													2
													1
													4

**\*Note:** Local Vendor Preference and Disadvantaged Business Preferences are not applicable to this solicitation.

**\*\*Evaluation Clarification:** Upon subsequent review of the evaluation records, a non-material scoring inconsistency was identified in Rater #4's evaluation under the "Workload of the Firm" criterion, in which duplicate rankings were assigned to Kimley-Horn and R.J. Behar. This inconsistency does not affect the final scores, rankings, or the award recommendation.
