TITLE: Resolutions Adopting the Fiscal Year 2020 Sunrise Key Neighborhood Improvement District's Final Millage Rate and Final Budget – (1) Final Millage Rate (1.0000) and (2) Final Budget - **(Commission District 2)**

Recommendation

It is recommended that the City Commission hold a public hearing and approve a resolution adopting the final Fiscal Year (FY) 2020 Sunrise Key Neighborhood Improvement District Millage Rate and a resolution adopting the final FY 2020 Sunrise Key Neighborhood Improvement District Budget.

Background

The Sunrise Key Neighborhood Improvement District (SKNID) is a local government neighborhood improvement district created by Ordinance C-92-12 in accordance with Section 163.506, Florida Statutes. The District is authorized to levy ad valorem tax on real and personal property up to two mills annually to generate revenue to provide security services. The revenue is collected via tax bills by the Broward County Tax Collector and is electronically transmitted to the City. The funds are set aside in a trust account for the District and are subsequently reimbursed to the District on an as needed basis.

The Sunrise Key Neighborhood Improvement District set its millage rate at 1.0000 mill and established its budget of \$110,000 at its March 27, 2019 meeting. Revenue generated from this millage is estimated at \$127,315 and will support the budget as detailed in the Sunrise Key Neighborhood Improvement District Minutes (Exhibit 1).

Resource Impact

There is no fiscal impact for FY2019. The City's FY2020 Final Budget includes the SKNID revenues and expenditures since it is a dependent district.
