---

**Recommendation**

Staff recommends that the City Commission approve a First Amendment to the Agreement between Limousines of South Florida, Inc. (LSF), and the City of Fort Lauderdale for Community Shuttle Service, in substantially the form attached, and authorize the City Manager to execute the agreement.

**Background**

On February 5, 2021, the City of Fort Lauderdale and LSF entered a three (3) year agreement for operations and maintenance of the Community Shuttle Service.

In accordance with the terms and conditions of the contract and pursuant to mutual consent, on February 12, 2024, the agreement was extended for an additional 2-year period.

The First Amendment to the agreement modifies the agreement to incorporate service changes and provisions approved as part of the Fourth Amendment to the Interlocal Agreement between Broward County and the City of Fort Lauderdale for Community Shuttle Service, approved by the City Commission on March 19, 2024 (CAM 24-0251).

The First Amendment includes:

1. Revisions to the route schedules:
  - a. Beach Link (additional 2.5 hour per operating day),
  - b. Downtown Link (additional 2.5 hour per operating day)
  - c. Las Olas Link (additional 3.5 hours per operating day)
2. Modifications to the list of Leased Vehicles to account for an additional vehicle
3. Adds provisions regarding Prohibited Telecommunications Equipment and Criminal History Screening Practices.

**Resource Impact**

There is no fiscal impact associated with this action as the additional revenues are being reimbursed for the additional expenditures by the Broward County.
