TO HAVE AND TO HOLD the Mortgaged Property and every part thereof unto the Mortgagee, its successors and assigns forever for the purposes and uses herein set forth.

AND the Mortgagor further covenants and agrees with the Mortgagee, during the term of this Mortgage as follows:

1. The Mortgagor shall promptly pay the principal of and interest, if any, on the indebtedness evidenced by the Note(s), and all other charges and indebtedness provided therein and, in this Mortgage, at the times and in the manner provided in the Note(s) and in this Mortgage.

2. The Mortgagor shall pay when due, as hereinafter provided, all ground rents, if any, and all taxes, assessments, water rates and other governmental charges, fines and impositions, of every kind and nature whatsoever, now or hereafter imposed on the Mortgaged Property, or any part thereof, and shall pay when due every amount of indebtedness secured by any lien to which the lien of this Mortgage is expressly subject.

3. This Mortgage and Note(s) were executed and delivered to secure monies credited in full to the Mortgagor by the Mortgagee as or on account of a Rehabilitation/Replacement Loan evidenced by the Note(s), for the purpose of making the improvements described or referred to in the Participation Agreement (Rehabilitation/Replacement) made and entered into between the Mortgagor and Mortgagee, hereinafter referred to as "Agreement", the same being incorporated herein verbatim and made a specific part of this Mortgage by reference, to or on the Mortgaged Property, and for such other purpose, if any, described or referred therein, which improvements are hereinafter collectively referred to as the "Improvements". The Mortgagor shall make or cause to be made all Improvements. If the construction or installation of the Improvements shall not be carried out with reasonable diligence, in the sole opinion of the Mortgagee, or shall be discontinued

at any time for any reason, other than strikes, lock-outs, acts of God, fires, floods, or other similar catastrophes, riots, war or insurrection, the Mortgagee, after due notice to the Mortgagor, is hereby authorized to: (a) enter upon the Mortgaged Property and employ any watchmen, protect the Improvements from depreciation or injury and to preserve and protect such property; (b) carry out any or all then existing contracts between the Mortgagor and other parties for the purpose of making any of the Improvements; (c) make and enter into additional contracts and incur obligations for the purposes of completing the Improvements pursuant to the obligations of the Mortgagor hereunder, either in the name of the Mortgagee or the Mortgagor; and, (d) pay and discharge all debts, obligations and liabilities incurred by reason of any action taken by the Mortgagee as provided in this Paragraph, all of which amounts so paid by the Mortgagee, with interest, if any, thereon from the date of each such payment, at the rate, if any, provided in the Note(s), shall be payable by the Mortgagor to the Mortgagee on demand and shall be additionally secured by this Mortgage.

4. The Improvements and all plans and specifications therefor shall comply with all applicable municipal ordinances, regulations and rules made or promulgated by lawful governmental authorities, and upon their completion, shall comply therewith and with such ordinances, rules and regulations having jurisdiction over the Mortgaged Property.

5. No building or other structure or improvement, fixture or personal property mortgaged hereby shall be removed or demolished without the prior written consent of the Mortgagee. The Mortgagor shall not make, permit or suffer any alteration of or addition to any building or other structure or improvement now or which may hereafter be erected or installed upon the Mortgaged Property, or any part thereof, except the Improvements required to be made pursuant to Paragraph 3 hereof, nor shall the Mortgagor use, or permit or suffer the use of, any of the Mortgaged Property for any purpose other than the purpose or purposes for which the same is now intended to be used, without the prior written consent of the Mortgagee. The Mortgagor shall maintain the Mortgaged Property in good condition and state of repair and shall not suffer or permit any waste to any part thereof, and shall promptly comply with all the requirements of Federal, State and Local governments, or of any departments, divisions or bureaus thereof, pertaining to such property or any part thereof.

6. The Mortgagor shall not voluntarily create, or permit or suffer to be created or to exist, on or against the Mortgaged Property, or any part thereof, any lien superior to the lien of this Mortgage, exclusive of the lien or liens, if any, to which this Mortgage is expressly subject, as set forth in the granting clause above, and shall keep and maintain the same free from the claims of all parties supplying labor or materials which shall enter into the construction or installation of the Improvements.

7. (a) The Mortgagor shall keep all buildings, other structures and improvements, including equipment, now existing or which may hereafter be erected or installed on the land mortgaged hereby, insured against loss by fire and other hazards, casualties and contingencies, including flood insurance, in such amounts and manner, and for such periods all as may be required from time to time by the Mortgagee pursuant to this Mortgage and the Agreement. Unless otherwise required by the Mortgagee, in the Agreement, all such insurances shall be affected by Standard Fire and Extended Coverage Insurance Policies, in amounts not less than necessary to

comply with the coinsurance clause percentage of the value applicable to the location and character of the property to be covered. All such insurance shall be carried in companies approved by the Mortgagee and all policies therefore shall be in such form and shall have attached thereto loss payable clauses in favor of the Mortgagee and any other parties as shall be satisfactory to the Mortgagee including the holder of a lien of a mortgage or similar instrument to which this Mortgage is expressly subject. Certificates satisfactory to the Mortgagee of all such policies, and attachments thereto, shall be delivered promptly to the Mortgagee. The Mortgagor shall pay promptly when due, as provided in the Agreement, any and all premiums on such insurance, and in every case in which payment thereof is not made from the deposits therefore required (if required) by this Mortgage, promptly submit to the Mortgagee for examination receipts or other evidence of such payment as shall be satisfactory to the Mortgagee. The Mortgagee at its option may obtain and pay the premium for every kind of insurance required in the Agreement upon the renewal date and in the amount of such premium required by the Agreement.

(b) In the event of loss or damage to the Mortgaged Property, the Mortgagor shall give to the Mortgagee immediate notice thereof by mail, and the Mortgagee may make and file proof of loss if not made otherwise promptly by or on behalf of the Mortgagor. Each insurance company issuing any such policy is hereby authorized and directed to make payment thereunder for such loss to the Mortgagor and the Mortgagee jointly, unless the amount of loss is payable first to the holder of a lien under a mortgage or similar instrument to which this Mortgage is expressly subject; and the insurance proceeds, or any part thereof, if received by the Mortgagee, may be applied by the Mortgagee, at its option, either in reduction of the indebtedness hereby secured, or to the restoration or repair of the Mortgaged Property damaged. In the event of foreclosure of this Mortgage, or of any transfer of title to the Mortgaged Property in extinguishment of such indebtedness, all right, title and interest of the Mortgagor in and to every such insurance policy then in force, subject to the rights and interest of the holder of any such prior lien, shall pass to the grantee acquiring title to the Mortgaged Property together with such policy and appropriate assignment of such right, title and interest which shall be made by the Mortgagor.

8. The Mortgagor reserves the right to prepay at any time all or any part of the principal and interest, if any, provided in the Note(s), without the payment of penalties or premiums. The City will recapture the entire amount of the direct subsidy provided to the homeowner, or net sale proceeds.

9. Upon any failure by the Mortgagor to comply with or perform any of the terms, covenants or conditions of the Agreement and this Mortgage requiring the payment of any amount of money by the Mortgagor, other than the principal amount of the loan evidenced by the Note(s), interest, if any, and other charges, as provided in the Note(s), the Mortgagee may, at its option, make such payment. Every payment so made by the Mortgagee (including reasonable attorney's fees incurred thereby), with interest, if any, thereon from the date of such payment, at the rate provided in the Note(s), except any payment for which a different rate of interest is specified in the Agreement, shall be payable by the Mortgagor to the Mortgagee on demand and shall be secured by this Mortgage. This Mortgage with respect to any such amount and the interest, if any, thereon shall constitute a lien on the Mortgaged Property prior to any other lien attaching or accruing subsequent to the lien of this Mortgage.

10. The Mortgagee, by any of its agents or representatives, shall have the right to inspect the Mortgaged Property from time to time at any reasonable hour of the day. Should the Mortgaged Property, or any part thereof, at any time require inspection, repair, care or attention of any kind or nature not provided by this Mortgage as determined by the Mortgagee in its sole discretion, the Mortgagee may, after notice to the Mortgagor, enter or cause entry to be made upon the Mortgaged Property and inspect, repair, protect, care for or maintain such property, as the Mortgagee may in its sole discretion deem necessary, and may pay all amounts of money therefore, as the Mortgagee may in its sole discretion deem necessary.

11. The principal amount owing on the Note(s) together with interest, if any, thereon and all other charges, as therein provided, and all other amounts of money owing by the Mortgagor to the Mortgagee pursuant to and secured by this Mortgage or provided in the Agreement, shall immediately become due and payable without notice or demand upon the appointment of a receiver or liquidator, whether voluntary or involuntary, for the Mortgagor or any of the property of the Mortgagor, or upon the filing of a petition by or against the Mortgagor under the provisions of any State insolvency law, or under the provisions of the Federal Bankruptcy Act, as the same now exists or as it may later be amended, or upon the making by the Mortgagor of an assignment for the benefit of the Mortgagor's creditors. The Mortgagee is authorized to declare, at its option, all or any part of such indebtedness immediately due and payable upon the happening of any of the following events:

- (a) Failure to pay the remaining balance or deferred principal and interest, if any, or other charges payable on the Note(s), which have become due under the terms of the Agreement, this Mortgage, and the Note(s).
- (b) Nonperformance by the Mortgagor of any covenant, understanding, term or condition of the Agreement, this Mortgage, or of the Note(s) (except as otherwise provided in subdivision (a) hereof) or of any other agreement heretofore, herewith or hereafter made by the Mortgagor with the Mortgagee in connection with such indebtedness, after the Mortgagor has been given due notice by the Mortgagee of such nonperformance.
- (c) Failure of the Mortgagor to perform any covenant, agreement, term or condition in any instrument creating a lien upon the Mortgaged Property, or any part thereof, which shall have priority over the lien of this Mortgage.
- (d) The Mortgagee's discovery of the Mortgagor's failure in any application of the Mortgagor to the Mortgagee to disclose any fact deemed by the Mortgagee to be material, or for the making therein, or in the Agreement entered into by the Mortgagor with the Mortgagee (including, but not limited to, the Note(s) and this Mortgage) of any misrepresentation by or on behalf of, or for the benefit of the Mortgagor.
- (e) The sale, lease, transfer, or disposition of the Mortgaged Property, or any part thereof, without the prior written consent of the Mortgagee, in the manner provided in the Agreement. The Mortgagee's failure to exercise any of its rights hereunder shall not constitute a waiver thereof. All the events in this Paragraph enumerated upon the

happening of any of which the Note(s) shall become, or may be declared to be, immediately due and payable are in the Agreement and this Mortgage called "Events of Default".

12. The Mortgagee may from time to time cure each default under any covenant or agreement in any instrument creating a lien upon the Mortgaged Property, or any part thereof, which shall have priority over the lien of this Mortgage, to such extent as the Mortgagee may exclusively determine, and each amount paid, if any, by the Mortgagee to cure any such default shall be paid by the Mortgagor to the Mortgagee, and the Mortgagee shall also become subrogated to whatever rights the holder of the prior lien might have under such instrument.

13. (a) After the happening of any default hereunder, the Mortgagor shall, upon demand of the Mortgagee, surrender possession of the Mortgaged Property to the Mortgagee, and the Mortgagee may enter such property, and let the same and collect all rents therefrom which are due or to become due, and apply the same, after payment of all charges and expenses, on account of the indebtedness hereby secured, and all such rents and all leases existing at the time of such default are hereby assigned to the Mortgagee as further security for the payment of the indebtedness secured hereby; and the Mortgagee may also dispossess, by the usual summary proceedings, any tenant defaulting in the payment of any rent to the Mortgagee.

(b) In the event that the Mortgagor occupies the Mortgaged Property or any part thereof, the Mortgagor agrees to surrender possession of such property to the Mortgagee immediately after any such default hereunder, and if the Mortgagor remains in possession after such default, such possession shall be as a tenant of the Mortgagee, and the Mortgagor shall pay in advance, upon demand by the Mortgagee, as a reasonable monthly rental for the premises occupied by the Mortgagor, the greater of: an amount at least equivalent to one-twelfth of the aggregate or the twelve monthly installments payable in the current calendar year, if any, plus the actual amount of the annual ground rent, if any, taxes, assessments, water rates, other governmental charges, and insurance premiums payable in connection with the Mortgaged Property during such year, or an amount to be determined by the Mortgagee based on rents of comparable properties; and upon the failure of the Mortgagor to pay such monthly rental, the Mortgagor may also be dispossessed by the usual summary proceedings applicable to tenants. This covenant shall become effective immediately upon the happening of any such default, as determined in the sole discretion of the Mortgagee, who shall give notice of such determination to the Mortgagor, and in the case of foreclosure and the appointment of a receiver of the rents, the within covenant shall inure to the benefit of such receiver.

14. The Mortgagee in any action to foreclose this Mortgage shall be entitled to the appointment of a receiver without notice, as a matter of right and without regard to the value of the Mortgaged Property, or the solvency or insolvency of the Mortgagor or other party liable for the payment of the Note(s) and other indebtedness secured by this Mortgage.

15. The Mortgagor, within ten (10) days upon request in person or within twenty (20) days upon request by mail, shall furnish promptly a written statement in form satisfactory to the Mortgagee, signed by the Mortgagor and duly acknowledged, a statement of the amount then owing on the Note(s) and other indebtedness secured by this Mortgage, and whether any offsets or defenses exist against such indebtedness or any part thereof.

16. The Mortgagor shall give immediate notice by registered or certified mail to the Mortgagee of any fire, damage or other casualty affecting the Mortgaged Property, or of any conveyance, transfer or change in ownership of such property, or any part thereof, occurs.

17. Notice and demand or request may be made in writing and may be served in person or by mail.

18. In case of a foreclosure sale of the Mortgaged Property, it may be sold in one parcel.

19. The Mortgagor shall not assign the rents, if any, in whole or in part, from the Mortgaged Property, or any part thereof, without the prior written consent of the Mortgagee.

20. The Mortgagor is lawfully seized, in fee simple title, of the Mortgaged Property and has good right, full power and lawful authority to sell and convey the same in the manner above provided and shall warrant and defend the same to the Mortgagee forever against the lawful claims and demands of any and all parties whatsoever.

21. The Mortgagor hereby waives the benefit of all homestead exemptions as to the debt secured by this Mortgage and as to any expenditure for insurances, taxes, levies, assessments, dues or charges incurred by the Mortgagee pursuant to any provision of this Mortgage.

22. It is further covenanted and agreed by the parties hereto that this Mortgage also secures the payment of and includes all future, or further advances as shall be made by the Mortgagee herein or its successors or assigns, to or for the benefit of the Mortgagors, or their heirs, personal representatives, or assigns, for the term of indebtedness under the Agreement, Promissory Note(s) and Mortgage, to the same extent as if such future advances were made on the date of the execution of this Mortgage.

The total amount of indebtedness that may be secured by this Mortgage may decrease or increase from time to time, but the total unpaid balance so secured at any one time shall not exceed the maximum allowable amount under the existing City of Fort Lauderdale Rehabilitation/Replacement Program, together with interest thereon, if any, and any and all disbursements made by the Mortgagee for the payment of taxes, levies or insurance on the property covered by the lien of this Mortgage with interest on such disbursements at the rate specified in the Note(s) referred to in this Mortgage, and for reasonable attorneys' fees and court costs incurred in the collection of any and all of such sums of money.

Such further or future advances shall be wholly optional with the Mortgagee, and the same shall bear interest at the rate as specified in the Note(s) referred to herein, unless said interest rate shall be modified by subsequent agreement.

23. This Mortgage and all the covenants, agreements, terms and conditions herein contained shall be binding upon and inure to the benefit of the Mortgagor and the heirs, legal representatives and assigns of the Mortgagor, and, to the extent permitted by law, every subsequent owner of the Mortgaged Property, and shall be binding upon and inure to the benefit to the

Mortgagee and its assigns. If the Mortgagor, as defined herein, consists of two or more parties, this Mortgage shall constitute a grant and mortgage by all of them jointly and severally, and they shall be obligated jointly and severally under all the provisions hereof and under the Note(s). The word "Mortgagee" shall include any person, corporation or other party who may from time to time be the holder of this Mortgage. Wherever used herein, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall be applicable to all genders wherever the sense requires.

The construction loan financing and this Agreement are subject to compliance with the existing City of Fort Lauderdale Housing Program Policy and Guidelines (“Program”).

2. SCOPE. The loan proceeds obtained in conjunction with this Agreement shall be used solely in connection with the rehabilitation, replacement, construction, and related soft costs for the house, see attached Exhibit “A” on Property Owner(s)’s property (“Project”) having the address of:

Upon execution of this Participation Agreement, the Program maximum amount of the loan shall be earmarked and set aside for the Property Owner(s) to be used solely for the Property Owner(s)’s Project. The monies provided shall be withdrawn and used on behalf of the Property Owner(s) by City solely to pay for the

Project costs. Payments shall be made in accordance with the procedures provided in the form Contractor Agreement and Construction Contract Addendum used by and on file with the City's administrator of the Program ("Construction Contract").

Participant(s) shall execute a promissory note in the full amount of the loan as provided in this Paragraph 3 that will be secured by the mortgage as provided in paragraph 6 of this Agreement, recorded in the public records of Broward County in the maximum amount of the loan provided in this Paragraph.

This Agreement may be modified by the parties during construction to increase the loan to cover additional costs of construction if additional funds become available. Upon completion of the Project, or if this Agreement is terminated for any reason prior to completion of the Project and funds remain in Property Owner(s)'s Project account that are unencumbered, a modification of the mortgage reducing the amount secured by the Mortgage will be executed by the City and recorded in the public records of Broward County.

(b) Term of Repayment. Payment on the principal amount of the loan shall be deferred, so long as the property is occupied as the principal residence of the Property Owner(s), for a fifteen (15) year period. The fifteen (15) year period shall commence on the date the City issues a final certificate of occupancy or final inspection, whichever is applicable, evidencing the house may be occupied by Participant(s). Repayment of the full loan amount will become due and payable upon sale, lease, or transfer of the Property during the fifteen (15) year period. If no sale, lease, transfer, or other event of default occurs during the fifteen (15) year period, the terms of this encumbrance shall be satisfied, and the Property Owner(s) shall be issued a Satisfaction of Mortgage. The City will recapture the entire amount of the direct subsidy provided to the homeowner, or net sales proceeds.

4. OCCUPANCY. Property Owner(s) must provide annual certification to the City which confirms that the Property is the principal residence of Property Owner(s).

(a) Nonperformance by Property Owner(s) of any covenant, agreement, term or condition of this Agreement or of any other agreement heretofore, herewith, or hereinafter made by the Property Owner(s) with the City in connection with this Program, after the Property Owner(s) has been given due notice by the City of such nonperformance.

(b) Failure of the Property Owner(s) to perform any covenant, agreement, term or condition in any instrument creating a lien upon the Property.

(c) The City's discovery of Property Owner(s)'s failure in the Application to the City to disclose any fact, or the City's subsequent discovery of any fact, deemed by the City to be material, and one upon which the City relied in order to enter into this Agreement, or any other agreements entered into by the City with Property Owner(s) (including, but not limited to, any other agreements arising in connection with this Agreement and entered into by the Property Owner(s)), or City's discovery of any misrepresentation by, on behalf of, or for the benefit of the Property Owner(s).

(d) Property Owner(s)'s non-residential use, or disposition of the Property without the prior written consent of the City;

(g) The transfer of the Property to another, other than Property Owner(s)'s legal heirs.

In the event of default, the entire sum due is payable immediately and interest may be charged at the maximum rate allowed by law. Participant(s) acknowledges that if the Project is terminated before completion, either voluntarily or otherwise, it will constitute an ineligible activity and any funds invested in the Project must be repaid by the Property Owner(s) to the City.

8. CLOSING. The closing on this loan property shall occur within thirty (30) days after the date of execution of this Agreement. Disbursements for hard costs to the General Contractor shall be made payable both to the General Contractor, requiring the Property Owner(s)'s signature in countersigning and releasing the check for payment(s) to the General Contractor. The Property Owner(s) shall not unreasonably withhold approval of any partial or final payments to General Contractor, subject to the requirements set forth or referred to in the City's Program Guidelines.

12. CONDITIONS PRECEDENT. The City's administrative obligations under this Agreement to disburse funds shall be conditioned upon, and no portion of any of the loan proceeds shall be disbursed until, the Property Owner(s) delivering the following documents to the City:
