All Bonds may have endorsed thereon such legends or text as may be necessary or appropriate to conform to any applicable rules and regulations of any governmental authority or of any securities exchange on which the Bonds may be listed or any usage or requirement of law with respect thereto.

Section 203. Details of Bonds. The City may issue Bonds hereunder in the form of Current Interest Bonds bearing interest at fixed rates or Capital Appreciation Bonds, as Tax-Exempt Bonds or Taxable Bonds, all as provided in or pursuant to the applicable Series Resolution. Except as provided in a Series Resolution, the Bond Registrar shall not be required (i) to register the transfer of or to exchange Bonds during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds under this Resolution and ending at the close of business on the day of such mailing or (ii) to register the transfer of or to exchange any Bond so selected for redemption in whole or in part.

In accordance with Section 218.385, Florida Statutes, the City hereby finds, determines and declares, based upon the advice of First Southwest Company, the City's Financial Advisor for the Series 2013 Bonds (the "Financial Advisor"), that a negotiated sale of the Series 2013 Bonds is in the best interests of the City for the following reasons:

(i) The structure and timing of the issuance of the Series 2013 Bonds require extensive planning, and it is not practical for the City, the Financial Advisor and the Underwriters to engage in such planning within the time constraints and uncertainties inherent within a competitive bidding process;

(ii) The Special Assessments comprise a new revenue source being pledged by the City and require extensive planning and explanation to the market; and

(iii) The vagaries of the current and near future municipal bond market demand that the Underwriters have the maximum time and flexibility to price and market the Series 2013 Bonds, in order to obtain the most favorable interest rates available.

(h) Award. The form of a Bond Purchase Contract and the execution and delivery thereof by appropriate officials of the City shall be authorized pursuant to a subsequent resolution adopted by the City Commission prior to the award and sale of the Series 2013 Bonds. The City hereby authorizes and directs the City Manager to determine the final provisions of the Bond Purchase Contract, within the parameters for the Series 2013 Bonds set forth in Section 208 of this Resolution.

(i) Approval of Preliminary Offering Document and Final Offering Document. The form of a preliminary offering document for use and distribution by the Underwriters in connection with the offering of the Series 2013 Bonds for sale by the Underwriters shall be authorized pursuant to a subsequent resolution adopted by the City Commission prior to the award and sale of the Series 2013 Bonds. In order to implement the continuing disclosure covenants contained in Section 615 hereof with respect to the Series 2013 Bonds, the form of a Continuing Disclosure Commitment and the execution and delivery thereof by appropriate officials of the City, shall be authorized pursuant to a subsequent resolution adopted by the City Commission prior to the award and sale of the Series 2013 Bonds.

(k) Use of Proceeds of Series 2013 Bonds. The proceeds received from the sale of the Series 2013 Bonds herein authorized shall be applied for the purposes stated in Section 208(a) hereof. The specific application of proceeds of the Series 2013 Bonds, including without limitation, amounts, if any, to be deposited in the funds and accounts established by this Resolution for the Series 2013 Bonds shall be set forth in a certificate to be delivered by the Finance Director simultaneously with the delivery of the Series 2013 Bonds; provided, however, that as and to the extent provided in the WAVE Streetcar Partnership Agreement, the portion of the net proceeds of the Series 2013 Bonds required to satisfy the City's capital funding obligation for the Series 2013 Project, referred to as the "Assessment Amount" in the WAVE Streetcar Partnership Agreement, shall be transferred and paid over to SFRTA as soon as practicable after issuance of the Series 2013 Bonds.

Such Series of Additional Bonds shall be secured by and payable from the Pledged Revenues for such Series of Additional Bonds as provide din this Resolution and in the Series Resolution therefor. The Pledged Revenues for a Series of Additional Bonds shall consist of (i) the Series Special Assessments for such Series of Additional Bonds, which shall be separate and distinct from the Series Special Assessments for

(b) if applicable, a copy, certified by the City Clerk, of the resolution adopted by the City Commission awarding such Additional Bonds, or the Bond Purchase Contract specifying the interest rate or rates for such Additional Bonds, and directing the delivery of such Additional Bonds to or upon the order of the purchasers therein named upon payment of the purchase price therein set forth (provided that such matters may be set forth in the Series Resolution);

(c) a copy, certified by the City Clerk, of the Assessment Act and the Assessment Resolutions for the Project being financed with such Additional Bonds;

(d) an opinion of Bond Counsel to the effect that (i) this Resolution and the Series Resolution referred to in clause (a) above have been duly adopted by the City Commission and are in full force and effect and are enforceable in accordance with their terms, (ii) the issuance of such Additional Bonds has been duly and validly authorized, (iii) the Pledged Revenues have been lawfully pledged, to the extent described in this Resolution, for the payment of the Additional Bonds, (iv) such Additional Bonds constitute special obligations of the City payable in accordance with the provisions of this Resolution and (v) to the extent that such Additional Bonds are being issued as Tax-Exempt Bonds, the interest on such Additional Bonds is excluded from gross income for federal income tax purposes; provided, however, that such opinion may take exception for limitations imposed by or resulting from bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights and judicial discretion;

(e) an opinion of the City Attorney to the effect that the Assessment Act has been duly enacted by the City Commission, the Assessment Resolutions for the Project being financed with such Additional Bonds, this Resolution and the Series Resolution for such Additional Bonds have been duly adopted by the City Commission and all are in full force and effect;

(f) a certificate of the Finance Director, countersigned and confirmed by the City Auditor, to the effect that no event of default, as defined in Section 701 of this Resolution and no event which with the passage of time, the giving of notice or both would become an event of

default, has occurred within the twelve (12) consecutive calendar months prior to the date of such certificate and is continuing or, if an event of default has occurred and is continuing, that such event would be cured as a result of the issuance of such Additional Bonds; and

(g) any additional documents or opinions as Bond Counsel, Disclosure Counsel, the initial purchasers of such Additional Bonds or their counsel or any Credit Bank of Insurer or its counsel may reasonably require.

When the documents mentioned above in this Section 209 shall have been filed with the City Manager and when the Additional Bonds described in the resolutions mentioned in clauses (a) and (b) of this Section shall have been executed by the City and authenticated by the Bond Registrar as required by this Resolution, the Bond Registrar shall deliver such Additional Bonds at one time to or upon the order of the purchasers thereof, but only upon payment to the Finance Director of the purchase price of such Additional Bonds. The Finance Director shall be entitled to rely upon such resolutions as to all matters stated therein.

Simultaneously with the delivery of such Additional Bonds, the Finance Director shall apply the proceeds of such Additional Bonds, as follows:

- (1) deposit the accrued interest, if any, received to the credit of the related Series Subaccount in the Principal and Interest Account;
- (2) deposit in the related Series Subaccount in the Principal and Interest Account the amount, if any, equal to the interest on such Additional Bonds to be paid from the proceeds thereof;
- (3) deposit to the credit of a separate Reserve Account in the Reserve Fund the amount, if any, equal to the Series Reserve Fund Requirement provided for in the Series Resolution or the Bond Purchase Contract relating to such Additional Bonds; and
- (4) apply the balance of such proceeds as provided in the Series Resolution for such Additional Bonds.

Section 210. Refunding Bonds. One or more Series of Refunding Bonds of the City may be issued from time to time under and secured by this Resolution, subject to the conditions hereinafter provided in this Section, for the purpose of providing funds for refunding all or any Bonds of any one or more Series of Bonds then Outstanding or any other obligation of the City (whether or not such obligation was issued hereunder), including the payment of any redemption premium thereon and interest that will accrue on such Bonds or other obligation to the redemption date or stated maturity date or dates, funding any funds and accounts hereunder and paying any expenses in connection with such refunding and for any related lawful purpose. Each such Series of Refunding Bonds shall be designated as “City of Fort Lauderdale, Florida Transportation Improvement Special Assessment Refunding Bonds, Series _____ (_____ Project)” with the year in which such Series of Refunding Bonds is issued and the Project to which such Series of Refunding Bonds relates inserted in the foregoing space and, if more than one Series is to be issued in a year, with an appropriate letter (commencing with “A”) inserted after the year to distinguish each Series issued in such year

from the other Series issued in such year. Such Refunding Bonds shall be appropriately designated, shall be dated, shall be stated to mature in such principal amount or amounts, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, may be secured by an Insurance Policy or a Credit Facility and may be made redeemable at such times and prices (subject to the provisions of Article III of this Resolution), all as may be provided for in, or pursuant to, the Series Resolution authorizing the issuance of such Series of Refunding Bonds. Such Series of Refunding Bonds shall be secured by and payable from the Pledged Revenues for such Series of Refunding Bonds as provided in this Resolution and in the Series Resolution therefor. The Pledged Revenues for a Series of Refunding Bonds shall consist of (i) the Series Special Assessments for such Series of Refunding Bonds, which shall be separate and distinct from the Series Special Assessments for other Series of Bonds, and (ii) the moneys on deposit to the credit of the Series Accounts and Series Subaccounts for such Series of Refunding Bonds in the Funds and Accounts established hereunder, except the Rebate Fund, including all investment income in such Series Accounts and Series Subaccounts. Separate Series Accounts and Series Subaccounts, as applicable, must be established for each Series of Refunding Bonds in or pursuant to the Series Resolution therefor. The Series Resolution for each Series of Refunding Bonds must recite that no Holder of any Bonds of such Series shall have any rights in and to the Pledged Revenues of any other Series of Bonds, unless otherwise expressly provided in such Series Resolution.

Prior to or simultaneously with the authentication and delivery of such Refunding Bonds by the Bond Registrar to or upon the order of the purchasers thereof or the designated representative, there shall be filed with the City Manager the following documents and opinions:

(a) a copy, certified by the City Clerk, of the Series Resolution adopted by the City Commission approving the sale of such Refunding Bonds to the purchasers thereof and directing the delivery of such Refunding Bonds to or upon the order of such purchasers upon payment of the purchase price therein set forth and the accrued interest, if any, thereon;

(b) a copy, certified by the City Clerk, of the Assessment Act and any Assessment Resolution adopted by the City Commission in connection with the issuance of such Refunding Bonds;

(c) an opinion of Bond Counsel to the effect that (i) this Resolution and the Series Resolution referred to in clause (a) above have been duly adopted by the City Commission and are in full force and effect and are enforceable in accordance with their terms, (ii) the issuance of such Refunding Bonds has been duly and validly authorized, (iii) the Pledged Revenues have been lawfully pledged, to the extent described in this Resolution, for the payment of the Refunding Bonds, (iv) such Refunding Bonds constitute special obligations of the City payable in accordance with the provisions of this Resolution and (v) to the extent that such Refunding Bonds are being issued as Tax-Exempt Bonds, the interest on such Refunding Bonds is excluded from gross income for federal income tax purposes; provided, however, that such opinion may take exception for limitations imposed by or resulting from bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights and judicial discretion;

(d) an opinion of the City Attorney to the effect that the Assessment Act has been duly enacted by the City Commission, and that any Assessment Resolution adopted in

connection with such Refunding Bonds, this Resolution and the Series Resolution for the Refunding Bonds have been duly adopted by the City Commission and all are in full force and effect;

(e) a certificate of the Finance Director, countersigned and confirmed by the City Auditor, to the effect that no event of default, as defined in Section 701 of this Resolution, and no event which with the passage of time, the giving of notice or both would become an event of default, has occurred within the twelve (12) consecutive calendar months prior to the date of such certificate and is continuing or, if an event of default has occurred and is continuing, that such event would be cured as a result of the issuance of such Refunding Bonds; and

(f) any additional documents or opinions as Bond Counsel, Disclosure Counsel, the initial purchasers of such Refunding Bonds or their counsel or any Credit Bank or Insurer or its counsel may reasonably require.

The Bond Registrar, however, shall not deliver such Refunding Bonds unless the City Manager has also received: if the Bonds to be refunded do not mature or are not being redeemed on the date of delivery of the Refunding Bonds, a written verification of a Verification Agent that the proceeds (excluding accrued interest) of such Refunding Bonds, together with any other available money, deposited with a Depository, acting as escrow agent solely for the Holders of such Bonds to be refunded, and the interest that shall accrue upon any Defeasance Obligations acquired pursuant to clause (2) below of this Section, shall be not less than an amount sufficient to pay the principal of and the redemption premium, if any, on the Bonds to be refunded and the interest that will accrue thereon to the respective redemption and/or maturity dates, as applicable; and

After provision for payment of the expenses incident to such refunding, the proceeds of such Refunding Bonds (including accrued interest) and any other funds made available by the City shall be applied by the Finance Director simultaneously with the delivery of the Refunding Bonds as follows:

(1) the accrued interest received as part of the proceeds of such Refunding Bonds shall be deposited to the credit of the related Series Subaccount in the Principal and Interest Account;

(2) if the Bonds to be refunded do not mature or are not being redeemed on the date of delivery of the Refunding Bonds, an amount that, together with the interest that shall accrue on the Defeasance Obligations acquired pursuant to this clause (2), shall be sufficient to pay the principal of and redemption premium, if any, and the interest on the Bonds to be refunded hereunder, shall be paid to a Depository, acting as escrow agent, for deposit to the credit of a special account, appropriately designated, to be held in trust for the sole and exclusive purpose of paying such principal, redemption premium and interest; and money held for the credit of such account shall, as nearly as may be practicable and reasonable, be invested and reinvested in Defeasance Obligations that shall mature or be subject to redemption by the holder thereof only at the option of such holder, at such time or times as shall be necessary or desirable to effectuate the

purpose of such Refunding Bonds as stated in the Series Resolution mentioned in clause (a) of this Section;

(3) if the Bonds to be refunded mature or are being redeemed on the date of delivery of the Refunding Bonds, the amount necessary to pay or redeem the Bonds shall be applied for such purposes; and

(4) any other amounts shall be applied as provided in the Series Resolution providing for the issuance of such Refunding Bonds.

Section 211. Temporary Bonds. Until definitive Bonds are ready for delivery, there may be executed, and upon request of the City, the Bond Registrar shall authenticate and deliver, in lieu of definitive Bonds and subject to the same limitations and conditions, typewritten, printed, engraved or lithographed temporary Bonds, in the form of fully registered Bonds, substantially of the tenor of the Bonds set forth in this Resolution and with such appropriate omissions, insertions and variations as may be required.

Until definitive Bonds are ready for delivery, any temporary Bond, if so provided by the City by resolution, may be exchanged at the principal or designated corporate trust office of the Bond Registrar, without charge to the Holder thereof, for an equal aggregate principal amount of temporary fully registered Bonds of Authorized Denominations, of like tenor, of the same maturity and bearing interest at the same rate.

If temporary Bonds shall be issued, the City shall cause the definitive Bonds to be prepared and to be executed and delivered to the Bond Registrar, and the Bond Registrar, upon presentation to it at its principal office of any temporary Bond, shall cancel the same and authenticate and deliver in exchange therefor at the place designated by the Holder, without charge to the Holder thereof, a definitive Bond or Bonds of an equal aggregate principal amount, of the same maturity and bearing interest at the same rate as the temporary Bond surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefit and security of this Resolution as the definitive Bonds to be issued and authenticated hereunder.

Section 212. Mutilated, Destroyed, Stolen or Lost Bonds. In case any Bond secured hereby shall become mutilated or be destroyed, stolen or lost, the City shall cause to be executed, and the Bond Registrar shall authenticate and deliver, a new Bond of like date and tenor in exchange and substitution for such mutilated Bond or in lieu of and in substitution for such Bond destroyed, stolen or lost, and the Holder shall pay the reasonable expenses and charges of the City and the Bond Registrar in connection therewith and, in case of a Bond destroyed, stolen or lost, the Holder shall file with the Bond Registrar evidence satisfactory to it and to the City that such Bond was destroyed, stolen or lost, and of such Holder's ownership thereof, and shall furnish the City and the Bond Registrar indemnity satisfactory to them.

Every Bond issued pursuant to the provisions of this Section in exchange or substitution for any Bond that is mutilated, destroyed, stolen or lost shall constitute an additional contractual obligation of the City, whether the destroyed, stolen or lost Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionately with any and all other Bonds duly issued under this Resolution. All Bonds shall

be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, stolen or lost Bonds, and shall preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 213. Book-Entry Only System.

(a) The provisions of this Section may be changed or varied with respect to any Series of Bonds for the purposes of (1) complying with the requirements of any automated depository and clearinghouse for securities transactions and (2) effectuating any book-entry only registration and payment system. During any and all times that any Series of Bonds is registered in the name of any securities depository pursuant to a book-entry only system of registration, such securities depository shall for all purposes under this Resolution be considered the registered owner of such Bonds and all references herein to the registered owners or holders shall mean such securities depository. The City, the Paying Agent and the Bond Registrar shall not have any obligation with respect to any depository participant or beneficial owner of the Bonds during such time as the Bonds are registered in the name of a securities depository pursuant to a book-entry only system of registration.

(b) With respect to any Series of Bonds registered in the name of Cede & Co., as nominee of DTC, or otherwise held pursuant to a book-entry only system maintained by another depository, the City, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any DTC participant (or any participant of such other depository) or to any beneficial owner (the "Beneficial Owner") of such Bonds. As to any Series of Bonds maintained through a book-entry only system, without limiting the immediately preceding sentence, the City, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC participant (or any such other depository) with respect to any beneficial ownership interest in such Series of Bonds, (ii) the delivery to any DTC participant, any Beneficial Owner or any other person, other than DTC (or any such other depository), of any notice with respect to such Series of Bonds, including any notice of redemption, or (iii) the payment to any DTC participant, any Beneficial Owner or any other person, other than DTC (or any such other depository), of any amount with respect to principal of, redemption premium, if any, or interest on such Series of Bonds. Notwithstanding any other provision of this Resolution to the contrary, the City, the Bond Registrar and the Paying Agent shall be entitled to treat and consider DTC (or any such other depository) as the absolute owner of such Bonds for the purpose of payment of principal of, redemption premium, if any, and interest on such Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bonds, for the purpose of registering transfers with respect to such Bonds, and for all other purposes whatsoever. The Paying Agent shall pay all principal of, redemption premium, if any, and interest on such Bonds only to or upon the order of DTC (or any such other depository then in effect) and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, redemption premium, if any, and interest on such Bonds to the extent of the sum or sums so paid. No person other than DTC (or any such other depository then in effect) shall receive Bonds evidencing the obligation of the City to make payments of amounts due pursuant to this Resolution. Upon delivery by DTC (or any such other depository then in effect) to the

City of written notice to the effect that DTC (or any such other depository then in effect) has determined to substitute a new nominee in place of an existing nominee, and subject to the provisions in this Resolution with respect to interest checks or drafts being mailed to the Registered Owners at the close of business on the Record Date, the name of the existing nominee in this Resolution shall refer to such new nominee.

(c) (a) The securities depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and the Bond Registrar and discharging its responsibilities with respect thereto under applicable law.

(1) The City, in its sole discretion and without the consent of any other person, may terminate the services of a securities depository with respect to a Series of Bonds if the City determines that the continuation of the system of book-entry-only transfers through such securities depository is not in the best interests of the Beneficial Owners of the Bonds or is burdensome to the City, and shall terminate the services of such securities depository with respect to the Bonds upon receipt by the City and the Bond Registrar of written notice from the depository to the effect that it has received written notice from its participants having interest, as shown in the records of the depository, in an aggregate principal amount of not less than fifty percent (50%) of the applicable Series of Bonds that: (i) the depository is unable to discharge its responsibilities with respect to the Series of Bonds; or (ii) a continuation of the requirement that all of the Outstanding Series of Bonds be registered in the registration books kept by the Bond Registrar in the name of the depository's nominee is not in the best interest of the Beneficial Owners of the Series of Bonds.

(2) Upon the termination of the services of the depository with respect to a Series of Bonds pursuant to subsection (c)(2)(ii) hereof, or upon the discontinuance or termination of the services of the depository with respect to a Series of Bonds pursuant to subsection (c)(1) or subsection (c)(2)(i) hereof after which no substitute securities depository willing to undertake the functions of the existing depository hereunder can be found which, in the opinion of the City, is willing and able to undertake such functions upon reasonable and customary terms, such Series of Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of the depository's nominee. In such event, the City shall issue and the Bond Registrar shall authenticate bond certificates as requested by the depository of the like principal amount in authorized denominations to the identifiable Beneficial Owners in replacement of such Beneficial Owners' beneficial interest in the Bonds.

(3) Notwithstanding any other provisions of this Resolution to the contrary, so long as any Series of Bonds is registered in the name of the depository's nominee, all payments with respect to the principal of, redemption premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to such depository as provided in the representation letter (or other similar document required by the depository) of the City and the Bond Registrar addressed to the depository with respect to such Series of Bonds.

(4) In connection with any notice or other communication to be provided to Bondholders pursuant to this Resolution by the City or the Bond Registrar with respect to any consent or other action to be taken by Bondholders, the City or the Bond Registrar, as the case may be, shall establish a record date for such consent or other action and give the securities depository notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

Section 214. Capital Appreciation Bonds. For purposes of determining the principal amount of a Capital Appreciation Bond for redemption or computation of the amount of Bonds held by the Holder thereof in giving to the City any notice, covenant, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption of Bonds.

(a) The Bonds of each Series issued under the provisions of this Resolution may be made subject to mandatory, extraordinary mandatory and optional redemption by the City, either in whole or in part, and at such times and prices as may be provided for in, or pursuant to, the Series Resolution providing for the issuance thereof, and with respect to the Series 2013 Bonds, as provided in Section 208 hereof.

(b) In addition, the Term Bonds of each Series are required to be redeemed to the extent of the Amortization Requirements, if any, therefor established by, or pursuant to, the Series Resolution providing for the issuance thereof, and with respect to the Series 2013 Bonds, as provided in Section 208 hereof.

Section 302. Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in the minimum Authorized Denomination authorized hereunder or by the applicable Series Resolution or in whole multiples of such minimum Authorized Denomination, except that if, following any redemption in part of a Bond, the remaining principal amount Outstanding would not be the minimum Authorized Denomination or a whole multiple thereof, the Bond shall be redeemed in full. In selecting Bonds for redemption, the City and the Bond Registrar shall treat each Bond as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum denomination authorized by the applicable Series Resolution. Except as otherwise provided in this Resolution or in any Series Resolution, if less than all of the Bonds shall be called for redemption, the particular maturity or maturities of Bonds or portions of Bonds to be redeemed shall be selected by the City and the particular Bonds of like maturity to be redeemed shall be selected by the Bond Registrar by such method as the Bond Registrar in its sole discretion deems fair and appropriate.

Section 303. Redemption Notice.

(a) Except as otherwise provided in a Series Resolution, at least thirty (30) days, but not more than sixty (60) days, before the redemption date of any Bonds, whether such redemption be in whole or in part, the City shall cause a notice of any such redemption signed by the Finance Director to be mailed, first class postage prepaid, to all Holders owning Bonds to be redeemed in whole or in part and to any Fiduciaries, at their addresses as they appear on the Register maintained by the Bond Registrar, but any defect in such notice or the failure so to mail any such notice to any Holder owning any Bonds shall not affect the validity of the proceedings for the redemption of any other Bonds. Each such notice shall set forth the name of the Bonds or portions thereof to be redeemed, the date fixed for redemption, the redemption price to be paid, the Series, and if less than all the Bonds of a Series shall be called for redemption, the maturities of the Bonds to be redeemed, the CUSIP numbers, the name and address (including contact person and phone number) of the Fiduciary to which Bonds called for redemption are to be delivered and, if less than all of the Bonds of any one maturity then Outstanding shall be called for redemption, the distinctive numbers and letters, if any, of such Bonds to be redeemed and, in

the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption shall also state that on or after the redemption date, upon surrender of such Bond, a new Bond in principal amount equal to the unredeemed portion of such Bond and of the same Series and maturity and bearing the same interest rate will be issued. Any notice as provided herein shall be conclusively presumed to have been duly given, whether or not the owner of the Bond receives such notice.

If at the time of mailing of notice of an optional redemption or purchase, the City shall not have deposited with a Depository or the Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Depository or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date and, subject to the immediately succeeding paragraph, such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Depository or the Paying Agent, as applicable, for such redemption, or otherwise available, is insufficient to pay the redemption price and accrued interest on the Bonds so called for redemption on the redemption date, the Paying Agent shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

(b) In the case of an optional redemption, any notice of redemption may state that (1) it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Bond Registrar, Paying Agent or a Fiduciary acting as escrow agent no later than the redemption date or (2) the City retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described in this subsection. Any such notice of Conditional Redemption shall be captioned "Conditional Notice of Redemption." Any Conditional Redemption may be rescinded at any time prior to the redemption date if the Finance Director delivers a written direction to the Bond Registrar directing the Bond Registrar to rescind the redemption notice. The Bond Registrar shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain Outstanding, and neither the rescission nor the failure by the City to make such funds available shall constitute an event of default under this Resolution. The Bond Registrar shall give immediate notice to the securities information repositories and the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain Outstanding.

Section 304. Effect of Calling for Redemption. On the date fixed for redemption, notice having been mailed in the manner and under the conditions hereinabove stated, provided that such notice of redemption has not been rescinded as permitted above, the Bonds or portions

thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If on the date fixed for redemption money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of the Bonds to be redeemed, plus accrued interest thereon to the date fixed for redemption, are held by a Depositary in trust for the Holders of Bonds to be redeemed, interest on the Bonds called for redemption shall cease to accrue after the date fixed for redemption; such Bonds shall cease to be entitled to any benefits or security under this Resolution or to be deemed Outstanding; and the Holders of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption; provided, that such notice of redemption has not been rescinded, as permitted above. Bonds and portions of Bonds for which irrevocable instructions to pay or to call for redemption on one or more specified dates have been given to the Depositary and the Bond Registrar in form satisfactory to them shall not thereafter be deemed to be Outstanding under this Resolution and shall cease to be entitled to the security of or any rights under this Resolution, other than rights to receive payment of the redemption price thereof and accrued interest thereon, to be given notice of redemption in the manner provided in Section 303, and, to the extent hereinafter provided, to receive Bonds for any unredeemed portions of Bonds, if money or Defeasance Obligations, or a combination of both, sufficient to pay the redemption price of such Bonds or portions thereof, together with accrued interest thereon to the date upon which such Bonds are to be paid or redeemed, as set forth in Article XI hereof, are held in separate accounts by the Depositary in trust for the holders of such Bonds.

Section 305. Redemption of Portion of Bonds. If a portion of an Outstanding Bond shall be selected for redemption, the Holder thereof or such Holder's attorney or legal representative shall present and surrender such Bond to the Bond Registrar for payment of the principal amount thereof so called for redemption and the redemption premium, if any, on such principal amount, and the City shall execute and the Bond Registrar shall authenticate and deliver to or upon the order of such registered owner or such owner's legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a new Bond of the same Series and maturity and bearing interest at the same rate.

Section 306. Cancellation. Bonds so redeemed, presented and surrendered shall be cancelled upon the surrender thereof. Bonds so cancelled shall be destroyed by the Bond Registrar and a certificate of destruction shall be filed with the Finance Director by the Bond Registrar.

ARTICLE IV

FUNDS AND ACCOUNTS

Section 401. Funds and Accounts. There are hereby created and designated (i) the “City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Debt Service Fund” (the “Debt Service Fund”) and two accounts therein designated the “Principal and Interest Account” (the “Principal and Interest Account”) and the “Expense Account” (the “Expense Account”), in each of which shall be established separate Series Subaccounts for each Series of Bonds as provided in the related Series Resolution, (ii) the “City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Reserve Fund” (the “Reserve Fund”) within which separate accounts (each a “Reserve Account”) shall be established for each Series of Bonds for which a Series Reserve Fund Requirement is established in the corresponding Series Resolution, (iii) the City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Bond Redemption Fund (the “Bond Redemption Fund”) within which separate Series Accounts shall be established for each Series of Bonds as provided in the related Series Resolution, and (iv) the “City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Rebate Fund” (the “Rebate Fund”). The Debt Service Fund, the Reserve Fund, the Bond Redemption Fund and each Series Account and Series Subaccount established therein shall be held in trust by the City for the benefit of the Holders of the Series of Bonds for which such Series Account and Series Subaccount have been established and any Credit Bank and/or Insurer for such Series of Bonds, all as provided in this Resolution and in the applicable Series Resolution. The Rebate Fund and each Series Account established therein shall be held by the City for the payment of any required arbitrage rebate in connection with Tax-Exempt Bonds and shall not be subject to the pledge and lien of this Resolution for the benefit of the Holders of Bonds.

There is hereby created and designated the “City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Revenue Fund” (the “Revenue Fund”) to be held in trust by the City for the benefit of the Holders of the Bonds. Each Series Resolution for a Series of Bonds shall establish within the Revenue Fund a Series Account for the related Series of Bonds and the moneys in such Series Account shall be held and applied only for the benefit of the related Series of Bonds. The City hereby covenants that all revenues received, collected and derived from the Special Assessments in each Fiscal Year will be immediately deposited in or credited to the appropriate Series Account in the Revenue Fund created hereby. All moneys deposited in or credited to the Revenue Fund shall be held in trust and applied only as provided in this Resolution, and pending such application, are hereby pledged as security for the holders of the Bonds until applied, as provided herein, to a purpose not inconsistent with such pledge.

In addition, the City may create such other funds and accounts as may be provided in a Series Resolution as it determines to be necessary or advisable in connection with the issuance of any Series of Bonds.

Section 402. Funds and Accounts as Trust Funds. All moneys held in the funds and accounts established in or pursuant to Section 401 of this Article or any account or subaccount established by any Series Resolution shall be held in trust and, pending the application of such moneys as hereinafter in this Article provided, such moneys (except for

moneys on deposit in the Rebate Fund) shall be subject to a lien and charge in favor of the Holders, any Credit Banks and any Insurers of the corresponding Series of Bonds.

The designation and establishment of the Funds and Accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds or accounts, as such terms are commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of specified Pledged Revenues for certain purposes and to establish certain priorities for application of such specified Pledged Revenues as provided herein and as more particularly provided for in any Series Resolution authorizing a particular Series of Bonds. Cash and investments required to be accounted for in each of the Funds and Accounts may be deposited in a single bank account provided that standard accounting records are maintained to reflect control or restricted allocation of the moneys therein for the various purposes of such Funds and Accounts.

The foregoing provisions notwithstanding, the Funds and Accounts shall constitute restricted funds for the purposes provided herein and shall be maintained on the books of the City as separate and distinct from all other Funds and Accounts of the City, in the manner provided in this Resolution and in the Series Resolution authorizing a particular Series of Bonds. All moneys in such Funds and Accounts shall be continuously secured in the same manner as City deposits are required to be secured by the laws of the State.

Series Subaccounts shall be maintained for each Series of Bonds as provided in the related Series Resolution and identified by the appropriate designation, and deposits into the Series Subaccount for each such Series of Bonds shall be separate and independent from the deposits, if any, into the corresponding Series Subaccount for each other Series of Bonds.

Section 403. Application of Pledged Revenues. The City shall transfer Pledged Revenues from each Series Account in the Revenue Fund to the corresponding Series Accounts and Series Subaccounts in the Rebate Fund, the Principal and Interest Account, the Reserve Fund and the Expense Account and apply the same to the payment of required arbitrage rebate payments, the interest on and the principal of the related Series of Bonds, the required deposits, if any, to the Reserve Fund and the fees and expenses payable from the Expense Account, all in accordance with the provisions of this Section 403 or as otherwise provided in the related Series Resolution.

On or before the Business Day preceding any date on which arbitrage rebate payments under the Code are required to be made, the Finance Director shall withdraw moneys from the appropriate Series Account in the Revenue Fund and deposit to the credit of the related Series Account in the Rebate Fund such amounts as directed by the City to make such arbitrage rebate payments hereunder.

On or before the twenty-fifth (25th) day of each month, commencing in the month immediately succeeding the month in which the Series 2013 Bonds are issued under the provisions of Section 208 of this Resolution, the Finance Director shall withdraw from the appropriate Series Accounts in the Revenue Fund an amount equal to the amount then held for the credit of the Revenue Fund or such lesser amount as shall be required to fund the deposit

requirements set forth in clauses (a), (b), (c) and (d) below, and apply the moneys so withdrawn to make the following payments and deposits in the following order:

(a) Deposit to the credit of the appropriate Series Subaccount in the Principal and Interest Account an amount equal to the interest becoming due on the Bonds of each Series on the next semiannual Interest Payment Date; provided, however, that the amount so deposited on account of interest in each month after the delivery of the Bonds of any Series up to and including the month immediately preceding the first Interest Payment Date thereafter of the Bonds of such Series shall be that amount that when multiplied by the number of such deposits will be equal to the amount of interest payable on such Bonds on such first Interest Payment Date less the amount of any accrued interest paid on such Bonds and deposited to the credit of the Principal and Interest Account;

(b) Deposit to the credit of the appropriate Series Subaccount in the Principal and Interest Account an amount equal to the sum of (i) the principal of Serial Bonds of each Series that will mature and become due on the next annual maturity date and (ii) the Amortization Requirements of each Series that will become due and payable on the next mandatory sinking fund redemption date, such deposits to commence in such month or to be adjusted in such amounts as will ensure that on the dates such principal or Amortization Requirements are due and payable sufficient moneys will be on deposit in the corresponding Series Subaccounts of the Principal and Interest Account.

Notwithstanding the foregoing provisions, moneys shall not be required to be deposited to the credit of the Principal and Interest Account (A) pursuant to clause (a) above if the amount then to the credit thereof is equal to the interest becoming due and payable on the Bonds on the next Interest Payment Date and (B) pursuant to clause (b) above if the amount then to the credit thereof is equal to the sum of (i) the principal of Serial Bonds maturing on the next maturity date and (ii) the Amortization Requirement on the next mandatory sinking fund redemption date on account of the Term Bonds Outstanding.

(c) Deposit to the credit of the appropriate Series Account within the Reserve Fund (to the extent that a Reserve Account has been established within the Reserve Fund for a particular Series of Bonds), beginning with respect to each Series of Bonds for which a Series Reserve Fund Requirement has been established on the twenty-fifth (25th) day of the month in which such Series of Bonds are delivered to the purchasers thereof, such sums as shall be at least sufficient to pay an amount equal to the difference between the amount, if any, on deposit in the Reserve Fund or Account therein (including any Reserve Fund Insurance Policy or Reserve Fund Letter of Credit) on the date of issuance of the Series of Bonds and the increase in the amount required to be held therein due to such Series Reserve Fund Requirement, if any, for such Series of Bonds and, provided, further, that no payments shall be required to be made into the Reserve Fund or any Account therein whenever and as long as the amount deposited therein (including any Reserve Fund Insurance Policy or Reserve Fund Letter of Credit) shall be equal to all of the Series Reserve Fund Requirements for all Series of Bonds to which such Reserve Fund or Account therein relates.

Notwithstanding the foregoing provisions, in lieu of or in substitution for the required deposits, if any, hereunder (including existing deposits) into the Reserve Fund or any Account

therein, the City may cause to be deposited into the Reserve Fund or any Account therein for any Series of Bonds, a Reserve Fund Insurance Policy or a Reserve Fund Letter of Credit for the benefit of the holders of the Bonds of such Series in an amount equal to the difference between the applicable Series Reserve Fund Requirement and the sums to remain on deposit in the Reserve Fund or any Account therein, after the deposit of such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit, if any, which Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall be payable or available to be drawn upon, as the case may be (upon the giving of notice as required thereunder), on any Interest Payment Date on which a deficiency exists with respect to the applicable Series of Bonds which cannot be cured by all moneys in any Fund or Account, including the applicable Account, if any, in the Reserve Fund hereunder, held pursuant to this Resolution and available for such purpose. If a disbursement is made under a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit, the City shall be obligated to either reinstate the maximum limits of such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit within twelve (12) months following such disbursement or to deposit into the Reserve Fund or applicable Account therein, as provided in the next paragraph, funds in the amount of the disbursements made under such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit, or a combination of such alternatives.

In the event that any moneys shall be withdrawn from the Reserve Fund or any Series Account therein for payments into the corresponding Series Subaccounts in the Principal and Interest Account, such withdrawals shall be subsequently restored in the manner described in the first paragraph of this clause (c) from the Series Pledged Revenues available after all required payments have been made into the corresponding Series Subaccounts in the Principal and Interest Account for such Series of Bonds, including any deficiencies for prior payments, unless restored by the reinstatement of the maximum limits of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit (without priority of one Account over another Account, if any).

In the event that a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall be drawn upon, the principal portion of the related payment obligations to the issuer of such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit shall be paid after all required payments have been made to the Principal and Interest Account, including any deficiencies for prior payments, in accordance with the terms of any agreement between the City and such issuer, on a parity and on a pro-rata basis with all other obligations payable under this clause (c) to other issuers of any Reserve Fund Letter of Credit or Reserve Fund Insurance Policy and cash funding requirements to the different Accounts established for each Series of Bonds but prior to making any cash deposit to the Account to which such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit relates, provided that such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit is reinstated in the amount of such payment concurrently with the receipt of such payment by the issuer thereof.

(d) Any balance remaining after satisfying the requirements of clauses (a), (b) and (c) above shall be deposited to the credit of the corresponding Series Subaccount in the Expense Account in an amount sufficient to pay (i) the fees, interest and other amounts owing any issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit for the related Series of Bonds, (ii) any fees and expenses of Fiduciaries coming due in such month and any other administrative fees and expenses coming due in such month with respect to the related Series of Bonds and (iii) any costs of issuance of the related Series of Bonds that remain to be paid.

Subject to the following sentence, the balance, if any, remaining to the credit of any Series Account in the Revenue Fund after making the withdrawals and fully satisfying all the deposit requirements mentioned in clauses (a), (b), (c) and (d) above for any Fiscal Year shall be retained therein and applied to the next Fiscal Year's funding requirements. At its option, the City may withdraw any moneys held for the credit of a Series Account in the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys to the credit of the applicable Series Account in the Bond Redemption Fund for the redemption of all or a portion of the applicable Series of Bonds.

Notwithstanding anything to the contrary contained in this Section 403, Special Assessments prepaid in connection with a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein. There shall be no prepayments allowed of Special Assessments for the Series 2013 Bonds.

Section 404. Application of Moneys in Principal and Interest Account. The City shall on the Business Day immediately preceding each Interest Payment Date withdraw from the moneys then on deposit in each Series Subaccount in the Principal and Interest Account and deposit amounts sufficient to pay the Principal and Interest Requirements on all Outstanding Bonds of the related Series then due and payable on such Interest Payment Date in trust with the Paying Agent or Paying Agents and cause the Paying Agent or Paying Agents to remit by mail to each Holder the amounts required for paying the interest on such series of Bonds on such Interest Payment Date and to each Holder on or before each principal payment date the amounts required to pay the principal or Amortization Requirements of such Series of Bonds due on such principal payment date. To the extent moneys in any Series Subaccount in the Principal and Interest Account for the payment of principal or Amortization Requirements of the related Series of Bonds are in excess of the amount required for payment of such Series of Bonds theretofore matured or called for redemption, said moneys may be used by the Paying Agent, at the direction of the City, to purchase Bonds of such Series maturing or subject to redemption from Amortization Requirements on the next succeeding principal payment date at a purchase price not exceeding the principal amount thereof, or to the extent said moneys are in excess of the amount required for payment of the Bonds of such Series theretofore matured or called for redemption and the total amount of principal scheduled to become due either at maturity or as a result of Amortization Requirements on the next succeeding principal payment date, to purchase any other Bonds of such Series; provided further that no such purchase shall be made within the period of forty-five (45) days immediately preceding an Interest Payment Date on which the Bonds of such Series are subject to call for redemption under the provisions of this Resolution except from moneys other than moneys set aside or deposited for the redemption of such Series of Bonds. Upon the purchase of Term Bonds of a Series, the City shall direct the Paying Agent as to any credit against future Amortization Requirements for such Series of Term Bonds.

In the case of Bonds secured by a Credit Facility, amounts on deposit in the related Series Subaccount in the Principal and Interest Account may be applied as provided in the applicable Series Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal of and redemption premium, if any, and interest on the Bonds secured by such Credit Facility.

Section 405. Application of Moneys in Reserve Fund. Unless otherwise provided in the Series Resolution for a Series of Bonds for which a Series Reserve Fund Requirement has been established, not later than the fifth (5th) Business Day prior to each Interest Payment Date for any Series of Bonds then Outstanding for which a Series Reserve Fund Requirement has been established pursuant to the corresponding Series Resolution, the City shall (i) transfer from the corresponding Series Account in the Reserve Fund to the related Series Subaccount in the Principal and Interest Account, or (ii) draw upon any corresponding Reserve Fund Insurance Policy or Reserve Fund Letter of Credit in accordance with their terms,

(a) if such Interest Payment Date is not a principal payment date, the amount, if any, required to increase the amount then held to the credit of the related Series Subaccount in the Principal and Interest Account for the payment of interest on such Series of Bonds to an amount equal to the amount of interest scheduled to become due on such date with respect to such Series of Bonds; and

(b) if such Interest Payment Date is also a principal payment date, the amount under (a) above plus the amount, if any, required to increase the amount then held for the credit of the related Series Subaccount in the Principal and Interest Account for the payment of principal of or Amortization Requirements on such Series of Bonds to an amount equal to the sum of (i) the aggregate principal amount of the Serial Bonds of such Series of Bonds that will become due and payable on such date, and (ii) the amount of the Amortization Requirement for the Term Bonds of such Series of Bonds that will become due and payable on such date.

If the amount transferred from the Series Account in the Reserve Fund to the related Series Subaccount in the Principal and Interest Account pursuant to the foregoing provisions of this Section shall be less than the amount required to be transferred under such provisions, any amount thereafter deposited to the credit of such Series Account in the Reserve Fund shall be immediately transferred to the related Series Subaccount in the Principal and Interest Account as, and to the extent, required to make up any such deficiency.

Moneys in the Reserve Fund and Reserve Fund Insurance Policies and Reserve Fund Letters of Credit in the Reserve Fund are available to be drawn upon hereunder and are hereby pledged as security only for the specific Series of Bonds to which they relate and secured by such Series Account in the Reserve Fund as provided in the Series Resolution authorizing the issuance of such Series of Bonds. If an Account has been established in the Reserve Fund for a particular Series of Bonds, moneys in such Account of the Reserve Fund shall be available to be drawn upon hereunder and are hereby solely pledged as security for, and shall be used only for the purpose of making payments of principal of and interest on the Series of Bonds to which such Account relates and only when all moneys in any other related Series Account or Series Subaccount in the Funds or Accounts held pursuant to this Resolution and available for such purpose pursuant to this Resolution are insufficient therefor. Moneys in each Series Account in the Reserve Fund shall also be used to make payments to the issuers of Reserve Fund Insurance Policies and Reserve Fund Letters of Credit on deposit in such Fund or Account for the related Series of Bonds as described in clause (c) of Section 403 with respect to any payment obligation to the issuer of such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit in connection with a draw on such Reserve Fund Insurance Policy or Reserve Fund Letter of Credit (excluding, however, any interest obligation that may accrue relating to such draw). All cash on

deposit in the related Series Account in the Reserve Fund shall be utilized prior to drawing under a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit on deposit therein.

Any moneys in a Series Account in the Reserve Fund in excess of the Series Reserve Fund Requirements for the corresponding Series of Bonds Outstanding shall be transferred to and deposited in the related Series Subaccounts in the Principal and Interest Account; provided, however, that any moneys in a Series Account in the Reserve Fund in excess of the Series Reserve Fund Requirements for the applicable Series of Bonds Outstanding as a result of the substitution of a Reserve Fund Insurance Policy or a Reserve Fund Letter of Credit for money on deposit in such account may, at the discretion of the City, be deposited into the related Series Account of the Bond Redemption Fund and used by the City to redeem Bonds of the related Series.

Section 406. Application of Moneys in Expense Account. Moneys held for the credit of the Expense Account shall be disbursed by the City to pay the fees, interest and other amounts owing any issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit, the fees and expenses of any Fiduciaries as they become due, the fees and costs of collection payable to the Tax Collector for collection of Special Assessments, any administrative costs payable to the Property Appraiser in connection with the Special Assessments and any other administrative fees and expenses with respect to Bonds, including, without limitation, costs of issuance of a Series of Bonds, not payable from any other Fund or Account hereunder as they become due.

Section 407. Bond Redemption Fund. The City shall establish a Series Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited moneys in the amounts and at the times provided by this Resolution and any Series Resolution for the redemption of all or a portion of a Series of Bonds. The Series Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth herein and in the applicable Series Resolution and shall be held separate and apart from all other Funds and Accounts held under this Resolution. All earnings on investments held in the Series Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Bond Redemption Fund (including all earnings on investments held in the Series Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to be used to call for redemption an amount of Bonds of the applicable Series that are subject to extraordinary mandatory redemption in whole or in part, equal to the amount of money transferred to the Series Bond Redemption Fund pursuant to the applicable provisions hereof or of the related Series Resolution, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such provisions; and

SECOND, the remainder to be utilized to call for redemption on each Interest Payment Date on which Bonds of the applicable Series are subject to optional redemption such amount of Bonds of the applicable Series as, with the redemption premium, may be practicable; provided, however, that not less than Ten Thousand Dollars (\$10,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the redemption provisions of this Resolution and the related Series Resolution.

Section 408. Moneys Held in Trust. All moneys that the Finance Director shall have withdrawn from the Revenue Fund or shall have received from any other source and set aside or deposited with the Paying Agents for the purpose of paying any of the Bonds hereby secured, either at the maturity thereof or by purchase or call for redemption, or for the purpose of paying interest on the Bonds, shall be held in trust for the respective Holders. Except as otherwise provided in a Series Resolution, any moneys that are so set aside or transferred to the Paying Agents and that remain unclaimed by the Holders for a period of three (3) years after the date on which such Bonds have become payable shall, upon the written request of the Finance Director, be paid to the City, or to such successor as may then be entitled by law to receive the same, and thereafter the Holders shall look only to the City, or to such successor, as the case may be, for payment and then only to the extent of the amounts so received, without any interest thereon, and the Paying Agents shall have no responsibility with respect to such money.

Section 409. Cancellation of Bonds. Except as otherwise provided in the applicable Series Resolution, all Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Bond Registrar when such payment, redemption or purchase is made, and such Bonds shall be cancelled. The Bond Registrar shall certify to the City and the Credit Banks and Insurers the details of all Bonds so cancelled. All Bonds cancelled under any of the provisions of this Resolution shall be destroyed by the Bond Registrar, which shall execute a certificate in duplicate describing the Bonds so destroyed, and one executed certificate shall be filed with the Finance Director and one executed certificate shall be retained by the Bond Registrar.

Section 410. Disposition of Fund Balances. After provision shall be made for the payment of all Outstanding Bonds of a Series issued under this Resolution, including the interest thereon, and for the payment of all other obligations, expenses and charges required to be paid under or in connection with this Resolution related to such Series of Bonds, the Paying Agent shall remit such amounts in the related Series Accounts and Series Subaccounts in the Funds and Accounts then held by it under this Resolution to the City for use by the City for any lawful purpose of the City.

Section 411. Construction Fund. ii) In addition to the Funds and Accounts created above, there is hereby created and designated the “City of Fort Lauderdale Transportation Improvement Special Assessment Bonds Construction Fund” (the “Construction Fund”) to be held by the City under this Resolution for the purpose of paying all or any part of the cost of any Project authorized hereunder. A separate Series Account shall be established in the Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Refunding Bonds) shall be deposited to the credit of the appropriate Series Account in the Construction Fund as provided in, or pursuant to, the Series Resolution governing such Series of Bonds and such proceeds shall be applied by the City, in accordance with the provisions of this Resolution and the applicable Series Resolution, and pending such application such proceeds shall be held in trust in the Construction Fund subject to a lien and charge in favor of the Holders of the applicable Series of Bonds, any Credit Bank and

Insurers for such Series of Bonds and for the further security of such parties until such proceeds are applied to the payment of the cost of all or any portion of the cost of the related Project. The foregoing notwithstanding, no Series Account shall be established in the Construction Fund for the Series 2013 Bonds, and the portion of the net proceeds of the Series 2013 Bonds required to satisfy the City's capital funding obligation for the Series 2013 Project, referred to as the "Assessment Amount" in the WAVE Streetcar Partnership Agreement, shall be transferred and paid over to SFRTA as soon as practicable after issuance of the Series 2013 Bonds.

(a) Unless otherwise provided in a Series Resolution, the City shall requisition payments from the Construction Fund in accordance with standard City practice for the payment of such amounts or as set forth in the Series Resolution, including the use of any excess proceeds of such Bonds in the Construction Fund. In addition to other applications specified in the Series Resolution for excess moneys in a Series Account in the Construction Fund, if any amounts remain in the Series Account in the Construction Fund after completion of the related Project, such excess amount may be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such moneys relate.

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 501. Security for Deposits. Any and all moneys deposited under the provisions of this Resolution shall, to the extent provided herein, be trust funds under the terms hereof and shall not be subject to any lien or attachment by any creditor of the City other than as provided herein. Such moneys shall be held in trust and applied in accordance with the provisions of this Resolution.

All money deposited with a Depository, the Bond Registrar or the Paying Agent under this Resolution in excess of the amount guaranteed by the Federal Deposit Insurance Corporation or other federal agency shall be continuously secured, for the benefit of the City and the Holders, either (a) by lodging with a bank or trust company chosen by the Depository, the Bond Registrar or the Paying Agent, as applicable, or if then permitted by law, by setting aside under control of the trust department of the bank holding such deposit, as collateral security, Government Obligations or other marketable securities eligible as security for the deposit of trust funds under regulations of the Comptroller of the Currency of the United States or as public funds under applicable State law or regulations, having a market value (exclusive of accrued interest) not less than the amount of such deposit, or (b) if the furnishing of security as provided in clause (a) above is not permitted by applicable law, then in such other manner as may then be required or permitted by applicable State or federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust or public funds; provided, however, that it shall not be necessary for any Depository, Bond Registrar or Paying Agent to give security for the deposit of any money with it for the payment of the principal of or the interest on any Bonds, or for any Depository, the Bond Registrar or Paying Agent to give security for any money that shall be represented by obligations purchased under the provisions of this Article as an investment of such money unless otherwise required by applicable law.

All money deposited with any Depository, the Bond Registrar or the Paying Agent under this Resolution shall be credited to the particular Fund or Account as provided in this Resolution.

Section 502. Investment of Moneys. Moneys held for the credit of all Funds, Accounts and subaccounts shall be continuously invested and reinvested by the Paying Agent as directed by the Finance Director or for Funds and Accounts held by the City by the Finance Director as more specifically provided herein.

Moneys held for credit of the Funds and Accounts hereunder, other than the Reserve Fund and the Series Accounts therein, as nearly as may be practicable, shall be invested and reinvested in Investment Obligations that shall mature, or that shall be subject to redemption at the option of the holder thereof, at the times required and not in any event later than the date, estimated by the Finance Director, when the moneys therein will be required from time to time for the purposes intended.

Moneys held for the credit of any Series Account in the Reserve Fund shall be invested and reinvested in Investment Obligations having an average weighted term to maturity not greater than five (5) years.

Investment Obligations acquired with moneys and credited to any Fund, Account or subaccount held by or under the control of the City, while so held, shall be deemed at all times to be part of such Fund, Account or subaccount in which such moneys were originally held, and the interest accruing thereon and any profit or loss realized upon the disposition or maturity of such investment shall be credited to or charged against such Fund, Account or subaccount. The Finance Director or the Paying Agent upon direction of the Finance Director shall sell or cause to be sold at the best price obtainable or reduce to cash a sufficient amount of such Investment Obligations whenever it shall be necessary to do so in order to provide moneys to make any payment or transfer of moneys from any Fund, Account or subaccount.

Whenever a payment or transfer of moneys between two or more of the Funds established pursuant to Article IV of this Resolution is permitted or required, such payment or transfer may be made in whole or in part by transfer of one or more Investment Obligations at a value determined in accordance with this Article, provided that the Investment Obligations transferred are those in which moneys of the receiving Fund could be invested at the date of such transfer.

Section 503. Valuation. For the purpose of determining the amount on deposit to the credit of any Fund, Account or subaccount, obligations in which money in such Fund, Account or subaccount shall have been invested (other than investment agreements) shall be valued at the market value thereof (exclusive of accrued interest).

At the end of each Fiscal Year, the Finance Director shall value the Investment Obligations (except investment agreements) in the Funds, Accounts and subaccounts held hereunder. Deficiencies in the amount on deposit in any Fund, Account or subaccount on any valuation date shall be restored by the City from the corresponding Series Pledged Revenues no later than the next valuation date.

ARTICLE VI

GENERAL COVENANTS AND REPRESENTATIONS

Section 601. Payment of Principal, Interest and Premium; Bonds Not General Obligations or Indebtedness of the City. The City shall cause to be paid, when due, the principal of (whether at maturity, by call for redemption or otherwise) and the redemption premium, if any, and the interest on the Bonds at the places, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof. The City hereby covenants that it shall levy Special Assessments, and evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the City, pursuant to the Assessment Act, Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Principal and Interest Requirement on Bonds issued and Outstanding hereunder.

The Bonds are secured by and payable solely from the Pledged Revenues as provided in this Resolution and the corresponding Series Resolution. The Bonds issued under this Resolution shall not be deemed to constitute a pledge of the faith and credit of the State or of any political subdivision thereof, or the City. Neither the faith and credit of the State nor the faith and credit of the City are pledged to the payment of the principal of or redemption premium, if any, or interest on the Bonds, and the issuance of the Bonds shall not directly or indirectly or contingently obligate the State, or any political subdivision thereof, or the City to levy any taxes whatever therefor or to make any appropriation for their payment except from the Pledged Revenues to the extent provided for under this Resolution and the corresponding Series Resolution.

Section 602. Each Series of Bonds Secured By Its Own Series Pledged Revenues. The payment of the Principal and Interest Requirements on each Series of Bonds issued hereunder shall be secured forthwith equally and ratably solely by a lien upon and pledge of the Pledged Revenues for such Series of Bonds. The Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds as provided in the related Series Resolution and shall not secure any other Series of Bonds. Pledged Revenues, in an amount sufficient both to pay the Principal and Interest Requirements on a specified Series and to make the payments into the Series Subaccounts with respect to such Series in the Debt Service Fund and to make all other payments required by this Resolution with respect to such Series, including, without limitation, all reimbursements due to any issuer of a Credit Facility for any drawing with respect to such Series of Bonds on its Credit Facility, are hereby irrevocably pledged in the manner stated herein and the related Series Resolution to the payment of the Principal and Interest Requirements on such Series as the same becomes due; provided that this pledge and lien may be released and extinguished by defeasance as to any Series of Bonds or portion thereof as provided herein. Notwithstanding the foregoing, no provision hereof is intended to prohibit the payment of the Principal and Interest Requirements on any Series of Bonds from, or the pledging to such payment of, any lawfully available additional reserves, security, obligations or sources of funds.

Section 603. Special Assessments; Re-Assessments.

(a) The City shall levy Special Assessments, and evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the City pursuant to the Assessment Act or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 604 hereof, to the extent and in an amount sufficient to pay Principal and Interest Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the City shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the City shall have omitted to make such Special Assessment when it might have done so, the City shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said Project or against any property benefitted by said Project, or (ii) in its sole discretion, make up the amount of such Special Assessment from legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the City shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

Section 604. Method of Collection. Special Assessments shall be collected by the City in accordance with the provisions of the Assessment Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. The City shall use its best efforts to adopt the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto, as soon as practicable, or a comparable alternative method afforded by Section 197.3631, Florida Statutes. The City shall use its best efforts to enter into one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") as may be necessary or desirable in order to effectuate the provisions of this Section. If any such Property Appraiser and Tax Collector Agreement is entered into, the City shall use its best efforts to ensure that such agreement remains in effect for at least as long as the final maturity of the Series of Bonds to which it relates. To the extent that the City is not able to collect Special Assessments pursuant to the "uniform tax roll collection" method under Chapter 197, Florida Statutes, the City may elect to collect and enforce Special Assessments pursuant to any available method under the Assessment Act, or Chapter 197, Florida Statutes, or any successor statutes thereto. The election to collect and enforce Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the City from electing to collect and enforce Special Assessments pursuant to any other method permitted by law in any subsequent year.

Section 605. Delinquent Special Assessments. Subject to the provisions of Section 604 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and

any provisions of the Assessment Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the City shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 604 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapter 173, Florida Statutes, or otherwise as provided by law.

Section 606. Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens. If the Special Assessments levied and collected under the uniform method described in Section 604 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the uniform method of levy and collection is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the City for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the City shall thereupon receive in its corporate name the title to the property for the benefit of the Registered Owners. The City shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the City shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any property acquired by foreclosure by the City, it shall give written notice thereof to such Registered Owners. The City agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such delinquent property.

Section 607. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the City pursuant to the provisions of Section 613 hereof, the City shall keep books and records for the collection of the Special Assessments on the lands subject to Special Assessments, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the City. The City, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, upon written request, be mailed to any Registered Owner.

Section 608. No Prepayment of Special Assessments; Removal of Special Assessment Liens.

(a) Except as otherwise provided in the applicable Assessment Resolution and in the Series Resolution with respect to the related Series of Bonds, Special Assessments shall not be prepayable.

(b) Unless a Special Assessment is made subject to prepayment in the applicable Assessment Resolution, Special Assessment liens shall only be removed and extinguished upon the payment in full of the corresponding Special Assessment over the period of years specified in the applicable Assessment Resolution. Upon payment in full over the period of years specified in the applicable Assessment Resolution, the City shall thereafter immediately take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the City, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished.

Section 609. Deposit of Special Assessments. The City covenants to cause any Special Assessments collected or otherwise received by it to be deposited within five (5) Business Days after receipt thereof for deposit into the applicable Series Account in the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the City as such and shall be deposited directly into the related Series Account of the Bond Redemption Fund).

Section 610. Covenant to Perform by the City. The City shall faithfully perform at all times all of its covenants, undertakings and agreements contained in this Resolution and in any Bond executed, authenticated and delivered hereunder.

Section 611. Covenants with Credit Banks, Insurers, etc.

(a) Subject to the provisions of this Resolution and the related Series Resolution, the City may make such covenants, including the granting of a parity or subordinate lien on the Series Pledged Revenues to the lien of the corresponding Series of Bonds hereunder, as the City may in its sole discretion determine to be appropriate with any Insurer and/or Credit Bank that shall agree to insure or to provide for Bonds of any one or more Series credit or liquidity support, which credit or liquidity support shall enhance the security or the value of such Bonds and thereby reduce the Principal and Interest Requirements on such Bonds. Such covenants may be set forth in the applicable Series Resolution or in any agreement entered into prior to the issuance of such Bonds with such Credit Bank or Insurer and approved by the City Manager and the Finance Director, and shall be binding on the City, the Bond Registrar, the Paying Agents and all the Holders of the corresponding Series of Bonds the same as if such covenants were set forth in full in this Resolution.

(b) Subject to the provisions of this Resolution, the City may make such covenants as it may in its sole discretion determine to be appropriate with any issuer of a Reserve Fund Insurance Policy or Reserve Fund Letter of Credit deposited in the Reserve Fund. Such covenants may be set forth in a resolution adopted by the City or in any agreement entered into

with such issuer and shall be binding on the City, the Bond Registrar, the Paying Agents and all the Holders of the corresponding Series of Bonds the same as if such covenants were set forth in full in this Resolution.

(c) All covenants for the benefit of a Credit Bank, Insurer or issuer of a Reserve Fund Letter of Credit or Reserve Fund Insurance Policy shall remain in full force and effect only for so long as such Credit Bank, Insurer or issuer has not defaulted in its obligations under the applicable Credit Facility, Insurance Policy, Reserve Fund Letter of Credit or Reserve Fund Insurance Policy.

Section 612. No Inconsistent Action. The City covenants that none of the Pledged Revenues will be used for any purpose that is inconsistent with the provisions of this Resolution and that no contract or contracts will be entered into or any action taken by it that shall be inconsistent with the provisions of this Resolution.

Section 613. Books and Records. The City covenants that it will keep the Funds, Accounts or subaccounts established hereunder or under any Series Resolution separate from all other Funds and Accounts of the City, and that it will keep accurate records and accounts of the Pledged Revenues received and the application of the Pledged Revenues. Such records and accounts shall be open at all reasonable times to the inspection of the Holders of the Bonds, authorized representatives of a Credit Bank and Insurers, to the extent that such Credit Bank or Insurer is providing credit enhancement.

Section 614. Tax Covenants.

(a) The City will not take any action or omit to take any action which action or omission would result in inclusion in gross income for federal income tax purposes of interest on any Bonds issued as Tax-Exempt Bonds. Particularly, (i) the City will not take any action or omit to take any action which action or omission would cause any of the Tax-Exempt Bonds to be "Arbitrage Bonds" within the meaning of Section 148 of the Code; (ii) the City will not take any action or omit to take any action which would cause any of the Tax-Exempt Bonds not intended on their date of issuance to be "Private Activity Bonds" within the meaning of Section 141 of the Code to be "Private Activity Bonds" within the meaning of that Section; and (iii) the City will not take any action or omit to take any action which would cause Tax-Exempt Bonds intended on their date of issuance to be "Private Activity Bonds" within the meaning of Section 141 of the Code not to be "Qualified Bonds" as that term is defined in said Section. In the event that an adverse determination is made or threatened by the Internal Revenue Service with respect to any of the matters described in the foregoing clauses (i), (ii) or (iii), the City shall use its best efforts and undertake all reasonable action in order to vigorously contest such adverse determination.

(b) The City shall comply with and shall make all calculations required to be made pursuant to the arbitrage rebate covenants contained in certificates of the City delivered in connection with the issuance of each Series of Bonds that are issued as Tax-Exempt Bonds.

Section 615. Covenant to Provide Continuing Disclosure.

For the benefit of the Holders and beneficial Owners from time to time of each Series of Bonds, the City agrees, in accordance with the Rule, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5) of the Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement, including provisions for enforcement, amendment and termination, the Finance Director is hereby authorized and directed to execute and deliver, in the name and on behalf of the City, a Continuing Disclosure Commitment (the "Continuing Disclosure Agreement"), in substantially the form as shall be approved in a subsequent resolution adopted by the City Commission prior to the award and sale of the corresponding Series of Bonds. The commitment formed, collectively, by this paragraph and the Continuing Disclosure Agreement, shall be the City's continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of revenues to meet costs the City would be required to incur to perform it. Failure to comply with this Section 615 shall not be an event of default under Article VII hereof; provided, however, that the Holders of not less than 25% in aggregate principal amount of Bonds Outstanding may proceed to enforce this Section 615.

The Finance Director is further authorized and directed to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with such agreement, the Finance Director may consult with, as appropriate, the City Attorney, the City Auditor, Disclosure Counsel or Bond Counsel. The Finance Director, acting in the name and on behalf of the City, shall be entitled to rely upon any legal advice provided by the City Attorney, Disclosure Counsel or Bond Counsel in determining whether a filing should be made.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

Section 701. Events of Default. Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds (it being understood and agreed that an Event of Default in connection with a Series of Bonds shall not, in and of itself, constitute an event of Default for any other Series of Bonds, unless and only to the extent that such occurrence independently constitutes an Event of Default for such other Series of Bonds):

(a) payment by the City of any installment of interest on any Bonds of such Series shall not be made when the same shall become due and payable; or

(b) payment by the City of the principal of or the redemption premium, if any, on any Bonds of such Series shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or pursuant to an Amortization Requirement or otherwise; or

(c) default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in this Resolution or any Series Resolution supplemental hereto and such default shall continue for sixty (60) days after receipt by the City of a written notice from the Holders of not less than ten percent (10%) in aggregate principal amount of Bonds of such Series then Outstanding specifying such default and requiring the same to be remedied; provided, however, that no Event of Default under the provisions of this paragraph (c) shall occur so long as the City is in good faith acting to remedy the default and such default is curable by such remedial action; or

(d) The City shall (i) become insolvent or the subject of insolvency proceedings; or (ii) be unable, or admit in writing its inability, to pay its debts as they mature; or (iii) make a general assignment for the benefit of creditors or to an agent authorized to liquidate any substantial amount of its property; or (iv) file a petition or other pleading seeking reorganization, composition, readjustment or liquidation of assets, or requesting similar relief; or (v) apply to a court for the appointment of a receiver for any of its assets; or (vi) have a receiver or liquidator appointed for any of its assets (with or without the consent of the City) and such receiver shall not be discharged within 90 consecutive days after such receiver's appointment; or (vii) become the subject of an "order for relief" within the meaning of the United States Bankruptcy Code; or (viii) file an answer to a creditor's petition admitting the material allegations thereof for liquidation, reorganization, readjustment or composition or to effect a plan or other arrangement with creditors or fail to have such petition dismissed within sixty (60) consecutive days after the same is filed against the City; or

(e) receipt by the City of a written notice from a Credit Bank that following a drawing for the payment of interest on Bonds of such Series (i) the Credit Bank has not been reimbursed for such drawing under the Credit Facility in accordance with the terms of a reimbursement or similar agreement, or (ii) any other event of default under such reimbursement agreement has occurred and is continuing, and as a consequence of either such event the amount available to be drawn under the Credit Facility will not be reinstated with respect to the payment

of interest on the Bonds secured by such Credit Facility by an amount equal to the amount so drawn under the Credit Facility.

The City shall mail to any Credit Bank or Insurer written notice of all events of which it is aware that either constitute Events of Default under this Resolution or, upon notice by or to the City or the passage of time, would constitute Events of Default hereunder within thirty (30) days after the City shall have notice of the same, provided that the City shall provide immediate notice to any Credit Bank or Insurer of any Event of Default described in clauses (a) or (b) of this Section.

Section 702. No Acceleration of Maturities. No Series of Bonds issued under this Resolution shall be subject to acceleration.

Section 703. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 701 of this Article, then and in every such case the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding of such Series affected by such Event of Default may proceed to protect and enforce the rights of the Holders of such Series of Bonds under the laws of the State or under this Resolution by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid of execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as such Holders shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy under this Resolution, the Holders of the affected Series of Bonds shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any Event of Default becoming and remaining due from the City for principal, interest or otherwise under any of the provisions of this Resolution or of such Series of Bonds, together with interest on overdue payments of principal at the rate or rates of interest payable on any such affected Bonds Outstanding and all costs and expenses of collection and of all proceedings hereunder, without prejudice to any other right or remedy of the Holders, and to recover and enforce any judgment or decree against the City, but solely as provided herein, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but solely from money available for such purposes), in any manner provided by law, the money adjudged or decreed to be payable.

Section 704. Pro Rata Application of Funds. Anything in this Resolution to the contrary notwithstanding, if at any time the moneys in the applicable Series Subaccounts in the Principal and Interest Account shall not be sufficient to pay the interest on or the principal of the related Series of Bonds as the same shall become due and payable, such moneys, together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) If the principal of all the Bonds of such Series shall not have become due and payable, all such moneys shall be applied

first: to the payment to the persons entitled thereto of all installments of interest on the Bonds of such Series then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series;

second: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series that shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Resolution), in the order of their dates, with interest on the principal amount of such Bonds at the respective rates specified therein from the respective dates upon which such Bonds became due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds of such Series due and payable on any particular date, together with such interest, then to the payment first of such interest, ratably, according to the amount of such interest due on such date, and then to the payment of such principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds; and

third: to the payment of the interest on and the principal of the Bonds of such Series, to the purchase or retirement of Bonds of such Series and to the redemption of Bonds of such Series, all in accordance with the provisions of Article III hereof.

(b) If the principal of all the Bonds of a Series shall have become due and payable, all such moneys shall be applied

first: to the payment to the persons entitled thereto of all installments of interest on the Bonds of such Series due and payable on or prior to maturity, if any, in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds, and then to the payment of any interest due and payable after maturity on the Bonds of such Series, ratably, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds; and

second: to the payment of the principal of the Bonds, ratably, to the Persons entitled thereto, without preference or priority of any Bond over any other Bond.

Whenever moneys are to be applied by the City pursuant to the provisions of this Section, such moneys shall be applied by the City at such times, and from time to time, as the Finance Director in his/her sole discretion shall determine, having due regard to the amount of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future. The deposit of such moneys with any paying agents, or otherwise setting aside such moneys, in trust for the proper purpose shall constitute proper application by the City and the City shall incur no liability whatsoever to any Holder of Bonds or to any other person for any delay in applying any such moneys, so long as the City acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Resolution as may be applicable at the time of application. Whenever the Finance Director shall exercise such discretion in applying such moneys, he/she shall fix the date (which shall be an Interest Payment Date unless he/she shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Finance Director shall give or cause to be given such notice as he/she may deem appropriate of the fixing of any such date and shall not be required to make payment to the Holder of any Bond until such Bond shall be surrendered for appropriate endorsement or for cancellation if fully paid.

Section 705. Effect of Discontinuance of Proceedings. If any proceeding taken by the Holders on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case, the City and the Holders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Fiduciaries shall continue as though no proceeding had been taken.

Section 706. Control of Proceedings by Holders; Credit Bank or Insurer Deemed Holder. Anything in this Resolution to the contrary notwithstanding, the Holders of a majority in aggregate principal amount of Bonds of a Series then Outstanding affected by and Event of Default shall have the right by an instrument or concurrent instruments in writing executed and delivered to the City, to direct the method and place of conducting all remedial proceedings hereunder, provided that such direction shall be in accordance with law and the provisions of this Resolution.

A Credit Bank or Insurer shall be deemed to be the sole Holder of all Bonds supported by a Credit Facility or Insurance Policy it has issued for all purposes under this Article, other than the notice to Holders provisions herein contained, so long as such Credit Facility or Insurance Policy is in effect and the Credit Bank or Insurer, as applicable, has not defaulted in its obligations thereunder.

Section 707. Restrictions Upon Actions by Individual Holders. No one or more Holders shall have any right in any manner whatsoever by one or more such Holders' action to affect, disturb or prejudice the security of this Resolution, or to enforce any right hereunder except in the manner provided herein. All proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Holders, and any individual rights of action or other right given to one or more of such Holders by law are restricted by this Resolution to the rights and remedies herein provided.

Section 708. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Holders is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

Section 709. Delay Not a Waiver. No delay or omission by any Holder in the exercise of any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power or remedy given by this Resolution to the Holders may be exercised from time to time and as often as may be deemed expedient.

The Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding may waive any default which in their opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceedings instituted under the provisions of this Resolution or before the completion of the enforcement of any subsequent default or defaults.

Section 710. Right to Enforce Payment of Bonds Unimpaired. Nothing in this Article VII shall affect or impair the right of any Holder to enforce the payment of the principal of and the interest on any Bond or the obligation of the City to pay the principal of and the interest on each Bond to the Holder thereof at the time and place in said Bond expressed.

ARTICLE VIII

CONCERNING THE FIDUCIARIES

Section 801. Failure of City to Act. No Fiduciary shall be liable or responsible because of the failure of the City or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the City or because of the loss of any money arising through the insolvency or the act or default or omission of any Depository in which such money shall have been deposited under the provisions of this Resolution. No Fiduciary shall be responsible for the application of any of the proceeds of the Bonds or any other money deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Resolution. The immunities and exemptions from liability of a Fiduciary hereunder shall extend to the directors, officers, employees and agents of each Fiduciary.

Section 802. Compensation. Subject to the provisions of any contract between the City and any Fiduciary relating to the compensation of such Fiduciary, the City shall pay to such Fiduciary reasonable compensation for all services performed by it hereunder and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and execution of the trusts hereby created and the performance of its powers and duties.

Section 803. Reliance by Fiduciaries. In case at any time it shall be necessary or desirable for any Fiduciary to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Fiduciary, and in any case in which this Resolution provides for permitting or taking any action, such Fiduciary may rely upon any certificate required or permitted to be filed with it under the provisions of this Resolution, and any such certificate shall be evidence of such fact to protect such Fiduciary in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Resolution, any request, notice, certificate or other instrument from the City to such Fiduciary shall be deemed to have been signed by the proper party or parties if signed by the City Manager or the Finance Director and such Fiduciary may accept and rely upon a certificate of the City so signed as to any action taken by the City or such Fiduciary in reliance thereon.

Section 804. Fiduciaries May Deal in Bonds. Any bank or trust company acting as a Fiduciary and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Bonds or coupons issued under and secured by this Resolution, and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not such Fiduciary under this Resolution.

Section 805. No Responsibility for Recitals. The recitals, statements and representations contained herein and in the Bonds (excluding the certificate of authentication on the Bonds) shall be taken and construed as made by and on the part of the City and not by any Fiduciary, and no Fiduciary assumes or shall be under any responsibility for the correctness of the same.

Section 806. Paying Agents and Bond Registrars; Appointment and Acceptance of Duties.

(a) The City, in the Series Resolution corresponding to each Series of Bonds, shall appoint a Bond Registrar and a Paying Agent for such Series of Bonds. The City may appoint one or more additional Paying Agents and Bond Registrars for the Bonds having the qualifications set forth in Section 807 for a successor Paying Agent or Bond Registrar, as the case may be.

(b) Each Paying Agent and Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Resolution by executing and delivering to the City a written acceptance thereof.

Section 807. Resignation or Removal of Paying Agent or Bond Registrar and Appointment of Successor.

(a) Any Paying Agent or Bond Registrar may at any time resign and be discharged of the duties and obligations created by this Resolution by giving at least 60 days' written notice to the City, all Credit Banks and Insurers and the other Fiduciaries. Any Paying Agent or Bond Registrar may be removed by the City at any time by an instrument filed with all Credit Banks and Insurers and such Bond Registrar or Paying Agent and signed by the City Manager. Any successor Paying Agent or Bond Registrar shall be appointed by the City and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having (or controlled by an entity having) capital stock, surplus and undivided earnings aggregating, on a combined consolidated basis, at least Fifteen Million Dollars (\$15,000,000), and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Resolution. Notwithstanding the foregoing, the City may designate itself, acting by and through the Finance Director, as successor Bond Registrar and Paying Agent. The City shall provide written notice to all Credit Banks and Insurers of the appointment of such successor Paying Agent or Bond Registrar.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver moneys held by it as Paying Agent to its successors, or if there be no successors, to the City. In the event that for any reason there shall be a vacancy in the office of any Paying Agent or Bond Registrar, the Finance Director shall act as such Paying Agent or Bond Registrar.

Section 808. Several Capacities. The same Person may serve as Paying Agent and Bond Registrar, to the extent permitted by law.

[END OF ARTICLE VIII]

ARTICLE IX

EXECUTION OF INSTRUMENTS BY HOLDERS AND PROOF OF OWNERSHIP OF BONDS

Section 901. Execution of Instruments by Holders; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted by this Resolution to be signed or executed by any Holder may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Holders or their attorneys or legal representatives. Proof of the execution of any such instrument may be made in the following manner:

(a) The fact and date of the execution by any person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before such officer, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual, such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

(b) The ownership of Bonds shall be proved by the registration books kept under the provisions of Section 206 of this Resolution.

Nothing contained in this Article shall be construed as limiting the City to such proof, it being intended that the City may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of any Holder shall bind every future Holder of the same Bond in respect of anything done by such Holder or the City in pursuance of such request or consent.

[END OF ARTICLE IX]

ARTICLE X

SUPPLEMENTAL RESOLUTIONS

Section 1001. Supplemental Resolutions Without Consent of Holders. The City, from time to time and at any time, may adopt such resolutions supplemental hereto as shall be consistent with the terms and provisions of this Resolution (which supplemental resolutions shall thereafter form a part hereof):

(a) to cure any ambiguity or formal defect or omission herein, or to correct or supplement any provision herein that may be inconsistent with any other provision herein; or

(b) to grant or confer upon the Holders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Holders; or

(c) to add to the conditions, limitations and restrictions thereafter to be observed by the City under the provisions of this Resolution; or

(d) to add to the covenants and agreements of the City in this Resolution other covenants and agreements thereafter to be observed by the City or to surrender any right or power herein reserved to or conferred upon the City; or

(e) with the prior written opinion of Bond Counsel that to do so will not affect the exclusion of interest from gross income of Tax-Exempt Bonds under the Code, to authorize, in compliance with all applicable law, Bonds of each Series to be issued in the form of coupon Bonds and, in connection therewith, specify and determine the matters and things relative to the issuance of such coupon Bonds, including provisions relating to the timing and manner of provision of any notice required to be given hereunder to the Holders of such coupon Bonds, which are not contrary to or inconsistent with this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first authentication and delivery of such coupon Bonds; or

(f) to authorize, in compliance with all applicable law, Bonds of each Series to be issued in the form of Bonds issued and held in book-entry form on the books of the City or of any Fiduciary appointed for that purpose by the City and, in connection therewith, make such additional changes herein, not adverse to the rights of the owners of the Bonds, as are necessary or appropriate to accomplish or recognize such book-entry form Bonds and specify and determine the matters and things relative to the issuance of such book-entry form Bonds as are appropriate or necessary; or

(g) to modify, amend or supplement this Resolution or any ordinance supplemental hereof in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America; or

(h) to make any change required by Moody's, S&P or Fitch as a precondition to the issuance of a rating on any Series of Bonds which is not to the prejudice of the Holders of the Bonds of any other Series; or

(i) to make any other change that would not materially adversely affect the security for the Bonds.

In addition to the foregoing, the City may adopt Series Resolutions to provide for the issuance of each Series of the Additional Bonds (as provided in Section 209 hereof) and of Refunding Bonds (as provided in Section 210 hereof) and to provide for the creation of such additional Funds, Accounts and subaccounts and for such other related matters as may be required or contemplated by or appropriate under this Resolution.

Section 1002. Modification of Resolution with Consent of Holders. Subject to the terms and provisions contained in this Section, and not otherwise, the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding that will be affected by a proposed supplemental resolution shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption by the City of such resolution or resolutions supplemental hereto as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that nothing herein contained shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any Bonds issued hereunder, or (b) a reduction in the principal amount of any Bonds or the redemption premium or the rate of interest thereon, or (c) the creation of a pledge or lien on the moneys credited to the Funds and Accounts created hereunder other than the pledges and liens created or permitted by this Resolution, or (d) a preference or priority of any Bonds over any other Bonds, or (e) a reduction in the aggregate principal amount of Bonds required for consent to such supplemental resolution. Nothing herein contained, however, shall be construed as making necessary the approval by the Holders of the adoption and acceptance of any supplemental resolution or Series Resolution as authorized in Section 1001 of this Article.

If at any time the City shall determine that it is desirable to adopt any supplemental resolution for any of the purposes of this Section, the City shall cause notice of the proposed adoption of such supplemental resolution to be mailed, first class, postage prepaid, to all Holders. Such notice shall briefly set forth the nature of the proposed supplemental resolution and shall state that copies thereof are on file at the City for inspection by all Holders. The City shall not, however, be subject to any liability to any Holder by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such supplemental resolution when approved and consented to as provided in this Section.

Whenever, at any time after the date of the first mailing of such notice, the City shall receive an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of Bonds then Outstanding that are affected by a proposed supplemental resolution which instrument or instruments shall refer to the proposed supplemental resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice,

thereupon, but not otherwise, the City may adopt such supplemental resolution in substantially such form, without liability or responsibility to any Holder, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of Bonds Outstanding that are affected by a proposed supplemental resolution at the time of the execution of such supplemental resolution shall have consented to and approved the adoption thereof as herein provided, no Holder shall have any right to object to the adoption of such supplemental resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental resolution pursuant to the provisions of this Section, this Resolution shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the City, the Bond Registrar, and all Holders shall thereafter be determined, exercised and enforced in all respects pursuant to the provisions of this Resolution as so modified and amended.

Section 1003. Exclusion of Bonds. Bonds owned or held by or for the account of the City shall not be deemed Outstanding Bonds for the purpose of any consent or other action or any calculation of Outstanding Bonds provided for in this Article X, and the City as Holder of such Bonds shall not be entitled to consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article X, the City shall evidence all Bonds owned or held by or for the account of the City by a certificate signed by the City Manager describing all Bonds so to be excluded. All such certificates shall be filed with and maintained by the Finance Director.

Section 1004. Treatment of Credit Bank and Insurer. Notwithstanding any provisions of this Article to the contrary, for so long as any Credit Facility or Insurance Policy securing any Bonds hereunder is in effect and the Credit Bank or Insurer, as applicable, is not in default of its obligations thereunder, such Credit Bank or Insurer shall be treated as the Holder of such Bonds for purposes of this Article.

[END OF ARTICLE X]

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. If all or a portion of the Outstanding Bonds of a Series shall have been paid as provided below, and if all amounts due any Credit Banks, Insurers and issuers of Reserve Fund Letters of Credit and Reserve Fund Insurance Policies relating to such Bonds shall have been paid in full or provision for their payment shall have been made satisfactory to such parties, then and in that case the right, title and interest of the Holders of such Bonds hereunder shall cease, terminate and become void, and such Bonds shall cease to be entitled to any lien, benefit or security under this Resolution. In such event, this Resolution shall be discharged and released as to such Bonds and amounts held in the Funds and Accounts created hereunder for the benefit of such Bonds shall be released to the City for its own purposes.

Any Outstanding Bond shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1101 when the whole amount of the principal of and redemption premium, if any, and interest on such Bond shall have been paid or when (a) there shall have been deposited with a Depository, acting as escrow agent solely for the Holders of such Bond and other Bonds being defeased and specifically designated for the purpose of defeasance, moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due will provide sufficient moneys (as evidenced by a verification report of an Accountant), to pay when due the principal of and redemption premium, if any, and interest due and to become due on such Bonds on or prior to the redemption date or maturity date thereof, as the case may be, and (b) in the event such Bond does not mature and is not to be redeemed within the next succeeding sixty (60) days, the City shall have given or cause to be given, as soon as practicable, a notice to the Holder of such Bond by first-class mail, postage prepaid, stating that the deposit of moneys or Defeasance Obligations required by clause (a) of this paragraph has been made with a Depository, acting as escrow agent solely for the Holder of such Bond and other Bonds being defeased, and that such Bond is deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of and redemption premium, if any, and interest on such Bond.

Neither the moneys nor Defeasance Obligations deposited with such Depository acting as escrow agent pursuant to this Section nor principal or interest payments on any such obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and redemption premium, if any, and interest on said Bonds.

If any portion of the moneys deposited for the payment of the principal of and redemption premium, if any, and interest on any portion of Bonds is not required for such purpose, the City may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Resolution.

Notwithstanding anything to the contrary contained herein or otherwise, amounts paid by a Credit Bank or Insurer in respect of Bonds of a Series shall not be deemed payment of such Bonds and said amounts shall continue to be due and owing until paid by the City in accordance

with this Resolution and the provisions of this Resolution shall not be discharged until such payment by the City.

Section 1102. Survival of Certain Provisions. The provisions of this Resolution which relate to the maturity of Bonds, interest payments and Interest Payment Dates, optional and mandatory redemption provisions, Amortization Requirements, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds and unclaimed moneys, required rebate of moneys to the United States of America, the holding of moneys in trust and the duties of the City and the Fiduciaries in connection with all the foregoing, shall remain in effect and be binding notwithstanding the release and discharge of this Resolution. The provisions of this Article XI shall survive the release, discharge and satisfaction of this Resolution.

To secure the Bonds, the City has irrevocably pledged the Pledged Revenues under the Resolution. The Pledged Revenues consist of (i) the Special Assessment and (ii) all investment income in the Funds and Accounts established under the Resolution, except for the Rebate Fund; provided, however, that amounts on deposit in or to the credit of a Reserve Account within the Reserve Fund shall constitute Pledged Revenues for, and secure, only the particular Series of Bonds for which such Reserve Account is established.
