

**CITY OF FORT LAUDERDALE
City Commission Agenda Memo
Regular Meeting**

#13-0452

TO: Honorable Mayor & Members
Fort Lauderdale City Commission

FROM: Lee Feldman, City Manager

DATE: April 2, 2013

TITLE: Contract Amendment No. 1 - Project No. 11762 – 2012/2013 Annual Concrete and Paver Bricks Contract with Weekley Asphalt Paving, Inc.

Recommendation

It is recommended that the City Commission approve Contract Amendment No. 1 to add Community Development Block Grant (CDBG) federal provisions, certifications and affidavits to Project No. 11762 – 2012/2013 Annual Concrete and Paver Bricks Contract with Weekley Asphalt Paving, Inc. (Weekley).

Background

The Public Works Department will be preparing to resurface various city streets located in areas eligible for Community Development Block Grant (CDBG) funds.

All construction contracts for projects receiving CDBG funds are required to include certain provisions, certifications, and affidavits pertaining to federal labor laws and other regulations in accordance with the goals and objectives of the CDBG entitlement program. Amendment No. 1 is necessary since the existing Annual Concrete and Paver Bricks Contract with Weekley does not contain the CDBG provisions.

Weekley has reviewed the CDBG provisions and has agreed to comply with all the requirements and execute Amendment No. 1. Approval of Amendment No. 1 would allow staff to initiate Work Orders for the construction of the two sidewalk projects and allow this annual contract to be used to construct any future improvements funded by the CDBG program.

Resource Impact

There is no fiscal impact associated with this action
