Carl Williams, Director
Parks and Recreation Department
701 S Andrews Ave
Fort Lauderdale, FL 33301

Dear Mr. Williams,

Thank you for working with our neighborhood to further re-develop the Riverland Woods Park boat ramp. As we have discussed, there is much confusion between the name of the park and the Riverland Woods Neighborhood Association which is approximately one mile east from the park on Riverland Road. Additionally, the City-owned property is functioning as a boat launch with amenities rather than a traditional park.

Finally, to be consistent with the naming convention of the City's boat ramps, including Cox's Landing and Cooley's Landing, our neighborhood has requested that the City parcel should be named "Lauderdale Isles Landing". This will not only be an addition to the City's inventory of waterway access, but the name will also identify the adjacent location to the Lauderdale Isles Neighborhood.

In January 2024, the Lauderdale Isles Civic Improvement Association Board voted unanimously to Change the name from "Riverland Woods Park" to "Lauderdale Isles Landing." At this time, we are respectfully requesting that the City begin the process to change the name.

We look forward to working with the City to further promote boating and access to the waterways.

Feel free to contact me with any questions.

Earl Prizlee, President
Lauderdale Isles Civic Improvement Association

CC: Lauderdale Isles Civic Improvement Association Board of Directors
