Closures with Museum of Discovery and Science, Inc. for the Visit
Lauderdale Science Festival at Museum of Discovery and Science and
Esplanade Park on March 7, 2026 - **(Commission District 2)**

Recommendation

Staff recommends the City Commission approve an outdoor event agreement and request for road closures with Museum of Discovery and Science, Inc., in substantially the form attached, and authorize execution of the agreement by the City Manager or the City Manager's designee.

Background

On October 28, 2025, Museum of Discovery and Science, Inc. submitted an outdoor event application for the Visit Lauderdale Science Festival to be held at the Museum of Discovery and Science and Esplanade Park on Friday, March 7, 2026. The event is scheduled from 10:00 a.m. to 5:00 p.m. The Visit Lauderdale Science Festival began in 2023 and continues to be held annually. The application was submitted prior to the ninety (90)-day application deadline therefore the outdoor event application fee is \$200. The event impacts begin on Friday, March 6, 2026, and are scheduled to end on Saturday, March 7, 2026, which includes the setup period, event period, and breakdown period.

The event organizer attended the January 14, 2026, outdoor events meeting to review the event details with City staff, including the Parks and Recreation Department, Transportation and Mobility Department, Police Department, and Fire Department. The outdoor events meetings focus on operational logistics, cross departmental coordination, and event organizer requirements.

The event organizer is requesting special permissions that require City Commission approval:

- Request for Road Closures –
 - SW 2 Street from SW 4 Avenue to SW 5 Avenue;

- SW 4 Avenue from SW 2 Street to the cul-de-sac; and
- SW 4 Avenue from Broward Boulevard to SW 2 Street.

City staff invited the surrounding civic associations to the outdoor events meeting as well as shared a copy of the application and site plan. Upon approval, the City's online events calendar will be updated to reflect this event.

The event agreement defines the responsibilities of the event organizer such as covering the associated event expenses and the required certificates of insurance. The event organizer will also secure all other necessary permits and licenses that are required from other agencies. Authorization for the execution of the event agreement is contingent upon the City Attorney's Office reviewing and approving as to form all documents prior to execution by the City Manager or designee.
