

**CITY OF FORT LAUDERDALE  
City Commission Agenda Memo  
REGULAR MEETING**

**#26-0018**

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Rickelle Williams, City Manager

**DATE:** January 20, 2026

**TITLE:** Motion Approving Grant Application – Broward County Enhanced Marine Law Enforcement - \$155,088 - **(Commission Districts 1, 2, 3 and 4)**

---

**Recommendation**

Staff recommends the City Commission approve a motion authorizing the submission of a grant application under the Broward County Enhanced Marine Law Enforcement Grant Program.

**Background**

The Broward County Marine Advisory Committee is accepting grant proposals for the Fiscal Year 2026/2027 Enhanced Marine Law Enforcement Grant (EMLEG) Program. The purpose of the EMLEG Program is to improve boating safety in Broward County by enhancing or supplementing marine law enforcement activities and improving boating safety education. This request is for authorization to apply for EMLEG funds. If awarded, grant funds will be used to assist in Fort Lauderdale Police Department enforcement activities on the City's waterways through the provision of 2,944 hours of additional waterway law enforcement patrols.

The proposed project period is October 1, 2026, through September 30, 2027. Enhanced Marine Law Enforcement Grant funding allows the Department to schedule marine unit officers to work evening shifts at a reduced cost to the City. Although the grantor does not require a cash match, the program's reimbursement rate of \$52.00 per hour will not cover all associated overtime costs for Marine Unit enforcement. The Department normally leverages EMLEG funds with additional funds identified through the City's annual budget process. Absent EMLEG funding, the Department would be unable to schedule Marine Unit personnel during evening shifts without a significant fiscal impact.

**Resource Impact**

There is no anticipated fiscal impact to the City in Fiscal Year (FY) 2026. In FY 2027, there is an anticipated positive fiscal impact to the City in the amount of \$155,088. Although the grantor does not require a cash match, if all 2,944 hours are worked under the grant during FY 2026, there will be an estimated cost to the City of \$121,255.18
