

**City of Fort Lauderdale**  
**City Commission Agenda Item**

**# 12-1270**

**TO:** Honorable Mayor & Members  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, City Manager

**DATE:** August 21, 2012

**TITLE:** Resolution to Amend Resolution 12-105 for Richard Mancuso Greenway

---

**Recommendation**

It is recommended that the City Commission approve a resolution authorizing the City Manager to provide a more detailed description of the area named Richard Mancuso Greenway in Resolution 12-105.

**Background**

Subsequent to the City Commission's June 5, 2012 approval of Resolution 12-105 for the naming of the Richard Mancuso Greenway, it was determined that a more detailed legal description was required to specifically clarify the area of the greenways limits. This agenda item is here now presented before the City Commission to provide the sufficient language necessary to update the Official City Map. The revision of this language does not change the effect of the original resolution which remains in force.

**Resource Impact**

There is no fiscal impact associated with this action
