Imperial Point Association -- Commissioner Bruce Roberts – District I

Welcome Community Appearance Board members Barbara VanVoast and BJ Martinez to help present.

Peter and Connie Brandt bought their home 43 years ago when they moved here from Ohio. They chose Fort Lauderdale and the Imperial Point neighborhood to raise their four children in a warm and safe neighborhood.

The Brandt home has a beautifully sculptured lawn with symmetrical landscaping and topiaries that lend to the overall effect of exterior of the home. They maintain the lawn with weekly trims and edging and have enhanced the front of the property by adding architectural gates in a pearly white color. The home has shutter accents and a barrel tile roof. They have added native plants and flowering annuals that line the front entrance paver walkway.

As a surprise for Connie, a cancer survivor, Peter and the children dismantled the basketball court in the backyard and created a healing/meditation garden to aid in Connie's recovery. All the of these efforts help keep their home shining and brilliant.

The Fort Lauderdale City Commission and the Community Appearance Board proudly present the WOW Award for August 2012 to **Peter and Connie Brandt** and thank them for enhancing their neighborhood and the City of Fort Lauderdale.

We are pleased to present you both with a certificate of appreciation from the City Commission, a gift certificate from Kelly's Landing and an orchid donated by Home Depot to celebrate the recognition.
