The coverages limits and/or endorsements required herein protect the interests of the City, and these coverages, limits, and/or endorsements shall in no way be required to be relied upon by the Participant for assessing the extent or determining appropriate types and limits of coverage to protect the Participant against any loss exposures, whether as a result of this Agreement or otherwise. Such notification will be in writing by registered mail, return receipt requested, and addressed to the certificate holder.
- d. In the event the Agreement term goes beyond the expiration date of the insurance policy, the Participant shall provide the City with an updated Certificate of Insurance no later than ten (10) days prior to the expiration of the insurance currently in effect. The City reserves the right to suspend the Agreement until this requirement is met.

Fort Lauderdale, FL 33301

The Participant has the sole responsibility for all insurance premiums and shall be fully and solely responsible for any costs or expenses as a result of a coverage deductible, co-insurance penalty, or self-insured retention; including any loss not covered because of the operation of such deductible, co-insurance penalty, self-insured retention, or coverage exclusion or limitation. Any costs for adding the City as an Additional Insured shall be at the Participant's expense.

If the Participant's primary insurance policy/policies do not meet the minimum requirements, as set forth in this Agreement, the Participant may provide evidence of an Umbrella/Excess insurance policy to comply with this requirement.

The Participant's insurance coverage shall be primary insurance as respects to the City, a Florida municipal corporation, its officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, a Florida municipal corporation, its officials, employees, or volunteers shall be non-contributory.

Any exclusion or provision in any insurance policy maintained by the Participant that excludes coverage required in this Agreement shall be deemed unacceptable and shall be considered breach of contract.

All required insurance policies must be maintained until the contract work has been accepted by the City, or until this Agreement is terminated, whichever is later. Any lapse in coverage shall be considered breach of contract. In addition, Participant must provide to the City confirmation of coverage renewal via an updated certificate should any policies expire prior to the expiration of this Agreement. The City reserves the right to review, at any time, coverage forms and limits of Participant's insurance policies.

The Participant shall provide notice of any and all claims, accidents, and any other occurrences associated with this Agreement to the Participant's insurance company or companies and the City's Risk Management office, as soon as practical.

It is the Participant's responsibility to ensure that any and all of the Participant's independent contractors and subcontractors comply with these insurance requirements. All coverages for independent contractors and subcontractors shall

be subject to all of the applicable requirements stated herein. Any and all deficiencies are the responsibility of the Participant.
