed (the "**Neighborhood Enhancement Contribution**"). The initial Neighborhood Enhancement Contribution for any Digital Billboard face shall be paid within thirty (30) days following the issuance of all necessary final, non-appealable or appealable with no appeal having been filed local and state governmental and third party approvals for the Digital Face, and completion of

construction of such Digital Face fully capable of displaying digital advertising and connected to a permanent power supply (the “**NEA Commencement Date**”). Annual payments of the Neighborhood Enhancement Contribution shall continue upon each anniversary of the NEA Commencement Date provided such Digital Face remains in operation at such time. If a 70.20 Billboard is being operated with a printed face(s), the Neighborhood Contribution will be reduced to Twelve Thousand Dollars (\$12,000.00) per printed face.

7.2 The City shall propose each year qualifying non-profits that address issues related to homelessness to receive grants from the NEA for that year, which Clear Channel shall approve in its reasonable discretions. Such grants shall be approved by the City Commission or its designee, which shall include the City Manager or its appointee. Eligible recipients shall include, but shall not be limited to, 501(c)3 organizations operating within the districts where the Takedown Billboards or the new 70.20 Billboards are located and such other community based organizations and charities as the City may designate and as shall be approved by Clear Channel. The parties agree that the NEA funds should be used to assist the community needs of the citizens of Ft. Lauderdale and Broward County.

8. Clear Channel and Landowner Consent. The construction of a 70.20 Billboard, or the relocation and reconstruction of an Affected Billboard Face to an Alternative Location or Existing Location as the case may be, shall require the consent of Clear Channel and the owner of the real property where it will be located. Clear Channel shall bear the sole risk of finding, securing and maintaining the sites for the erection of a 70.20 Billboard, or the relocation and reconstruction of an Affected Billboard Face.

9. Indemnity and Hold Harmless. This Agreement contemplates the removal of existing billboard signs in exchange for Clear Channel’s right to erect, install, operate, and maintain the 70.20 Billboards in accordance with the terms and conditions set forth in this Agreement. It is recognized that Clear Channel may have lease agreements with property owners relating to such existing signs that Clear Channel is voluntarily obligating itself to remove under the terms of this Agreement. Consequently, Clear Channel agrees to indemnify the City, as

applicable, from any lawsuit, and shall defend with counsel designated by Clear Channel and reasonably acceptable to the City and hold the City, as applicable, harmless against any claim asserted by an affected property owner resulting from the removal of the Takedown Billboards identified in Exhibit A hereto that are removed after the date of this Agreement.

10. Assignments Binding Nature. This Agreement will be binding upon and will inure to the benefit of and be enforceable by, the parties and their respective legal representatives, successors, or permitted assigns. Clear Channel agrees not to assign, transfer or convey (collectively “assignment”) any ownership in a 70.20 Billboard unless the assignee shall execute an agreement to be bound by the terms and conditions of this Agreement.

11. Governing Law/Jurisdiction/Venue. This Agreement shall be construed and controlled by the laws of the State of Florida, and the parties further consent to jurisdiction, if available, and venue in the federal district courts sitting in Broward County, Florida. If, and only if, the federal district court lacks jurisdiction, the parties consent to jurisdiction and venue in the state circuit court in Broward County, Florida. Clear Channel waives all defenses of lack of personal jurisdiction and *forum non conveniens*. Process may be served on either party in the manner authorized by applicable law or court rule.

13.2 That the rights conferred upon Clear Channel under this Agreement are vested as of the Effective Date, and as such, any future sign regulation that may otherwise alter the terms of this Agreement, or diminish Clear Channel’s rights with respect to maintaining and operating its 70.20 Billboards, shall respect and preserve such vested rights;

13.3 That, if any provision of this Agreement is held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then said provision shall be severed, and the remaining provisions shall remain in full force and effect. Notwithstanding any provision declared illegal, invalid, or unenforceable, this Agreement has valid purposes, which include *inter alia* facilitating the net reduction of billboard signs in the aggregate in the City in order to preserve and improve urban aesthetics and traffic safety while also properly balancing private property and commercial speech rights;
