RE: Project 11737 – 2012 -2013 Annual Point Excavation (Pot Holing) and Utility Designation Services

Subject: One Year Extension of Contract (2nd year)

Dear Mr. Barrett:

The purpose of this letter is to confirm my firm's wish to continue to provide utility location (potholing) and utility designation services to the City of Fort Lauderdale at the same contractual rates. We value your business and will continue to provide cost-effective and responsive services for all your utility location needs. It has been my pleasure to service your contractual needs. We look forward to a continued relationship.

Very truly yours,

D.M. Stanton
S.U.E. Director
