**#26-0537**

**TO:** Honorable Mayor & Members of the  
Fort Lauderdale City Commission

**FROM:** Rickelle Williams, City Manager

**DATE:** May 19, 2026

**TITLE:** Resolution Approving the First Amendment to the Interlocal Agreement between the City of Fort Lauderdale and the Fort Lauderdale Community Redevelopment Agency, to add the Capital Improvement Master Plan Project for the Central City Community Redevelopment Area - **(Commission Districts 2 and 3)**

---

**Recommendation**

Staff recommends the City Commission adopt a resolution authorizing the First Amendment, in substantially the form attached hereto, to the Interlocal Agreement (ILA) between the City of Fort Lauderdale (CITY) and the Fort Lauderdale Community Redevelopment Agency (CRA) to incorporate the Capital Improvement Master Plan Project into the agreement for the Central City Community Redevelopment Area.

**Background**

The CRA has current and upcoming projects and initiatives which require the City to provide procurement, project management, administrative, contracting, construction and other municipal services. An Interlocal Agreement between the City and the CRA is required to utilize these services.

The existing ILA provides that the CRA agrees to provide funding for projects, transactions and/or community development activity, provided such projects are located within the geographical boundaries of Fort Lauderdale Community Redevelopment Areas including the Central City Area and Northwest-Progresso-Flagler Heights (NPF) Area. The CRA will allocate to the City the funding set forth herein from the CRA Trust Fund, to the extent that the Central City and/or Northwest-Progresso-Flagler Heights CRA funds, as applicable, are budgeted, and available, in accordance with Section 163.387(6), Florida Statutes.

Staff recommends approval of the amendment to the existing ILA to add the Capital Improvement Master Plan for the Central City Area as a project under the Interlocal Agreement. The project shall include creation, design, construction and implementation of the Capital Improvement Master Plan for the Central City Community Redevelopment Area.

To complete the amendment, the CRA Board of Commissioners will also consider the amendment to the ILA on May 19, 2026, through Commission Agenda Memo (CAM) #26-0319. The item to procure the vendor to deliver the Capital Improvement Master Plan for the Central City CRA will also be considered on May 19, 2026, through CAM #26-0422.

This item complies with the Central City Community Redevelopment Plan.
