Background

These services include Basic Life Support (BLS)/Advanced Life Support (ALS) medical calls, trauma-related calls, fire and specialty-related calls that can include marine, Technical Rescue Team (TRT), and Hazardous Materials (HazMat) operations. In addition, the rescue vehicles are designed and specified with gear and equipment to properly perform inter-facility transports (IFT's) that are revenue generating for the City of Fort Lauderdale.

Pursuant to Section 2-181(8) of the Code of Ordinances, this purchase will be made in accordance with Florida Sheriff's Association Contract 11-10-1202 from Ten-8 Fire Equipment, Inc., in the amount of \$3,051,569.84, whereby such contract was entered into following a fair and competitive process that included public notice, sealed written or secure electronic bids and public bid opening.
