Orange Bowl Committee, Inc
14360 NW 77th Ct.
Miami Lakes, FL 33016

To Whom it May Concern:

The Orange Bowl Committee has collected in memoriam the amount of \$ 10,550 on behalf of E.E. Pete Seiler Jr. DVM. The Seiler Family and Orange Bowl Committee wish to donate this sum to Orange Bowl Field at Carter Park in Fort Lauderdale for facility and equipment upgrades to the Orange Bowl Track and Field areas of Carter Park.

We understand the park needs some football field equipment and potentially a new ice machine for the park at the field and have been given estimates on these products for the donation to be directed for. Any dollar figures above the estimates received may be spent on additional field or track equipment needs at the discretion of Carter Park and the City.

We are happy to continue to support Orange Bowl Field at Carter Park and look forward to finalizing this donation promptly.

Please let me know if there are any questions or concerns and direct us on how we can make this donation to Orange Bowl Field at Carter Park.

Thank you!
