Minutes note:

Commissioner Beasley-Pittman remarked on the numerous change orders received from this vendor, AECOM, for the George T. Lohmeyer Wastewater Treatment Plant Odor Control Improvements (Project) and numerous other City projects and inquired how this would be addressed. Acting City Manager Grant confirmed related Staff discussions with the representative of AECOM.

Mayor Trantalis recognized Matthew Sacco, Esq., on behalf of AECOM. Mr. Sacco remarked his conversation with Acting City Manager Grant and confirmed AECOM's commitment to no further AECOM initiated change orders for this Project. Mayor Trantalis confirmed his understanding.

Commissioner Herbst noted his discussion with Mr. Sacco on this Agenda item. Commissioner Herbst remarked on his concerns that he discussed with Staff related to these types of (1) bid contracts. He noted the four (4) contract amendments that would typically produce a contract rebid, which did not occur at the urging of prior Public Works Department Staff. Commissioner Herbst commented on his perspective and the need for clarify in the solicitation contract to encourage a robust bidder response.

Commissioner Sorensen made a motion to approve this Agenda item and was seconded by Vice Mayor Glassman.

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING**

#25-0082

TO: Honorable Mayor & Members of the
Fort Lauderdale City Commission

FROM: Susan Grant, Acting City Manager

DATE: April 1, 2025

TITLE: Motion Approving Agreement for Design-Build Services for the George T. Lohmeyer Wastewater Treatment Plant Odor Control Improvements – AECOM Technical Services, Inc. - \$20,675,000 – (**Commission Districts 1, 2, 3 and 4**)

Recommendation

Staff recommend the City Commission approve an agreement, in substantially the form attached, for the design and construction of the George T. Lohmeyer Wastewater Treatment Plant (GTL WWTP) Odor Control Improvements with AECOM Technical Services, Inc., in the amount of \$20,675,000, which includes allowances of \$175,000 for permit fees and owner's contingency.

Background

Two (2) odor treatment facilities at GTL WWTP are past their useful life and in need of replacement after forty-two (42) years of service. The wastewater holding tanks served by these odor treatment facilities also have inadequate roof covering systems that have allowed odors to escape from the site prior to treatment. The electrical and mechanical infrastructure in these buildings including plumbing, electrical starters, wiring, instrumentation, and controls are also original to the facility and past its useful life. City staff developed a design criteria package to address these concerns in a single agreement.

On December 26, 2023, the Procurement Services Division issued Request for Proposals (RFP) No. 209-4 to solicit formal sealed competitive proposals from qualified, experienced, and licensed design-build firms. Substantial time was provided to allow for interested proposers to respond to the RFP. Despite the approximate four (4) months timeframe and eighteen (18) firms notified on May 3, 2024, the RFP closed with a single proposal from AECOM Technical Services, Inc. (AECOM).

On June 19, 2024, the Evaluation Committee comprised of members from the Public Works Department – Engineering Division and GTL staff convened to evaluate the proposal and hear a presentation.

The proposal and presentation submitted by AECOM met the solicitation requirements and was deemed both responsive and responsible. Therefore, AECOM is

recommended for award. The firm did not list its status as a Disadvantage Business Enterprise.

AECOM was evaluated based on the evaluation criteria shown in the table below.

| EVALUATION CRITERIA | PERCENTAGE |
|---------------------------------------|-------------|
| Qualifications of the Firm & the Team | 20% |
| Project Methodology & Approach | 50% |
| Price Proposal | 30% |
| TOTAL | 100% |

Due to funding limitations, negotiations between the Procurement Services Division and AECOM were held in July and August 2024 to address the scope and reduce the price from the initial proposal price of \$26,211,527 to levels that were acceptable to Public Works and AECOM in the amount of \$20,675,000, including allowances of \$175,000.

Resource Impact

There is a fiscal impact to the City in the amount of \$20,675,000, which includes \$175,000 for permit fees and allowances, and an additional \$516,848 for construction, engineering, and inspection services and in-house project management fees for a total project cost of \$21,191,848.

6.2 DESIGN/BUILD FIRM shall be instructed to execute the Agreement immediately. DESIGN/BUILD FIRM shall immediately commence scheduling activities, permit applications and other preconstruction Work after the Notice to Proceed.

6.3 The DESIGN/BUILD FIRM shall complete the Construction Documents Phase.

6.4 The DESIGN/BUILD FIRM shall meet the following construction duration:

| MILESTONE | CALENDAR DAYS FROM NOTICE TO PROCEED (COMPLETION DATE) |
|--------------------------------------|---|
| Assumed Notice to Proceed (NTP) Date | June 6, 2025 |
| Substantial Completion of PROJECT | 664 Calendar Days from NTP |
| Final Completion of PROJECT | 694 Calendar Days from NTP |

ARTICLE 7 - LIQUIDATED DAMAGES

7.1 Failure of the DESIGN/BUILD FIRM to substantially complete the Project in accordance with Section 6.4 above, or meet any of the milestones as indicated in Section 6.4 above, DESIGN/BUILD FIRM shall pay to the CITY the sum of **ONE THOUSAND DOLLARS (\$1,000)** for each calendar day that the completion of the Work is delayed beyond the time after the time specified in Article 6 Section 6.4 above (plus any approved time extensions at the sole discretion of the CITY) that DESIGN/BUILD FIRM fails to meet time specified in

Section 6.4 above.

- 7.2 The time frame for liquidated damages shall not commence and thus shall not be tolled until the Project Manager submits the punch list to the DESIGN/BUILD FIRM.
- 7.3 DESIGN/BUILD FIRM and CITY HEREBY MUTUALLY AGREE AND ACKNOWLEDGE THAT THE LIQUIDATED DAMAGES AMOUNT SET FORTH HEREIN are not penalties but are liquidated damages to CITY for its inability to obtain full beneficial occupancy and/or use of the Project. Liquidated damages are hereby fixed and agreed upon between the Parties, recognizing the impossibility of precisely ascertaining the amount of damages that will be sustained by the CITY as a consequence of such delay, and both parties desiring to obviate any question of dispute concerning the amount of said damages and the cost and effect of the failure of DESIGN/BUILD FIRM to complete the Work on time. Liquidated damages shall apply separately to each portion of the Work for which a time of completion is given.
- 7.4 The CITY shall have the right to deduct from or retain any compensation which may be due or which may become due and payable to the DESIGN/BUILD FIRM the amount of liquidated damages, and if the amount retained by the CITY is insufficient to pay in full such liquidated damages, the DESIGN/BUILD FIRM shall pay all liquidated damages in full. The DESIGN/BUILD FIRM shall be responsible for reimbursing the CITY, in addition to liquidated damages or other damages for delay, for all costs of engineering fees and inspection and other costs incurred in administering the construction of the Project beyond the completion date specified or beyond an approved extension of time granted to the DESIGN/BUILD FIRM whichever is later.
- 7.5 CITY is authorized to deduct liquidated damages from monies withheld due to DESIGN/BUILD FIRM for the Work under this Agreement or as much thereof as CITY may, in its sole discretion, deem just and reasonable.

ARTICLE 8 - CHANGE OF THE CONTRACT TIME

- 8.1 The Contract Time may only be changed by a Change Order. Any claim for an extension in the Contract Time shall be based on written notice delivered to the Project Manager within five (5) days of the occurrence of the event giving rise to the claim. Any change in the Contract Time resulting from any such claim shall be incorporated in a Change Order.
- 8.2 The Contract Time will be extended in an amount equal to time lost due to delays beyond the control of the DESIGN/BUILD FIRM if a claim is made there for as provided in paragraph 8.1, and DESIGN/BUILD FIRM may be entitled to an appropriate adjustment of the Contract Price. Such delays shall include but not be limited to, acts or neglect by the CITY, or to fires, floods, labor disputes, abnormal weather conditions, or acts of God.
- 8.3 All time limits stated in the Contract Documents are of the essence. The provisions of this Article shall not exclude recovery for damages for delay by the DESIGN/BUILD FIRM.
- 8.4 Delays caused by or resulting from entities, contractors or subcontractors who are not affiliated with DESIGN/BUILD FIRM shall not give rise to a claim by the DESIGN/BUILD FIRM for

damages for increases in material and/or labor costs.

- 8.5 Notwithstanding anything to the contrary, in the event that time or cost to complete the Work is increased due to fault or neglect by the CITY, then DESIGN/BUILD FIRM may be entitled to an equitable adjustment in time and compensation, which shall be limited to only the additional time and/or direct costs (and no consequential damages) to the extent resulting therefrom; provided, however, for the avoidance of doubt, DESIGN/BUILD FIRM shall not be entitled to addition compensation for force majeure delays (e.g., fires, floods, labor disputes, abnormal weather conditions, or acts of God, as described above in Section 8.2), for which DESIGN/BUILD FIRM shall be entitled to equitable adjustment in time only.

ARTICLE 9 - CONTRACT PRICE (NOT TO EXCEED PRICE) AND METHOD OF PAYMENT

- 9.1 The Contract Price is the Not To Exceed Guaranteed Maximum Price agreed to by the DESIGN/BUILD FIRM and the CITY under this Agreement, payable to complete the Work in accordance with the Agreement and DCP, and, to the extent permitted by this Agreement, as may be increased or decreased by Change Order.
- 9.2 The Contract Price for the Project, which is also the Not to Exceed Guaranteed Maximum Price is **TWENTY MILLION FIVE HUNDRED AND SEVENTY-FIVE DOLLARS AND NO CENTS (\$20,575,000)**. This includes bonds, allowances and material change with the exception of permit fees. The CITY will reimburse actual cost of permit(s) upon submission of paid permit receipts.
- 9.3 In the event that the DESIGN/BUILD FIRM's total approved expenditures for the Project exceed the Not To Exceed Price Guaranteed Maximum Price, the DESIGN/BUILD FIRM shall pay such excess from its own funds. CITY shall not be required to pay any amount that exceeds the Not To Exceed Guaranteed Maximum Price and the DESIGN/BUILD FIRM shall have no claim against the CITY on account thereof.
- 9.4 **METHOD OF BILLING AND PAYMENT**
- 9.4.1 During the Construction Documents Phase, DESIGN/BUILD FIRM may submit a request for payment monthly based upon percentage of completion of the (final construction) Plans and Specifications. During the Construction Phase, DESIGN/BUILD FIRM may submit a request for payment thirty (30) calendar days after beginning field operations, subject to the Notice to Proceed, and every thirty (30) calendar days thereafter. Payment during the Construction Phase will be based upon percentage of work completed for each item in the approved Schedule of Values. DESIGN/BUILD FIRM's requisition for payment shall show a complete breakdown of the Project components, and the amount due, together with such supporting evidence, as may be required by the Project Manager.

At a minimum, the requisition for payment shall be accompanied by a completed certification of Work; consent of surety in the applicable amount; list of subcontractors that performed Work during the payment application period being submitted; releases of liens from the DESIGN/BUILD FIRM for the previous period being billed; releases of

liens from subcontractors that have performed Work during the previous billing period unless payment for the previous period has not been received by the DESIGN/BUILD FIRM; aerials and photographs of the areas of Work for the applicable billing period; an accepted, updated Project Schedule (as approved); and back up for all items being billed. The certification of Work will mean compliance by DESIGN/BUILD FIRM with the approved Project Schedule, that as-built drawings of improvements are current for the prior period and applicable laws are being met and complied with. Each requisition for payment shall be submitted to the Project Manager for approval. Payment for Work performed will be made in accordance with the Florida Prompt Payment Act, Sections 255.0705 - 255.078, Florida Statutes (2024), as may be amended or revised, but not more frequently than once a month. The Contract Administrator shall verify completion of the various phases, as noted, and authorize payment accordingly. Should the Project fall behind schedule, as indicated in the Project Schedule, DESIGN/BUILD FIRM shall include a written plan demonstrating how the Final Completion date shall be maintained.

Material purchases can be invoiced to the CITY, upon receipt of invoice and documentation of order placement must be accompanied by a bill of sale from the manufacturer or supplier. The CITY will endeavor to pay material invoices earlier, albeit not later than thirty (30) days of receipt of a valid invoice. Any invoices that are not considered valid will be returned immediately for correction or additional documentation. No more than eight percent (8%) contractor's mark-up will be allowed for materials.

9.4.2 CITY agrees that it will pay DESIGN/BUILD FIRM in accordance with the Florida Prompt Payment Act, within thirty (30) calendar days of receipt of DESIGN/BUILD FIRM's proper requisition for payment, as provided above.

9.4.2.1 CITY will review DESIGN/BUILD FIRM's invoices and, if inaccuracies or errors are discovered in said invoice, CITY will inform DESIGN/BUILD FIRM within ten (10) working days by fax and/or by email of such inaccuracies or errors and request that revised copies of all such documents be re-submitted by DESIGN/BUILD FIRM to CITY.

9.4.2.2 Payments are scheduled to be made by CITY to DESIGN/BUILD FIRM using a check.

9.4.2.3 Payment may be made to DESIGN/BUILD FIRM at:

9.4.3 The DESIGN/BUILD FIRM shall use the sums advanced to it solely for the

performance of the Work and the construction, furnishing and equipping of the Work in accordance with the Contract Documents and payment of bills incurred by the DESIGN/BUILD FIRM in performance of the Work.

- 9.4.4 DESIGN/BUILD FIRM shall remain liable for subcontractors' work and for any unpaid laborers, material suppliers of subcontractors in the event it is after discovered that said Work is deficient or that any subcontractors, laborers, or material suppliers did not receive payments due to them on the Project.
- 9.4.5 Undisputed amounts remaining unpaid thirty (30) calendar days after CITY's request of DESIGN/BUILD FIRM's proper requisition for payment for conforming Work shall bear interest at the rate set forth in Section 218.74(4), Florida Statutes (2024). This Section shall not apply if the CITY has a right to withhold any portion of the payment under this Agreement.
- 9.4.6 Pursuant to Section 255.078, Florida Statutes (2024), five percent (5%) of all monies earned by DESIGN/BUILD FIRM shall be retained by the CITY until the Project has obtained Final Completion and been accepted by the CITY. The CITY may incrementally reduce the rate of retainage pursuant to a schedule provided for in the Agreement, or from releasing at any point or a portion of any retainage withheld by the CITY which is attributable to the labor, services, or materials supplied by the DESIGN/BUILD FIRM or by one or more subconsultant or suppliers, if applicable and determined to be in the CITY's best interest. If the CITY makes any payment of retainage to DESIGN/BUILD FIRM which is attributable to the labor, services, or materials supplied by one or more subconsultant or suppliers, the DESIGN/BUILD FIRM must timely remit payment of such retainage to those subconsultants and suppliers.
- 9.5 If, after the Project has been substantially completed, full completion thereof is delayed through no fault of DESIGN/BUILD FIRM, or by issuance of Change Orders affecting final completion, and the Project Manager so certifies. CITY shall, upon certification of the Project Manager, and without terminating the Agreement, make payment of the balance due for that portion of the Project fully completed and accepted. Such payment shall be made as required by law under the terms and conditions governing final payment, except that it shall not constitute a waiver of claims.
- 9.6 Upon receipt of written notice from DESIGN/BUILD FIRM that the Project is ready for final inspection and acceptance, the Project Manager shall, within seven (7) calendar days, make an inspection thereof. If the Project Manager finds the Project acceptable under the Contract Documents and the Project fully performed, a Final Certificate of Payment shall be issued by the Contract Administrator over his/her own signature, stating that the Work required by this Agreement has been completed and is accepted under the terms and conditions thereof.
- 9.7 Before issuance of the Final Certificate for Payment, DESIGN/BUILD FIRM shall deliver to the Project Manager a complete release of all liens arising out of this Agreement, or receipts in full in lieu thereof, and an affidavit certifying that all suppliers, consultant, subcontractors, and subconsultants have been paid in full, and that all other indebtedness connected with the Project has been paid, and a consent of the surety to final payment. All as-builts, warranties,

guarantees, operational manuals, and instructions in operation must be delivered to CITY at this time. The warranty as to any piece of equipment shall commence upon completion of startup of said piece of equipment. However, the odor control equipment shall have a 3-year warranty period. DESIGN/BUILD FIRM shall submit a completed as-built drawings package signed and sealed by a land surveyor registered in the State of Florida and as approved by the CITY's Public Works Department, and proof that all permits have been closed, which shall be delivered prior to requesting final payment.

- 9.8 CITY may withhold final payment or any progress payment to such extent as may be necessary on account of:
- A. Defective Work not remedied;
 - B. Claims filed or written notices of nonpayment indicating probable filing of claims as may be prescribed by law by other parties against DESIGN/BUILD FIRM;
 - C. Failure of DESIGN/BUILD FIRM to make payments properly to Consultant, subcontractors or subconsultants, or for material or labor;
 - D. Damage to another subcontractor, subconsultant, supplier, material, person (as provided for in Chapter 713, Florida Statutes (2024)), party or person not remedied which are attributable to DESIGN/BUILD FIRM, its agents, employees, contractor, consultant, subconsultants, subcontractors, sub-subcontractors, sub-subconsultants, material person and suppliers;
 - E. Liquidated damages pursuant to Article 7 herein; and
 - F. As-built drawings not being in a current and acceptable state.
- 9.9 When the above grounds in 9.4.7 are removed or resolved, or DESIGN/BUILD FIRM provides a surety bond or a consent of surety satisfactory to CITY which will protect CITY in the amount withheld, payment may be made in whole or in part, as applicable.
- 9.10 If the Project Manager, in his/her reasonable judgment, determines that the portion of the Not To Exceed Price then remaining unpaid will not be sufficient to complete the Work in accordance with the Contract Documents, no additional payments will be due to the DESIGN/BUILD FIRM hereunder unless and until the DESIGN/BUILD FIRM, at its sole cost, performs a sufficient portion of the Work so that such portion of the Not To Exceed Price then remaining unpaid is determined by the Project Manager to be sufficient to so complete the Work.
- 9.11 The making and acceptance of the final payment shall constitute a waiver of all claims by CITY, other than those arising from faulty or defective Work, failure of the Project to comply with requirements of the Contract Documents, or terms of any warranties required by the Contract Documents. It shall also constitute a waiver of all claims by DESIGN/BUILD FIRM, except those previously made in writing and identified by DESIGN/BUILD FIRM as unsettled at the time of the final application for payment.
- 9.12 The DESIGN/BUILD FIRM warrants to the CITY that all materials and equipment furnished under this Agreement will be new unless otherwise specified, and that all Work will be of good quality and in conformance with the Contract Documents. Any warranties that are extended to the CITY beyond the standard warranty are to be in writing with the servicing firm information attached as an Exhibit. All Work not conforming to these requirements, including substitutions

not properly approved and authorized by Contract Administrator, may be considered defective. If required by the CITY, the DESIGN/BUILD FIRM shall furnish satisfactory evidence as to the origin, nature and quality of materials and equipment used for the Project. DESIGN/BUILD FIRM shall properly store and protect all construction materials. Materials which become defective through improper storage shall be replaced with new materials at no additional costs. The DESIGN/BUILD FIRM's warranty excludes damage or defect caused by abuse, modifications not executed by the DESIGN/BUILD FIRM, improper or insufficient maintenance, improper operation, or normal wear and tear under normal usage.

ARTICLE 10 - ADDITIONAL SERVICES AND CHANGES IN SCOPE OF WORK

- 10.1 Without invalidating the Agreement and without notice to any surety, CITY reserves and shall have the right to make such changes from time to time in the character and quantity of the Work as may be considered necessary or desirable to complete fully and acceptably the Project in a satisfactory manner. The CITY may order additions, deletions or revisions in the Work using agreed upon rates to be included in the Contract Documents and/or Schedule of Values. Upon receipt of a Change Order, the DESIGN/BUILD FIRM shall proceed with the Work involved. All Work shall be executed under the applicable conditions of the Contract Documents. If any Change Order causes an increase or decrease in the Contract Price or an extension or shortening of the Contract Time, an equitable adjustment will be made on the basis of a claim made by either party.
- 10.2 The Project Manager may authorize minor changes in the Work not involving an adjustment in the Contract Price or the Contract Time, which are consistent with the overall intent of the Contract Documents. Such changes must be in writing and signed by the CITY and DESIGN/BUILD FIRM.

ARTICLE 11 - DESIGN/BUILD FIRM'S RESPONSIBILITIES

- 11.1 The Parties acknowledge and agree that the DESIGN/BUILD FIRM will be responsible for the design, construction and construction management of the Project according to the DCP.

- 11.10 If DESIGN/BUILD FIRM has knowledge that the Contract Documents do not comply with Applicable Laws, in any respect, the DESIGN/BUILD FIRM shall promptly notify the Project Manager, in writing, and any necessary changes shall be adjusted by appropriate revisions. If the DESIGN/BUILD FIRM performs any Work not in accordance with Applicable Laws, and without such notice to the Project Manager, the DESIGN/BUILD FIRM shall assume full responsibility therefore and shall bear all costs attributable thereto. DESIGN/BUILD FIRM warrants to CITY that it has thoroughly reviewed and studied the DCP and has determined that it is in conformance with Applicable Laws and is complete and sufficiently coordinated to perform the Work for the Not To Exceed Price and the Contract Time. DESIGN/BUILD FIRM warrants to CITY that the DCP is consistent, practical, feasible and constructible. DESIGN/BUILD FIRM further warrants to CITY that the Work described in the DCP is constructible for the Not To Exceed Price and the Contract Time.

- 11.11 DESIGN/BUILD FIRM accepts the Project site in its observable and/or documented condition existing at the time of this Agreement, or conditions ordinarily encountered and generally recognized as inherent to the character of the Work to be provided for in this Project. By signing this Agreement, the DESIGN/BUILD FIRM represents to the CITY that it has: (a) visited the Project site to become familiar with the conditions under which the Work is to be performed; (b) become familiar with all information provided (without warranty) by the CITY pertaining to the Project site; and (c) correlated its observations with the information furnished by the CITY (without warranty), and the Contract Documents. DESIGN/BUILD FIRM has not performed, and is required as a condition of entering this Agreement to perform, "extensive texts, examinations [or] investigations" of the Site prior to entering this Agreement. The DESIGN/BUILD FIRM hereby waives additional time or compensation for additional work made necessary by observable and/or documented conditions existing at the Project site, or conditions ordinarily encountered and generally recognized as inherent to the character of the Work to be provided for in this Project.
- 11.12 The DESIGN/BUILD FIRM agrees specifically that no Change Orders shall be required by the DESIGN/BUILD FIRM or considered by the CITY for reasons involving conflicts in the Contract Documents; questions of clarity with regard to the Contract Documents; and incompatibility or conflicts between the Contract Documents and the existing Project site conditions excluding, without limitation, utilities and unforeseen underground conditions at the discretion of the CITY and will not be unreasonably withheld. The DESIGN/BUILD FIRM acknowledges that it has ascertained all correct locations for points of connection for all utilities required for this Project.

Such additional charges shall be a subsidiary obligation of the DESIGN/BUILD FIRM and no extra payment shall be made to the DESIGN/BUILD FIRM for overtime work. The cost to the DESIGN/BUILD FIRM to reimburse the CITY for overtime inspections is established at direct-labor and overtime costs for each person or inspector required. Upon issuance of a hurricane warning by the National Weather Service, if the DESIGN/BUILD FIRM has not already done so, the DESIGN/BUILD FIRM shall implement its hurricane

When either Party has determined that a disputed question, claim, difficulty or dispute is at an impasse, that Party shall notify the other party in writing and submit the question, claim, difficulty or dispute to the next level of the Parties' respective management levels for resolution. Each Party may determine in such Party's reasonable discretion as to who the "next level of management" is for purposes of resolving disputes.
- 14.2 All non-technical administrative disputes (such as billing and payment) shall be determined by the Project Manager.
- 14.3 During the pendency of any dispute and after a determination thereof, DESIGN/BUILD FIRM, and CITY shall act in good faith to mitigate any potential damages including using construction schedule changes and alternate means of construction. During the pendency of any dispute arising under this Agreement, other than termination herein, DESIGN/BUILD FIRM shall proceed diligently with performance of this Agreement and CITY shall continue to make payments for undisputed amounts in accordance with the Contract Documents.
- 14.4 In the event a dispute between the Contract Administrator and DESIGN/BUILD FIRM arises over whether requested services constitute additional services, and such dispute cannot be resolved by the Contract Administrator and DESIGN/BUILD FIRM, such dispute shall be submitted to the City Manager or his/her designee and DESIGN/BUILD FIRM's representative for resolution. Prior to any litigation being commenced, for any disputes which remain unresolved, within sixty (60) days after final completion of the Work, the Parties shall participate in mediation to address all unresolved disputes to a mediator agreed upon by the Parties. Should any objection not be resolved in mediation, the Parties retain all their legal rights and remedies provided under the laws of Florida. Failure by a Party to comply in strict accordance with the requirements of this section, then said Party specifically waives all of its rights provided hereunder, including its rights and remedies under the laws of Florida.
- 14.5 Prior to any litigation being commenced, for any disputes which remain unresolved, within sixty (60) days after Final Completion of the Work, the Parties shall participate in mediation to address all unresolved disputes to a mediator mutually agreed upon by the Parties. Should any objection not be resolved in mediation, the Parties retain all their legal rights and remedies provided under the laws of Florida. Failure by a Party to comply in strict accordance with the

requirements of this Article, then said Party specifically waives all of its rights provided hereunder, including its rights and remedies under the laws of Florida.

ARTICLE 15 - CITY'S RIGHT TO TERMINATE AGREEMENT

- 15.1 If DESIGN/BUILD FIRM fails to begin the design and construction of the Project within the time specified, or fails to perform the Project with sufficient workers and equipment or with sufficient materials to insure the prompt completion of the Project, in accordance with the Contract Documents and schedules, or shall perform the Work unsuitably, or cause it to be rejected as defective and unsuitable; or shall discontinue the prosecution of the Project, except for excused delays in accordance with this Agreement; or if DESIGN/BUILD FIRM shall become insolvent or be declared bankrupt, or commit any act of bankruptcy or insolvency, or shall make an assignment for the benefit of creditors; or shall not carry on the Project in accordance with the Contract Documents, then the CITY shall give notice, in writing, to DESIGN/BUILD FIRM and its surety of such delay, neglect or default, specifying the same. If DESIGN/BUILD FIRM within a period of ten (10) calendar days after such notice, shall not proceed in accordance therewith, then CITY may, upon written notice from the Project Manager of the fact of such delay, neglect or default and DESIGN/BUILD FIRM's failure to comply with such notice, terminate the services of DESIGN/BUILD FIRM, exclude DESIGN/BUILD FIRM from the Project site, and take the prosecution of the Project out of the hands of DESIGN/BUILD FIRM, as appropriate, or use any or all materials and equipment on the Project site as may be suitable and acceptable, in the CITY's reasonable discretion. In such case, DESIGN/BUILD FIRM shall not be entitled to receive any further payment until the Project is finished. In addition, CITY may enter into an Agreement for the completion of the Project according to the terms and provisions of the Contract Documents or use such other methods as in its opinion shall be required for the completion of the Project in an acceptable manner. All damages, costs and charges incurred by CITY shall be deducted from any monies due or which may become due to said DESIGN/BUILD FIRM. Actions will be instituted to recover on the posted bonds. In case the damages and expense so incurred by CITY shall be less than the sum which would have been payable under this Agreement, if it had been completed by said DESIGN/BUILD FIRM, then DESIGN/BUILD FIRM shall be entitled to receive the difference. If such damages and costs exceed the unpaid balance, then DESIGN/BUILD FIRM shall be liable and shall pay to CITY the amount of said excess.
- 15.2 If, after Notice of Termination of DESIGN/BUILD FIRM's right to proceed, it is determined for any reason that DESIGN/BUILD FIRM was not in default, the rights and obligations of CITY and DESIGN/BUILD FIRM shall be the same as if the notice of termination had been issued pursuant to the Termination for Convenience clause, as set forth in Section 15.3 below.
- 15.3 Notwithstanding any other provision in this Agreement, the performance of the Work under this Agreement may be terminated in writing by CITY, for convenience and without cause, upon ten (10) business days from the date of DESIGN/BUILD FIRM's receipt of the written notice to DESIGN/BUILD FIRM of intent to terminate and the date on which such termination becomes effective. In such case, DESIGN/BUILD FIRM shall be paid for all Work and reimbursables executed, and expenses incurred, such as materials stored, cost of severance of leases/contracts directly associated with the Project, and demobilization prior to termination. PAYMENT SHALL INCLUDE REASONABLE PROFIT FOR SERVICES ACTUALLY PERFORMED IN FULL AND ACCEPTED BY THE CITY PRIOR TO TERMINATION DATE, BUT SHALL

EXCLUDE ALL LOSS PROFITS, INDIRECT CONSEQUENTIAL, SPECIAL OR OTHER DAMAGES.

- 15.4 Upon receipt of Notice of Termination pursuant to Sections 15.1 and 15.2 above, DESIGN/BUILD FIRM shall, at its sole cost and expense (other than demobilization as a result of the Notice of Termination pursuant to Section 15.3 which shall be paid for by the CITY) and as a condition precedent to any further payment obligation by the CITY, promptly discontinue all affected work, unless the Notice of Termination directs otherwise, and deliver to CITY within seven (7) calendar days of termination, all data, drawings, specifications, reports, estimates, summaries and such other information as may have been required by the Contract Documents, whether completed or in process. Compensation shall be withheld until all documents are produced to CITY pursuant to this Article.

ARTICLE 16 - DESIGN/BUILD FIRM'S RIGHT TO STOP WORK OR TERMINATE AGREEMENT

- 16.1 If the Project should be stopped under any order of any court or other public authority for a period of more than ninety (90) calendar days, through no act or fault of DESIGN/BUILD FIRM or of anyone employed by DESIGN/BUILD FIRM, or if the Project Manager should fail to review and approve or state in writing reasons for non-approval of any requisition for payment within twenty (20) business days after it is presented; or if CITY fails to pay DESIGN/BUILD FIRM within thirty (30) calendar days after submittal of a proper requisition for payment, as approved by the Project Manager, then DESIGN/BUILD FIRM may give written notice to CITY, of such delay, neglect or default, specifying same. If CITY, within a period of ten (10) business days after such written notice, shall not remedy the delay, neglect, or default upon which notice is based, then DESIGN/BUILD FIRM may stop work until payment is made, or terminate this Agreement and recover from CITY payment for all Work executed and reasonable expenses sustained, but excluding any claim for payments for loss profits, indirect, special, consequential or other damages.

- 21.3 If the Shop Drawings show or indicate departures from the Contract requirements, DESIGN/BUILD FIRM shall make specific mention thereof in its shop drawing submittal and a separate letter. Failure to point out such departures shall not relieve DESIGN/BUILD FIRM from its responsibility to comply with the Contract Documents. Project Manager shall determine acceptability of change and, in considering said change, may require data, technical comparisons, cost comparisons, quality comparisons and/or calculations to determine the equality of deviations. Contract Administrator is not obligated to accept deviations.
- 21.4 No acceptance will be given to partial submittal of Shop Drawings for items which interconnect and/or are interdependent. It is DESIGN/BUILD FIRM's responsibility to assemble the Shop Drawings for all such interconnecting and/or independent items, check them, and then make one (1) submittal to the Project Manager, along with DESIGN/BUILD FIRM's comments as to compliance, noncompliance, or features requiring special attention.

Each line item will be identified by the number and title of the respective major section of the specifications. For each line item, DESIGN/BUILD FIRM shall list the sub-values of major products or operations under the item. Each item shall include the proportion of DESIGN/BUILD FIRM's overhead and profit. For any items for which progress payments will be requested for stored materials, the value will be broken down with:

DESIGN/BUILD FIRM hereby expresses its willingness to enter into this Agreement with DESIGN/BUILD FIRM's recovery from the CITY for any money damage arising out of an action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000.00 with the exception of claims for non-payment of an amount due. In the event of a dispute of an amount due under the Agreement the dispute shall be resolved in accordance with Article 14 of this Agreement.
- 24.2 Notwithstanding anything herein to the contrary (except as set forth in Section 25.3, below) neither DESIGN/BUILD FIRM nor CITY shall be liable to the other for any consequential losses or damages, whether arising in contract, warranty, tort (including negligence), strict liability or otherwise, including but not limited to losses for use, profits, business, reputation or financing.
- 24.3 The consequential damages limitation set forth in Section 25.2 above is not intended to affect the payment of liquidated damages, if any, set forth in Article 7 of the Agreement, which both Parties recognize has been established, in part, to reimburse CITY for some damages that might otherwise be deemed to be consequential.

ARTICLE 25 - GOVERNING LAW

This Bond is effective for one (1) year after completion and acceptance of the work, with liability equal to twenty-five percent (25%) of the contract price, and is so conditioned that the "Contractor" will, at its own expense, correct any defective or faulty work or material which appears within one (1) year after completion of the work and final payment, upon notification by the City.

IN WITNESS WHEREOF, the above "Contractor" has signed this Agreement, and the "Surety" has caused this Agreement to be signed in its name by its Attorney-in-Fact, and its corporate seal affixed, this 4th day of April, 2025.
