Re: Bond Issue Oversight Committee

Dear Superintendent Runcie:

Your successful efforts with the bond issue approved by Broward County voters will assuredly have a far-reaching positive impact on the school system and the entire county's economy and quality of life. Thank you for reaching out to the City of Fort Lauderdale concerning this important initiative.

In keeping with the active civic engagement of Fort Lauderdale residents, the City Commission wanted to emphasize to you the importance of community representation in the formation of the new board oversight committee and to ask that you make it a priority in selecting a membership.

On behalf of the City Commission, thank you for your careful attention to this matter. Should my office ever be of assistance to you, please feel free to contact me.

Very truly yours,

John P. "Jack" Seiler
Mayor
