

CITY OF FORT LAUDERDALE
City Commission Agenda Memo
REGULAR MEETING

#13-0698

TO: Honorable Mayor & Members of the Fort Lauderdale City Commission

FROM: Lee Feldman, ICMA-CM, City Manager

DATE: May 21, 2013

TITLE: Motion to approve a proprietary five-year contract extension for annual Riskmaster software support - \$124,926.35 (five year total)

Recommendation

It is recommended that the City Commission approve the proprietary purchase for a five-year contract extension for annual Riskmaster software support to Computer Sciences Corporation in the annual amount of \$24,985.27 (five year amount of \$124,926.35) and authorize the City Manager to approve the renewal option contingent upon approval and appropriation of funds.

Background

The Risk Management Division purchased the RiskMaster system in 1999. This system is used to track the management of property and casualty claims, loss information, and issue claims checks. Computer Sciences Corporation, formerly, Dorn Technology Group, is the sole source for software upgrades, enhancements, maintenance and support of the RiskMaster software.

Resource Impact

There will be a fiscal impact to the City in the amount of \$24,985.27. Future expenditures are contingent upon approval and appropriation of the annual budgets.
