Subject: **No Objection Letter for the NSU Art Museum Banners on City Light Poles  
in the City Public Right of Way**

Dear David Guidi,

The office of the City Engineer has reviewed the request to temporarily install NSU Art Museum banners on city light poles in the city public right of way along E Las Olas Blvd, 14 banners are proposed to be temporarily installed on E Las Olas Blvd between SE 3<sup>rd</sup> Avenue and SE 12<sup>th</sup> Avenue and 4 banners are proposed to be temporarily installed on E Las Olas Blvd between A1A and Las Olas Circle, per the plans provided by NSU Art Museum. The City Engineer has no objection to this request provided the following conditions are met prior to installation:

- 1.) A city of Fort Lauderdale building permit shall be applied for to review the structural integrity of the light poles to hold the proposed banner signs.
- 2.) The minimum vertical clearance between the bottom of the banner sign and the sidewalk shall be 7 feet.
- 3.) If the banner sign is to be installed over a roadway travel lane the minimum vertical clearance between the bottom of the banner sign and the travel lane shall be 16 feet.

Should you have any questions or require any additional information, please contact me at (954) 828-4696.  
Sincerely,

*Benjamin Restrepo*
