AGREEMENT
Between
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
And
CITY OF FORT LAUDERDALE
For
**THE OPERATION OF COMMUNITY BUS SERVICE
FOR THE UPTOWN SHUTTLE LINK**

THIS AGREEMENT (the "Agreement") is by and between the SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY, 800 NW 33rd St., Pompano Beach, Florida 33064 (hereinafter referred to as the "SFRTA"), and the CITY OF FORT LAUDERDALE, 100 N. Andrews Avenue, Fort Lauderdale, FL (hereinafter referred to as the "CITY").

WITNESSETH:

WHEREAS, the CITY has received Florida Department of Transportation ("FDOT") Transit Corridor Grant funding for one (1) year to provide a midday community bus service originating from SFRTA's Cypress Creek Tri-Rail Station (the "Uptown Shuttle Link"), with two one-year extension options; and

WHEREAS, SFRTA wishes to assist the CITY by operating the proposed service for the Uptown Shuttle Link for a period not to exceed three (3) years with SFRTA's Cypress Creek Tri-Rail Station as the route's point of origin to provide enhanced service coverage and hours for Tri-Rail's passengers;

NOW, THEREFORE, in consideration of the mutual terms and conditions, promises, covenants and payments hereinafter set forth, SFRTA and the CITY agree as follows:

ARTICLE 1 – COMMUNITY BUS SERVICES

SFRTA shall operate the Uptown Shuttle Link based on the "Service Routes and Operating Hours" identified on Exhibit "A" of this Agreement. The CITY may request service route changes during the period of this contract and shall provide SFRTA with sixty (60) days' written notice of any proposed change to give SFRTA time coordinate the route change with its shuttle bus service contractor. In no event shall any route change exclude SFRTA's Cypress Creek Tri-Rail Station as the route's point of origin. SFRTA shall not make any changes to the route service without prior written consent from the CITY.

ARTICLE 2 – TERM OF AGREEMENT

This Agreement shall become effective upon execution by both parties. The term of this Agreement shall be for one (1) year commencing on March 1, 2014 with an option to extend

2-18-14
CR-7
14-0109

annually for a period not-to-exceed three (3) total years expiring no later than March 1, 2017.

If the CITY or SFRTA elects to terminate this Agreement prior to the end of the three-year period, it shall provide notice of termination in accordance with Paragraph 6.3. SFRTA and the CITY acknowledge that continued operation of the Uptown Shuttle Link is funded wholly by the FDOT grant and withdrawal of that grant shall be sufficient cause for the termination of this Agreement.

ARTICLE 3 - COMPENSATION

3.1 CITY shall provide payment to SFRTA at SFRTA's actual contracted hourly rate for shuttle bus service. The current SFRTA Shuttle Bus Contractor's contract rate of \$55.00 per revenue hour (hereinafter referred to as "Contract Rate") will apply from execution of this Agreement and is subject to change annually on July 1st of every year of this Agreement (or such other date provided for in existing and future SFRTA's Shuttle Bus Contractor contracts based upon changes in the Contract Rate. Under no circumstance shall SFRTA provide shuttle bus service to the CITY at a cost below SFRTA's actual contract rate. SFRTA shall provide notice of the annual Contract Rate to the CITY within ten (10) days of any agreed modification between SFRTA and their Shuttle Bus Contractor. The CITY shall have forty-five (45) days upon receiving the Contract Rate to terminate this Agreement due to such Rate change.

3.2 SFRTA shall invoice the CITY quarterly for bus operations provided in the prior three (3) months. All reimbursement requests shall be in a form acceptable to FDOT and shall include sufficient documentation of the expenses to meet the Transit Corridor Grant requirements for payment by FDOT so that the CITY may be reimbursed by the grant. The CITY shall pay properly documented invoices within forty-five (45) days from the date of receipt of an invoice. The CITY has thirty (30) days from date of receipt of an SFRTA invoice to review; accept or deny the invoice for any reason; and notify SFRTA in writing of specific deficiencies so that SFRTA may resubmit a corrected invoice to the CITY.

3.3 SFRTA, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void and no money may be paid on such contract. Nothing herein contained shall prevent the making of contracts for periods exceeding one year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, SFRTA's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by SFRTA's Governing Board and the CITY's obligation to purchase such service shall be contingent upon an annual appropriation of Transit Corridor Grant funds by FDOT and the CITY's Board of Commissioners.

ARTICLE 4 – PROJECT COORDINATION AND RESPONSIBILITIES

4.1 The CITY's Project Manager for this Agreement shall be the Director of the Transportation and Mobility Department of the CITY or designee. SFRTA's Project Manager shall be the Operations Project Manager, or designee.

4.2 SFRTA shall provide monthly and annual reports to the CITY to enable the CITY to report the shuttle bus route operating data as part of its National Transit Database (NTD) reporting responsibilities. SFRTA shall make all data routinely collected by the Shuttle Bus Contractor or SFRTA available to the CITY but is not responsible for preparing or transmitting NTD reports.

4.3 SFRTA shall be responsible for meeting all relevant FDOT Transit Corridor Grant requirements, incorporated by reference and attached hereto as Exhibit "B".

ARTICLE 5 – INSURANCE

5.1 SFRTA shall require its community bus contractor to carry liability and automobile insurance coverage with the same limits it requires for SFRTA's other shuttle bus routes or the limits required by the FDOT Transit Corridor Grant, whichever is greater. SFRTA will also require that its shuttle bus operations contractor name the CITY and FDOT as an additional insured on the contractor's insurance policies and provide the CITY with a certificate of insurance and Additional Insured Endorsement. SFRTA will require its contractor to provide updated certificates and endorsements to CITY annually on this Agreement's anniversary date.

ARTICLE 6 - TERMINATION

6.1 If through any cause within the reasonable control of SFRTA, SFRTA shall fail to fulfill in a timely and proper manner, or otherwise violate any of the covenants, agreements, or stipulations which are material to this Agreement, the CITY may thereupon give written notice to SFRTA of such default and specify what actions must be taken to cure said default to avoid termination hereunder. SFRTA shall have thirty (30) days to cure said default or such additional period authorized by the CITY. In the event that SFRTA shall not have cured said default to the satisfaction of the CITY by such deadline, then this Agreement may be terminated by the CITY upon notice of termination to SFRTA.

6.2 If through any cause within the reasonable control of the CITY, the CITY shall fail to fulfill in a timely and proper manner, or otherwise violate any of the covenants, agreements, or stipulations which are material to this Agreement, SFRTA may thereupon give written notice to the CITY of such default and specify what actions must be taken to cure said default and avoid termination hereunder. The CITY shall have thirty (30) days to cure or additional period authorized by SFRTA. In the event that the CITY shall not have cured said default by such deadline, then this Agreement may be terminated by SFRTA upon notice of termination to CITY.

6.3 Termination for Convenience. Either party may terminate this Agreement, in whole or in

part, for convenience, at any time by giving thirty (30) days written notice to the other of its intent to terminate for convenience. In the event of a termination for convenience by either party, the CITY shall pay SFRTA for any shuttle bus operations performed up to the date of termination for which SFRTA has not been previously paid.

ARTICLE 7 – CHANGES AND MODIFICATIONS

7.1 Upon the execution and delivery of this Agreement, it is understood and agreed that any and all prior agreements and understandings related to this Uptown Shuttle Link service, both written and oral, between the parties are cancelled and have been superseded by this Agreement and that this Agreement embodies and sets forth all understandings between the parties.

7.2 Modifications to this Agreement must be made in the form of a written amendment signed by the CITY and SFRTA. The parties agree that route changes and annual adjustments in the Contract Rate provided for in this Agreement shall be considered modifications requiring a written amendment to this Agreement. SFRTA may not assign this Agreement to another party without prior written approval of the CITY.

7.3 All contracts and agreements entered into by SFRTA and/or the CITY relative to this service, excluding SFRTA's existing and future shuttle bus contracts, are subject to review and approval by FDOT prior to execution of this Agreement and FDOT Transit Corridor Grants.

8.20 The Department's Obligations: Subject to other provisions hereof, the Department will honor such requisitions in amounts and at times deemed by the Department to be proper to ensure the carrying out of the project and payment of the eligible costs. However, notwithstanding any other provision of this Agreement, the Department may elect by notice in writing not to make a payment on the project if:

8.21 Misrepresentation: The Agency shall have made misrepresentation of a material nature in its application, or any supplement thereto or amendment thereof, or in or with respect to any document or data furnished therewith or pursuant hereto;

8.22 Litigation: There is then pending litigation with respect to the performance by the Agency of any of its duties or obligations which may jeopardize or adversely affect the project, the Agreement, or payments to the project;

In the event of suspension or termination of federal financial assistance, the Agency will reimburse the Department for all disallowed costs, including any and all federal financial assistance as detailed in Exhibit "B."

8.30 Disallowed Costs: In determining the amount of the payment, the Department will exclude all projects costs incurred by the Agency prior to the effective date of this Agreement, after the expiration date of this Agreement, costs which are not provided for in the latest approved scope and budget for the project, and costs attributable to goods or services received under a contract or other arrangements which have not been approved by the Department and costs invoiced prior to receipt of annual notification of fund availability.

Offsetting amounts shall not be considered a breach of contract by the Department.

9.00 Termination or Suspension of Project:

9.10 Termination or Suspension Generally: If the Agency abandons or, before completion, finally discontinues the project; or if, by reason of any of the events or conditions set forth in Sections 8.21 to 8.26 inclusive, or for any other reason, the commencement, prosecution, or timely completion of the project by the Agency is rendered improbable, infeasible, impossible, or illegal, the Department will, by written notice to the Agency, suspend any or all of its obligations under this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected, or the Department may terminate any or all of its obligations under this Agreement.

9.11 Action Subsequent to Notice of Termination or Suspension. Upon receipt of any final termination or suspension notice under this paragraph, the Agency shall proceed promptly to carry out the actions required therein which may include any or all of the following: (1) necessary action to terminate or suspend, as the case may be, project activities and contracts and such other action as may be required or desirable to keep to the minimum the costs upon the basis of which the financing is to be computed; (2) furnish a statement of the project activities and contracts, and other undertakings the cost of which are otherwise includable as project costs; and (3) remit to the Department such portion of the financing and any advance payment previously received as is determined by the Department to be due under the provisions of the Agreement. The approval of a remittance by the Agency or the closing out of federal financial participation in the project shall not constitute a waiver of any claim which the Department may otherwise have arising out of this Agreement.

9.12 The Department reserves the right to unilaterally cancel this Agreement for refusal by the contractor or Agency to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S. and made or received in conjunction with this Agreement.

12.10 Third Party Agreements: The Department specifically reserves the right to review and approve any and all third party contracts with respect to the Project before the Agency executes or obligates itself in any manner requiring the disbursement of Department funds, including consultant, purchase of commodities contracts or amendments thereto. If the Department chooses to review and approve third party contracts for this Project and the Agency fails to obtain such approval, that shall be sufficient cause for nonpayment by the Department as provided in Section 8.23. The Department specifically reserves unto itself the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of the same. If Federal Transit Administration (FTA) funds are used in the project, the Department must exercise the right to third party contract review.

12.20 Procurement of Personal Property and Services

12.21 Compliance with Consultants' Competitive Negotiation Act: It is understood and agreed by the parties hereto that participation by the Department in a project with an Agency, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the Agency complying in full with provisions of Chapter 287.055, F.S., Consultants' Competitive Negotiation Act. At the discretion of the Department, the Agency will involve the Department in the Consultant Selection Process for all contracts. In all cases, the Agency's Attorney shall certify to the Department that selection has been accomplished in compliance with Chapter 287.055 F.S., the Consultants' Competitive Negotiation Act.

12.22 Procurement of Commodities or Contractual Services: It is understood and agreed by the parties hereto that participation by the Department in a project with an Agency, where said project involves the purchase of commodities or contractual services or the purchasing of capital equipment or the constructing and equipping of facilities, which includes engineering, design, and/or construction activities, where purchases or costs exceed the Threshold Amount for CATEGORY TWO per Chapter 287.017 F.S., is contingent on the Agency complying in full with the provisions of Chapter 287.057 F.S. 12.31 DBE Policy: The contractor, sub recipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

The recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR part 26. The recipient shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The recipient's DBE program, as required by 49 CFR part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 *et seq.*)

12.40 The Agency agrees to report any reasonable cause notice of noncompliance based on 49 CFR Part 26 filed under this section to the Department within 30 days of receipt by the Agency.

13.00 Restrictions, Prohibitions, Controls, and Labor Provisions:

13.10 Equal Employment Opportunity: In connection with the carrying out of any project, the Agency shall not discriminate against any employee or applicant for employment because of race, age, creed, color, sex or national origin. The Agency will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, age, creed, color, sex, or national origin. Such action shall include, but not be limited to, the following: Employment upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Agency shall insert the foregoing provision modified only to show the particular contractual relationship in all its contracts in connection with the development or operation of the project, except contracts for standard commercial supplies or raw materials, and shall require all such contractors to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials. When the project involves installation, construction, demolition, removal, site improvement, or similar work, the Agency shall post, in conspicuous places available to employees and applicants for employment for project work, notices to be provided by the Department setting forth the provisions of the nondiscrimination clause.

13.20 Title VI - Civil Rights Act of 1964: Execution of this Joint Participation Agreement constitutes a certification that the Agency will comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d, et. seq.), the Regulations of the Federal Department of Transportation issued thereunder, and the assurance by the Agency pursuant thereto.

13.30 Title VIII - Civil Rights Act of 1968: Execution of this Joint Participation Agreement constitutes a certification that the Agency will comply with all the requirements imposed by Title VIII of the Civil Rights Act of 1968, 42 USC 3601, et seq., which among other things, prohibits discrimination in employment on the basis of race, color, national origin, creed, sex, and age.

13.40 Americans with Disabilities Act of 1990 (ADA): Execution of this Joint Participation Agreement constitutes a certification that the Agency will comply with all the requirements imposed by the ADA (42 U.S.C. 12102, et. seq.), the regulations of the federal government issued thereunder, and the assurance by the Agency pursuant thereto.

13.50 Prohibited Interests: The Agency shall not enter into a contract or arrangement in connection with the project or any property included or planned to be included in the project, with any officer, director or employee of the Agency, or any business entity of which the officer, director or employee or the officer's, director's or employee's spouse or child is an officer, partner, director, or proprietor or in which such officer, director or employee or the officer's, director's or employee's spouse or child, or any combination of them, has a material interest.

"Material interest" means direct or indirect ownership of more than 5 percent of the total assets or capital stock of any business entity.

The Agency shall not enter into any contract or arrangement in connection with the project or any property included or planned to be included in the project, with any person or entity who was represented before the Agency by any person who at any time during the immediately preceding two years was an officer, director or employee of the Agency.

The provisions of this subsection shall not be applicable to any agreement between the Agency and its fiscal depositories, any agreement for utility services the rates for which are fixed or controlled by the government, or any agreement between the Agency and an agency of state government.

13.60 Interest of Members of, or Delegates to, Congress: No member or delegate to the Congress of the United States, or the State of Florida legislature, shall be admitted to any share or part of the Agreement or any benefit arising therefrom.

14.00 Miscellaneous Provisions:

14.10 Environmental Regulations: Execution of this Joint Participation Agreement constitutes a certification by the Agency that the project will be carried out in conformance with all applicable environmental regulations including the securing of any applicable permits. The Agency will be solely responsible for any liability in the event of non-compliance with applicable environmental regulations, including the securing of any applicable permits, and will reimburse the Department for any loss incurred in connection therewith.

14.20 Department Not Obligated to Third Parties: The Department shall not be obligated or liable hereunder to any party other than the Agency.

14.30 When Rights and Remedies Not Waived: In no event shall the making by the Department of any payment to the Agency constitute or be construed as a waiver by the Department of any breach of covenant or any default which may then exist, on the part of the Agency, and the making of such payment by the Department while any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the Department with respect to such breach or default.

Entire Agreement is Affected by Provisions Being Held Invalid: If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected. In such an instance the remainder would then continue to conform to the terms and requirements of applicable law.

14.50 Bonus or Commission: By execution of the Agreement the Agency represents that it has not paid and, also, agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for the financing hereunder.

14.60 State or Territorial Law: Nothing in the Agreement shall require the Agency to observe or enforce compliance with any provision thereof, perform any other act or do any other thing in contravention of any applicable State law. Provided, that if any of the provisions of the Agreement violate any applicable State law, the Agency will at once notify the Department in writing in order that appropriate changes and modifications may be made by the Department and the Agency to the end that the Agency may proceed as soon as possible with the project.

14.70 Use and Maintenance of Project Facilities and Equipment: The Agency agrees that the project facilities and equipment will be used by the Agency to provide or support public transportation for the period of the useful life of such facilities and equipment as determined in accordance with general accounting principles and approved by the Department. The Agency further agrees to maintain the project facilities and equipment in good working order for the useful life of said facilities or equipment.

14.71 Property Records: The Agency agrees to maintain property records, conduct physical inventories and develop control systems as required by 49 CFR Part 18, when applicable.

14.80 Disposal of Project Facilities or Equipment: If the Agency disposes of any project facility or equipment during its useful life for any purpose except its replacement with like facility or equipment for public transportation use, the Agency will comply with the terms of 49 CFR Part 18 relating to property management standards. The Agency agrees to remit to the Department a proportional amount of the proceeds from the disposal of the facility or equipment. Said proportional amount shall be determined on the basis of the ratio of the Department financing of the facility or equipment as provided in this Agreement.

14.90 Contractual Indemnity: To the extent provided by law, the Agency shall indemnify, defend, and hold harmless the Department and all of its officers, agents, and employees from any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Agency, its agents, or employees, during the performance of the Agreement, except that neither the Agency, its agents, or its employees will be liable under this paragraph for any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Department or any of its officers, agents, or employees during the performance of the Agreement.

When the Department receives a notice of claim for damages that may have been caused by the Agency in the performance of services required under this Agreement, the Department will immediately forward the claim to the Agency. The Agency and the Department will evaluate the claim and report their findings to each other within fourteen (14) working days and will jointly discuss options in defending the claim. After reviewing the claim, the Department will determine whether to require the participation of the Agency in the defense of the claim or to require that the Agency defend the Department in such claim as described in this section. The Department's failure to promptly notify the Agency of a claim shall not act as a waiver of any right herein to require the participation in or defense of the claim by Agency. The Department and the Agency will each pay its own expenses for the evaluation, settlement negotiations, and trial, if any. However, if only one party participates in the defense of the claim at trial, that party is responsible for all expenses at trial.

Plans and Specifications: In the event that this Agreement involves the purchasing of capital equipment or the constructing and equipping of facilities, where plans and specifications have been developed, the Agency shall provide an Engineer's Certification that certifies project compliance as listed below, or in Exhibit "C" if applicable. For the plans, specifications, construction contract documents, and any and all other engineering, construction, and contractual documents produced by the Engineer, hereinafter collectively referred to as "plans", the Agency will certify that:

Notwithstanding the provisions of this paragraph, the Agency, upon request by the Department, shall provide plans and specifications to the Department for review and approvals.

17.20 Multi-Year Commitment: In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one year, the provisions of Chapter 339.135(6)(a), F.S., are hereby incorporated: "(a) The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of 25,000 dollars and which have a term for a period of more than 1 year."

18.00 Expiration of Agreement: The Agency agrees to complete the project on or before 12/31/15. If the Agency does not complete the project within this time period, this Agreement will expire unless an extension of the time period is requested by the Agency and granted in writing by the _____. Expiration of this Agreement will be considered termination of the project and the procedure established in Section 9.00 of this Agreement shall be initiated.

18.10 Final Invoice: The Agency must submit the final invoice on this project to the Department within 120 days after the expiration of this Agreement. Invoices submitted after the 120 day time period will not be paid.

19.00 Agreement Format: All words used herein in the singular form shall extend to and include the plural. All words used in the plural form shall extend to and include the singular. All words used in any gender shall extend to and include all genders.

20.00 Execution of Agreement: This Agreement may be simultaneously executed in a minimum of two counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute one in the same instrument.

21.00 Restrictions on Lobbying:

21.10 Federal: The Agency agrees that no federal appropriated funds have been paid or will be paid by or on behalf of the Agency, to any person for influencing or attempting to influence any officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement.

If any funds other than federal appropriated funds have been paid by the Agency to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Joint Participation Agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The Agency shall require that the language of this section be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

21.20 State: No funds received pursuant to this contract may be expended for lobbying the Legislature or a state agency.

22.00 Vendors Rights: Vendors (in this document identified as Agency) providing goods and services to the Department should be aware of the following time frames. Upon receipt, the Department has five (5) working days to inspect and approve the goods and services unless the bid specifications, purchase order or contract specifies otherwise. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved.

If a payment is not available within 40 days after receipt of the invoice and receipt, inspection and approval of goods and services, a separate interest penalty in accordance with Section 215.422(3)(b), F.S. will be due and payable, in addition to the invoice amount to the Agency. The interest penalty provision applies after a 35 day time period to health care providers, as defined by rule. Interest penalties of less than one (1) dollar will not be enforced unless the Agency requests payment. Invoices which have to be returned to an Agency because of vendor preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agencies who may be experiencing problems in obtaining timely payment(s) from the Department. The Vendor Ombudsman may be contacted at (850) 413-5516 or by calling the Division of Consumer Services at 1-877-693-5236.

25.00 E-Verify:

Vendors/Contractors:

1. shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Vendor/Contractor during the term of the contract; and
2. shall expressly require any subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

26.00 Public Records:

The Agency shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Agency in conjunction with this Agreement. Specifically, if the Agency is acting on behalf of a public agency the Agency shall:

- (1) Keep and maintain public records that ordinarily and necessarily would be required by the Department in order to perform the services being performed by the Agency.
