11. City of Fort Lauderdale Ordinance No. C-07-77 was adopted September 18, 2007 and recorded at Official Records Book 44754, Page 572 of the Public Records of Broward County, Florida. The subject matter thereof was the vacation of a 20 foot wide alley within PARCEL ONE bounded on the South by Lots 1, 2 and 3 of Block 2 of PARCEL ONE and bounded on the North by Lots 14, 13, and 12 of PARCEL ONE (hereinafter, "07-77"). 07-77 does not go into effect until such time as a Certificate executed by the City Engineer is recorded in the Public Records of Broward County, Florida evidencing that all conditions for the vacation have been met, including, but not limited to, the dedication of an alternative public access easement through Lot 4 of PARCEL ONE. By virtue of the conditions attached to DRC 72R12 development approval for PARCEL ONE, conditions have been met for the dedication of an alternative public access easement on the PARCEL ONE development site in an approved location and of an approved length and width. The Certificate of the City Engineer required under 07-77 has neither been executed nor recorded and therefore, 07-77, as of the effective date of this Land Swap Agreement, has not yet gone into effect.

11.1 Provided all conditions required by 07-77 have been met, It is anticipated that the City Engineer will have executed a Certificate in accordance with 07-77 and that same will be recorded simultaneous with the Closing Documents for the Land Swap, provided the following additional conditions are met:

(a) An existing 4 inch cast iron water main lies within inches of the Northern boundary of the subject alley. This water line must be capped and abandoned at the (i) Eastern terminus situated at the Eastern boundary of the adjacent Lot 11 and (ii) at the Western terminus at approximately the centerline of N.E. 32<sup>nd</sup> Avenue, all at CITY'S sole cost and expense. All work under this ¶ 11.1 (a) shall be performed in accordance with the CITY'S Engineering Standards.

(b) Simultaneous with the closing on PARCELS ONE and TWO in the Land Swap, BOKAMPER shall execute and deliver for recording a UTILITIES EASEMENT DEED, a copy of which is attached hereto as Exhibit "G" in accordance with the terms and conditions set forth in the Contract and Addenda

Land Swap and Lease Back Agreement  
City of Fort Lauderdale  
P.D.K.N. P-4, LLC

relative to the transfer of PARCEL TWO (Exhibits "C" and "D") for the full width of the alley from the Western boundaries of Lots 5 and 10 running Eastward to the Eastern boundary of the N.E. 32<sup>nd</sup> Avenue right-of-way. The conditions in this ¶ 11.1 (b) shall be met at BOKAMPER's sole cost and expense.

**11.2** BOKAMPER'S shall file for approval of an amendment to 07-77 to include ¶ 11.1 (a) and (b) as conditions to 07-77.

**11.3** There is an existing 10 inch vitrified clay sanitary sewer pipe ("VCP") running the length of the alley referenced in 07-77. Whenever it is deemed appropriate by the City Engineer, that portion of the gravity sewer main lying between the centerline of N.E. 33<sup>rd</sup> Avenue and the centerline of N.E. 32<sup>nd</sup> Avenue shall be lined with a "cured-in-place pipe liner" in accordance with City Engineering standards. Any laterals from the gravity sewer main connected to Lots 1, 2, 3, 4, 11, 12, 13 & 14 shall be cut and plugged contemporaneous with the CITY's completion of the task of curing-in-place pipe liner as referenced above. All laterals from the gravity sewer main connected to Lots 5, 6, 7, 8, 9, 10 shall be reinstated by the CITY. The conditions in this ¶ 11.2 shall be met at CITY'S sole cost and expense. All work under this ¶ 11.2 shall be performed in accordance with the CITY'S Engineering Standards.

**12.** In addition to the vacation of the alley in 07-77 referenced in ¶ 11 above, BOKAMPER shall apply for a partial vacation of a portion of that same alley more particularly described as a 20 foot X 35 foot segment lying between Lots 4 & 11 (hereinafter, "Vacation No. 2"). Subject to the City Commission's approval of a Vacation No. 2, which such approval shall be in accordance with the procedures and criteria set forth in the CITY'S Unified Land Development Regulations and adopted by the CITY in its sovereign governmental capacity and not as a contractual obligation, Vacation No. 2, by contractual stipulation and agreement between the parties, if and when adopted, will not go into effect until the foregoing terms and conditions in ¶ 11.1 (a) & (b) have been met.

**12.1** Within the alley that runs through Block 2, of the Plat of GALT OCEAN MILE, recorded at Plat Book 34, Page 16 (hereinafter, "Plat") stormwater runoff currently drains from East to West, from N.E. 33<sup>rd</sup> Avenue to N.E. 32<sup>nd</sup> Avenue. BOKAMPER hereby stipulates and agrees that as a condition precedent to issuance of a Certificate of Occupancy for the parking facilities to be constructed by BOKAMPER on PARCEL ONE, that it will design and operationally implement a stormwater collection and treatment system, the Easternmost boundary of which will be within the alley at the Eastern boundary of Lots 11 and 4, Block 2 of the Plat and the Westernmost boundary of which shall be the Eastern boundary of the N.E. 32<sup>nd</sup> Avenue right-of-way. The stormwater collection and treatment system shall be of a sufficient size to accommodate the stormwater runoff within the alley from N.E. 33<sup>rd</sup> Avenue to the Eastern boundary of the stormwater collection and treatment system to be designed and operationally implemented by BOKAMPER. To that end, BOKAMPER stipulates and agrees that issuance of a Certificate of Completion for the stormwater collection and treatment system described herein shall be a condition precedent to issuance of a Certificate of Occupancy or Certificate of Completion as to the parking area to be constructed on PARCEL ONE.

**13.** Immediately after Closing, CITY shall, at its own cost and expense, demolish and remove the BOKAMPER Improvements on PARCEL TWO, to the extent necessary to prepare PARCEL TWO for construction of the New Fire Station 54.

**13.1** All demolition debris shall be removed from PARCEL TWO and shall become and remain the property of the CITY for appropriate disposition by the CITY.

**14.** Pursuant to the CITY'S Lease for PARCEL FIVE, upon (i) execution of a construction contract with a licensed contractor and (ii) issuance of all required permits, CITY shall, at its sole cost and expense, construct whatever improvements are necessary to establish operations on PARCEL FIVE for a Temporary Fire Station 54.

**14.1** Upon establishing operational capabilities for Temporary Fire Station 54 on PARCEL FIVE, as certified by the CITY'S Chief of Fire-Rescue, CITY shall cease its operation of Old Fire Station 54 on PARCEL ONE and commence and prosecute completion of demolition of Old Fire Station 54 on PARCEL ONE, including any asbestos removal, at CITY'S sole cost and expense.

**14.2** All demolition debris shall be removed from PARCEL ONE and shall become and remain the property of the CITY for appropriate disposition.

**15.** Upon completion of the demolition of the BOKAMPER Improvements on PARCEL TWO, to the extent required by ¶ 13 hereof, CITY shall cause construction of the New Fire Station 54 on PARCEL TWO to be commenced and expeditiously prosecuted through final Certificates of Occupancy and Certificates of Completion by the Building Official and certification by the CITY'S Fire-Rescue Chief that all systems within the New Fire Station 54 are fully functional and operational for the purposes for which they are intended.

**15.1** Upon completion of construction of the New Fire Station 54 as set forth in ¶ 15 above, it is anticipated that it will take an additional 30 days to complete construction and installation and testing of the new operational systems needed for the New Fire Station 54 and certification by the CITY'S Fire-Rescue Chief that such standards have been met.

**16.** Upon (i) cessation of operations of the Old Fire Station 54, (ii) transferring operation to the Temporary Fire Station 54 and (iii) demolition and removal of the Old Fire Station 54 improvements on PARCEL ONE, the CITY'S tenancy under the Lease-Back Agreement shall terminate

**17.** The parties agree in all matters contemplated by this Land Swap and Lease-Back Agreement that:

**17.1** they hereby covenant to perform in good faith and deal fairly each with the other to protect the parties' reasonable expectations hereunder; and

**17.2** they will coordinate and cooperate with each other with respect to the DRC applications for the CITY Improvements and the BOKAMPER Improvements; provided, however, it is expressly understood that CITY lacks the capacity to contract away its sovereign powers and therefore each set of Improvements will be reviewed and approved only in accordance with the applicable regulations; and

**17.3** they will coordinate and cooperate with each other with respect to BOKAMPER'S obligation to remove the UST on PAREL ONE and, relative thereto, CITY joins and consents to BOKAMPER applying for the relevant permits required for removal

of the UST on PAREL ONE prior to Closing and transfer of title to PARCEL ONE from CITY to BOKAMPER and the parties agree to cooperate in good faith with each other with respect to the removal of the UST.

119 ~~from the mortgagee setting forth the principal balance, method of payment, interest rate and whether the mortgage is in~~  
120 ~~good standing. If there are charges for the change of ownership, including charges for assumption, they shall be paid by~~  
121 ~~Buyer unless the total charges exceed one percent (1%) of the unpaid balance of the mortgage to be assumed. If the total~~  
122 ~~cost of the above items exceed one percent (1%) of the unpaid balance of the mortgage to be assumed, then either party~~  
123 ~~shall have the option of paying any amount in excess so the entire cost is paid, and this Contract shall remain in full~~  
124 ~~force and effect. However, if neither party agrees to pay the additional amount, then either party may terminate this~~  
125 ~~Contract by delivery of written notice to the other party or his Authorized Representative, and deposits shall be returned~~  
126 ~~to Buyer and all parties shall be released from all further obligations herein.~~

127 13.1 APPLICATION AND QUALIFICATION: Buyer shall make application for assumption of the existing mortgage  
128 within \_\_\_\_\_ business days (five (5) business days if this blank is not filled in) after the Effective Date. Buyer agrees  
129 to make a good faith, diligent effort to assume the existing mortgage and agrees to execute all documents required by the  
130 mortgagee for the assumption. If the mortgagee does not give written consent to permit the Buyer to assume the existing  
131 mortgage at the rate and terms of payment specified herein within \_\_\_\_\_ business days (twenty (20) business days if  
132 this blank is not filled in) after the Effective Date, either party may terminate this Contract by delivery of written notice  
133 to the other party or his Authorized Representative, and deposits shall be returned to Buyer and all parties shall be  
134 released from all further obligations herein. This right of termination shall cease upon Buyer obtaining written approval  
135 for assumption of the mortgage prior to delivery of the notice of termination.

136 13.2 VARIANCE: Any variance in the amount of a mortgage to be assumed and the amount stated in this Contract shall be  
137 added to or deducted from the cash payment. If the mortgage balance is more than three percent (3%) less than the amount  
138 indicated in this Contract, Seller shall have the option of adjusting the Purchase Price to an amount where the differential is  
139 no more than three percent (3%), and if Seller declines to do so, then either party may terminate this Contract by delivery of  
140 written notice to the other party or his Authorized Representative, and deposits shall be returned to Buyer and all parties shall  
141 be released from all further obligations herein. This notice must be given not less than five (5) business days prior to closing.

142 13.3 DISPOSITION OF ESCROW BALANCE: If Buyer assumes a mortgage, Seller shall receive as credit at closing an  
143 amount equal to the escrow funds held by the mortgagee, which funds shall thereupon be transferred to Buyer.

144 ~~14. NEW MORTGAGES: If Buyer executes a mortgage, all related costs and charges shall be paid by Buyer. Except as~~

145 Property Address: CITY OF FORT LAUDERDALE - / P.D.K.N.P-4, LLC

146 ~~provided below, any purchase money note and mortgage to Seller shall follow a form with terms generally accepted and~~  
147 used by institutional lenders doing business in the county where the Real Property is located. A purchase money  
148 mortgage shall provide for an annual proof of payment of taxes and insurance against loss by fire with extended  
149 coverage in an amount not less than the full insurable value of the improvements. A first mortgage and note shall  
150 provide for acceleration at the option of the holder after thirty (30) calendar days default; for junior mortgages this shall  
151 be ten (10) calendar days. The note shall provide for a late charge of five percent (5%) of the payment due if payment is  
152 received by the mortgagee more than ten (10) calendar days after the due date and mortgages has not elected to  
153 accelerate. Junior mortgages shall require the owner of the Real Property encumbered to keep all prior liens and  
154 encumbrances in good standing and shall forbid the owner from accepting modifications or future advances under any  
155 prior mortgages. Any prepayment shall apply against principal amounts last maturing.

156 14.1 PREQUALIFICATION: Within \_\_\_\_\_ business days (five (5) business days if this blank is not filled in) after  
157 the Effective Date, Buyer shall provide to Seller a letter from a lender stating that, based on a review of Buyer's  
158 application and credit report, Buyer is prequalified for the mortgage loan indicated in Paragraph 2.3. If Buyer fails to  
159 provide such letter within that time, Seller may terminate this Contract by delivery of written notice to Buyer or his  
160 Authorized Representative and deposits shall be returned to Buyer and all parties shall be released from all further  
161 obligations herein. This right of termination shall cease upon Buyer obtaining a loan commitment prior to delivery of the  
162 notice.

163 14.2 APPLICATION AND QUALIFICATION: If this Contract provides for Buyer to obtain new mortgage financing,  
164 then Buyer's performance under this Contract shall be contingent upon Buyer obtaining said mortgage financing upon  
165 the terms stated, or if none are stated, then upon the terms generally prevailing at such time in the county where the Real  
166 Property is located. Buyer agrees to apply within \_\_\_\_\_ business days (five (5) business days if this blank is not  
167 filled in) after the Effective Date and to make a good faith, diligent effort to obtain mortgage financing. The commission  
168 or omission of any act by Buyer calculated to produce a rejection by any mortgage lender shall be a default by Buyer.

169 14.3 RELEASE OF INFORMATION: Buyer authorizes their mortgage broker and/or lender to provide information to  
170 Buyer, Seller and their Authorized Representatives in accordance with Section VII of the Gramm-Leach-Bliley Act. The  
171 information to be provided is limited to information necessary to verify that Buyer is complying with this Contract and  
172 that there has been no material change in any information provided.

173 14.4 FAILURE TO OBTAIN LOAN COMMITMENT: If within \_\_\_\_\_ business days (thirty (30) business days if  
174 this blank is not filled in) after the Effective Date, or by the Closing Date, whichever occurs sooner, Buyer fails to obtain  
175 a loan commitment, or after diligent effort Buyer is not able to comply with the terms and conditions of the loan  
176 commitment, and Buyer does not waive Buyer's rights under this subparagraph within the time stated for obtaining the  
177 commitment, then either party may terminate this Contract by delivery of written notice to the other party or his  
178 Authorized Representative, and deposits shall be returned to Buyer and all parties shall be released from all further  
179 obligations herein. This right of termination for failure to obtain a loan commitment shall cease upon Buyer obtaining a  
180 loan commitment prior to delivery of the notice of termination.

181 15. INSPECTIONS, ~~REPAIR AND MAINTENANCE~~: Buyer shall have the right, at Buyer's expense, to have ~~roof, seawall,~~

186 Buyer's inspections, together with the estimated cost of repairs and treatments, shall be delivered to Seller or Seller's  
187 Authorized Representative within \_\_\_\_\_ business days (fifteen (15) business days if this blank is not filled in) after the  
188 Effective Date except any wood destroying organism inspection report shall be delivered not later than fifteen (15) business  
189 days prior to the Closing Date. If such reports and estimates are not delivered within the stated time, Buyer is deemed to have  
190 accepted the Property "As Is."

191 15.1 DISPUTES: If Seller disagrees with Buyer's inspection reports, Seller shall have the right to have inspections of the  
192 disputed items made at Seller's expense by Professional Inspectors. All written reports of Seller's inspections together with  
193 the estimated cost of repairs and treatments, shall be delivered to Buyer or Buyer's Authorized Representative within  
194 five (5) business days from the date Seller receives Buyer's report. If Buyer's and Seller's inspection reports do not  
195 agree, Buyer and Seller shall agree on a third Professional Inspector, whose report shall be binding. The cost of the third  
196 Professional Inspector shall be paid equally by Buyer and Seller.

197 15.2 DEFECTS: If inspections reveal functional defects, code violations, open building permits, the existence of radon,

234 All appliances and machinery included in this sale shall be in working order at closing.

235 15.6 UTILITIES: Seller shall provide utility services for all inspections including walk-thru inspections and until  
236 closing is completed. All parties and their Authorized Representatives shall be given reasonable prior notice of all  
237 inspections and shall have the right to be present at all inspections.

238 15.7 MAINTENANCE: Between the Effective Date and the closing, Seller shall maintain the Property, including but not  
239 limited to the lawn, shrubbery and pool in the same condition as it was on the Effective Date, ordinary wear and tear  
240 excepted. Seller shall vacate the Property and remove all furniture and personal items not included in this sale and leave  
241 the Property in a clean, broom-swept condition before the time set for closing.

242 ~~16. ENVIRONMENTAL CONDITION: Seller represents that Seller is not aware of any prior or existing environmental~~  
243 ~~condition, situation or incident on, at, or concerning the Property or any adjacent property that may give rise as against~~  
244 ~~Seller or the Property to an action or to liability under any law, rule, ordinance or common law theory.~~

245 17. INSURANCE: If insurance cannot be obtained because of tropical storm activity, either party may delay closing  
246 until tropical storm activity no longer prevents acquisition of insurance.

247 18. SERVICE CONTRACTS: Buyer may accept or reject continuation of service contracts, provided they are  
248 assignable to Buyer. If accepted, the cost shall be prorated. Any transfer fee shall be paid by Buyer.

249 19. INGRESS AND EGRESS: Seller warrants there is ingress and egress to the Real Property over public or private  
250 roads or easements.

251 20. LEASES: Unless indicated under Special Clauses, at closing there shall be no lease or right of occupancy  
252 encumbering the Real Property. ~~If this Contract is subject to leases or rights of occupancy which will continue after~~  
253 ~~closing, Seller shall, ten (10) business days prior to the Closing Date, furnish to Buyer copies of all written leases or~~

254 Property Address: CITY OF FORT LAUDERDALE / P.D.K.N.P-4, LLC

255 ~~written rights of occupancy and estoppel letters from each tenant specifying the nature and duration of said tenant's~~  
256 ~~occupancy, rental rate, prepaid rents or security deposits paid by tenant. If Seller is unable to obtain estoppel letters from~~  
257 ~~tenants, the same information may be furnished by Seller to Buyer in the form of a Seller's affidavit. Advance rents~~  
258 ~~shall be prorated and deposits credited to Buyer at closing.~~

259 21. SELLER'S AFFIDAVIT: Seller shall furnish to Buyer at closing an affidavit attesting to the absence of any financing  
260 statements, claims of lien or potential lienors known to Seller. If the Real Property has been improved within ninety (90)  
261 calendar days prior to closing, Seller shall deliver to Buyer an affidavit setting forth names and addresses of all contractors,  
262 subcontractors, suppliers and materialmen and stating that all bills for work on the Real Property have been paid. Buyer may  
263 require releases of all such potential liens. The affidavit shall state that there are no matters pending against Seller that could  
264 give rise to a lien that would attach to the Property between the disbursing of the closing funds and the recording of the  
265 instrument of conveyance and that Seller has not, and will not, execute any instrument that could adversely affect title to the  
266 Property.

267 22. DOCUMENTS FOR CLOSING: If applicable, Seller shall cause to be prepared and provided a deed, purchase  
268 money mortgage and note, assignment of leases, bill of sale, Seller's affidavits, FIRPTA affidavit, survey or affidavit  
269 regarding coastal construction control line, F.S. 161.57, and any corrective instruments that may be required in  
270 connection with perfecting the title. Buyer's closing agent shall prepare the closing statement.

271 23. EXPENSES: Abstracting prior to closing, governmental lien searches, cost of obtaining payoff and estoppel letters, state  
272 documentary stamps on the deed and the cost of recording any corrective instruments shall be paid by Seller. Intangible  
273 personal property taxes and documentary stamps to be affixed to the purchase money mortgage or required on any mortgage  
274 modification, the cost of recording the deed and purchase money mortgage and documentary stamps and recording costs  
275 assessed in connection with assumption of any existing mortgage shall be paid by Buyer.

276 24. PRORATION: Taxes, insurance, assumed interest, utilities, rents and other expenses and revenue of the Property shall be  
277 prorated through the day prior to closing. Taxes shall be prorated on the current year's tax, if available. If the closing occurs  
278 when the current year's taxes are not available, and the current year's assessment is available, taxes will be prorated based  
279 upon such assessment and the prior year's millage. If the current year's assessment is not available, then taxes will be prorated  
280 on the prior year's tax; provided, if there are completed improvements on the Property by January 1st of the year of closing  
281 and these improvements were not in existence on January 1st of the prior year, then the taxes shall be prorated through the  
282 day prior to closing based upon the prior year's millage and at an equitable assessment to be agreed upon between the parties,  
283 failing which, requests will be made to the county tax assessor for an informal assessment taking into consideration the  
284 improvements. Any tax proration based on an estimate may, at the request of either party, be subsequently readjusted upon  
285 receipt of the tax bill. All such prorations whether based on actual tax or estimated tax will make appropriate allowance for  
286 the maximum allowable discount and for homestead or other exemptions if allowed for the current year. The provisions in this  
287 paragraph shall survive the closing.

288 25. SPECIAL ASSESSMENT LIENS: Certified, confirmed and ratified governmental special assessment liens as of the  
289 Effective Date are to be paid by Seller. Pending liens as of the Effective Date shall be assumed by Buyer. The provisions in  
290 this paragraph shall survive the closing.

291 26. PLACE OF CLOSING: Closing shall be held at the office of the Buyer's closing agent if located within the county where  
292 the Real Property is located, and if not, then at the office of Seller's closing agent if located within the county where the Real  
293 Property is located, and if not, then at such place as mutually agreed upon. If a portion of the Purchase Price is to be derived  
294 from institutional financing, the requirements of the lender as to place, time and procedures for closing shall control,  
295 notwithstanding anything in this Contract to the contrary.

296 27. PROCEEDS OF SALE AND CLOSING PROCEDURE: The deed shall be recorded and evidence of the title continued at  
297 Buyer's expense to show title in Buyer without any encumbrances or changes which would render Seller's title unmarketable  
298 from the date of the last evidence, and the cash proceeds of sale may be held in escrow by Seller's attorney or by such other  
299 escrow agent as may be mutually agreed upon for a period of not longer than ten (10) business days. If Seller's title is  
300 rendered unmarketable, Buyer's closing agent shall, within said ten (10) day period, notify Seller in writing of the defect, and  
301 Seller shall have thirty (30) business days from receipt of such notice to cure the defect and shall use best efforts to do so. If  
302 Seller fails to timely cure the defect, all monies paid by Buyer shall, upon written demand and within five (5) business days  
303 thereafter, be returned to Buyer, and simultaneously with such repayment Buyer shall vacate the Property and reconvey the  
304 Property to Seller by special warranty deed. If Buyer fails to make timely demand for refund, he shall take title "As Is"  
305 waiving all rights against Seller as to such intervening defect except such rights as may be available to Buyer by virtue of  
306 warranties contained in the deed. Notwithstanding the above, if title insurance is available, at standard rates insuring  
307 Buyer as to any title defects arising between the effective date of the title commitment and the recording of Buyer's  
308 deed, the proceeds of sale shall be disbursed to Seller at closing. The provisions of this paragraph shall survive the  
309 closing.

310 Property Address: CITY OF FORT LAUDERDALE / P.D.K.N. P-4, LLC

311 27.1 All payments including loan proceeds shall be made in U.S. funds in the form of a wire transfer, certified check,  
312 cashiers check, bank check, official check, treasurer's check, money order or equivalent instrument issued by a bank,  
313 savings and loan association, or credit union which must have at least one branch in the county where the Real Property  
314 is located.

315 ~~27.2 Possession and occupancy will be delivered to Buyer at closing and funding.~~

316 27.3 The Broker's professional service fee shall be disbursed simultaneously with Seller's closing proceeds.

317 ~~28. ESCROW DEPOSITS: The provisions of this Section 28 shall survive the termination or closing of this Contract.~~

318 28.1 The Escrow Agent agrees to promptly deposit, retain, and disburse all deposits in accordance with the terms of this  
319 Contract or as may be directed in writing by Seller and Buyer or as may be directed by a court of competent jurisdiction.

320 28.2 If the Escrow Agent is in doubt as to his duties, Escrow Agent shall retain the deposits until Seller and Buyer  
321 collectively agree in writing to the disposition thereof or until a court of competent jurisdiction has adjudicated the rights  
322 of Seller and Buyer.

323 28.3 If the Escrow Agent is a licensed real estate broker, Escrow Agent shall comply with the provisions of  
324 Chapter 475, Florida Statutes, as may be amended from time to time and with any regulations promulgated by the  
325 Department of Business and Professional Regulation pertaining to the duties and responsibilities of licensed real  
326 estate brokers.

327 28.4 Any suit between Buyer and Seller where Escrow Agent is made a party because of acting as Escrow Agent,  
328 or in any suit where Escrow Agent interpleads the deposits, Escrow Agent shall recover reasonable attorney's fees  
329 and costs from the deposits; as between Buyer and Seller, such fees and costs shall be charged and assessed against  
330 the non-prevailing party.

331 28.5 The parties agree that Escrow Agent shall not be liable to any party or person for misdelivery to Buyer or Seller of  
332 the deposits, unless such misdelivery is due to willful breach of Contract or gross negligence of Escrow Agent.

333 29. RISK OF LOSS: If the improvements are damaged by fire or other casualty before delivery of the deed and can be  
334 restored to substantially the same condition as existing on the Effective Date within a period of sixty (60) business days,  
335 Seller may restore the improvements and the Closing Date and date of delivery of possession shall be extended  
336 accordingly. If Seller fails to do so, Buyer shall have the option of: 1) taking the Property "As Is" together with  
337 insurance proceeds, if any, or 2) terminating this Contract by delivery of written notice to Seller or his Authorized  
338 Representative and deposits shall be returned to Buyer and all parties shall be released from all further obligations herein.

339 30. ASSIGNMENT: This Contract is not assignable without the specific written consent of Seller if new mortgage  
340 financing or an assumption of an existing mortgage is a contingency.

341 31. ATTORNEY FEES AND COSTS: In connection with any arbitration or litigation arising out of this Contract,  
342 the prevailing party, whether Buyer, Seller or Broker shall be entitled to recover all costs incurred including  
343 attorney's fees and legal assistant fees for services rendered in connection therewith, including appellate  
344 proceedings and postjudgment proceedings. The provisions in this paragraph shall survive the termination or  
345 closing of this Contract.

346 32. DEFAULT: If either party defaults, the rights of the non-defaulting party and the Broker(s) shall be as provided  
347 herein and such rights shall be deemed to be the sole and exclusive rights in such event. The provisions of this Section  
348 32 shall survive the termination of this Contract.

349 32.1 BUYER DEFAULT: If Buyer fails to perform any of the covenants of this Contract, all money paid or to be paid  
350 as deposits by Buyer pursuant to this Contract shall be retained by or for the account of Seller as consideration for the  
351 execution of this Contract and as liquidated damages and in full settlement of any claims for damages and specific  
352 performance by Seller against Buyer.

353 32.2 SELLER DEFAULT: If Seller fails to perform any of the covenants of this Contract, all money paid or  
354 deposited by Buyer pursuant to this Contract shall be returned to Buyer upon demand, or Buyer shall have the right  
355 of specific performance. In addition, Seller shall immediately pay to Brokers the full professional service fee  
356 provided for in this Contract or separate listing contract.

357 32.3 MEDIATION: Any controversy or claim between Buyer and Seller arising out of or relating to this Contract  
358 or a breach thereof may be submitted to mediation prior to arbitration or litigation. The mediator's fees shall be  
359 paid equally by the parties of the mediation. Any of the above proceedings shall be brought in the county where the  
360 Real Property is located and shall be conducted pursuant to Florida Statutes relating to mediation, arbitration or  
361 litigation.

363 33. CONTRACT NOT RECORDABLE AND PERSONS BOUND: The benefits and obligations of the covenants  
364 herein shall inure to and bind the respective heirs, representatives, successors and assigns (when assignment is  
365 permitted) of the parties hereto. Neither this Contract nor any notice shall be recorded in any public records.

366 34. SURVIVAL OF COVENANTS: No provision, covenant or warranty of this Contract shall survive the closing  
367 except as expressly provided herein and except express representations and warranties contained herein.

368 35. CONCURRENCY: No representation is made regarding the ability to change the current use of or to improve the  
369 Property under the Local Government Comprehensive Planning and Land Development Regulation Act (Chapter 163 et  
370 seq., Florida Statutes) or any comprehensive plan or other similar ordinance promulgated by controlling governmental  
371 authorities in accordance with the Act.

372 36. FIRPTA: All parties are advised that the I.R.S. code requires Buyer to withhold ten percent (10%) of the Purchase  
373 Price for tax on sales by certain foreigners. The tax will be withheld unless affidavits of compliance with the I.R.S. code  
374 or an I.R.S. qualifying statement are provided to Buyer at closing. If this paragraph applies, Buyer and Seller agree  
375 to obtain and/or disclose their U.S. Social Security Number or Taxpayers Identification Number if required by the  
376 Closing Agent.

377 37. DISCLOSURES:

378 37.1 RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in  
379 sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that  
380 exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding  
381 radon and radon testing may be obtained from your county public health unit.

382 37.2 MOLD: Mold and/or other microscopic organisms may exist at the Property and such microscopic organisms  
383 and/or mold may cause physical injuries, including but not limited to allergic and/or respiratory reactions or other  
384 problems, particularly in persons with immune system problems, young children and/or elderly persons.

385 37.3 ENERGY-EFFICIENCY RATING: "In accordance with the Florida Building Energy-Efficiency Rating Act  
386 {Chapter 553, Part XI, F.S. (1993)}, the Buyer of Real Property with a building for occupancy located thereon is  
387 notified that the Buyer may have the building's energy-efficiency rating determined." Buyer acknowledges receipt  
388 of the "Florida Building Energy-Efficiency Rating System" Disclosure.

389 37.4 FUTURE PROPERTY TAXES: The "Save Our Home" amendment of the Florida Constitution limits the  
390 increase in the tax assessed value of a homesteaded property until the title is transferred. In the year following the  
391 closing of this sale, the tax assessed value may change to its market value which may result in a tax amount  
392 significantly higher than this year's tax amount. Existence of (or loss of) homestead and other exemptions may also  
393 affect the new tax amount. Additional information may be obtained from the local Property Appraiser's office.

394 37.5 CLOSING COSTS: Buyer may be required to pay additional closing costs, including but not limited to:  
395 attorney's fees; casualty, hazard, windstorm and flood insurance premiums; title examination and closing service  
396 fees; taxes including property tax proration; recording costs; survey costs; courier fees; tax service fees;  
397 underwriting fees; document preparation fees; utility search fees; premiums for owner and mortgagee title  
398 insurance and endorsements; and costs associated with obtaining financing, such as: application fee, appraisal fee,  
399 credit report fee and points or assumption fee.

400 37.6 SELECTION OF SERVICE PROVIDERS: If Broker gives Buyer or Seller referrals to professional persons,  
401 service or product providers or vendors of any type, including, but not limited to: lending institutions, loan brokers,  
402 attorneys, title insurers, escrow companies, inspectors, structural engineers, pest control companies, contractors and  
403 home warranty companies ("Providers"), the referrals are given based on the following disclosures:

404 37.6.1 Buyer and Seller are free to select Providers other than those referred or recommended by Broker.

405 37.6.2 If Buyer or Seller instructs Broker to arrange for any Provider to perform services related to this Contract, Broker  
406 makes such arrangements only as Authorized Representative for the account of Buyer or Seller.

407 37.6.3 Broker does not guarantee the performance of any Providers.

408 ~~38. DISCLOSURE OF LATENT DEFECTS: Seller specifically acknowledges and understands that if Seller knows of~~  
409 ~~latent defects (defects not readily observable) materially affecting the value of the Property, then Seller is under a duty~~  
410 ~~to disclose these latent defects to Buyer. Seller represents that if Seller knows of latent defects, they are set forth in~~  
411 ~~writing under Special Clauses below or have been separately disclosed by Seller to Buyer. Seller and Buyer agree to~~  
412 ~~indemnify and hold harmless Broker from damages resulting from the inaccuracy of this information except to the extent~~  
413 ~~Broker was aware of latent defects and did not disclose them to Buyer.~~

415 ~~39. HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE SUMMARY: For all properties which are~~  
416 ~~not condominiums or cooperative apartments: The Homeowners' Association/Community Disclosure Summary is~~  
417 ~~incorporated into and made a part of this Contract. BUYER SHOULD NOT EXECUTE THIS CONTRACT UNTIL~~  
418 ~~BUYER HAS RECEIVED AND READ THE DISCLOSURE SUMMARY.~~

419 ~~IF THE DISCLOSURE SUMMARY REQUIRED BY SECTION 689.26, FLORIDA STATUTES, HAS NOT~~  
420 ~~BEEN PROVIDED TO THE PROSPECTIVE PURCHASER BEFORE EXECUTING THIS CONTRACT FOR~~  
421 ~~SALE, THIS CONTRACT IS VOIDABLE BY BUYER BY DELIVERING TO SELLER OR SELLER'S AGENT~~  
422 ~~WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 3 DAYS AFTER RECEIPT OF~~  
423 ~~THE DISCLOSURE SUMMARY OR PRIOR TO CLOSING, WHICHEVER OCCURS FIRST. ANY~~  
424 ~~PURPORTED WAIVER OF THIS VOIDABILITY RIGHT HAS NO EFFECT. BUYER'S RIGHT TO VOID~~  
425 ~~THIS CONTRACT SHALL TERMINATE AT CLOSING.~~

426 40. FINAL AGREEMENT: This Contract represents the final agreement of the parties and no agreements or  
427 representations unless incorporated into this Contract shall be binding on the parties. Typewritten provisions shall  
428 supersede printed provisions and handwritten provisions shall supersede typewritten and/or printed provisions. Such

BOKAMPER agrees to repair or restore promptly any damage to PARCEL ONE caused by BOKAMPER, its agents and contractors under this Paragraph. (a) In the event that all or any portion of PARCEL ONE is taken by condemnation under the provisions of eminent domain law after the Effective Date but prior to the Closing, CITY shall give BOKAMPER prompt written notice of same ("Condemnation Notice").

93 10.2 RESERVATIONS: A right of entry in connection with oil, mineral or gas reservations shall constitute a title  
94 defect, unless such right of entry is prohibited by government regulations.

95 10.3 TITLE DEFECTS: Buyer shall have ten (10) business days from the date of receiving evidence of title to  
96 examine same. If title is found to be defective, Buyer shall within said period, notify Seller in writing specifying  
97 the defects. If such defects render the title unmarketable, Seller shall have thirty (30) business days from the receipt  
98 of such notice to cure the defects, and if after said period Seller shall not have cured the defects, Buyer shall have  
99 the option of: 1) accepting title as it then is; or 2) terminating this Contract by delivery of written notice to Seller or  
100 his Authorized Representative, and deposits shall be returned to Buyer and all parties shall be released from all  
101 further obligations herein.

102 11. SURVEY: Buyer, at Buyer's expense, within the time allowed to deliver evidence of title and to examine  
103 same, may have the Real Property surveyed and certified by a registered Florida surveyor. If the survey shows  
104 encroachment on the Real Property or that improvements located on the Real Property encroach on setback lines,  
105 easements, lands of others, or violate any restrictions, contract covenants or applicable governmental regulation,  
106 the same shall constitute a title defect. If the Real Property is located east of the Intracoastal Waterway it may be  
107 affected by the Coastal Construction Control Line as defined in F.S. 161.053.

108 12. CONVEYANCE: Seller shall convey title to the Real Property by statutory warranty, or fiduciary special warranty  
109 deed, if applicable, subject only to land use designation, zoning restrictions, prohibitions and other requirements  
110 imposed by governmental authority; restrictions, easements and matters appearing on the plat or otherwise common to  
111 the subdivision; ~~public utility easements of record which are located contiguous to the Real Property lines and not more~~

113 ~~(unless otherwise specified herein);~~ taxes for year of closing and subsequent years; assumed mortgages and purchase  
114 money mortgages (provided there exists at closing no violation of the foregoing and none of them prevents the use of the  
115 Real Property for the purpose represented in this Contract); matters contained in this Contract and matters otherwise  
116 accepted by Buyer. Personalty shall, at request of Buyer, be transferred by an absolute bill of sale with warranty of title,  
117 subject only to such matters as are otherwise provided herein.

118 ~~13. EXISTING MORTGAGES: If Buyer is assuming an existing mortgage, Seller shall obtain and furnish a statement~~  
119 ~~from the mortgagee setting forth the principal balance, method of payment, interest rate and whether the mortgage is in~~  
120 ~~good standing. If there are charges for the change of ownership, including charges for assumption, they shall be paid by~~  
121 ~~Buyer unless the total charges exceed one percent (1%) of the unpaid balance of the mortgage to be assumed. If the total~~  
122 ~~cost of the above items exceed one percent (1%) of the unpaid balance of the mortgage to be assumed, then either party~~  
123 ~~shall have the option of paying any amount in excess so the entire cost is paid, and this Contract shall remain in full~~  
124 ~~force and effect. However, if neither party agrees to pay the additional amount, then either party may terminate this~~  
125 ~~Contract by delivery of written notice to the other party or his Authorized Representative, and deposits shall be returned~~  
126 ~~to Buyer and all parties shall be released from all further obligations herein.~~

127 13.1 APPLICATION AND QUALIFICATION: Buyer shall make application for assumption of the existing mortgage  
128 within \_\_\_\_\_ business days (five (5) business days if this blank is not filled in) after the Effective Date. Buyer agrees  
129 to make a good faith, diligent effort to assume the existing mortgage and agrees to execute all documents required by the  
130 mortgagee for the assumption. If the mortgagee does not give written consent to permit the Buyer to assume the existing  
131 mortgage at the rate and terms of payment specified herein within \_\_\_\_\_ business days (twenty (20) business days if  
132 this blank is not filled in) after the Effective Date, either party may terminate this Contract by delivery of written notice  
133 to the other party or his Authorized Representative, and deposits shall be returned to Buyer and all parties shall be  
134 released from all further obligations herein. This right of termination shall cease upon Buyer obtaining written approval  
135 for assumption of the mortgage prior to delivery of the notice of termination.

136 13.2 VARIANCE: Any variance in the amount of a mortgage to be assumed and the amount stated in this Contract shall be  
137 added to or deducted from the cash payment. If the mortgage balance is more than three percent (3%) less than the amount  
138 indicated in this Contract, Seller shall have the option of adjusting the Purchase Price to an amount where the differential is  
139 no more than three percent (3%), and if Seller declines to do so, then either party may terminate this Contract by delivery of  
140 written notice to the other party or his Authorized Representative, and deposits shall be returned to Buyer and all parties shall  
141 be released from all further obligations herein. This notice must be given not less than five (5) business days prior to closing.

142 13.3 DISPOSITION OF ESCROW BALANCE: If Buyer assumes a mortgage, Seller shall receive as credit at closing an  
143 amount equal to the escrow funds held by the mortgagee, which funds shall thereupon be transferred to Buyer.

144 ~~14. NEW MORTGAGES: If Buyer executes a mortgage, all related costs and charges shall be paid by Buyer. Except as~~

145 Property Address: CITY OF FORT LAUDERDALE / P.D.K.N.P-4, LLC

146 ~~provided below, any purchase money note and mortgage to Seller shall follow a form with terms generally accepted and~~  
147 used by institutional lenders doing business in the county where the Real Property is located. A purchase money  
148 mortgage shall provide for an annual proof of payment of taxes and insurance against loss by fire with extended  
149 coverage in an amount not less than the full insurable value of the improvements. A first mortgage and note shall  
150 provide for acceleration at the option of the holder after thirty (30) calendar days default; for junior mortgages this shall  
151 be ten (10) calendar days. The note shall provide for a late charge of five percent (5%) of the payment due if payment is  
152 received by the mortgagee more than ten (10) calendar days after the due date and mortgagee has not elected to  
153 accelerate. Junior mortgages shall require the owner of the Real Property encumbered to keep all prior liens and  
154 encumbrances in good standing and shall forbid the owner from accepting modifications or future advances under any  
155 prior mortgages. Any prepayment shall apply against principal amounts last maturing.

156 14.1 PREQUALIFICATION: Within \_\_\_\_\_ business days (five (5) business days if this blank is not filled in) after  
157 the Effective Date, Buyer shall provide to Seller a letter from a lender stating that, based on a review of Buyer's  
158 application and credit report, Buyer is prequalified for the mortgage loan indicated in Paragraph 2.3. If Buyer fails to  
159 provide such letter within that time, Seller may terminate this Contract by delivery of written notice to Buyer or his  
160 Authorized Representative and deposits shall be returned to Buyer and all parties shall be released from all further  
161 obligations herein. This right of termination shall cease upon Buyer obtaining a loan commitment prior to delivery of the  
162 notice.

163 14.2 APPLICATION AND QUALIFICATION: If this Contract provides for Buyer to obtain new mortgage financing,  
164 then Buyer's performance under this Contract shall be contingent upon Buyer obtaining said mortgage financing upon  
165 the terms stated, or if none are stated, then upon the terms generally prevailing at such time in the county where the Real  
166 Property is located. Buyer agrees to apply within \_\_\_\_\_ business days (five (5) business days if this blank is not  
167 filled in) after the Effective Date and to make a good faith, diligent effort to obtain mortgage financing. The commission  
168 or omission of any act by Buyer calculated to produce a rejection by any mortgage lender shall be a default by Buyer.

169 14.3 RELEASE OF INFORMATION: Buyer authorizes their mortgage broker and/or lender to provide information to  
170 Buyer, Seller and their Authorized Representatives in accordance with Section VII of the Gramm-Leach-Bliley Act. The  
171 information to be provided is limited to information necessary to verify that Buyer is complying with this Contract and  
172 that there has been no material change in any information provided.

173 14.4 FAILURE TO OBTAIN LOAN COMMITMENT: If within \_\_\_\_\_ business days (thirty (30) business days if  
174 this blank is not filled in) after the Effective Date, or by the Closing Date, whichever occurs sooner, Buyer fails to obtain  
175 a loan commitment, or after diligent effort Buyer is not able to comply with the terms and conditions of the loan  
176 commitment and Buyer does not waive Buyer's rights under this subparagraph within the time stated for obtaining the  
177 commitment, then either party may terminate this Contract by delivery of written notice to the other party or his  
178 Authorized Representative, and deposits shall be returned to Buyer and all parties shall be released from all further  
179 obligations herein. This right of termination for failure to obtain a loan commitment shall cease upon Buyer obtaining a  
180 ~~loan commitment prior to delivery of the notice of termination.~~

181 15. ~~INSPECTIONS, REPAIR AND MAINTENANCE.~~ Buyer shall have the right, at Buyer's expense, to have ~~roof, seawall,~~

184 made by a person who specializes in and holds an occupational license (if required by law) to conduct such inspections or  
185 who holds a Florida license to repair and maintain the items inspected ("Professional Inspector"). ~~All written reports of~~  
186 Buyer's inspections, together with the estimated cost of repairs and treatments, shall be delivered to Seller or Seller's  
187 Authorized Representative within \_\_\_\_\_ business days (fifteen (15) business days if this blank is not filled in) after the  
188 Effective Date except any wood destroying organism inspection report shall be delivered not later than fifteen (15) business  
189 days prior to the Closing Date. If such reports and estimates are not delivered within the stated time, Buyer is deemed to have  
190 accepted the Property "As Is."

191 15.1 DISPUTES: If Seller disagrees with Buyer's inspection reports, Seller shall have the right to have inspections of the  
192 disputed items made at Seller's expense by Professional Inspectors. All written reports of Seller's inspections together with  
193 the estimated cost of repairs and treatments, shall be delivered to Buyer or Buyer's Authorized Representative within  
194 five (5) business days from the date Seller receives Buyer's report. If Buyer's and Seller's inspection reports do not  
195 agree, Buyer and Seller shall agree on a third Professional Inspector, whose report shall be binding. The cost of the third  
196 Professional Inspector shall be paid equally by Buyer and Seller.

197 15.2 DEFECTS: If inspections reveal functional defects, code violations, open building permits, the existence of radon,  
198 mold, hazardous substances, environmental pollution, or wood destroying organism infestation or damage, the cost of  
199 ~~correction, treatment and repair shall be at the expense of Seller and shall be performed in a workmanlike manner.~~

264 give rise to a lien that would attach to the Property between the disbursing of the closing funds and the recording of the

280 on the prior year's tax; provided, if there are completed improvements on the Property by January 1st of the year of closing  
281 and these improvements were not in existence on January 1st of the prior year, then the taxes shall be prorated through the

284 improvements. Any tax proration based on an estimate may, at the request of either party, be subsequently readjusted upon  
285 receipt of the tax bill. All such prorations whether based on actual tax or estimated tax will make appropriate allowance for  
286 the maximum allowable discount and for homestead or other exemptions if allowed for the current year. The provisions in this  
287 paragraph shall survive the closing.

292 the Real Property is located, and if not, then at the office of Seller's closing agent if located within the county where the Real  
293 Property is located, and if not, then at such place as mutually agreed upon. If a portion of the Purchase Price is to be derived  
294 from institutional financing, the requirements of the lender as to place, time and procedures for closing shall control,  
295 notwithstanding anything in this Contract to the contrary.

296 27. PROCEEDS OF SALE AND CLOSING PROCEDURE: The deed shall be recorded and evidence of the title continued at  
297 Buyer's expense to show title in Buyer without any encumbrances or changes which would render Seller's title unmarketable  
298 from the date of the last evidence, and the cash proceeds of sale may be held in escrow by Seller's attorney or by such other  
299 escrow agent as may be mutually agreed upon for a period of not longer than ten (10) business days. If Seller's title is  
300 rendered unmarketable, Buyer's closing agent shall, within said ten (10) day period, notify Seller in writing of the defect, and  
301 Seller shall have thirty (30) business days from receipt of such notice to cure the defect and shall use best efforts to do so. If  
302 Seller fails to timely cure the defect, all monies paid by Buyer shall, upon written demand and within five (5) business days  
303 thereafter, be returned to Buyer, and simultaneously with such repayment Buyer shall vacate the Property and reconvey the  
304 Property to Seller by special warranty deed. If Buyer fails to make timely demand for refund, he shall take title "As Is"  
305 waiving all rights against Seller as to such intervening defect except such rights as may be available to Buyer by virtue of  
306 warranties contained in the deed. Notwithstanding the above, if title insurance is available, at standard rates insuring  
307 Buyer as to any title defects arising between the effective date of the title commitment and the recording of Buyer's  
308 deed, the proceeds of sale shall be disbursed to Seller at closing. The provisions of this paragraph shall survive the  
309 closing.

319 Contract or as may be directed in writing by Seller and Buyer or as may be directed by a court of competent jurisdiction.

320 28.2 If the Escrow Agent is in doubt as to his duties, Escrow Agent shall retain the deposits until Seller and Buyer  
321 collectively agree in writing to the disposition thereof or until a court of competent jurisdiction has adjudicated the rights  
322 of Seller and Buyer.

323 28.3 If the Escrow Agent is a licensed real estate broker, Escrow Agent shall comply with the provisions of  
324 Chapter 475, Florida Statutes, as may be amended from time to time and with any regulations promulgated by the

329 and costs from the deposits; as between Buyer and Seller, such fees and costs shall be charged and assessed against  
330 the non-prevailing party.

331 28.5 The parties agree that Escrow Agent shall not be liable to any party or person for misdelivery to Buyer or Seller of  
332 the deposits, unless such misdelivery is due to willful breach of Contract or gross negligence of Escrow Agent.

333 29. RISK OF LOSS: If the improvements are damaged by fire or other casualty before delivery of the deed and can be  
334 restored to substantially the same condition as existing on the Effective Date within a period of sixty (60) business days,  
335 Seller may restore the improvements and the Closing Date and date of delivery of possession shall be extended  
336 accordingly. If Seller fails to do so, Buyer shall have the option of: 1) taking the Property "As Is" together with  
337 insurance proceeds, if any, or 2) terminating this Contract by delivery of written notice to Seller or his Authorized  
338 Representative and deposits shall be returned to Buyer and all parties shall be released from all further obligations herein.

339 30. ASSIGNMENT: This Contract is not assignable without the specific written consent of Seller if new mortgage  
340 financing or an assumption of an existing mortgage is a contingency.

341 31. ATTORNEY FEES AND COSTS: In connection with any arbitration or litigation arising out of this Contract,  
342 the prevailing party, whether Buyer, Seller or Broker shall be entitled to recover all costs incurred including  
343 attorney's fees and legal assistant fees for services rendered in connection therewith, including appellate  
344 proceedings and postjudgment proceedings. The provisions in this paragraph shall survive the termination or  
345 closing of this Contract.

346 32. DEFAULT: If either party defaults, the rights of the non-defaulting party and the Broker(s) shall be as provided  
347 herein and such rights shall be deemed to be the sole and exclusive rights in such event. The provisions of this Section  
348 32 shall survive the termination of this Contract.

349 32.1 BUYER DEFAULT: If Buyer fails to perform any of the covenants of this Contract, all money paid or to be paid  
350 as deposits by Buyer pursuant to this Contract shall be retained by or for the account of Seller as consideration for the  
351 execution of this Contract and as liquidated damages and in full settlement of any claims for damages and specific  
352 performance by Seller against Buyer.

353 32.2 SELLER DEFAULT: If Seller fails to perform any of the covenants of this Contract, all money paid or  
354 deposited by Buyer pursuant to this Contract shall be returned to Buyer upon demand, or Buyer shall have the right  
355 of specific performance. In addition, Seller shall immediately pay to Brokers the full professional service fee  
356 provided for in this Contract or separate listing contract.

357 32.3 MEDIATION: Any controversy or claim between Buyer and Seller arising out of or relating to this Contract  
358 or a breach thereof may be submitted to mediation prior to arbitration or litigation. The mediator's fees shall be  
359 paid equally by the parties of the mediation. Any of the above proceedings shall be brought in the county where the  
360 Real Property is located and shall be conducted pursuant to Florida Statutes relating to mediation, arbitration or  
361 litigation.

364 herein shall inure to and bind the respective heirs, representatives, successors and assigns (when assignment is  
365 permitted) of the parties hereto. Neither this Contract nor any notice shall be recorded in any public records.

367 except as expressly provided herein and except express representations and warranties contained herein.

368 35. CONCURRENCY: No representation is made regarding the ability to change the current use of or to improve the  
369 Property under the Local Government Comprehensive Planning and Land Development Regulation Act (Chapter 163 et  
370 seq., Florida Statutes) or any comprehensive plan or other similar ordinance promulgated by controlling governmental  
371 authorities in accordance with the Act.

372 36. FIRPTA: All parties are advised that the I.R.S. code requires Buyer to withhold ten percent (10%) of the Purchase  
373 Price for tax on sales by certain foreigners. The tax will be withheld unless affidavits of compliance with the I.R.S. code  
374 or an I.R.S. qualifying statement are provided to Buyer at closing. If this paragraph applies, Buyer and Seller agree  
375 to obtain and/or disclose their U.S. Social Security Number or Taxpayers Identification Number if required by the  
376 Closing Agent.

377 37. DISCLOSURES:

378 37.1 RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in  
379 sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that  
380 exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding  
381 radon and radon testing may be obtained from your county public health unit.

382 37.2 MOLD: Mold and/or other microscopic organisms may exist at the Property and such microscopic organisms  
383 and/or mold may cause physical injuries, including but not limited to allergic and/or respiratory reactions or other  
384 problems, particularly in persons with immune system problems, young children and/or elderly persons.

385 37.3 ENERGY-EFFICIENCY RATING: "In accordance with the Florida Building Energy-Efficiency Rating Act  
386 {Chapter 553, Part XI, F.S. (1993)}, the Buyer of Real Property with a building for occupancy located thereon is  
387 notified that the Buyer may have the building's energy-efficiency rating determined." Buyer acknowledges receipt  
388 of the "Florida Building Energy-Efficiency Rating System" Disclosure.

389 37.4 FUTURE PROPERTY TAXES: The "Save Our Home" amendment of the Florida Constitution limits the  
390 increase in the tax assessed value of a homesteaded property until the title is transferred. In the year following the  
391 closing of this sale, the tax assessed value may change to its market value which may result in a tax amount  
392 significantly higher than this year's tax amount. Existence of (or loss of) homestead and other exemptions may also  
393 affect the new tax amount. Additional information may be obtained from the local Property Appraiser's office.

394 37.5 CLOSING COSTS: Buyer may be required to pay additional closing costs, including but not limited to:  
395 attorney's fees; casualty, hazard, windstorm and flood insurance premiums; title examination and closing service

397 underwriting fees; document preparation fees; utility search fees; premiums for owner and mortgagee title

401 service or product providers or vendors of any type, including, but not limited to: lending institutions, loan brokers,  
402 attorneys, title insurers, escrow companies, inspectors, structural engineers, pest control companies, contractors and  
403 home warranty companies ("Providers"), the referrals are given based on the following disclosures:

404 37.6.1 Buyer and Seller are free to select Providers other than those referred or recommended by Broker.

405 37.6.2 If Buyer or Seller instructs Broker to arrange for any Provider to perform services related to this Contract, Broker  
406 makes such arrangements only as Authorized Representative for the account of Buyer or Seller.

407 37.6.3 Broker does not guarantee the performance of any Providers.

408 ~~38. DISCLOSURE OF LATENT DEFECTS: Seller specifically acknowledges and understands that if Seller knows of~~  
409 ~~latent defects (defects not readily observable) materially affecting the value of the Property, then Seller is under a duty~~  
410 ~~to disclose these latent defects to Buyer. Seller represents that if Seller knows of latent defects, they are set forth in~~  
411 ~~writing under Special Clauses below or have been separately disclosed by Seller to Buyer. Seller and Buyer agree to~~  
412 ~~indemnify and hold harmless Broker from damages resulting from the inaccuracy of this information except to the extent~~

In the event TENANT assigns this Lease or sublets the Leased Premises or any portion of the Leased Premises, TENANT shall be in default of this Lease and LANDLORD shall have the right to cancel this Lease and thereupon TENANT shall immediately vacate the Leased Premises and surrender same to LANDLORD.

10. **Surrender upon Termination.** TENANT agrees that upon expiration of the Lease term, or upon the termination of the Lease for any cause, it will, without any further notice or demand, peaceably surrender and deliver the premises to LANDLORD, its agents or assigns.

11. **Recovery of Possession on Default.** In the event of any default by TENANT under this Lease, LANDLORD may give TENANT notice thereof, by certified U.S. mail, and only if TENANT shall fail to remedy such default within ten (10) days after receipt of such notice shall LANDLORD have the right to declare a default of this Lease by TENANT and institute proceedings for the recovery of possession of the Leased Premises.

12. **Change in Ownership.** Should LANDLORD sell the Leased Premises herein, it shall immediately, together with the new owners, notify TENANT by certified U.S. mail of the identity of the new owners together with the respective mailing address (es) of the new owners.

13. **Damage to Leased Premises.** TENANT agrees that all personal property placed upon or within the Leased Premises shall be at the risk of TENANT. TENANT shall give LANDLORD, or to its agent, prompt written notice of any accident to, or defect in, the roof, outside walls, foundations, sidewalks, interior walls, floors, windows, ceilings, sprinkler and hot water systems, elevators, heating units, air conditioning units, plumbing and electrical wiring, utilities or other building components, and the same will be remedied by TENANT with due diligence, subject to the provisions of this Lease dealing with repairs and exterior maintenance, provided however that nothing herein is intended to relieve TENANT of the obligations imposed on it under Paragraph 6, *Utilities and Other Services* or Paragraph 15, *Maintenance and Repairs*.

14. **Fire or other Casualty.** In the event of damage to the Leased Premises or any part thereof during said term by fire or other casualty, TENANT shall give immediate notice thereof to LANDLORD. In the event TENANT elects to repair and restore the Leased Premises to the condition at which they existed immediately prior to the casualty, and provided that the repair and restoration shall be completed within ninety (90) days from date of

casualty and this Lease shall remain in full force and effect. In the event TENANT elects not to repair and restore the Leased Premises or if the Leased Premises shall be destroyed by the elements or any other casualty, or so nearly destroyed as to require substantial rebuilding, or if substantial rebuilding would take in excess of 90 days from the date of casualty, then TENANT may elect to repair the Leased Premises at its expense, or, alternatively, if TENANT does not elect to repair the Leased Premises, then this Lease shall cease and come to an end and TENANT shall vacate the Leased Premises and surrender same to LANDLORD, and thereafter have no further liability.

**15. Maintenance and Repairs.** TENANT shall keep the Leased Premises in good condition and repair. If TENANT fails, within a reasonable time after request, to perform such maintenance or make such repairs or replacements, or repairs necessitated by fire or other casualty, then LANDLORD may declare the TENANT in default and terminate the Lease in accordance with law.

**16. Waiver.** Failure of either party to insist upon strict performance of any covenant or condition of this Lease, or to exercise any right or option herein contained, shall not be construed as a waiver or relinquishment for the future of any such covenant, condition or right of election; but the same shall remain in full force and effect. None of the conditions, covenants and provisions of this Lease shall be waived or modified except by the parties hereto in writing.

**17. Environmental Contamination.** TENANT shall immediately give written notice to LANDLORD of its use, or any discharge, on the Leased Premises of any material or substances that are classified as environmentally Hazardous Substances by Environmental Regulatory Agencies.

**18. RADON GAS.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risk to persons who are exposed to it over time. Levels of radon that exceed Federal and State Guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from the Broward County Public Health Unit.

**19. **21. Successors and Assigns.** This Lease shall inure to and be binding upon the successors and authorized assigns of the parties.

**22. Right to Mortgage or Sell.**

(a) LANDLORD may encumber the Leased Premises by mortgage or mortgages, securing such sum or sums and upon such terms and conditions as LANDLORD may desire, and any such mortgage or mortgages so given shall be subordinate and inferior to TENANT'S leasehold upon the Leased Premises and TENANT's personal property located on the Leased Premises.

(b) LANDLORD may sell the Leased Premises as set forth herein; however, this Lease shall be expressly assumed by LANDLORD's successor in interest.

(c) LANDLORD shall give the TENANT prior written notice at least 30 days before the sale of the Leased Premises or any assignment of rents to LANDLORD's mortgagee or vendee. Such notice shall be given in the manner specified for notices under this Lease.

**23. Non-disturbance.** MORTGAGEE agrees that so long as the Lease is in full force and effect and TENANT is not in default in the payment of rent, or other payments required by the LEASE or in the performance of any of the other terms, covenants or conditions

of the LEASE on TENANT'S part to be performed (beyond the period, if any, specified in the LEASE within which TENANT may cure such default), then:

(a) TENANT'S possession of the Leased Premises under the Lease shall not be disturbed or interfered with by MORTGAGEE, its successors and/or assigns, in the exercise of any of its foreclosure rights under the MORTGAGE, or conveyance in lieu of foreclosure; and

(b) except as may be required by applicable law, MORTGAGEE will not join TENANT as a party defendant for the purpose of terminating TENANT'S interest and estate under the LEASE in any proceeding for foreclosure of the MORTGAGE, and MORTGAGEE or any third party acquiring the Leased Premises pursuant to any foreclosure sale arising from the MORTGAGE, or conveyance in lieu of foreclosure shall recognize the LEASE and the TENANT'S interest therein.

**24. Prior Agreements.** This document, together with the exhibits hereto, incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Lease that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that no modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document utilizing the same formalities as were used in the execution of this Lease.

**25. Condemnation.** LANDLORD reserves unto itself, and TENANT assigns to LANDLORD, all right to damages accruing on account of any taking or condemnation of all or any part of the Leased Premises, or by reason of any act of any public or quasi-public authority for which damages are payable. TENANT agrees to execute such instruments of assignments as may be required by LANDLORD, to join with LANDLORD in any petition for the recovery of damages, if requested by LANDLORD, and to turn over to LANDLORD any such damages that may be recovered in any such proceeding.

**26. Public Entity Crimes Act.**

(a) LANDLORD represents that the execution of this Lease will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes), which essentially provides that a person or affiliate who is a contractor, consultant or other provider and who has been placed on the convicted vendor list following a conviction for a Public Entity Crime may not submit a bid on a contract to provide any goods or services to TENANT and may not submit bids on leases of real property to TENANT for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this lease agreement and recovery of all monies paid hereto.

(b) In addition to the foregoing, LANDLORD further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with

committing an act defined as a "public entity crime" regardless of the amount of money involved or whether LANDLORD has been placed on the convicted vendor list.

**27. Third Party Beneficiaries.** Neither LANDLORD nor TENANT intends to directly or substantially benefit a third party by this Lease. Therefore, the parties agree that there are no third party beneficiaries to this Lease and that no third party shall be entitled to assert a claim against either of them based upon this Lease. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Lease.

**28. Conflicts.**

The limitations of this section shall not preclude such persons from representing themselves in any action or in any administrative or legal proceeding.

**28.3** In the event either party is permitted to utilize subcontractors to perform any services required by this Lease, that party agrees to prohibit such subcontractors, by written contract, from having any conflicts as within the meaning of this section.

**29. Compliance with Laws.** LANDLORD and TENANT shall comply with all federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations related to this Lease.

**31. Priority of Provisions.** If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Lease by reference and a term, statement, requirement, or provision of this Lease, the term, statement, requirement, or provision contained in this Lease shall prevail and be given effect.

**32. ADA.** As between LANDLORD and TENANT, TENANT assumes all responsibility for compliance with all accessibility requirements of the Federal Americans with Disabilities Act (ADA), Florida Accessibility Code for Building Construction implemented under the Florida Americans with Disabilities Implementation Act, except as modified by State
