For the purposes of this Paragraph, LICENSEE’s Contact Person shall be **Chris Bellisimo, Project Manager**; cell phone number: **954-816-8349**; e-mail address: **chris@hooperconstruction.net**; and address: **421 N. 13. **Liens Against the License Areas.** LICENSEE shall have no power or authority to incur any indebtedness giving a right to a lien of any kind or character upon the right, title or interest of CITY in and to the License Areas, and no Person shall ever be entitled to any lien, directly or indirectly derived through or under the LICENSEE, or its agents, servants, employees, contractors or officers or on account of any act or omission of said LICENSEE as to the License Area. All Persons contracting with the LICENSEE, or furnishing materials, labor or services to said LICENSEE, or to its agents or servants, as well as all Persons shall be bound by this provision of the Revocable License. Should any such lien be filed, LICENSEE shall discharge the same within thirty (30) days thereafter, by paying the same or by filing a bond, or otherwise, as permitted by law. LICENSEE shall not be deemed to be the agent of CITY, so as to confer upon a laborer bestowing labor upon or within any of the License Areas, or upon materialmen who furnish material incorporated in the construction and improvements upon the foregoing, a construction lien pursuant to Chapter 713, Florida Statutes or an equitable lien upon the CITY's right, title or interest in and to the Property or License Areas. These provisions shall be deemed a notice under Section 713.10(1), Florida Statutes of the "non-liability" of the CITY.

14. **Removal.** Except as may otherwise be expressly provided herein, LICENSEE shall remove all Project Improvements constructed within the License Areas and any components thereof, exclusive of utilities facilities constructed and installed, upon revocation or termination of this License and upon demand of CITY for removal of such Project Improvements, and LICENSEE shall restore the License Areas to the condition(s) that existed prior to LICENSEE's installation of any such Project Improvements within the License Areas. Such removal shall be at LICENSEE's sole cost and expense. In the event LICENSEE fails to remove all or any part of the Project Improvements within the License Area contemplated herein within fifteen (15) days after written demand by the CITY to do so, the CITY is hereby authorized to remove such Project Improvements and restore License Area to the condition that existed prior to the LICENSEE's construction or installation of the improvements in the License Areas, and all reasonable costs associated with the removal and restoration thereof shall be fully reimbursed by LICENSEE. Notwithstanding the foregoing, LICENSEE shall have the obligation of immediately removing any equipment or materials or temporary fencing within the License Areas upon termination of this License, in the event LICENSEE fails to do so, CITY shall have the right to remove same, recouping the reasonable cost thereof from LICENSEE in the manner set forth herein.

15. **Damage and Destruction.** LICENSEE shall not by its possession, use, occupancy, operation, maintenance or repair of the License Areas, suffer or permit any damage to the License Areas or to the adjacent real property or public rights-of-way. (b) to the extent that such destruction or damage affected the structures and improvements within the License Areas or real property or public rights-of-way adjacent thereto, or any part thereof, if LICENSEE elects to remove such structures and Project Improvements (exclusive of utilities facilities constructed and installed), or any part thereof, LICENSEE shall seek the necessary permits and approvals from CITY and any other regulatory agency with jurisdiction over the subject matter to promptly remove or demolish said structures and improvements and restore the License Areas as nearly as possible to its original condition.

All such repair, restructure and replacement shall be hereafter referred to as "Restoration". The cost of Restoration shall be paid solely by LICENSEE

16. **License, not Lease.** It is acknowledged and stipulated by and between the parties hereto that this Revocable License shall not be deemed a lease of the License Areas by CITY but rather a License granted to LICENSEE by CITY for the nonexclusive possession, use, occupancy, operation, maintenance and repair of the License Areas for the conduct of the Project under the terms and conditions stated herein, such terms and conditions including termination of the License in the manner set forth herein. LICENSEE acknowledges and understands the provisions of § 8.05 and 8.09 of the CITY Charter with respect to Leases.

17. **Indemnity.**

17.2 LICENSEE further agrees to investigate, handle, respond to, provide defense for, and defend any such Claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any Claims and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. The indemnification obligations set forth herein shall survive termination of this Revocable License for a period coincident with the statute of limitations period applicable to the offending act, omission or default.

18. **Insurance.** At all times during the term of this Revocable License Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the following insurance coverages:

CITY reserves the right to require any other insurance coverages that CITY deems necessary depending upon the risk of loss and exposure to liability.

19. **Special Exception.** If is agreed that this Revocable License is granted to LICENSEE for LICENSEE'S benefit, is a special exception to the City's general policy and it is stipulated between the parties that this Revocable License shall be construed most strictly in favor of the CITY and against LICENSEE.

20. **Remedies of CITY.**

20.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of this Revocable License or is in breach or default in any term or condition hereof, CITY shall provide notice thereof to LICENSEE and LICENSEE shall cure such violation within the time provided in such Notice, which such time for cure shall be reasonable in light of all the circumstances.

20.1.1 In the event the Contract Administrator finds that the LICENSEE has failed to timely cure such violation, the Contract Administrator shall provide

Revocable License
Licensee: FAT VILLAGE PROJECT LLC, a Delaware limited liability company

Notice thereof to LICENSEE and impose or assess a fine of \$1,000.00 per day for each and every day the violation continues beyond the date set in the Notice under Section 20.1.

20.1.2 LICENSEE shall provide written Notice to CITY when the violation has been cured. In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with Notice thereof. Contract Administrator shall provide Notice to LICENSEE when Contract Administrator finds that the violation has been cured.

20.1.3 In the event LICENSEE disagrees with the Contract Administrator's (a) finding that a violation exists or continues to exist, or (b) imposition or assessment of a per diem fine, or (c) determination of the date of compliance or noncompliance, LICENSEE shall file a written Notice of Appeal to the City Manager within five (5) days of receiving notice of (a), (b) or (c) above.

20.1.4 Within ten (10) days of receiving a Notice of Appeal under Section 20.1.3, the City Manager shall hear presentations thereon and render a written Final Order thereon, serving a copy thereof upon LICENSEE. In deciding an Appeal filed under Section 20.1.3, the City Manager may affirm, reverse or modify, in whole or in part, the findings of the Contract Administrator. The City Manager may equitably adjust any fines in the interests of justice.

20.1.5 In the event LICENSEE contests the Final Order of the City Manager under Section 20.1.4 above, LICENSEE may file a Notice of Appeal with the City Clerk including all written arguments in support of contesting the Final Order. The City Commission shall review the Notice of Appeal and the written arguments in support of contesting the Final Order as soon as a hearing thereon may be reasonably scheduled. At the hearing on the Appeal, the City Commission shall hear presentations by the LICENSEE and City Manager and shall render an Order ("Order on Appeal") thereon affirming, reversing or modifying the Final Order in whole or in part.

20.1.6 Any fines resulting from the process set forth in Sections 20.1.1 through 20.1.5 shall be paid to CITY within sixty (60) days from the final adjudication resulting from that process.

20.1.7 LICENSEE hereby waives all right, title and interest to the issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any violations of the terms or conditions of this License still exist.

20.1.8 LICENSEE hereby waives all right, title and interest in Issuance of any temporary, partial or final Certificate of Occupancy for the Development Project during the period that any fines imposed have not been paid.

20.1.9 LICENSEE hereby waives all right, title and interest in and to any further building or engineering Inspections during the period that any violations of the terms or conditions of this License still exist.

20.2 In the event the LICENSEE fails to timely cure the violation within the time specified in Section 20.1, the CITY, as an alternative to the procedures set forth in Sections 20.1.1 through 20.1.9, may

20.2.1 revoke or terminate this License; or

20.2.2 take any equitable action to enforce the terms and conditions of this Revocable license, it being stipulated by the parties that since this Revocable License deals with the right to use a public right-of-way, a violation or breach of any term or condition of the Revocable License constitutes an irreparable injury to the public and CITY for which there is no adequate remedy at law; or

20.2.3 take such curative action that was required to be taken by the LICENSEE under the Revocable License and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within sixty (60) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum, compounded monthly, but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs, maintenance or removal undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation. In addition to any other remedies available to CITY, in the event of litigation between the parties, CITY shall be entitled to recover from LICENSEE all costs of collection, including reasonable attorneys' fees and court costs incurred at all tribunal and appellate levels, provided CITY ultimately prevails in such proceedings.

20.2.4 If LICENSEE does not make the payments required under this Section 21 within the sixty (60) day period set forth herein, then CITY shall have a right to record a Claim of Lien upon the Property, which lien may be either (a) for the total amount of the fines resulting from the procedures set forth in Sections 20.1.1 through 20.1.6 or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and

Revocable License

costs associated therewith. The Lien shall be effective upon the recording of a Claim of Lien in the Public Records of Broward County, Florida, which Claim of lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

20.2.5 The remedies found within this Section 20, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

21. **Requirement for Notice.** LICENSEE shall give CITY prompt written notice of any accidents on, in, over, within, under and above the License Areas in which damage to property or injury to a person occurs.

22. **Attorneys Fees.** If any litigation, legal or equitable proceeding including, but not limited to any and all claim(s), mediation(s), lawsuit(s), counterclaim(s), appeal(s) or bankruptcy proceedings whether at law or in equity, which: (i) arises out of, concerns, or relates to this Revocable License Agreement or (ii) is brought by the City for the enforcement of this Revocable License Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this agreement, the prevailing party shall be entitled to recover attorney's fees, paralegal fees, costs, mediation fees, court costs and all expenses even if not taxable as court costs, incurred in that action or proceeding, in addition to any other relief to which such party may be entitled.

23. **Notices.**

(a) Except as provided in subparagraph (c) below, whenever It is provided herein that notice, demand, request or other communication shall or may be given to, or served upon, either of the parties by the other, or either of the parties shall desire to give or serve upon the other any notice, demand, request or other communication with respect hereto or with respect to any matter set forth in this Revocable License, each such notice, demand, request or other communication shall be in writing and any law or statute to the contrary notwithstanding shall not be effective for any purpose unless the same shall be given by mailing the same by registered or certified mail, postage prepaid, return receipt requested, addressed to the party at the address set forth below, or at such other address or addresses and to such other person or firm as CITY may from time to time designate by notice as herein provided.

(b) All notices, demands, requests or other communications hereunder shall be deemed to have been given or served for all purposes hereunder forty-eight (48) hours after

the time that the same shall be deposited in the United States mail, postage prepaid; in the manner aforesaid, provided, however, that for any distance in excess of five hundred (500) miles, air mail service or Federal Express or similar carrier shall be utilized, if available.
