(e) These indemnifications shall survive the term of this Contract. In the event that any action or proceeding is brought against the City by reason of any such claim or demand, Contractor, upon written notice from City shall resist and defend such action or proceeding by legal counsel satisfactory to City.

**10.5 Certification of Improvement Costs; As-Built Drawings.** The cost of leasehold improvements, fixtures, and equipment shall be borne by Lessee, unless the City agrees in writing to pay any such costs. Upon completion of any leasehold improvements, Lessee shall furnish City with a certified statement of all approved improvement costs and that said costs have been satisfactorily paid in full, and that there are no liens or unpaid contractors or subcontracts relating to the improvements. Lessee shall deliver to City "as built" plans for all alterations, additions and improvements made by Lessee within thirty (30) days after completion of the same.

## **ARTICLE 11 TITLE TO IMPROVEMENTS**

All improvements of whatever kind or nature, including but not limited to, all buildings, structures, and all equipment installed or erected on the Leased Premises including without limitation heating and air conditioning equipment, interior and exterior light fixtures, fencing, landscaping, paving, tie-down facilities, and all other improvements placed upon or constructed on the Leased Premises, and shall be deemed under the laws of the State of Florida, a part of the Leased Premises. The Lessee must ensure that all improvements are free and clear of all liens. All improvements now existing and any and all improvements that maybe or are constructed shall become the property of City (owned by the City) upon the termination or expiration, of this Lease Agreement, and shall remain on the Leased Premises unless otherwise directed by the Airport Director or his her designee in his or her sole discretion. The Airport Director or his or her designee in his or her sole discretion may require Lessee to demolish any and all improvements, building(s), or structure(s) on the Leased Premises which are now existing or maybe constructed prior to the expiration or termination of the Lease Agreement.

Ownership of all personal property (that are not fixtures, structures, or buildings) shall be and remain with Lessee and may be removed from the Leased Premises upon the expiration or Termination of the Lease Agreement, only if Lessee is not then in default hereunder, and Lessee exercises care in the removal of its personal property, subject to any other additional requirements in this Lease Agreement. Lessee shall repair any damage to the Leased Premises caused by removal of its personal property at its own expense within five (5) days of the date of the damage or if City repairs the damage(s),

Lessee shall reimburse the City for any damages to the Leased Premises or the Airport caused or resulting from the Lessee's removal of its personal property within ten (10) days of a written demand sent by the Airport Director to Lessee.

Any personal property installed (that are not fixtures) on the Leased Premises by any of Lessee's subtenants shall be and remain such subtenant's property and may be removed by the subtenant upon the termination of sublease only if the subtenant is not in default of this Lease Agreement and the Subtenant exercises care in the removal of its personal property, subject to any other additional requirements in this Lease Agreement. As a condition precedent to removing its personal property, the subtenant must hold harmless and indemnify the City and City Parties from all damage to the Leased Premises including buildings, other structures and Improvements, caused by the Subtenant's removal of its personal property.

## **ARTICLE 12 CONSTRUCTION LIENS**

City's interest in the Leased Premises shall not be subjected to any construction, mechanic's, materialman's, tax, laborer's or any other lien, whether City has given its written approval for the improvements or otherwise, and Lessee shall hold harmless City, City Parties, and its interest in the Leased Premises from any such lien or purported lien. No third person shall ever be entitled to any lien, directly or indirectly on the Leased Premises. All persons contracting with the Lessee, or furnishing materials or labor to the Lessee, or its agents or employees shall be bound by this provision of the Lease Agreement. The Lessee is not an agent of Lessor and does not have the authority to confer a mechanic's lien upon the Lessor's property in accordance with Chapter 713, Florida Statutes, as amended. The Lessee shall inform the City within five (5) days of the filing or recording of a lien on the Leased Premises. Within fifteen (15) days of filing or recording of any lien on the Leased Premises, Lessee shall pay or satisfy the lien. Lessee shall present written documentation that the lien is satisfied to the Airport Director within five (5) days of City's request. The Airport Director in his or her sole discretion will determine whether the documentation provided by Lessee is satisfactory and if it is not satisfactory, the Airport Director may request additional documentation which the Lessee must provide within five (5) days of a written request from the Airport Director.

## **ARTICLE 13 UTILITIES, FEES, AND CHARGES**

Lessee agrees to provide for its own connections with utilities and to make separate agreements with the agencies responsible for these utilities. Lessee shall pay for all utility service supplied to the Leased Premises whether the bills or statements are in the name of Lessee or another person, entity, government, or third party and, if required by the utility agencies as a condition of continuing said services, Lessee shall install and pay for standard metering devices for the measurement of such services. Lessee shall be solely responsible for and shall pay at its own expense whether the bills or statements are in the name of Lessee or another person, entity, government or third party: all utility charges, operating, maintenance, and servicing charges for the Leased premises including but not

limited to: natural gas, fire inspections, fire lines, connections, stormwater, drainage, cable, phone, refuse, internet, electricity, sewer, telecommunications and water used on the Leased Premises during the Term. Lessee understands that it is required to pay for all utilities and services and charges for the Leased Premises regardless of whether Lessee receives a bill for these services or charges and regardless of whether the Lessees' name is printed on the bill(s). Lessee further agrees that City shall have the right, without cost to Lessee, to install and maintain in, on, or across the Leased Premises sewer, water, gas, cable, internet, electric and telephone lines, electric substations, or other installations necessary to the operation of the Airport, or to service other tenants of City; provided, however, that City shall carry out such work and locate above-ground structures in a manner that does not unreasonably interfere with the Lessee's use of the Leased Premises.

#### **ARTICLE 14 INGRESS AND EGRESS**

Lessee, the Lessee Parties, and its suppliers of material and furnishers of services, shall have the right of ingress and egress to the Leased Premises via appropriate taxiways, public or private ways to be used in common with others having rights of passage, provided that City may, at its expense, from time to time, substitute other means of ingress and egress so long as an alternate adequate means of ingress and egress is available. The City may at any time temporarily or permanently close any taxiway, roadway or other area used as ingress or egress to the Leased Premises presently or hereafter used as such, so long as an alternative means of ingress and egress is made available to Lessee and so long as such closure does not prevent Lessee from using the Leased Premises as Lessee intends. The City may close any means of access or egress to the Leased Premises without providing an alternative means of ingress or egress due to a force majeure event or for a commercially reasonable period of time necessary to repair or otherwise maintain such areas and facilities (a "Total Closure"). In the event any such Total Closure is necessary, the City will provide Lessee with advance, written notice reasonable under the circumstances and use diligent efforts to coordinate any such closure and maintenance activities with Lessee to minimize any adverse effects upon Lessee's operations. Lessee hereby releases and discharges City, City Parties, its successors and assigns, of and from any and all claims, demands or causes of action which Lessee may now or at any time hereafter have against any of the foregoing arising or alleged to arise out of the closing of any taxiway, apron, runway, street, roadway, or other areas used as such, whether within or outside the Leased Premises.

#### **ARTICLE 15 TAXES, PERMITS, LICENSES**

In addition to those obligations set forth in any other section of this Lease Agreement, Lessee shall pay at its own expense, all costs of operating its equipment and business, any and all ad valorem, sales, use or other taxes levied, assessed or charged upon or with respect to the Leased Premises or improvements or property Lessee places thereon and any assessed against the operation of the business and any ad valorem, sales, use or similar taxes levied or assessed with respect to this Lease or the Leased Premises,

whether assessed at the Effective Date or thereafter imposed, regardless of whether such taxes are assessed against the Lessee or the City by the due date. Lessee shall obtain and pay all costs and charges by the due date for any business tax receipts, permits, licenses, or other authorizations required by City, Broward County, the State of Florida, Federal Law and any other applicable law in connection with the operation of its business at the Airport, and copies of all such permits, certificates and licenses shall be forwarded to City. Lessee shall keep all licenses, business tax receipts, permits, and any other authorizations required by the City, Broward County, the State of Florida, and Federal Law valid and in good standing during the term of this Agreement.

As a condition precedent to the effectiveness of this Agreement, during the term of this Agreement and during any renewal or extension term of this Agreement, the Lessee, at the Lessee's sole expense, shall provide insurance of such types and with such terms and limits as noted below. Providing proof of and maintaining adequate insurance coverage are material obligations of the Lessee. The Lessee shall provide the Lessor a certificate of insurance evidencing such coverage. The Lessee's insurance coverage shall be primary insurance for all applicable policies. The limits of coverage under each policy maintained by the Lessee shall not be interpreted as limiting the Lessee's liability and obligations under this Agreement. All insurance policies shall be from insurers authorized to write insurance policies in the State of Florida and that possess an A.M. Best rating of A-, VII or better. All insurance policies are subject to approval by the Lessor's Risk Manager.

The coverages, limits, and endorsements required herein protect the interests of the Lessor, and these coverages, limits, and endorsements may not be relied upon by the Lessee for assessing the extent or determining appropriate types and limits of coverage to protect the Lessee against any loss exposure, whether as a result of this Agreement or otherwise. The requirements contained herein, as well as the Lessor's review or acknowledgement, are not intended to and shall not in any manner limit or qualify the liabilities and obligations assumed by the Lessee under this Agreement.

The following insurance policies and coverages are required:

In the event of destruction of or damage to over fifty percent (50%) of any of the Premises or the buildings or other structures covered by insurance and Lessee's election to rebuild the Premises or the buildings or other structures pursuant to the Lessee's option provided in this Lease, the funds payable pursuant to such insurance policies shall be payable to, and deposited in, a commercial national bank as trustee, located in Fort Lauderdale, Florida, selected by the Lessor, as a trust fund, and the funds shall be used for the purpose of reconstruction or repair, as the case may be, of any of the buildings or other structures so damaged or destroyed. Such reconstruction and repair work shall be done in strict conformity with the ordinances and charter of the Lessor. Should the cost of reconstruction or repair exceed the amount of funds available from the proceeds of such insurance policy, then in such event, such funds shall be used as far as the same will permit in paying the cost of the reconstruction or repair. In the event that the cost of such reconstruction or repair work shall be less than the proceeds derived from such insurance policies, the surplus shall be unencumbered by Lessor.

The Lessor and the Lessor's officers, employees, and volunteers are to be covered as additional insureds with a CG 20 26 04 13 Additional Insured – Designated Person or Organization Endorsement or similar endorsement providing equal or broader Additional Insured Coverage with respect to liability arising out of activities performed by or on behalf of the Lessee. ## **ARTICLE 18 ENVIRONMENTAL REGULATIONS**

**18.1 Environmental Representations.** Notwithstanding any other provisions of this Lease, and in addition to any and all other Lease requirements, and any other covenants and warranties of Lessee, Lessee hereby expressly warrants, guarantees, and represents to City, upon which City expressly relies that:

(a) Lessee is knowledgeable regarding any and all Environmental Laws, without limitation, which govern or which in any way apply to the direct or indirect results and impacts to the environmental and natural resources due to, or in any way resulting from, the conduct by Lessee of its operations pursuant to or upon the Leased Premises. Lessee agrees to keep informed of future changes in Environmental Laws relating to its operations on the Leased Premises.

The Site Reviewers shall perform such tests on the Leased Premises as may be necessary, in the opinion of the Site Reviewers, to conduct a prudent environmental site assessment. Lessee shall supply such information as is requested by the Site Reviewers. In the event City conducts testing due to information other than a notice of violation from a Governmental Authority, and the testing does not reveal any contamination in excess of permissible EPA tolerances, other than the contamination referenced in Article 21 of this Lease, City agrees to bear all costs association with the testing.

**20.1 Environmental Inspection at End of Lease Term.** Within the last sixty (60) days of the Term or within sixty (60) days after earlier Lease termination, City shall have the right to have an environmental inspection performed to determine the status of any

Hazardous Materials, including, but not limited to asbestos, PCBs, PFAS, and urea formaldehyde, and radon gas existing on the Leased Premises or whether any said substances have been generated, released, stored or deposited over, or then exist beneath or on the Leased Premises from any source.

Lessee hereby expressly agrees to indemnify and hold City and each City Party harmless from and against any and all liability for fines and physical damage to property or injury or death to persons, and this indemnity includes all costs, charges, expenses, judgments, demands, claims, court costs, appellate fees, expenses and attorney's fees, to the extent arising from or resulting out of, or in any way caused by, Lessee's failure to comply with any and all applicable Environmental Laws, and in any way resulting from pollution or exposure of Lessee or any third party to asbestos, PCBs, PFAS, PFOA, urea formaldehyde, and radon gas. Lessee understands that this indemnification is in addition to and is a supplement of Lessee's indemnification set forth in other provisions of this Lease and Lessee is in full understanding to the extent of this indemnification and hereby expressly acknowledges that it has received full and adequate consideration and that City would not execute this Lease without this indemnity. This provision of the lease shall survive termination of the Lease.

With regard to any contamination caused by Lessee, or arising by reason of Lessee's use or occupancy of the Leased Premises, Lessee shall immediately take such action as is necessary to clean up and remediate the Leased Premises at its own expense in accordance with applicable Environmental Laws. The remediation must continue until the Governmental Authorities with jurisdiction have determined that no further action is necessary; it being understood and agreed that Lessee shall be obligated to clean-up and remediate the Leased Premises to achieve such standards or clean-up levels as are reasonably required by the City for properties at the Airport. If the City is unable to lease the Leased Premises during the period of cleanup and remediation due to the environmental condition or cleanup work being performed, in addition to any other damages, Lessee shall be responsible for payment of lost rent or lost use to the City.

The firm(s) conducting the site inspection or the site cleanup work must be qualified and approved by the Airport Director or his or her Designee, and the methodology used by such firm shall be consistent with the then current engineering practices and methods required by the State of Florida or the United States government and be acceptable to City.

Lessee understands and agrees that it is strictly liable for any environmental violation or harm, or any contamination to the soil or the water table under the Leased Premises to the extent caused by Lessee or occurring by reason of Lessee's use or occupancy of the Leased Premises. Said liability shall extend beyond the term of the Lease until the Premises are retested and determined to be free of contamination.

## **ARTICLE 21 STORAGE TANKS**

Lessee agrees that it will not have any underground or above ground storage tanks ("Tanks") on the Leased Premises unless specifically authorized in writing by City. If any tank is authorized by City, Lessee covenants and agrees that it will comply with all Applicable Laws concerning the installation, operation, maintenance and inspection of Tanks including financial responsibility and corrective action requirements.

## **ARTICLE 22 AMERICANS WITH DISABILITIES ACT**

Lessee shall comply with the requirements of "The Americans with Disabilities Act" ("ADA") as published in Title 28, Code of Federal Regulations ("CFR"), Parts 35 and 36, and the State of Florida Accessibility Requirements Manual ("ARM"). Additionally, the Lessee shall comply with the requirements of the ADA in any design and construction on the Leased Premises.

## **ARTICLE 23 NONDISCRIMINATION**

Lessee acknowledges that the City is required by the FAA under the terms of certain agreements between the City and the United States of America relative to the operation or maintenance of the Airport, the execution of which has been required as a condition precedent to the grant or receipt of federal funds for the development of the Airport, to include in this Lease certain required contract provisions, attached as "**Exhibit B**" hereto (the "Federal Nondiscrimination Clauses"). Lessee agrees to comply with the Federal Nondiscrimination Clauses and, where applicable, include the Federal Nondiscrimination Clauses in each of its subcontracts without limitation or alteration. Lessee further agrees to comply with any modification to or interpretation of the Federal Nondiscrimination Clauses that may from time to time be required by the FAA or other agency with jurisdiction, within thirty (30) days of receiving notice from the City of such required modifications.

## **ARTICLE 24 RIGHTS RESERVED TO CITY**

Rights not specifically granted to Lessee by this Lease are expressly and independently reserved to City. City expressly reserves the right to prevent any use of the Leased Premises which would interfere with or adversely affect the operation or maintenance of the Airport, the authorized operations of other Airport tenants or users, or otherwise constitute an Airport hazard.

## **ARTICLE 25 RIGHT OF ENTRY**

City shall have the right to enter the Leased Premises during normal business hours with no less than twenty-four (24) hours notice to Lessee (which may be oral), except in an

emergency, to inspect the Leased Premises for the purpose of determining whether Lessee is in compliance with the requirements of this Lease. If, upon inspecting the Leased Premises, the City reasonably determines that the Lessee is not in compliance with this Lease, the City shall provide the Lessee with a written notice of noncompliance listing the items that are not in compliance with this Lease. If the Lessee does not initiate corrective action to cure the items in noncompliance within thirty (30) days after notice of default is sent by the Airport Director to the Lessee, the Airport Director may terminate the Lease Agreement if the Lessee fails to cure the default. City reserves the right to enter the Leased Premises at any time with or without notice in case of emergency.

## **ARTICLE 26 RIGHT OF FLIGHT**

It shall be a condition of this Lease that City reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property owned by City, including without limitation the Leased Premises, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the Airport. Lessee further expressly agrees for itself, its successors and assigns to restrict the height of structures, objects of natural growth and other obstruction on Leased Premises to such a height so as to comply with Title 14 CFR, Part 77.

## **ARTICLE 27 SUBORDINATION TO DEEDS AND GRANT AGREEMENTS**

This Lease shall be subject and subordinate to all the terms, and conditions of any instruments and documents under which City acquired the land or improvements thereon constituting the Airport or any portion thereof, of which said Leased Premises are a part, including the deed to the City from the Department of Defense, and shall be given only such effect as will not conflict with nor be inconsistent with such terms and conditions. Lessee understands and agrees that this Lease shall be subordinate to the provisions of any existing or future agreement between City and the United States of America, the State of Florida, or any of its or their agencies, relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the grant or receipt of federal or State funds for the development of the Airport, and to any terms or conditions imposed upon the Airport by any other Governmental Authority. In the event that this Lease, either on its own terms or by any other reason, conflicts with or violates the terms of any such deeds or agreements, City may unilaterally amend, alter, or otherwise modify the terms of this Lease in order to resolve such conflict or violation without compromising or destroying any remaining portions of this Lease, and such remaining provisions shall remain binding and in full effect upon the parties as if no such amendment or alteration had occurred.

## **ARTICLE 28 SIGNS**

**28.1 Written Approval.** Lessee shall obtain approval the City and the Airport Director and obtain all required permits in accordance the City's Code of Ordinances and the ULDR, prior to erecting or displaying any signs on the Leased Premises or any advertising at or on the exterior parts of the Leased Premises.

**28.2 Removal.** Upon the expiration or termination of the Lease, Lessee shall remove, obliterate or paint out, as City may direct, at its sole discretion, any and all signs and advertising on the Leased Premises and shall restore the portion of the Leased Premises affected by such signs or advertising to the same conditions as existed prior to the placement of such signs or advertising. The Airport Director may waive the aforementioned requirement in writing. In the event of failure on the part of Lessee to remove, obliterate or paint out each and every sign or advertising and to so restore the Premises, City may perform the necessary work and Lessee shall pay these costs plus a 25% administrative fee to City.

## **ARTICLE 29 QUIET ENJOYMENT**

Subject to Lessee's compliance with each and every requirement and obligation on its part to be met under this Lease, City covenants that Lessee shall and may peaceably and quietly have, hold and enjoy the Leased Premises and all parts thereof for the Term hereby granted, subject to the terms and provisions hereof.

## **ARTICLE 30 NO MORTGAGE RIGHTS OF LESSEE**

**30.1** Lessee shall not mortgage, pledge, or hypothecate its leasehold interest under this Lease without the prior written consent of the Airport Director. As a condition precedent to obtaining the consent of the Airport Director, Lessee and its lender shall provide to City written evidence that the priority rights of City under this Lease will not be adversely affected by such action. In addition, any leasehold mortgage, leasehold deed of trust or other security financing arrangement shall specifically acknowledge that such financing shall never be construed to pledge, mortgage, encumber, hypothecate, alienate or otherwise grant or convey all or any part of the fee simple title to the real property underlying the leasehold estate herein given, or leasehold improvements which are the property of the City, as the same is publicly-owned property not subject to encumbrance or involuntary sale or divestiture. In the event that the Lessee mortgages its leasehold interest, the Mortgagee shall send via certified mail return receipt requested to the City (in accordance with the notice requirements in this Lease Agreement, with a copy to all the persons listed in the Notice Provision of this Lease Agreement) the following two documents within five (5) days after the date that the mortgage is recorded in the Official Records of Broward County or any other County: 1) Written notice of the name and address of the leasehold Mortgagee; and 2) A certified copy of the mortgage recorded in the Official Records of Broward County or any other County. The City shall not provide

any notice to the Leasehold Mortgagee (including any notice of default) if the City does not receive both written notice of the mortgagee's name and address and a certified copy of the mortgage within five (5) days after the date that the mortgage is recorded.

**30.2 If City the Authorizes the Tenant to obtain a Leasehold Mortgage.**

Notwithstanding the prohibition upon the placement or creation of liens set forth in this Lease, including any leasehold interests created hereunder in the Leased Premises, the Lessee may, upon prior written permission of the Airport Director, pledge the Lessee's leasehold interest created hereunder pursuant to a mortgage, deed of trust, security deed, or other security instrument encumbering the leasehold estate created by this Lease (a "Leasehold Mortgage"), provided that such pledge is made in connection with the financing or refinancing (a "Loan") of amounts to be used solely for the construction of any improvements on the Leased Premises referenced herein or other improvements to the Leased Premises and shall be subject, subordinate, and inferior at all times to the rights of the City under this Lease. Approval of a Leasehold Mortgage may be given by the City only if, at a minimum, the following conditions are satisfied:

- (a) The documents which are to be used to finance and secure the proposed transaction (i.e. the obtaining of funds and placing of a leasehold mortgage) are submitted to the City for review and approval prior to their execution by the putative lender (the "Lender") and the Lessee (the "Proposed Financing Documents"); and
- (b) The funds obtained via the transaction contemplated under the Proposed Financing Documents are to be used solely for the construction of any improvements on the Leased Premises approved by the City, or refinancing any Loan for such purposes; and
- (c) The entity providing the Loan shall be a financial institution regularly engaged in the business of making mortgage loans secured by commercial properties, with a net worth of not less than twenty million dollars (\$20,000,000) which is not an affiliate of Lessee (a "Lender"); and
- (d) The Lender must certify to the City that it has reviewed this Lease and accepted provisions that may affect the Leasehold Mortgagee and that no loan requirements conflict with or materially diminish any provisions of this Lease; and
- (e) The Proposed Financing Documents include the following terms:
  - (i) The encumbrances under the Proposed Financing Documents shall be subordinate to the City's interests under this Lease; and
  - (ii) The term of any such Loan shall not exceed the Term of this Lease (excluding any extensions); and
  - (iii) Upon any default by the Lessee under the note, mortgage, or any of the other Proposed Financing Documents (a "Financing Default"), the

City shall have a lien with first priority on all Lessee-owned property at the Leased Premises; and

- (iv) The Lender agrees to provide and maintain current contact information with the City and provide the City with concurrent copies of any notices or communications regarding a Financing Default; and
- (v) The City shall be notified at least seven (7) days prior to the Lender exercising its rights under the Leasehold Mortgage to take possession or control of the Lessee's business or the Leased Premises or any portion thereof; and
- (vi) The Lender explicitly agrees that the Leased Premises and any improvements made thereupon must be used solely for the permitted uses set forth in this Lease and no others, and any change in use may occur only upon prior written permission of the City, which the City may grant or deny in its sole discretion; and
- (vii) The Leasehold Mortgage may secure only Lessee's obligations with respect to a Loan that will be applied to finance or refinance improvements to the Leased Premises and may not cross collateralize or secure any other loans or obligations of Lessee; and
- (viii) In the event that the Lender exercises its security interest in the Leasehold Mortgage to take possession or control of the Lessee's business, the Leased Premises, or any part thereof, the Lender is limited to a total period of twelve (12) months to locate a replacement tenant that is acceptable to the City, in its reasonable discretion. In the event that a tenant acceptable to the City is not obtained within the above-referenced twelve (12) month period, then the Leasehold Mortgage shall terminate and all of the Lender's rights in this Lease, the Improvements constructed upon the Leased Premises, or any part thereof shall be extinguished; and
- (ix) The Lender agrees to hold the City and City Parties harmless for any damages the Lender may incur as a result of any action or inaction in connection with the exercise of the City's rights under this provision of the Lease or the related Proposed Financing Documents, including, without limitation the Leasehold Mortgage; and
- (x) Any Financing Default relating to the encumbrances under the Proposed Financing Documents shall be a default of this Lease.

**30.3 Failure to Comply.** If the Lender or other lienholder fails to comply with any of the foregoing requirements, such failure shall be an Event of Default under this Lease and the City may at any time (but is not required to) terminate this Lease and exercise any rights the City may have under this Lease for an Event of Default.

**30.4 No Additional Leasehold Mortgages.** Lessee may enter into and encumber the Leased Premises with only one Leasehold Mortgage in accordance with this Article at any time.

**30.5 Lender's Right to Cure.** If Lessee enters into a Leasehold Mortgage in accordance with this Article, and if the Lender/Mortgagee has provided the City with notice of the name and address of the Leasehold mortgagee and a certified copy of the mortgage within five (5) days of the date that the mortgage is recorded in accordance with the requirements written in paragraph 30.1 above, then all notices of default given under this Lease to the Lessee shall also be sent to the Lender/Mortgagee at the address provided by the Mortgagee/Lender to the City. Any notice properly mailed to Mortgagee/Lender by registered mail, postage and fees prepaid, shall be deemed delivered when mailed, whether received or not. The Lender shall have the right to remedy any default under this Lease or cause the same to be remedied and the City shall accept such performance by or at the direction of such Lender/Mortgagee as if the same had been made by the Lessee. In case of a default, the City shall not be permitted to terminate this Lease by reason of the occurrence of such default only if the following requirements are met:

- i) If the Lender, within thirty (30) days after the giving of notice of such default, commences foreclosure or similar proceedings under the Leasehold Mortgage for the purpose of acquiring the Lessee's interest in this Lease and thereafter the foreclosure proceedings are concluded within 240 days after the City sends notice of Default to the Mortgagee.
- ii) The Mortgagee must bring current all payments of Rent payable by the Lessee hereunder and cure any other breach or default of the Lease Agreement within thirty days after the notice of default is sent to Mortgagee.
- iii) The Lender/Mortgagee may become the legal owner and holder of the leasehold estate under this Lease by foreclosure of its Leasehold Mortgage or as a result of the assignment of this Lease in lieu of foreclosure.

**30.6** Notwithstanding any term or provision of any Leasehold Mortgage or this Lease to the contrary, under no circumstances shall any such Leasehold Mortgage or Loan constitute an indebtedness or obligation of the City nor shall the City be liable in any way for the payment of any portion of the indebtedness evidenced by such Leasehold Mortgage or for the payment or performance of any obligation thereunder or secured thereby. Nothing in this Lease shall operate as a pledge of the City's credit within the meaning of any constitutional or statutory debt limitation.]

## **ARTICLE 31 RENT A SEPARATE COVENANT**

Lessee shall not for any reason withhold or reduce Lessee's required payments of Rent and other charges provided in this Lease, it being expressly understood and agreed by the Parties that the payment of Rent and any other rents, fees or charges provided

hereunder is a covenant by Lessee that is independent of the other covenants of the Parties hereunder.

### **ARTICLE 32 ASSIGNMENT, SUBLEASE, NAME CHANGE**

Lessee shall not sublease, sublet, transfer, convey, pledge or assign, directly or indirectly, this Lease, either in whole or in part, without prior written consent of City. Written consent to an assignment or sublease must be obtained by approval of the City Commission at a public meeting. The Written Consent must be done with the approval and full execution of a Consent to Assignment of Lease Agreement by the City, Assignor, and Assignee or approval and full execution of a Consent to Sublease of Lease Agreement. The Airport Director in his or her sole discretion may require that any assignee or subtenant meet certain objective financial worth and operational standards. Any assignment or sublease without the written consent of the City shall be void *ab initio* and of no force or effect. No request for, or consent to, such assignment shall be considered unless Lessee has paid all rent, fees, costs, and charges required by this Lease Agreement and Lessee has complied with all provisions in this Lease Agreement, including but not limited to construction or improvement deadlines, if applicable. The City Commission and the Airport Director or his or her designee reserves the right to investigate the financial capacity of the proposed assignee prior to making its decision, and **LESSEE SHALL REMAIN LIABLE FOR ALL OBLIGATIONS UNDER THIS LEASE AFTER SUCH ASSIGNMENT OR SUBLEASE**. If the City's consent to a sublease is given, Lessee shall comply with the provisions of this Lease Agreement regarding calculation and payment of Transaction Rent. Lessee shall provide City a copy of the proposed sublease agreement prior to any request for consent. All subleases shall be limited to a term of one (1) year unless otherwise agreed to in writing by City. All sublessees and assignees must comply with all the terms of this Lease Agreement and are liable for all obligations, costs, charges, fees, and requirements provided by this Lease Agreement regardless of whether the obligations, liabilities, charges, fees, or costs, occurred prior to the approval of the assignment or sublease or prior to the full execution of the Consent to Assignment of Lease Agreement or Consent to Assignment of Sublease.

If there shall occur any change in the ownership of and/or power to vote the majority of the outstanding capital stock or membership interest of Lessee, whether such change or ownership is by sale, assignment, bequest, inheritance, operation of law or otherwise, Lessee shall have an affirmative obligation to notify the Airport Director in writing within five (5) calendar days of any such change. The City reserves the right to require a written amendment to this Lease to effectuate any such change in ownership or corporate structure.

If the Lessee changes its name for any reason, the Lessor shall notify the Airport Director within five (5) days of the name change and Lessee shall enter into an Amendment to this Lease Agreement to reflect the name change, which is subject to the approval of the City Commission at a public meeting.

Upon execution hereof, Lessee shall provide to the City a letter, advising City of all persons or entities owning 5% or more of the voting interest of the corporation or limited liability corporation. Failure of Lessee to maintain an active status with the Florida Division of Corporations, shall constitute a breach of this Lease Agreement.

In the event any Governmental Authority shall, by exercise of the right of eminent domain or any other power, acquire title in whole or in part of the Airport, including any portion assigned to Lessee, Lessee shall have no right of recovery whatsoever against City but shall make its claim for compensation solely against such Governmental Authority.

**34.2 Damage or Destruction of Leased Premises.** If the Leased Premises shall be partially damaged by fire or other casualty, but not rendered untenable, the Leased Premises shall be repaired within thirty (30) days by the Lessee at its own cost and expense, and the Rent payable hereunder with respect to the Leased Premises shall continue to be paid. If the damage shall be so extensive as to render such Leased Premises untenable but capable of being repaired, Lessee shall repair the Leased Premises within ninety (90) days, at its own cost and expense, and the Rent payable hereunder with respect to the Leased Premises shall continue to be paid.

#### **34.3 Untenantable Conditions.**

Any personal property of Lessee or of others placed in the Leased Premises shall be at the sole risk of Lessee or the owners thereof, and City shall not be liable for any loss or damage thereto, irrespective of the cause of such loss or damage, and Lessee hereby waives all rights of subrogation or recovery from City for such damage, destruction or loss.

The Lessee, its contractor(s), its employees, volunteers and agents shall be and remain independent and are not agents or employees of the City with respect to all of the acts and services performed by and under the terms of this Agreement. This Agreement shall not in any way be constructed to create a partnership, association or any other kind of joint undertaking or venture between the Parties.

### **ARTICLE 55 INDEMNITY FOR CONTRACTORS**

Lessee hereby indemnifies the City and City Parties from any claim of lien by any contractor, sub-contractor, materialman or any other Person, firm or corporation whatsoever, and Lessee further agrees to hold City and City Parties harmless and to indemnify the Lessor for all costs, including costs of defenses, attorney's fees and other expenses, in connection with any claim of whatsoever kind, or arising out of the construction of any Improvements or the making of any alterations to the Leased Premises.

#### **ARTICLE 57**

#### **CONTINUED PERFORMANCE AFTER DEFAULT**

Continued performance by either party pursuant to the terms of this Lease Agreement after default of any of the terms, covenants and conditions, shall not be deemed a waiver of any right to terminate this Lease Agreement and obtain any damages or relief that the party may obtain in accordance with this Agreement and Florida Law for any default, and no waiver of such default shall be construed to operate as a waiver of any default.

#### **ARTICLE 58**

#### **MINIMUM STANDARDS**

In addition to the covenants and agreements contained in this Agreement, this Lease is further subject to the provisions of those certain Minimum Standards pertaining to airport tenants as adopted by City of Fort Lauderdale Resolution No. 05-29, as such Minimum Standards are amended from time to time. Lessee agrees to comply with the Airport's Minimum Standards.

#### **ARTICLE 59**

#### **STORMWATER MANAGEMENT PROGRAM**

Lessee acknowledges that the City of Fort Lauderdale has adopted a stormwater management program that imposes a stormwater management utility fee upon every lot and parcel within the City of Fort Lauderdale for services and facilities provided by the stormwater management program. Lessee specifically agrees that any such fee imposed on the Premises shall be paid timely and in whole solely by Lessee.

#### **ARTICLE 60**

#### **POLICE POWERS**

City cannot, and hereby specifically does not, waive or relinquish any of its regulatory approval or enforcement rights and obligations as it may relate to regulations governing the Premises, any Improvements thereon, or any operations at the Premises. Nothing in this Lease shall be deemed to create an affirmative duty of City to abrogate its sovereign right to exercise its police powers and governmental powers by approving or disapproving or taking any other action in accordance with its zoning and land use codes, administrative codes, ordinances, rules and regulations, federal laws and regulations, state laws and regulations, and grant agreements. In addition, nothing herein shall be considered "zoning by contract."

Certain provisions of this Lease may require the City and/or its boards, departments or agencies, acting in their governmental capacity, to consider certain changes in the City's

Comprehensive Land Use Master Plan and/or Unified Land Development Regulations or take other governmental actions. All such considerations and actions shall be undertaken in accordance with established requirements of state statute, and the City of Fort Lauderdale Charter and City of Fort Lauderdale ordinances, in the exercise of the City's jurisdiction under its police power. Nothing in this Agreement is intended to limit or restrict the powers and responsibilities of the City in acting on such applications by virtue of the fact that the City may have consent to such applications as a property owner.

## **ARTICLE 61 AIRPORT SECURITY PLAN/PROGRAM**

(a) Lessee agrees to observe all security requirements and other requirements of the Federal Aviation Regulations and any and all requirements of the Department of Homeland Security and the Transportation Security Administration applicable to Lessee. Lessee further agrees to be responsible for the care and maintenance of the Airport Security barriers and devices as a permanent improvement to the Premises. All costs and expenses associated with the cost of the security fence, barriers, access control and monitoring systems, including but not limited to, gates, signs or locks (keying and re-keying), which are installed now or in the future at the Premises shall be borne by the Lessee. If, as a result of the acts or omissions of Lessee, its sublessees, employees, invitees or guests, the City incurs any fines or penalties imposed by the Federal Aviation Administration or any expense in enforcing the regulations of the Federal Aviation Administration, Department of Homeland Security and the Transportation Security Administration or the rules and regulations of the City, and any expense in enforcing the Airport Security Program, then Lessee agrees to pay and reimburse to City all such costs and expenses, including all costs of administrative proceedings, court costs and attorney's fees, and all other costs and expenses incurred by City in enforcing this provision. Lessee agrees that it has the responsibility to prevent unauthorized access to the aircraft Movement Area through its Premises and will take all necessary actions to prevent such unauthorized access through its leasehold. Lessee further agrees to rectify any security deficiency or other deficiency as may be determined as such by the City or the Federal Aviation Administration. In the event Lessee fails to remedy any such deficiency, the City may do so at the cost and expense of Lessee. The provisions hereof shall survive the expiration or earlier termination of this Lease.

Lessee shall also be responsible for providing power from an electrical panel with circuit breaker protection, for any security device, including but not limited to, access controls, gates, and cameras. Energy to operate any security system will be provided by Lessee without cost to the Airport.

## **ARTICLE 62 MATTERS RESERVED BY THE LESSOR**

(a) Lessor reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure on the Airport, which, in the opinion of the Lessor would limit the usefulness of the Airport or constitute a hazard to aircraft utilizing the Airport.

(b) Lessor reserves the authority to ensure that facilities of the Airport are made available to the public on fair and reasonable terms without unjust discrimination. This Lease shall be subordinate to the authority of the Lessor to establish sufficient control over the operations of Lessee at the Airport to guarantee that patrons will be treated fairly.

(c) Lessor reserves the right to further develop and improve the Airport, including but not limited to, all landing areas and Taxiways of the Airport, as Lessor sees fit, regardless of the desires or views of Lessee, and without interference or hindrance, subject to terms of this Lease Agreement.

(d) Except to the extent required for the performance of the obligations of Lessee, nothing contained in this Agreement shall grant to Lessee any rights whatsoever in the airspace above the Premises other than those rights which are subject to Federal Aviation Administration orders, regulations or advisory circulars currently or subsequently effective. Lessor reserves the right to take any action whatsoever that it considers necessary to protect the aerial approaches of the Airport against obstruction, including but not limited to, the demolition or removal of structures upon the Premises, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure at the Airport which, in the opinion of the Lessor, would limit the usefulness of or interfere with the operations at the Airport, or constitute a hazard to aircraft.

## **ARTICLE 63 AMENDMENTS**

(a) No modification or amendment of any terms and conditions contained herein shall be effective unless approved by the City Commission at a public meeting and contained in a written amendment executed by the City and Lessor with the same formality herewith.

(b) Should the United States government, or its agencies require changes to this Agreement, including without limitation, any nondiscrimination provisions, as a condition precedent to the granting of funds for the improvement of the Airport, or otherwise, the Lessee agrees to consent to such amendments, modifications, revisions, supplements or deletions of any terms, conditions, or requirements of this Agreement (collectively, an "amendment") as may reasonably be required. Notwithstanding the foregoing, in the event any such amendment would in Lessee's good faith judgment unreasonably interfere with the business operations of Lessee or its sublessees, then Lessee may refuse to consent to such amendment, provided that Lessee must give immediate notice to the City of any such refusal to consent and such notice must state with specificity the reasons for any such refusal. City shall have the right to immediately terminate this Agreement upon the failure of Lessee to consent to any such amendment.

#### **ARTICLE 64 NON-EXCLUSIVE RIGHTS**

Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this Lease Agreement are non-exclusive and the Lessor reserves the right to grant similar privileges to other Lessees on other parts of the Airport.

#### **ARTICLE 65 EXPIRATION OR TERMINATION OF LEASE AGREEMENT**

Upon expiration or earlier termination of this Agreement, Lessee shall remain liable for all obligations and liabilities that have accrued after the date of this Lease and prior to the date of expiration or termination.

#### **ARTICLE 66 RE-ENTRY AND REPOSSESSION**

(a) If the Lessee shall fail to keep and perform any of the covenants, conditions and agreements provided in this Lease to be performed by Lessee, and such default shall not be remedied within the grace period provided elsewhere in this Lease, the Lessor shall have the right to treat such default as intentional, inexcusable and material, and the Lessor, by notice in writing transmitted to the Lessee, entitled "NOTICES", may at its option declare the Lessee's interest under this Lease ended and without further force and effect. Thereupon the Lessor is authorized to re-enter and repossess the Premises and the buildings, Improvements and personal property on them, either with or without legal process, and the Lessee does in such event waive any demand for possession of the Premises, and agrees to surrender and deliver up the Premises peaceably to Lessor. In the event of such action, the Lessee shall have no claim whatsoever against the Lessor by reason of Improvements made upon the Premises, rents paid, or from any other cause whatsoever.

(b) The provisions of this Paragraph shall not be construed so as to divest the Lessor, in the event of such default, of any legal right or remedy which it may have by

statutory or common law, enforceable at law or in equity. It is intended that the provisions of this Paragraph shall afford to the Lessor a cumulative remedy, in addition to such other remedy or remedies as the law affords a Lessor when the terms of a lease have been breached by a Lessee.

## **ARTICLE 67 NONWAIVER**

Failure of the Lessor to insist upon the strict performance of any of the covenants, conditions and agreements of this Lease in any one or more instances, shall not be construed as a waiver or relinquishment of any rights under this Lease Agreement including but not limited to rights to terminate the Lease, rights to damages, or any other relief in accordance with this Lease Agreement and Florida law.

## **ARTICLE 68 MATTERS RESERVED BY THE LESSOR**

(a) Lessor reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure on the Airport, which, in the opinion of the Lessor would limit the usefulness of the Airport or constitute a hazard to aircraft utilizing the Airport.

(b) Lessor reserves the authority to ensure that facilities of the Airport are made available to the public on fair and reasonable terms without unjust discrimination. This Lease shall be subordinate to the authority of the Lessor to establish sufficient control over the operations of Lessee at the Airport to guarantee that patrons will be treated fairly.

(c) Lessor reserves the right to further develop and improve the Airport, including but not limited to, all landing areas and Taxiways of the Airport, as Lessor sees fit, regardless of the desires or views of Lessee, and without interference or hindrance, subject to Paragraph 14 of this Lease Agreement.

(d) Except to the extent required for the performance of the obligations of Lessee, nothing contained in this Agreement shall grant to Lessee any rights whatsoever in the airspace above the Premises other than those rights which are subject to Federal Aviation Administration orders, regulations or advisory circulars currently or subsequently effective. Lessor reserves the right to take any action whatsoever that it considers necessary to protect the aerial approaches of the Airport against obstruction, including but not limited to, the demolition or removal of structures upon the Premises, together with the right to prevent Lessee from erecting or permitting to be erected any building or other structure at the Airport which, in the opinion of the Lessor, would limit the usefulness of or interfere with the operations at the Airport, or constitute a hazard to aircraft.

With respect to Derelict Aircraft, the Airport Manager of City may make a written request to the Lessee to demonstrate that an open work order for repair or restoration is being actively pursued by Lessee or the sublessee. If the Lessee fails to provide the Airport Manager with satisfactory evidence that an open work order is being actively pursued within fourteen (14) days of the request from the Airport Manager, then such Derelict Aircraft shall be removed from the Premises by the Lessee within ninety (90) days following the date of the Airport Manager's request. Any Derelict Aircraft that is not removed from the Premises as provided in this subparagraph shall constitute a breach of this Lease Agreement.

**ARTICLE 72**  
**DERELICT VEHICLES**

Lessee and all sublessees shall not permit the temporary or permanent storage at the Premises of any other derelict vehicle whatsoever. A derelict vehicle is a vehicle that does not display a current and valid state license tag. Any derelict vehicle that is not removed

2. **Non-discrimination:** LESSEE, with regard to the work performed by it during the term of this Agreement, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of contractors, including procurements of materials and leases of equipment. LESSEE will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Agreements, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by LESSEE for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential contractor or supplier will be notified by LESSEE of LESSEE's obligations under this Agreement and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.
4. **Information and Reports:** LESSEE will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of LESSEE is in the exclusive possession of another who fails or refuses to furnish the information, LESSEE will so certify to LESSOR or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of LESSEE's noncompliance with the Non-discrimination provisions of this contract, LESSOR will impose such sanctions as it or the Federal Aviation

Administration may determine to be appropriate, including, but not limited to withholding payments to the LESSEE under the Agreement until the LESSEE complies, and/or cancelling, terminating, or suspending the Agreement, in whole or in part.

6. **Incorporation of Provisions:** LESSEE will include the provisions of paragraphs one through six of this Exhibit B, Section (A) in every contract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. LESSEE will take action with respect to any contract or procurement as LESSOR or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if LESSEE becomes involved in, or is threatened with litigation by a contractor, or supplier because of such direction, LESSEE may request LESSOR to enter into any litigation to protect the interests of LESSOR. In addition, LESSEE may request the United States to enter into the litigation to protect the interests of the United States.

**B. Real Property Acquired or Improved Under the Airport Improvement Program.** LESSEE for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the property described in this Agreement for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, LESSEE will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Pertinent List of Nondiscrimination Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.

**C. Construction/Use/Access to Real Property Acquired Under the Activity, Facility or Program.** LESSEE for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land, and the furnishing of services thereon, no person on the ground of race, color, or national origin, will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, and (3) that LESSEE will furnish its services in compliance with all other requirements imposed by or pursuant to the List of Nondiscrimination Acts And Authorities.

**D. Title VI List of Pertinent Nondiscrimination Acts and Authorities.** During the performance of this Agreement, LESSEE, for itself, its assignees, and successors in

interest (hereinafter referred to as the “contractor”) agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- viii. Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR Parts 37 and 38;

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964. If the LESSEE transfers its obligation to another, the transferee is obligated in the same manner as the LESSEE. The above provision obligates the LESSEE for the period during which the property is owned, used or possessed by the LESSEE and the airport remains obligated to the Federal Aviation Administration.

**F. Right of Re-entry.** In the event of breach of any of the above Nondiscrimination covenants, LESSOR will have the right to terminate the Agreement and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the Agreement had never been made or issued.

**G. Subcontracts.** LESSEE agrees that it shall insert the above six provisions (Section (A) through Section (F)) in any agreement by which LESSEE grants a right or privilege to any person, firm, or corporation to render accommodations and/or services to the public under this Agreement.

# 40 Year Structural Inspection Report for 2661 NW 56 Street in City of Fort Lauderdale

## For Fort Lauderdale Executive Airport

February 2, 2022

In accordance with the City of Fort Lauderdale's 40-Year or Older Building Safety Program created in 2005 in which the program calls for structural and electrical safety inspection for buildings 40 years old or older and every 10 years, thereafter, Michael Baker International was tasked with performing the requisite inspections. The referenced property is greater than 3,500 SF and falls under this program. In most cases, visual inspections will be considered adequate when executed systematically. The visual inspection must be conducted throughout all habitable and non-habitable areas of the building, as deemed necessary by the inspecting professional to establish compliance. Surface imperfections such as cracks, distortion, sagging, excessive deflections, significant misalignment, signs of leakage, and peeling of finishes should be viewed critically as indications of possible difficulty.

Structural deterioration will always require repair. The type of repair, however, will depend on the importance of the member in the structural system and degree of deterioration. Cosmetic type repairs may suffice in certain non-sensitive members such as tie beams and columns, provided that the remaining sound material is sufficient for the required function. For members carrying assigned gravity or other loads, cosmetic type repairs will only be permitted if it can be demonstrated by rationale analysis that the remaining material, if protected from further deterioration can still perform its assigned function at acceptable stress levels. Failing that, adequate repairs or reinforcement will be considered mandatory.

The airport facilitated a lift for MBI to perform roof observations as well as access to the interior of the structure. Inspections were performed starting January 14, 2022. MBI observed no areas **requiring inspection** that were covered or hidden. Field drawn reference sketches are included in Appendix A and associated photos (53) are included as Appendix B.

The present condition of the structure is generally rated as good with areas of concern that will be noted. In order to have a visual reference this report will describe conditions based on the attached photographs from Appendix B in the order they were done with the comments on acceptability, general nature or remedial efforts required. The approach is to document in an excel spreadsheet the comments for the photos. This sheet will be labeled as Table 1. Report prepared by John Ford Neff – FL 70633.

## 1. Overview and Scope

EXP U.S. Services, Inc (EXP) has been retained by Michael Baker International (The Client) to perform a visual review of the existing electrical system at FXE – Jet Center Building 2 located at 2661 NW 56<sup>th</sup> St, Fort Lauderdale, FL 33309, and to determine the general electrical condition of the property as part of the 40-Year recertification process. The property has direct airside access and consists of a single-story building used primarily for aircraft maintenance, office support and storage spaces.

The fundamental purpose of this visual electrical inspection is to confirm with reasonable fashion that the electrical system under consideration is safe for continued use under the present occupancy. The recommended procedure follows Broward County Building Safety Inspection Program and includes visual and non-destructive inspections to evaluate the electrical system, based on the knowledge and proper professional judgement of the individuals performing the inspections. No calculations, testing, computer analysis, or modeling analysis, as well as the verification of the original design are part of EXP's scope of work. No as-built plans of the property were available. Building photographs are included in this report.

Building components specifically not addressed in the Broward County Building Safety Inspection Program may not be included in this report and may be subject of another specialty inspection report. Design and specifications of any recommended repairs are not within the scope of work of this inspection. Recommendations, if any, are intended to be general in scope.

The property was occupied at the time of inspection. There is a Lift Station located on the Southeast corner of the building. The Lift Station was not visually inspected for the 40-Year recertification process as it is not part of the property electrical system. The Lift Station was observed to have a separate utility service and meter.

## 2. Electrical System Description

The electrical system consists of an FPL pad mounted transformer (TX) feeding two main disconnect switches with fuses through a service gutter and meter. The service gutter and two main service disconnect switches are mounted on the building structure and are located outdoors on the Northeast corner of the building. Each disconnect switch feeds one (1) electrical panel. Electrical panels distribute power to all loads in the building including but not limited to lighting, receptacles, mechanical equipment, and so forth. Voltage of the system is 120/240V, single phase, three (3) wires.

No Fire Alarm system or Generator were observed to be present in the building.

## 3. Inspection Procedures

EXP's representatives performed visual inspection and observations with the purpose of determining the general condition of the electrical equipment in the building, to the extent reasonably possible. The field visit was performed on January 27, 2022, for the completion of the electrical inspection of the building. EXP's representatives were granted access to the property by maintenance staff (Isaiah) and were accompanied throughout the building. The inspections were performed with visual and non-

destructive means throughout all areas of the building to evaluate all electrical equipment. No destructive field investigations/tests were performed, as they go beyond EXP's scope of work.

#### 4. Observations and Recommendations

Electrical equipment within the property was observed to be in generally good and safe conditions. However, there are code related issues that require immediate attention as described in Appendix A "Broward County Building Safety Inspection Program – Electrical". Most electrical equipment, including but not limited to panelboards, disconnect switches conduits, devices, and so forth were observed to be painted. However, some electrical equipment show signs of corrosion and deterioration on the inside and require to be treated. Refer to Appendix B "Building Photographs" for conditions and supporting documentation.

#### 5. Conclusions

Based on EXP's observations during the site visit performed on January 27, 2022, and to the best of EXP's knowledge and abilities, it is EXP's opinion that the electrical system can be considered as safe with required repairs. Conditions observed do not meet the criteria for the 40-Year Recertification of the building.

As a routine matter, in order to avoid possible misunderstanding, nothing on the report should be construed directly or indirectly as a guarantee for any portion of the property electrical system. To the best of my knowledge, belief and professional judgement, this report represents an accurate appraisal of the present condition of the building based upon careful evaluation of observed conditions, to the extent reasonably possible.

Please advise if you have any comments, questions, or concerns.

Very truly yours,

  
Gino A. Valderrama, P.E.

Main disconnect switch 1 of 2 (DS-1) – 400A, 240V General Duty Safety Switch with 250A fuses, NEMA 3R. DS-1 was observed to be in good conditions. DS-1 shall be identified in the field for compliance with NEC 2017, Article 230.70(B) and 230.72(A). DS-1 shall be marked in the field for compliance with NEC 2017, 110.16(A) [Arc-Flash Hazard Warning] and 110.24(A) [Available Fault Current].

Main disconnect switch 2 of 2 (DS-2) with 150A fuses – Disconnect switch ampere rating could not be identified in the field. DS-2 was observed to be in poor conditions showing signs of corrosion and deterioration and requires replacement. Disconnect switch handle showed signs of corrosion and required excessive force to be operated. Disconnect switch appears to have exceeded its expected service life. Markings shall be provided for compliance with the NEC 2017.

The distance from the service gutter to the FPL pad mounted transformer was measured to be approximately 5ft-6in. The front of the service gutter was measured to be 6in from the front of DS-1 in compliance with NEC 2017. Correct this condition for the electric meter for compliance with NEC 110.26(A)(3). Both disconnect switches enclosures were observed to be suitable for use as service equipment. DS-1 and DS-2 designations included in this report were added for clarity.
