**SECTION 3. The Issuer hereby finds, determines and declares as follows:**

A. The Issuer is authorized under the Act to enter into transactions such as those contemplated herein, and to fully perform the obligations of the Issuer to be undertaken in connection with the Interlocal Agreements, the issuance of the Bonds, the refunding of all or a portion of the Refunded Bonds, the refinancing of all or a portion of the Refunded Projects, the financing and refinancing of the Projects, funding of a debt service reserve fund to secure the Bonds (if determined by the Borrower to be in its best interest), capitalizing a portion of the interest on the 2013A Bonds (if determined by the Borrower to be in its best interest) and pay costs of issuance thereof.

B. The Issuer, as required by the Act, based upon representations of the Borrower and advice of Bond Counsel, has determined that the interest on the Bonds is

intended to be excluded from gross income for federal income tax purposes under Section 103(a) of the Internal Revenue Code of 1986, as amended, and applicable regulations thereunder (the "Code"), which determination will also be based, in part, on the Tax Regulatory Agreement (hereinafter defined); and the Bonds will not be issued unless the Issuer has received a satisfactory opinion of Bond Counsel regarding the fact that the interest on such Bonds will be excluded from gross income for federal income tax purposes at the time of the delivery of the Bonds, unless the Borrower determines to issue the Bonds, all or in part, as taxable Bonds, the interest on which is not excludable from the owner of the Bonds for federal income tax purposes.

C. Based upon representations made by the Borrower, the Borrower is an institution for higher education that is an independent nonprofit university located in and chartered by the State of Florida, accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, that grants a baccalaureate or higher degrees and the Refunded Projects are constructed in compliance with applicable codes as determined by appropriate state agencies and operated in the public sector within the meaning of Section 159.27(22)(a), Florida Statutes.

D. Based on representations of the Borrower, the Refunded Projects and the Projects constitute, as applicable, "educational facilities," "research and development parks" and "projects" within the meaning and contemplation of the Act or are otherwise permissible under the Act, including particularly, Chapter 166, Florida Statutes, and Article VIII, Section 2 of the Florida Constitution, and the costs to be incurred in connection therewith constitute "costs" of such "educational facilities," "research and development parks" and "projects" within the meaning of the Act, or are otherwise permissible under the Act, including particularly, Chapter 166, Florida Statutes, and Article VIII, Section 2 of the Florida Constitution, are appropriate to the needs and circumstances of, and shall make a significant contribution to the economic growth of the Town of Davie, the City of Hollywood and the City of Fort Lauderdale, shall provide or preserve gainful employment, increase educational opportunities and shall serve a paramount public purpose by advancing the economic prosperity and the general welfare of the State and its people and by improving living conditions within the State.

E. Based upon the representations of the Borrower with respect to the Refunded Projects, the refunding of all or a portion of the Refunded Bonds will result in interest rate savings and the availability of financing by means of revenue bonds is an important inducement to the Borrower to proceed with the refinancing of all or a portion of the Refunded Projects and is an important inducement to the Borrower to proceed with the financing and refinancing of the Projects, and the Refunded Projects and the Projects represent a substantial public benefit.

F. The Hollywood Interlocal Agreement and the Fort Lauderdale Interlocal Agreement allows the Issuer to refinance the portions of the Refunded Projects located in the Town of Davie and the City of Fort Lauderdale and finance and refinance the Projects located in the Town of Davie and the City of Hollywood through one transaction, which will result in substantial cost savings related to the issuance of the Bonds.

G. The Issuer has been able to cope satisfactorily with the impact of the portion of the Refunded Projects and the portion of the Projects located in the Town of Davie heretofore constructed and will be able to cope satisfactorily with the impact of the portion of the Projects located in the Town of Davie to be acquired, constructed and equipped and, with respect to the Refunded Projects and the Projects heretofore constructed in the Town of Davie, the Issuer has been able to, and with respect to the portion of the Projects to be constructed in the Town of Davie, will be able to, provide, or cause to be provided when needed, the public facilities, including utilities and public services, that will be necessary for the construction, operation, repair and maintenance of such Refunded Projects and such portion of the Projects and on account of any increases in population or other circumstances resulting therefrom.

H. Adequate provision has been made in the documents attached hereto for a loan by the Issuer to the Borrower (the "Loan") to refinance the Borrower's obligations under the Refunded Loan Agreement and thereby refund the Refunded Bonds and to finance and refinance the acquisition, construction and equipping of the Projects and thereafter for the operation, repair and maintenance of the Refunded Projects and the Projects at the expense of the Borrower, and for the repayment by the Borrower of the Loan in installments sufficient to pay the principal of and the interest on the Bonds and any premium in connection with the redemption thereof and all costs and expenses relating thereto in the amounts and at the times required.

I. Based on representations of the Borrower, the Borrower is financially responsible, based on the criteria established by the Act, the Borrower is fully capable and willing to fulfill its obligations under the Agreement (hereinafter defined) between the Borrower and the Issuer, including the obligation to repay the Loan in installments in the amounts and at the times required, the obligation to operate, repair and maintain the Refunded Projects and the Projects at the Borrower's own expense, and such other obligations and responsibilities as are imposed under the Agreement. The payments to be made by the Borrower to the Issuer and the other security provided by the Agreement and the Indenture (hereinafter defined) are adequate within the meaning of the Act for the security of the Bonds.

J. The Issuer is not obligated to pay the Bonds except from the proceeds derived from the repayment of the Loan by the Borrower, or from the other security pledged therefor under the Indenture, and neither the faith and credit of the Issuer, the City of Hollywood, the City of Fort Lauderdale, the State or any political subdivision thereof, nor the taxing power of the Issuer, the City of Hollywood, the City of Fort Lauderdale, the State or any political subdivision thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds.

K. The Issuer and the Borrower will concurrently with the issuance of the 2013B Bonds execute the documentation required for the refinancing of the Borrower's obligations, under the Refunded Loan Agreement (and, thereby, the refunding of all or a portion of the Refunded Bonds) and the financing and refinancing of the Refunded Projects and Projects as contemplated hereby.

L. A negotiated sale of the Bonds is required and necessary and is in the best interest of the Issuer for the following reasons: the Bonds will be special and limited

obligations of the Issuer payable out of moneys derived by the Issuer from the Borrower or as otherwise provided herein and will be secured by funds of the Borrower; the Borrower will be required to pay all costs of the Issuer in connection with the financing; the cost of issuance of the Bonds, which must be borne directly or indirectly by the Borrower, would most likely be greater if the Bonds are sold at public sale by competitive bids than if the bonds are sold at negotiated sale, and there is no basis, considering prevailing market conditions, for any expectation that the terms and conditions of a sale of the Bonds at public sale by competitive bids would be any more favorable than at negotiated sale; because prevailing market conditions are uncertain, it is desirable to sell the Bonds at a predetermined price; and revenue bonds having the characteristics of the Bonds are typically sold at negotiated sale under prevailing market conditions.

M. It is in the best interest of the Issuer to award the sale of the Bonds to Morgan Stanley & Co. LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, PNC Capital Markets LLC, SunTrust Robinson Humphrey, Inc. and J.P. Morgan Securities LLC (collectively, the "Underwriters") pursuant to the terms and conditions of one or more Bond Purchase Agreements hereinafter more particularly described (the "Bond Purchase Agreement") and this Resolution.

N. The Underwriters, as purchasers of the Bonds will, prior to the issuance of the Bonds, provide or cause to be provided, to the Issuer one or more disclosure statements containing the information required by Section 218.385(6), Florida Statutes, and a truth-in-bonding statement required by Sections 218.385(2) and (3), Florida Statutes, and any further disclosure required by the City from the Underwriters.

O. Based upon representations of the Borrower, the Center for Collaborative Research facility and the Oceanographic Center facility, as each is more particularly described in Exhibit "A" attached hereto are each expected to be a center of research and development activity related to the research and development activities of the Borrower, an institution of higher education, including scientifically oriented production or educational programs of postsecondary education, and are each expected to consist of research and development facilities, scientifically oriented production or assembly facilities, research institutes, prototype, scientific, and product testing laboratories, related business and government installations, or similar related facilities.

P. Based on representations of the Borrower, all buildings, facilities, and personal properties of the Collaborative Research facility and the Oceanographic Center facility, as each is more particularly described in Exhibit "A" attached hereto and land related thereto, including all necessary appurtenances, rights, and franchises directly relating thereto, are each expected to be engaged in research and development, are necessary to encourage or complement the purposes of a research and development park, or are expected to be in support of any facilities or improvements located or constructed at such a center or activities or operations conducted at such a center for purposes authorized by the Act.

Q. Based on representations of the Borrower, the Sports Center and Sports Center II, more particularly described in Exhibit "A" attached hereto, will serve the educational purposes of operating a nonprofit private preschool, kindergarten, elementary

school, middle school, or high school and for the use of the Borrower and will be owned and operated by the Borrower, an organization described in s. 501(c)(3) of the Code.

R. On the date hereof, after and pursuant to appropriate publication of notice thereof in *Sun-Sentinel*, a newspaper of general circulation in the Town of Davie, the City of Hollywood and the City of Fort Lauderdale at least fourteen (14) days in advance of said hearing, a public hearing was held by the Issuer on behalf of itself, the City of Hollywood and the City of Fort Lauderdale concerning the issuance of the Bonds by the Issuer to refund all or a portion of the Refunded Bonds and to thereby refinance all or a portion of the Refunded Projects, which are located in the Town of Davie and the City of Fort Lauderdale, and to finance and refinance, the acquisition, construction and equipping of the Projects which are located in the Town of Davie and the City of Hollywood, at which time comments and discussions from interested persons were solicited and heard.

S. Issuance of the Bonds is hereby approved by the Town Council for purposes of Section 147(f) of the Code. The Town Council is the elected legislative body of the Issuer.

T. The portion of the Bonds financing and refinancing Projects located in the City of Hollywood will be issued only after the City Commission of the City of Hollywood approves the issuance of the Bonds financing and refinancing the portion of the Projects located in the City of Hollywood and execution and delivery by the City of Hollywood of the Hollywood Interlocal Agreement.

U. The portion of the Bonds refinancing Refunded Projects located in the City of Fort Lauderdale will be issued only after the City Commission of the City of Fort Lauderdale approves the issuance of the Bonds financing and refinancing the portion of the Refunded Projects located in the City of Fort Lauderdale and execution and delivery by the City of Fort Lauderdale of the Fort Lauderdale Interlocal Agreement.

SECTION 4. Pursuant to Section 163.01, Florida Statutes, in order to make efficient use of shared powers, the Issuer hereby approves the execution and delivery by the Issuer of the Hollywood Interlocal Agreement and the Fort Lauderdale Interlocal Agreement, substantially in the forms attached hereto as Exhibit "C," to allow the Issuer to issue the Bonds to finance a portion of the Projects located in the City of Hollywood and the Refunded Projects located in the City of Fort Lauderdale, respectively. The Mayor and the Clerk are hereby authorized to execute and deliver the Interlocal Agreements on behalf of the Issuer. The forms of the Interlocal Agreements attached hereto as Exhibit "C" are hereby approved, subject to such changes, insertions and omissions and such filling of blanks therein and attaching of exhibits thereto as may be approved by the officers of the Issuer executing the same, such execution to be conclusive evidence of such approval. Upon execution by each of the parties thereto, the Interlocal Agreements shall be filed with the Clerk of Broward County, Florida. Execution and filing of the Hollywood Interlocal Agreement shall be a condition precedent to the issuance and delivery of the 2013A Bonds financing the portion of the Project located in the City of Hollywood and the execution and filing of the Fort Lauderdale Interlocal Agreement shall be a condition precedent to the issuance and delivery of the 2013B Bonds financing the portion of the Refunded Projects located in the City of Fort Lauderdale.

**SECTION 5.** For the purpose of, together with other available funds of the Borrower for such purposes, refinancing in whole or in part the Borrower's obligations under the Refunded Loan Agreement and thereby refunding all or a portion of the Refunded Bonds, financing and refinancing the cost of the acquisition, construction and equipping of the Projects, funding of a debt service reserve fund (if determined by the Borrower to be in the best financial interest of the Borrower), capitalizing interest on a portion of the 2013A Bonds (if determined by the Borrower to be in the best financial interest of the Borrower) and paying the costs of issuance, subject and pursuant to the provisions hereof, the issuance of revenue bonds of the Issuer under the authority of the Act and the Interlocal Agreements in the original aggregate principal amount not to exceed \$135,000,000 (exclusive of original issue discount and premium), at a purchase price of not less than 98% of the original principal amount of the Bonds (excluding original issue discount and premium), at an interest rate per annum not to exceed the maximum lawful rate, and a final maturity not exceeding approximately 30 years from their date of issuance, and the sale and delivery thereof to the Underwriters on one or more dates, is hereby authorized. The 2013A Bonds and the 2013B Bonds may be sold, issued and delivered on separate dates. The Mayor may authorize the modification of the name or series designation of the Bonds and such other provisions of the Indentures as are necessary to reflect delivery of the 2013A Bonds and 2013B Bonds on one or more dates, as deemed appropriate, the approval of such modifications to be evidenced by the execution of one or more Indentures reflecting such modifications.

The Bonds and the premium, if any, and the interest thereon shall not be deemed to constitute a general debt, liability or obligation of the Issuer, the City of Hollywood, the City of Fort Lauderdale, or the State of Florida or any political subdivision thereof, or a pledge of the faith and credit of the Issuer, the City of Hollywood, the City of Fort Lauderdale or the State of Florida or any political subdivision thereof, but shall be payable solely from the revenues provided therefor, and the Issuer is not obligated to pay the Bonds except from the proceeds derived from the repayment of the Loan by the Borrower, or from the other security pledged therefor under the Indenture, and neither the faith and credit of the Issuer, the City of Hollywood, the City of Fort Lauderdale, the

U.S. Bank National Association (the "Trustee") is hereby designated as the initial trustee, paying agent and registrar under each Indenture. The Mayor and the Clerk are hereby authorized to execute and deliver each such Agreement on behalf of the Issuer.

SECTION 8. To secure its obligations under each Agreement, the Borrower will issue one or more notes, with respect to the 2013A Bonds and the 2013B Bonds (collectively, the "Series 2013 Note") payable to the Trustee, as assignee of the Issuer, pursuant to the Master Trust Indenture dated as of October 1, 2008, as amended and supplemented, between the Borrower and U.S. Bank National Association, as Master Trustee thereunder (the "Master Trust Indenture"), and enter into a Master Supplement (as defined in the Master Trust Indenture) between such Master Trustee and the Borrower. The Authority hereby authorizes the acceptance of each such Series 2013 Note and the assignment thereof by the Issuer to the Trustee without recourse.

If between the date hereof and the mailing of each such Preliminary Official Statement, it is necessary to update financial, operational and statistical information of the Borrower or to make insertions, modifications or changes in the Preliminary Official Statement, the Mayor is authorized to approve such updates, insertions, changes and modifications. The Mayor may approve each such Preliminary Official Statement with such changes so that such Preliminary Official Statement will not contain any untrue statement of a material fact or omit to state any material fact that is required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they are made, not misleading and, in such case, to cause such Preliminary Official Statement to be used in connection with the offering and sale of such series of Bonds. The Mayor is hereby authorized to execute and deliver one or more certificates of the Issuer deeming the portions of each such Preliminary Official Statement describing the Issuer "final" for purposes of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended (the "Rule"), except for information permitted to be omitted under such rule. SECTION 12. The Mayor and the Clerk are, subject to the terms hereof, hereby authorized and empowered to execute and deliver the Interlocal Agreements, the Bonds, the Indenture, the Agreement, the Tax Regulatory Agreement, the Official Statement, the Bond Purchase Agreement and all documents contemplated thereby, or otherwise necessary and appropriate in connection with the issuance of the Bonds in a manner consistent with this Resolution, in each case, subject to such changes and modifications as either of such officers may approve, such execution to be conclusive evidence of any such approval, and to affix thereto or impress thereon, the seal of the Issuer.

SECTION 13. The Issuer and the officers, employees and agents of the Issuer acting on behalf of the Issuer are hereby authorized and directed to execute such documents, instruments and contracts, whether or not expressly contemplated hereby, and to do all acts and things required by the provisions of this Resolution and by the provisions of the Interlocal Agreements, the Bonds, the Indenture, the Agreement, the Tax Regulatory Agreement, the Bond Purchase Agreement and the Official Statement authorized herein, as may be necessary for the full, punctual and complete performance of all the terms, covenants, provisions and agreements herein and therein contained, or as otherwise may be necessary or desirable to effectuate the purpose and intent of this Resolution, or as may be requested by the Underwriters, the Borrower or the Trustee. The Mayor and the Clerk are hereby designated as the primary officers of the Issuer charged with the responsibility of issuing the Bonds, and the Mayor is hereby authorized to delegate to any other person any of the duties or authorizations of the Mayor or the Clerk hereunder.

SECTION 14. In case any one or more of the provisions of this Resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions of this Resolution, and this Resolution shall be construed and enforced as if such illegal or invalid provision had not been contained herein. This Resolution is adopted and the Interlocal Agreements, the Indenture, the Agreement and the Bond Purchase Agreement shall be executed, and the Bonds shall be issued, with the intent that the laws of the State shall govern their construction, except as shall otherwise be expressly provided by the terms thereof.

SECTION 16. This Resolution shall become effective immediately upon its adoption.

It is the intent of this Agreement and the parties hereto that the Town of Davie be vested, to the maximum extent permitted by law, with all powers which the City of Fort Lauderdale might exercise solely with respect to the issuance of the 2013 Bonds and the lending of the proceeds thereof to the Borrower to refinance the 2013 Projects in the City of Fort Lauderdale and for such other purposes described herein, pursuant to the Act.

SECTION 3. No Pecuniary Liability of the City of Fort Lauderdale; Limited Obligation of the Town of Davie. Neither the provisions, covenants or agreements contained in this Agreement, nor any obligations imposed upon the City of Fort Lauderdale hereunder or under the 2013 Bonds, shall constitute an indebtedness or liability of the City of Fort Lauderdale. The 2013 Bonds when issued, and the interest thereon, shall be limited and special obligations of the Town

of Davie payable solely from certain revenues and other amounts pledged thereto by the terms thereof.

SECTION 4. No Personal Liability. No covenant or agreement contained in this Agreement shall be deemed to be a covenant or agreement of any member, officer, agent or employee of the City of Fort Lauderdale or the Town of Davie in his or her individual capacity and no member, officer, agent or employee of the City of Fort Lauderdale or the Town of Davie shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

SECTION 5. Allocation of Responsibilities. The Town of Davie shall take all actions it deems necessary or appropriate in connection with the issuance of the 2013 Bonds, including, in its discretion, the preparation, review, execution and filing with government agencies of certificates, opinions, agreements and other documents to be delivered at the closing of the 2013 Bonds and the establishment of any funds and accounts related to the 2013 Bonds.

Neither the City of Fort Lauderdale nor the Town of Davie shall be liable for the costs of issuing the 2013 Bonds or the costs incurred by either of them in connection with the preparation, review, execution or approval of this Agreement or any documentation or opinions required to be delivered in connection therewith by the City of Fort Lauderdale, the Town of Davie or counsel to either. All of such costs shall be paid from the proceeds of the 2013 Bonds or from other moneys of the Borrower.

SECTION 6. Indemnity. The Borrower, by its approval and acknowledgment at the end of this Agreement, agrees to indemnify and hold harmless the City of Fort Lauderdale and the Town of Davie, their respective officers, employees and agents, from and against any and all losses, claims, damages, liabilities or expenses, including, but not limited to, losses, claims, damages, liabilities or expenses (including reasonable fees and expenses of attorneys, accountants, consultants and other experts), arising out of, resulting from, or in any way connected with this Agreement or the issuance of the 2013 Bonds, other than any such losses, damages, liabilities or expenses, in the case of the Town of Davie, arising from the willful misconduct of the Town of Davie, and, in the case of the City of Fort Lauderdale, arising from the willful misconduct of the City of Fort Lauderdale. The indemnity provided by this Section 6 shall survive the expiration or termination of this Agreement.

SECTION 7. Term. This Agreement will remain in full force and effect from the date of its execution, subject to the provisions of Section 8 hereof, until such time as it is terminated by any party hereto upon 10 days' advance written notice to the other party hereto, and advance written notice to the Borrower. Notwithstanding the foregoing, it is agreed that this Agreement may not be terminated so long as the 2013 Bonds (or any refunding obligations issued as

contemplated by Section 9 hereof), remain outstanding or unpaid. Nothing herein shall be deemed in any way to limit or restrict either party hereto from issuing its own obligations or entering into any other agreement for the financing or refinancing of any facility which either party hereto may choose to finance and/or refinance.

SECTION 8. Filing of Agreement. It is agreed that this Agreement shall be filed by the Borrower or its authorized agent or representative with the Clerk of the Circuit Court of Broward County, Florida all in accordance with the Interlocal Act, and that this Agreement shall not become effective until so filed.

SECTION 9. Refunding or Refinancing. It is the intention of the parties hereto that this Agreement cover and authorize not only the 2013 Bonds but also any obligations issued to refund or refinance the 2013 Bonds and any obligation thereafter issued to refund or refinance such obligations so that no additional or similar interlocal agreement between the Town of Davie and the City of Fort Lauderdale shall be necessary in connection therewith.

SECTION 10. Limitation on Approval. The approval given herein shall not be construed as (i) an endorsement of the creditworthiness of the Borrower or the financial viability of the 2013 Projects, (ii) a recommendation to any prospective purchaser to purchase the 2013 Bonds, or (iii) an evaluation of the likelihood of the repayment of the debt service on the 2013 Bonds. Further, the approval of the issuance of the 2013 Bonds by the Town of Davie shall not be construed to obligate the City of Fort Lauderdale to incur any liability, pecuniary or otherwise, in connection with either the issuance of the 2013 Bonds or the refinancing of the 2013 Projects and any financial obligation of the Town of Davie shall be limited as described herein. Neither the faith and credit of the Town of Davie or the City of Fort Lauderdale, nor the taxing power of the Town of Davie or the City of Fort Lauderdale, is pledged to the payment of the principal of, premium, if any, or the interest on the 2013 Bonds.

SECTION 11. Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof.

SECTION 12. Governing Law. This Agreement is being delivered and is intended to be performed in the State of Florida, and shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of such State.

WHEREAS, the Town of Davie, Florida (the "Town of Davie") has the authority pursuant to the Act to issue revenue bonds to finance and refinance qualifying projects within the Town of Davie within the meaning and contemplation of, or otherwise permitted under, the Act, including particularly Chapter 166, Florida Statutes and Article VIII, Section 2 of the Constitution of the State of Florida, including facilities of the Borrower; and

WHEREAS, City of Fort Lauderdale and the Town of Davie are each a "public agency" within the meaning of Section 163.01, Florida Statutes (the "Interlocal Act"), and are each authorized under the Interlocal Act to enter into an interlocal agreement providing for them to jointly exercise any power, privilege or authority which each of them could exercise independently; and

WHEREAS, the Borrower has requested that the Town of Davie issue its Educational Facilities Revenue Refunding Bonds (Nova Southeastern University Project), Series 2013B (the "2013B Bonds") and lend the proceeds to the Borrower, to refund, in whole or in part, together with other available funds of the Borrower, certain outstanding obligations issued for the benefit of the Borrower (the "Refunded Bonds") which financed or refinanced certain capital projects located on the Borrower's campus in Fort Lauderdale, Florida (the "Fort Lauderdale Project" more particularly described on Exhibit "A") and certain other projects located in Town of Davie (together with Fort Lauderdale Project, the "2013B Projects"); and
