Notice to proceed for each order shall be provided in writing in the form of an e-mail with attached purchase order. The City may order graphics material prior to units arriving in order to expedite the process. **The City will collect liquidated damages for each business day of delay (24 hour increments) after specified turn-around time in the amount of 3% per day of total invoice.** The expected turn-around time is to provide graphics within seven (7) business days and to be installed within ten (10) business days from notice to proceed.

The nature of these activities is such that Contractor's and subcontractor's personnel have significant potential to affect environmental performance and regulatory compliance within the City of Fort Lauderdale. Therefore, Contractor's personnel and City's personnel must work together to achieve the goals of the environmental policy, objectives and targets and the protection of the environment. Contractors must be aware of the importance of compliance with relevant environmental legislation and regulations, and of the consequences of non-compliance. Conformance with the environmental policy and all requirements is expected of all Contractors, subcontractors, suppliers, and their employees while working on or within a site regulated by the City's ESMS. Failure to follow these requirements may be grounds for termination for cause of any agreement resulting from this competitive solicitation, and any other legal remedies available to the City or other regulatory entity.
- B.** All proposed costs, including subcontractor's costs, shall include any and all means, and methods required to perform the work and provide all goods and services under the performance of any contract resulting from this competitive solicitation that are in absolute compliance with the City's ESMS. PART III BIDDING AND AWARD PROCEDURES:

3.01 **SUBMISSION AND RECEIPT OF BIDS:** To receive consideration, bids must be received prior to the bid opening date and time. Unless otherwise specified, Bidders should use the proposal forms provided by the City. These forms may be duplicated, but failure to use the forms may cause the bid to be rejected. Any erasures or corrections on the bid must be made in ink and initialed by Bidder in ink. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. When a particular ITB or RFP requires multiple copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Only send bids via facsimile transmission (FAX) if the ITB specifically states that bids sent via FAX will be considered. If such a statement is not included in the ITB, bids sent via FAX will be rejected. Bids will be publicly opened in the Procurement Office, or other designated area, in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings. Bids will be tabulated and made available for review by Bidder's and the public in accordance with applicable regulations.

In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.

- 3.03 PRICES QUOTED:** Deduct trade discounts, and quote firm net prices. Give both unit price and extended total. In the case of a discrepancy in computing the amount of the bid, the unit price quoted will govern. Each item must be bid separately. No attempt shall be made to tie any item or items contained in the ITB with any other business with the City.

It is the Bidder's responsibility to provide adequate information, in the bid, to enable the City to ensure that the bid meets the required criteria. Such notification must be received by the Procurement Services Division prior to the deadline contained in the ITB, for questions of a material nature, or prior to five (5) days before bid due and open date, whichever occurs first. - 3.08 MISTAKES:** Bidders are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions and special conditions pertaining to the ITB.
