

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#25-0941

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Rickelle Williams, City Manager

DATE: October 23, 2025

TITLE: Second Reading - Ordinance Amending the City of Fort Lauderdale Unified Land Development Regulations (ULDR) Section 47-24.1, Section 47-24.12 and Section 47-33.7 to Revise the Board of Adjustment Voting Requirements – Case No. UDP-T25008 - **(Commission Districts 1, 2, 3 and 4)**

Recommendation

Staff recommends the City Commission consider an ordinance amending the City of Fort Lauderdale Unified Land Development Regulations (ULDR) Section 47-24.1, Section 47-24.12 and Section 47-33.7 to revise the Board of Adjustment voting requirements.

Background

At the May 6, 2025, City Commission Conference meeting, the City Commission directed staff to process text amendments to revise the Board of Adjustment's (BOA) voting requirements. Staff presented the proposed amendments to the BOA on July 9, 2025. BOA members did not raise concerns about the proposed amendments. The July 9, 2025, BOA meeting minutes are attached as Exhibit 1.

On August 20, 2025, the Planning and Zoning Board (PZB), acting as the local planning agency ("LPA") reviewed the amendments and recommended approval (6-0) of the revised ordinance to the City Commission. The August 20, 2025, PZB staff report, and meeting minutes are attached as Exhibit 2 and Exhibit 3, respectively.

The BOA reviews variances, special exceptions, and the Zoning Administrator's interpretation of the ULDR. Variances and special exceptions are held to a higher approval threshold due to a high burden of proof. This vote threshold aligns with other significant decisions that are also subject to a higher vote threshold pursuant to the City's Charter and ULDR, including the sale or lease of public property, and requests for rezoning to the Planned Development District (PDD) zoning district. Pursuant to ULDR Section 47-33.7, Quorum, the concurring vote of a majority plus one of those members of the BOA present and voting is necessary to validate any final order of the Board. Some applicants have expressed that the super majority requirement is overly burdensome.

The proposed ordinance includes amendments to ULDR Section 47-24.1, Section 47-24.12, and Section 47-33.7 to revise the voting requirements from a supermajority to a majority vote.

The first reading of the ordinance was held at the October 7, 2025, City Commission Regular Meeting and no modifications were made.

The proposed ordinance is attached as Exhibit 4.
