Dear Vice Mayor Roberts:

The Coral Ridge Association Board of Governors met on August 8 and listened to a presentation by Attorney Robert Lochrie and representatives from Chick – Fil – A.

The site plan for 2650 North Federal Highway was shown to us and explained as well as the ingress and egress onto Federal Highway and the ingress and egress on Middle River Drive. There was a question and answer session. Our board members voted to approve the site plan and the entrances and exits to the property.

Sincerely,
