

FORT LAUDERDALE, FLORIDA | 2019

Event Description:

Tour De Coast is a bike ride that takes place in Fort Lauderdale, Florida that is in its 4th year. Produced by VeloSport Events, we aim to provide a high quality cycling ride in the South Florida community. VeloSport Events was established in 2015 by Arnaldo Freire with the goal to produce high end paid cycling rides in South Florida that allow cycling enthusiasts to enjoy the scenic area along the coast. The event will include full police detail protection, certified ride marshals, exclusive GARNEAU event jersey, a fun-filled post ride festival, with a free meal along with local craft beer samples. Participants will enjoy two distances of 100K and 60K that will go along the famous Las Olas boulevard and Florida A1A.

Goals & Objectives: VeloSport Events aims to provide a high standard event celebrating cycling in the South Florida community.

Statement of Need:

- Provide a safe, secure, bike ride that allows community members a comfortable experience on the South Florida roads.

EVENT COMMUNICATION PLAN

COMMUNICATION DEVICES

BaoFeng BF-888S

5W 400-470MHz 16-CH Handheld Walkie Talkies

Description: Used for critical on site event staff for communication during event hours.

Frequency Range 400-470 MHz
RF Output Power 5W
Channel 16
Talk Range 5-10 km
Battery Type Lithium Battery
Battery Capacity 2800 mAh
Standby Time 50 Hour
Working Time 40 - 48 Hour
Battery Life Theory 10000 Hour
Monitor Function Yes
Weight 21.45oz / 608g
Operating Voltage 3.7V
Frequency Stability 2.5 ppm
Dimensions: (4.72 x 2.17 x 0.79)" / (12 x 5.5 x 2)cm (L x W x H)

BONX: Outdoor Sports Group-Talk Technology

Wireless Noise Cancelling Multifunction Sports Earbud and Microphone

Description: Used for event Ride Marshals for communicating to Head Quarters during ride notifying of road issues.

Product Dimensions: 0.7 x 1.7 x 1.3 inches
Item Weight: 0.48 ounces
Shipping Weight: 12.6 ounces (View shipping rates and policies)
Manufacturer: Bonx Inc.
ASIN: B0787VSQ1G
Item model number: BX2-MPN1
Batteries: Lithium Metal

GOOGLE MAPS SHARING: Participant Caravan Tracking

Lead Vehicles, Lead Police Vehicles, and SAG Support Vehicles share locations to maintain tracking of groups on the road.

CRISIS MANAGEMENT PLAN

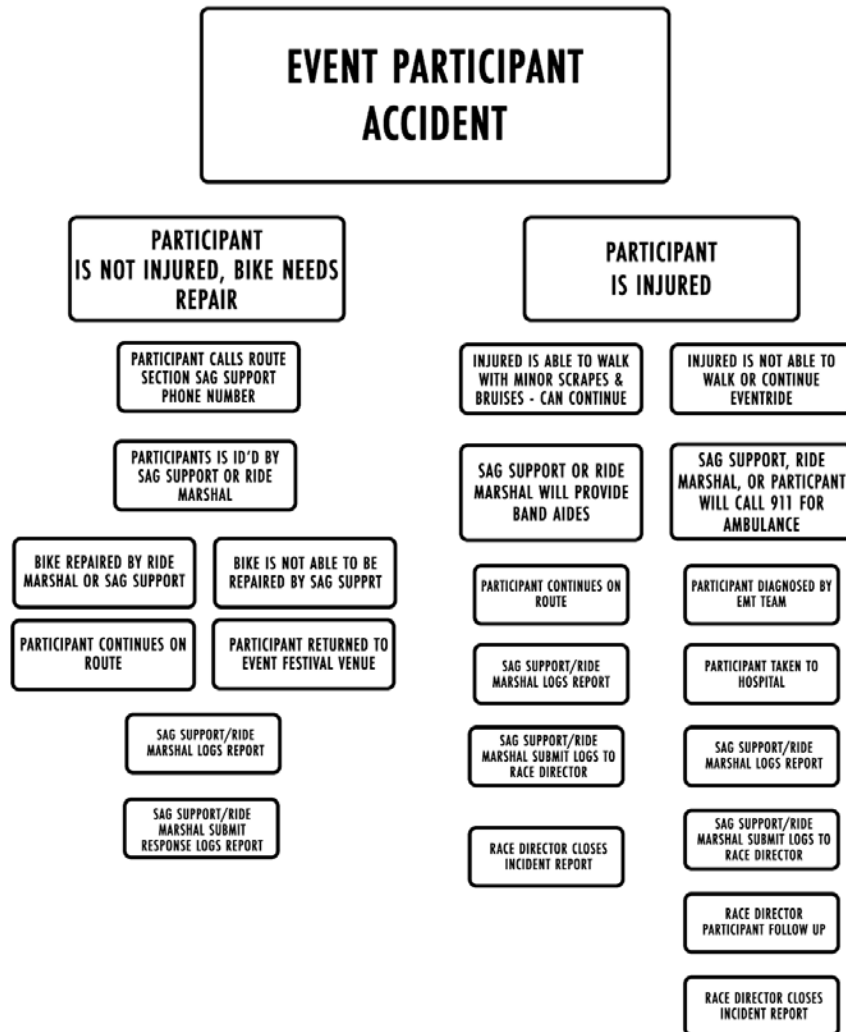

Five Principles of Crisis Management:

1. Act quickly
2. Follow the plan
3. Put public safety/interest first
4. Show responsibility/leadership/compassion
5. Take control

Crisis Communications Checklist:

- ☐ Media List – maintain an updated media list onsite with key contacts, including emails
- ☐ Message Points – Develop and disseminate internal message points to spokespersons, using all methods of mediums controlled (email, social, website, etc.)
- ☐ Phone/Email List – Develop and disseminate emergency list with cell phone numbers of key staff. Communication team members should keep this list with them at all times.
- ☐ Onsite Media Area – Communicate to all staff the designated media area that will serve as a place to relay all information to the press.
- ☐ Press Conference – Use run-of-show plans developed for daily press conferences as template for crisis press conference event.
- ☐ Crisis Planning Meeting – Prior to beginning of race, hold a staff meeting to review crisis communications procedures, roles/responsibilities and scenarios.
- ☐ Equipment – Determine any additional equipment that might be necessary to effectively deal with a crisis situation (portable generators, etc.).
- ☐ Remote Crisis Media Center – Set up a backup site (at race hotel, e.g.) in case there is a need for dealing with a crisis situation away from the race site.
