

**CITY OF FORT LAUDERDALE**  
**City Commission Agenda Memo**  
**Regular Meeting**

**# 12-2423**

---

**TO:** Honorable Mayor & Members  
Fort Lauderdale City Commission

**FROM:** Lee Feldman, City Manager

**DATE:** November 20, 2012

**TITLE:** MOTION– A motion authorizing the addition of one (1) new class in the Teamsters Local 769 bargaining agreement.

---

**Recommendation**

It is recommended that the City Commission approve a motion to add one (1) new class within the Teamsters Local 769 bargaining agreement.

Class 079, **Communications Technician**, A047, (\$46,571.20 - \$62,608.00 annually)

This is advanced skilled technical work in the installation, programming, repair, maintenance and modification of electronic systems in three related electronic disciplines comprised of radio systems, audio/video (A/V) systems and telephone/data systems. Employees in this class will be assigned to one of these disciplines. There will be some overlap in skills required and tasks performed between each of these disciplines. Employees will install, program, repair, maintain and modify advanced state of the art and legacy products that may be computer processor controlled. Employees will exercise considerable independent judgment in the various technical phases of the work.

**Background**

A new position for the Information Technology Services Department was approved as part of the FY 2012 Budget in order to provide the additional technical support needed by the City's Radio Communication Service Shop.

**Resource Impact**

There is no fiscal impact to the City.
