Developer shall keep, and such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement in accordance with generally accepted accounting practices and standards. All books, records, and accounts of Developer shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Developer shall make same available at no cost to Agency in written form.

Developer shall preserve and make available, at reasonable times for examination and audit by Agency in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to the Developer Streetscape Improvements as defined in Section 1.12 as more fully set forth in Exhibits D of this Agreement for the required retention period of the Florida public records law, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit, litigation or other action has been initiated and has not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings, litigation or other action. If the Florida public records law is determined by Agency to be applicable, Developer shall comply with all requirements thereof. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for Agency's disallowance and recovery of any payment upon such entry.

9.22. Public Records. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Chapter 119, Florida Statutes, as same may be amended from time to time and any resultant award of attorney's fees for non-compliance with that law. The Developer and all contractors or subcontractors (the "Contractor") engaging in services in connection with construction, operation and/or maintenance of the Project shall:

(a) Keep and maintain public records that ordinarily and necessarily would be required by the Agency in order to perform the services rendered.

(b) Upon request from Agency's custodian of public records, provide Agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2016), as may be amended or revised, or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law and as to Developer for the duration of this Agreement and as to Contractor's for the duration of the contract term and following completion of said contract if Contractor does not transfer the records to Agency.

(d) Upon completion of said construction, operation or maintenance of the Project, transfer, at no cost, to Agency all public records in possession of Developer or Contractor or keep and maintain public records required by Agency to perform the service. If Contractor transfers all public records to Agency upon completion of the construction, operation or maintenance of the Project, Developer and Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Developer or Contractor keeps and maintains public records upon completion of construction, operation or maintenance of the Project, Developer and Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to Agency, upon request from Agency's custodian of public records, in a format that is compatible with the information technology systems of Agency.

If Developer or Contractor has questions regarding the application of Chapter 119, Florida Statutes, to Developer or Contractor's duty to provide public records relating to its contract, contact the Agency's custodian of public records by telephone at 954-828-5002 or by e-mail at PRRCONTRACT@FORTLAUDERDALE.GOV or by mail at 1 East Broward Boulevard, Suite 444, Fort Lauderdale, FL 33301 Attention: Custodian of Public Records.

9. 23. Local Preference. The Developer shall use its best efforts to work with the Agency to notify local business firms, minority owned firms, women-owned firms or labor surplus area firms of the opportunity to submit bids for work on the Project. Bids will be selected based upon competitiveness of the bid and the qualifications and capacity of the bidder. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are African Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian Americans, and American Indians. The Developer may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.
- 9.24. Cross Default. Simultaneously with execution of this Agreement, Developer has executed a Non-Residential Façade Improvement Agreement and Property and Business Investment Improvement Agreement in favor of the Agency. A default

under either agreement shall be deemed a default under this Agreement and entitle Agency to exercise any and all remedies available to it.

- 9.25. Reduction in Market Rents. In consideration of funding the Developer's Streetscape Improvements and as a condition for funding, the Developer agrees to provide a community benefit for CRA residents on the Property by limiting the rents charged on at least twenty percent (20%) of the leasable area of the buildings on the Property ("Restricted Commercial Space") to seven and one half percent (7.5%) below market rate rent as more fully described and set forth in a Restrictive Covenant (attached hereto as Exhibit "H") to be executed by Developer and recorded in the public records of Broward County, Florida. Further, the rent for the first 2 years of the lease shall not increase and remain fixed at the initial reduced rate.

ALL THREE MORTGAGES SHALL BE DEEMED A FIRST MORTGAGE AND THE LIEN OF ONE MORTGAGE MAY NOT FORECLOSE THE LIEN OF THE OTHER MORTGAGES.

MORTGAGE

THIS MORTGAGE, entered into this ____ day of _____, 20____, between **CALL OF AFRICA REALTY, INC., a Florida Profit Corporation**, whose address is **920 NE 13 Street, Fort Lauderdale, FL 33304**, hereinafter called the "Mortgagor", and the Fort Lauderdale Community Redevelopment Agency, a Community Redevelopment Agency created pursuant to Chapter 163, Part III, Florida Statutes, with an address of 914 Northwest 6 Street, Fort Lauderdale, Florida 33311, hereinafter called the "Mortgagee".

WITNESSETH: That to secure the terms, covenant, conditions of the Development Agreement for Streetscape Enhancement Program dated _____, 2025 (the "Agreement") and to secure the payment of an indebtedness in the principal amount of **Fifty-Four Thousand Five Hundred Sixty Two and No/100 Dollars** (\$54,562.00) with interest if any, thereon, which shall be payable in accordance with a certain Promissory Note (s), hereinafter called "Note" together with the obligations, covenants and conditions set forth in the Agreement, bearing even date herewith or dated thereafter and all other indebtedness which the Mortgagor is obligated to pay to the Mortgagee pursuant to the provisions of the Note(s) and this Mortgage, the Mortgagor hereby grants, convey, encumbers and mortgages to the Mortgagee the real property situated in Broward County, Florida, described as follows:

See attached Legal Description.

Parcel Identification Number: 4942 34 03 0570

Together with the buildings and improvements situated upon said properties (the "Property"); as security for the payment of the Note(s) and all future advances made by Mortgagee to Mortgagor in accordance with the Development Agreement for Streetscape

Enhancement Program entered into by Mortgagor and Mortgagee dated _____, 2025 (the "Agreement").

The said Mortgagor does covenant with the said Mortgagee that the said Mortgagor is indefeasibly seized of the Property in fee simple and has the full power and lawful right to mortgage and encumber the same, that the said land is free from all encumbrances except as set forth below, and that the said Mortgagor except as above noted does fully warrant the title to said land and will warrant and defend the same against the lawful claims of all persons whomsoever.

And the said Mortgagor does further agree as follows:

1. To make promptly all payments required by the above-described Note and this Mortgage as such payments become due.
2. To pay promptly when due all taxes, assessments, liens, and encumbrances on the Property.
3. To keep the improvements now existing or hereafter erected on the Property insured as may be required in the Agreement against loss by fire and other hazards, casualties, and contingencies, and will pay promptly, when due, any premiums on such insurance for payment of which provision has not been made hereinbefore. In event of loss, Mortgagor shall give immediate notice by mail to Mortgagee, and Mortgagee may make proof of loss if not made promptly by Mortgagor, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Mortgagee instead of to Mortgagor and Mortgagee jointly, and the insurance proceeds, or any part thereof, may be applied by Mortgagee at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In event of foreclosure of this Mortgage or other transfer of title to the mortgaged property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Mortgagor in and to any insurance policies then in force shall pass to the purchaser or grantee.
4. To permit, commit, or suffer no waste or impairment of the Property.
5. To pay all expenses reasonably incurred by the Mortgagee because of failure of the Mortgagor to comply with the obligations in the Agreement, the Note(s) or this Mortgage, including reasonable attorneys' fees.
6. If the buildings are not kept insured as provided, or if the Mortgagor defaults in any of the other covenants, stipulations or agreements contained herein or in the Agreement, the Mortgagee, without waiting or affecting the option to foreclose, may pay any and all such payments or obligations, may insure the buildings, or may otherwise perform any of the covenants or agreements on behalf of the Mortgagor, and any and all such sums or expenses paid or incurred, with interest thereon from the date of payment at the rate of

interest prescribed in the Note secured by this Mortgage, shall also be secured by this Mortgage.

7. This mortgage lien shall extend to and include all rents and profits of the Property. In the event of foreclosure the court is authorized to appoint a receiver of the mortgaged property and to apply such rents or profits to the indebtedness hereby secured, regardless of the solvency of the Mortgagor or the adequacy of the security.

8. If any provision of this Mortgage is breached, then the unpaid principal balance, together with accrued interest, shall immediately become due and payable at the option of the Mortgagee, and the Mortgagee may foreclose this Mortgage in accordance with procedures established by law, and have the property sold to satisfy or apply on the indebtedness hereby secured.

9. The agreements and promises of the Note(s) secured hereby and of this Mortgage and the Agreement are intended to be covenants running with the land or of any interest therein, to be binding on the respective promisors, their heirs, legal representatives and assigns, and to inure to the benefit of the respective promises, their heirs, legal representatives and assigns.

10. The lien hereby created shall cease and become null and void upon complete performance of all the covenants, stipulations and agreements contained in this Mortgage, the Note(s) which it secures, and the Agreement.

11. The Mortgagee and Mortgagor have entered into the Agreement pursuant to which the indebtedness evidenced by the Note(s) is being incurred by the Mortgagor. The Mortgagor covenants and agrees that any breach of the terms of such Agreement, as same may be amended from time to time, by the Mortgagor shall constitute a breach and default under this Mortgage entitling the Mortgagee herein to declare the entire unpaid principal sum secured hereby, together with interest then accrued, immediately due and payable and to enforce collection thereof by foreclosure or otherwise.

12. Privilege is reserved to prepay this note and mortgage, in whole or in part, at any time without notice and without penalty.

13. Mortgagee shall give written notice to Mortgagor of any event of default under this Mortgage or the Note and Mortgagor shall have thirty days in which to cure said default. All notice shall be given in the manner provided in the Agreement.

14. Subordination. Mortgagee acknowledges and agrees that (i) the terms and provisions of this Mortgage and all rights and obligations described herein are and shall be subordinate to the mortgage, security interest and rights granted to any institutional, governmental or other mortgagee or financing sources in connection with any construction loan secured by Mortgagor for construction of the Project whether such financing is obtained before or after the date of the Agreement and/or Mortgage.

Mortgages which secure financing in which cash or cash equivalent is paid at or around closing required the consent of the Mortgagee. The subordination herein described shall be self-operative and effective without the requirement for the execution of a separate instrument; provided however, if requested by Mortgagor or its other lenders, Agency agrees to execute such instrument reasonably requested of them by the lenders.
