13.2. In the event the LICENSEE fails to remove the Project Improvements and CITY finds it necessary to remove the Project Improvements in accordance with the foregoing, then the total expense incurred by the CITY in removing the Project Improvements and the administrative costs associated therewith shall be considered a special assessment and lien upon the Property. LICENSEE shall have thirty (30) days from the date of the statement of the total expenses incurred by the CITY and the administrative costs associated therewith within which to pay to the CITY the full amount due. Failure to timely pay the amount due or serve upon the CITY Manager a written letter contesting the statement of assessed expenses and administrative costs will result in the matter being scheduled before the CITY Commission for consideration of and adoption of a Resolution assessing against the Property the expenses and administrative costs associated with the CITY's removal of the Project Improvements. The Resolution may also impose a special assessment lien against the Property for the expenses and costs so assessed. A Notice of the Special Assessment assessed by the CITY Commission for the unpaid expenses and costs as stated above shall be recorded with the CITY Clerk and in the Public Records of

Broward County, Florida. The assessed expenses and costs and the lien provided for herein may be foreclosed in the manner provided by law.

(a) seek the necessary Permits and approvals from the regulatory agencies with jurisdiction over the License Area, Project Improvements or adjacent real property to repair, replace and rebuild the same or cause the same to be repaired, replaced or rebuilt as nearly as possible to their original condition; or

(b) to the extent that such destruction or damage affected the Project Improvements within the License Area or real property adjacent thereto, or any part thereof, if LICENSEE elects to remove such Project Improvements consistent with the terms of the RLA, then LICENSEE shall seek the Permits and approvals, if any, required for such removal and cause such Project Improvements to be removed from the License Area and return the License Area to the condition that existed prior to the Effective Date of the RLA.

15. Indemnity.

(a) LICENSEE shall protect, defend, indemnify and hold harmless the CITY, its officers, elected and appointed officials, employees, volunteers, and agents from and against any and all lawsuits, penalties, claims, damages, settlements, judgments, decrees, costs, charges and other expenses charged or incurred, including reasonable attorney's fees actually incurred, or liabilities of every kind, nature or degree arising out of or in connection with the rights, responsibilities and obligations of LICENSEE under the RLA and this Agreement, conditions contained therein, the location, construction, repair, maintenance use or occupancy by LICENSEE of the License Area, Project Improvements or Project, or the breach or default by LICENSEE of any covenant or provision of the RLA or this Agreement, except for any occurrence arising out of or resulting from the intentional torts or gross negligence of the CITY, its officers, agents and employees acting during the course and scope of their employment. Without limiting the foregoing, any and all such charges, claims, suits, causes of action relating to personal injury, death, damage to property, defects in construction, rehabilitation or restoration of the License Area by LICENSEE or others, alleged infringement of any patents, trademarks, copyrights or of any other tangible or intangible personal or real property right by LICENSEE, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation or decree of any court by LICENSEE, is included in the indemnity.

(b) LICENSEE further agrees that upon proper and timely notice to investigate, handle, respond to, provide defense for, and defend any such claims at its sole expense and agrees to bear all other costs and expenses related thereto even if the claim is groundless, false or fraudulent and if called upon by the CITY, LICENSEE shall assume and defend not only itself but also the CITY in connection with any claims, suits or causes of action, and any such defense shall be at no cost or expense whatsoever to CITY, provided that the CITY (exercisable by the CITY's Risk Manager) shall retain the right to select counsel of its own choosing. This indemnification shall survive termination, revocation or expiration of the RLA and this Agreement and shall cover any acts or omissions occurring during the term of the RLA and this Agreement, including any period after termination, revocation or expiration of the RLA and this Agreement while any curative acts are undertaken.

16. Insurance. At all times during the term of the RLA and this Agreement, LICENSEE, at its expense, shall keep or cause to be kept in effect the insurance coverages set forth in the RLA, naming the City as an "additional insured" and LICENSEE shall provide Certificates of Insurance to CITY at least fourteen (14) days prior to the commencement of the term of the RLA and this Agreement and annually thereafter on the anniversary date of the policies.

17. Remedies of CITY.

17.1 In the event the LICENSEE fails to perform or violates any of the terms or conditions of RLA or this Agreement or is in breach or default in any term or condition hereof, COUNTY or CITY shall provide written notice thereof to LICENSEE and LICENSEE shall cure such violation within twenty (20) days of such Notice. LICENSEE shall be obligated to send the CITY copies any notices of breach of default served upon LICENSEE by COUNTY within five (5) days of LICENSEE's receipt of the notice(s) from COUNTY.

In the event the Contract Administrator finds the violation was not cured on the date alleged by LICENSEE, Contract Administrator shall provide LICENSEE with written Notice thereof. 17.2.1 take any equitable action to enforce the terms and conditions of the RLA or this Agreement, it being stipulated by the parties that since the RLA and this Agreement deals with the right to use public easements and rights-of-way on or within COUNTY or CITY owned or dedicated lands used for a governmental purpose, a violation or breach of any term or condition of the RLA constitutes an

irreparable injury to the public and CITY for which there is no adequate remedy at law; or

17.2.2 take such curative action that was required to be taken by the LICENSEE under the RLA and the cost and expense incurred in CITY's curative actions shall be passed on to and owed by LICENSEE, in which case LICENSEE shall be liable for payment to CITY for all reasonable and necessary costs and expenses incurred by CITY in connection with the performance of the action or actions. LICENSEE shall reimburse CITY within thirty (30) days following written demand for payment thereof. Interest shall accrue on the unpaid amount at the rate of twelve percent (12%) per annum simple interest but in no event shall interest exceed the highest amount allowed by Florida law. The demand shall include reasonable documentation supporting the expenses incurred by CITY. If a dispute arises as to the need for, or amount due to the CITY for repairs or maintenance undertaken by CITY in accordance with this License, and such dispute is not resolved within forty-five (45) days after the date that CITY makes the original written demand for payment, the LICENSEE shall pay to CITY the undisputed amount and shall provide CITY with a bond or other security acceptable to CITY for the disputed amount pending a resolution of the dispute by negotiation or litigation.

17.3 If LICENSEE does not make the payments required under this Section within the thirty (30) day period set forth herein, then CITY shall have a right to record a Claim of Lien against the Property, which Lien may be either (a) for the total amount of the fines resulting from the procedures set forth in Sections 17.1 and 17.2, including all subsections thereunder, or (b) for all reasonable and necessary costs and expenses of any cure undertaken by CITY in accordance with this Section, the cost of any interim insurance policy as provided herein, and reasonable attorneys' fees and costs associated therewith. The Lien shall be effective upon the recording of the Claim of Lien in the Public Records of Broward County, Florida, which Claim of Lien shall state all amounts due and owing to CITY. The Lien may be foreclosed by CITY in the same manner as provided by law for foreclosure of mortgage liens. The Lien shall continue until payment to CITY of the amounts set forth in the Lien (at which time CITY shall record a satisfaction of such lien). In addition to the Lien, CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE'S failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien.

17.4 CITY shall have all other rights and remedies granted to it at law or in equity for LICENSEE's failure to pay the fines owed or reimburse CITY for curative actions taken by CITY. LICENSEE shall be entitled to pursue all legal and equitable remedies to contest the amount or existence of any such lien. The remedies found within this Section 17, including all subsections thereof, are cumulative. The exercise of one does not preclude the exercise of any other remedy.

18. Requirement for Notice. LICENSEE shall give CITY written notice of any accidents on, in, over, within, under and above the License Area, within five days after the accident. LICENSEE shall also give CITY written notice of any notices of violation received from the COUNTY, within five days of receipt from the County.

ARTICLE 1. DEFINITIONS

1.1. **Approved Plans** means the construction documents and specifications depicting and defining the Improvements, including all materials to be installed in the Revocable License Area as referenced in the plans submitted to and approved in writing by the Contract Administrator, and filed under Project Reference Number 170403001.

The Improvements must meet County's Minimum Standards Applicable to Public Right-of-Way Under Broward County Jurisdiction as described in Section 25.1, Exhibit 25.A, of the Broward County Administrative Code.

2.2. Other than for the purposes identified in this Agreement, Licensee may not use the Revocable License Area for any other purpose whatsoever without written amendment of this Agreement executed with the same formalities as this Agreement. 2.5. This Agreement is merely a right to access and use and grants no estate in the Revocable License Area to Licensee, City, or any other party.

ARTICLE 3. LICENSEE'S OBLIGATIONS

3.1. Licensee shall make application to the Division for a permit to perform the Improvements as set forth in the Approved Plans. Licensee may not proceed with the Improvements until all permits have been issued and all permit conditions for commencement of the Improvements have been satisfied.

3.2. Licensee may not make any alterations to the Improvements without first obtaining a permit from the Division and the written approval from the Contract Administrator for such alterations.

3.3. Licensee shall make the Improvements at its own expense and in full accordance with the Approved Plans and to the Contract Administrator's satisfaction. Licensee shall not be entitled to any compensation from County for making the Improvements.

3.4. Following Licensee's installation of the Improvements and County's approval of same (as set forth in Article 5), Licensee shall provide County with signed and sealed certified as-built drawings and warranties for all work performed as set forth in the Approved Plans.

3.5. Once the Improvements have been made, Licensee shall perform the Maintenance Obligations at its own expense and in accordance with the requirements set forth in Exhibit D. As part of the Maintenance Obligations, Licensee shall keep the Improvements and the Revocable License Area clean, sanitary, and in good condition consistent with industry-standard maintenance standards and techniques. The Maintenance Obligations shall include all repair and replacement of materials due to any cause, including but not limited to normal wear and tear, acts of God, vandalism, and accidents. Licensee shall promptly replace all defective or unsightly materials, as well as any materials that the Contract Administrator determines, in their reasonable discretion, should be replaced for safety reasons or because such materials would interfere with any County property or County operations. All replacements must be approved in writing by the Contract Administrator.

3.6. If Licensee takes any action or makes any omission that causes or results in alterations or damage to County property, Licensee shall, at its own expense, restore such property to its condition before the alterations or damages. If Licensee fails to make such restoration within thirty (30) days after County's request, County may make the restoration or exercise its rights as provided in Article 4 of this Agreement. If County elects to make the restoration, it will invoice the Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

3.13. Licensee may retain a third party to make the Improvements and/or perform the Maintenance Obligations. If Licensee retains a third party for such purpose(s), Licensee shall enter into a written contract with the third party under which the third party must agree to make the Improvements and/or perform the Maintenance Obligations in accordance with the requirements of this Agreement. Licensee shall provide the Contract Administrator with a copy of any such contract(s) upon request by Contract Administrator. Notwithstanding Licensee's use of any third party, Licensee shall remain obligated and responsible to make the Improvements and perform the Maintenance Obligations if the third party does not. Licensee may not relieve itself of any of its obligations under this Agreement by contracting with a third party.

ARTICLE 4. CITY'S OBLIGATIONS

4.1. If Licensee fails to timely comply with any of the requirements set forth in Sections 3.5 and 3.10, upon written demand by Contract Administrator, City shall, at its own expense, immediately perform the Maintenance Obligations for the duration of this Agreement. In addition, if Licensee fails to timely comply with any of the requirements in Article 3, upon written demand by Contract Administrator, City shall, at its own expense, cure any and all deficiencies or failures by Licensee identified in the Contract Administrator's written notice to City. City shall cure such deficiencies and failures within thirty (30) days after such notice. If City fails to timely comply with its obligations under this section, County may fulfill such obligations or exercise its rights as provided in Article 7 of this Agreement. If County elects to fulfill such obligations, it will invoice the City for the costs thereof. City shall pay such invoice within thirty (30) days after receipt.

4.2. City may retain a third party to perform the Maintenance Obligations. If City retains a third party for such purpose(s), City shall enter into a written contract with the third party under which the third party must agree to perform the Maintenance Obligations in accordance with the requirements of this Agreement. City shall provide the Contract Administrator with a copy of any such contract(s) upon request by Contract Administrator. Notwithstanding City's use of any third party, City shall remain obligated and responsible for performing the Maintenance Obligations if the third party does not. City may not relieve itself of any of its obligations under this Agreement by contracting with a third party.

ARTICLE 5. COUNTY'S OBLIGATIONS

5.1. County shall review the Approved Plans to determine whether to issue a permit for the Approved Plans and shall issue a permit only if the Approved Plans comply with all applicable County permitting requirements.

5.2. County shall inspect the Improvements and may reject work that does not conform to the Approved Plans, as determined by County in its sole discretion.

5.3. After receiving signed and sealed certified as-built drawings that the Improvements are in conformance with the Approved Plans, and receiving a request for a final inspection, County shall perform a final inspection of the Improvements and notify Licensee and City of County's final approval or rejection of the Improvements.

5.4. County shall have no further obligations under this Agreement other than those stated in this article but may exercise any and all rights it has under this Agreement.

ARTICLE 6. RISK OF LOSS

All Improvements not permanently affixed to the Revocable License Area shall remain the property of Licensee, and all risk of loss for the Improvements (whether permanently affixed or not) shall be Licensee's risk alone. However, Licensee may not remove, replace, or alter any of the Improvements without the Contract Administrator's written consent and any required permitting.

ARTICLE 7. TERM AND TERMINATION

7.1. This Agreement shall begin on the Effective Date and continue in perpetuity unless terminated as provided in this article.

7.2. This Agreement may be terminated for cause by County if Licensee, City, or both breach any obligations under this Agreement and have not corrected the breach within thirty (30) days after receipt of written notice identifying the breach. County may, at the option of the Contract Administrator, cause such breach to be corrected and invoice the breaching party or parties for the costs of the correction or may terminate this Agreement. If County opts to correct the breach and invoice the breaching party or parties for the costs of correction, the invoiced party or parties (as applicable) shall pay such invoice within thirty (30) days after receipt. If County erroneously, improperly, or unjustifiably terminates for cause, such termination shall, at County's sole election, be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

7.3. This Agreement may also be terminated for convenience by the Board. Termination for convenience by the Board shall be effective on the termination date stated in the written notice provided by County, which termination date shall not be less than thirty (30) days after the date of such written notice. Licensee and City acknowledge that each has received good, valuable, and sufficient consideration for County's right to terminate this Agreement for convenience including in the form of County's obligation to provide advance written notice to Licensee and City of such termination in accordance with this section.

7.4. This Agreement may also be terminated by the County Administrator upon such notice as the County Administrator deems appropriate if the County Administrator determines that termination is necessary to protect the public health or safety. Termination under this section shall be effective on the date County provides notice of such termination.

7.5. Upon termination of this Agreement, Licensee shall peaceably surrender its use of the Revocable License Area. If City has assumed the Maintenance Obligations pursuant to Article 4, City shall peaceably surrender use of the Revocable License Area.

7.6. Upon termination of this Agreement, Licensee shall remove all Improvements, materials, and equipment installed or placed in the Revocable License Area, unless the Contract Administrator, in writing, authorizes Licensee to leave any such Improvements, materials, or equipment in the Revocable License Area. In addition, Licensee shall be obligated to repair any damage to the Revocable License Area resulting from the removal of any Improvements, materials, and equipment. If Licensee fails to comply with these removal and/or repair obligations within thirty (30) days after termination, County may perform them and then invoice Licensee for the cost thereof. Licensee shall pay such invoice within thirty (30) days after receipt. Any personal property remaining on the Revocable License Area after the termination of this Agreement shall be deemed to have been abandoned by Licensee and City and shall become the property of County.

7.7. Upon termination of this Agreement, Licensee shall restore the Revocable License Area to its condition before the Improvements or to such condition as approved in writing by the

Contract Administrator. If Licensee fails to make such restorations within thirty (30) days after termination, County may make them and then invoice Licensee for the costs thereof. Licensee shall pay such invoice within thirty (30) days after receipt.

7.8. County shall have no obligation to compensate Licensee or City for any loss resulting from or arising out of this Agreement including any resulting from or arising out of the termination of this Agreement.

7.9. If tree mitigation is required as a result of termination of this Agreement, Licensee must obtain a Broward County Environmental Licensing and Building Permitting Division, Tree Preservation Program license required by Chapter 27, Article XIV, Sections 27-401 through 27-414 of the Broward County Tree Preservation and Abuse Ordinance, as may be amended from time to time, to provide for relocation, removal, and replacement per the tree removal license requirements at Licensee's sole cost and expense.

7.10. If Licensee fails to comply with the requirements of Sections 7.6, 7.7, and/or 7.9, City shall perform said requirements within thirty (30) days after written notice is sent by the Contract Administrator. If City fails to timely perform such requirements, County may perform them, and then invoice City for the cost thereof. City shall pay the invoice within thirty (30) days after receipt.

9.3. County and City are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees, to the extent and within the limitations specified in Section 768.28. Except to the extent sovereign immunity may be deemed waived by entering into this Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by any Party to which sovereign immunity may be applicable nor shall anything included herein be construed as consent by either Party to be sued by third parties in any matter arising out of this Agreement or any other contract.

9.4. The obligations of this article shall survive the expiration or earlier termination of this Agreement.

ARTICLE 10. INSURANCE

10.1. For the duration of the Agreement, Licensee shall, at its sole expense, maintain the minimum coverages stated in Exhibit E in accordance with the terms and conditions of this article. Licensee shall maintain insurance coverage against claims relating to any act or omission by Licensee, its agents, representatives, employees, or any third parties in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

10.2. Licensee shall ensure that "Broward County, Florida" is listed and endorsed as an additional insured as stated in Exhibit E on all policies required under this article.

10.3. On or before the Effective Date or at least fifteen (15) days before the commencement of the Improvements, Licensee shall provide County and City with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required by this article. If and to the extent requested by County, Licensee shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

10.4. Licensee shall ensure that all insurance coverages required by this article remain in full force and effect without any lapse in coverage throughout the duration of this Agreement and until all performance required of Licensee has been completed, as determined by Contract Administrator. Licensee or its insurer shall provide notice to County and City of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County and City with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s).

10.5. Licensee shall ensure that all required insurance policies must be placed with insurers or surplus line carriers authorized to conduct business in the State of Florida with an A.M. Best rating of A- and a financial size category class VII or greater, unless otherwise acceptable to County's Risk Management Division.

10.6. If Licensee maintains broader coverage or higher limits than the insurance requirements stated in Exhibit E, County shall be entitled to any such broader coverage and higher limits. All required insurance coverages shall provide primary coverage and not require contribution from any County insurance, self-insurance, or otherwise, which shall be in excess of and shall not contribute to the required insurance provided by Licensee.

10.7. Licensee shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit E and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of the Improvements. Licensee shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against County. County may, at any time, require Licensee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Licensee shall obtain same in endorsements to the required policies.

10.8. Unless prohibited by the applicable policy, Licensee waives any right to subrogation that any of Licensee's insurers may acquire against County, and shall obtain same in an endorsement of Licensee's insurance policies.

10.9. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in

Exhibit E; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Licensee must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit E.

10.10. Licensee shall require that each third party retained by Licensee for performance of any of Licensee's obligations under this Agreement maintains coverage that adequately covers the performance of the third party on substantially the same insurance terms and conditions required of Licensee under this article. Licensee shall ensure that all such third parties comply with these requirements and that "Broward County, Florida" is named as an additional insured under the third parties' applicable insurance policies.

10.11. Licensee shall not permit any third party to provide services under this Agreement unless and until the requirements of this article are satisfied. If requested by County or City, Licensee shall provide, within one (1) business day, evidence of any third party's compliance with this article.

10.12. Within five (5) days after request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.

10.13. If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis.

10.14. The foregoing requirements in Sections 10.12 and 10.13 shall apply to City's self-insurance, if any.

10.15. If City contracts with one or more third parties to perform any of City's obligations set forth herein, City shall require that each third party (and any subcontractors retained by the third party) procure and maintain insurance coverages as provided in Exhibit E and Sections 10.1 through 10.11 of this Agreement. City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this section are met. If requested by County, City shall furnish evidence of all insurance required by this section.

10.16. County reserves the right, but not the obligation, to periodically review any and all insurance coverages required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.

ARTICLE 11. MISCELLANEOUS

11.1. Road Easement. Licensee has executed and conveyed the Road Easement attached hereto as Exhibit F ("Road Easement"), and County has recorded the Road Easement in the Official Records of Broward County, Florida. Licensee agrees that Licensee's conveyance of the

Road Easement to County does not in any way impose any legal responsibility or obligation upon County to perform any work or services, including any construction, repair, or maintenance work or services, upon or within the property legally described in the Road Easement ("Road Easement Area"). To the extent County, in its sole and absolute discretion, exercises its rights under the Road Easement to perform any work or services, including any construction, repair, or maintenance work or services, upon or within the Road Easement Area, County shall not be liable or responsible for any damage (or costs associated with repairing or fixing any damage) caused to the Road Easement Area as a result of such work or services. Notwithstanding the foregoing, if County exercises its rights under the Road Easement to perform any work or services within the Road Easement Area, County shall use its best efforts to restore the Road Easement Area to meet the applicable construction standards set forth in the Minimum Standards Applicable to Public Rights-of-Way Under Broward County Jurisdiction as described in Section 25.1, Exhibit 25.A, of the Broward County Administrative Code. This Section 11.1 shall survive the expiration or termination of this Agreement.

Neither Licensee nor City has the power or right to bind County to any obligation not expressly undertaken by County under this Agreement.

11.3. Third-Party Beneficiaries. Licensee, City, and County do not intend to primarily or directly benefit a third party by this Agreement. Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

11.4. Assignment and Performance. Neither this Agreement nor any right or interest in it may be assigned, transferred, or encumbered by Licensee or City, except to successors in interest taking title to Licensee's Burdened Property, without the prior written consent of County, which consent may be withheld in County's sole discretion. Any assignment, transfer, or encumbrance in violation of this section shall be void and ineffective, constitute a breach of this Agreement, and permit County to immediately terminate this Agreement, in addition to any other remedies available to County at law or in equity.

Licensee and City each represent that each person and entity that will perform services under this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render services. 11.5. Materiality and Waiver of Breach. Each requirement, duty, and obligation set forth in this Agreement was bargained for at arm's-length and is agreed to by the Parties. Each requirement, duty, and obligation set forth in this Agreement is substantial and important to the formation of this Agreement, and each is, therefore, a material term. County's failure to enforce any provision

of this Agreement will not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach will not be deemed a waiver of any subsequent breach and will not be construed to be a modification of this Agreement. To be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.

11.7. Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to its subject matter. It may not be modified or terminated except as provided in this Agreement. If any part of this Agreement is found to be unenforceable by any court of competent jurisdiction, that part shall be deemed severed from this Agreement and the balance of this Agreement shall remain in full force and effect.

11.8. Joint Preparation. This Agreement has been jointly prepared by the Parties and will not be construed more strictly against either Party.

11.9. Interpretation. The titles and headings contained in this Agreement are for reference purposes only and do not affect in any way the meaning or interpretation of this Agreement. Any reference to "days" means calendar days, unless otherwise expressly stated. Any reference to approval by County shall require approval in writing, unless otherwise expressly stated.

11.10. Priority of Provisions. If there is a conflict or inconsistency between any term, statement, requirement, or provision of any document or exhibit attached to, referenced by, or incorporated in this Agreement and any provision within an article or section of this Agreement, the article or section shall prevail and be given effect.

11.11. Law, Jurisdiction, Venue, Waiver of Jury Trial. This Agreement will be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this Agreement shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this Agreement must be litigated in federal court, the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **EACH PARTY HEREBY EXPRESSLY WAIVES ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT. IF A PARTY FAILS TO WITHDRAW A DEMAND FOR A JURY TRIAL AFTER WRITTEN NOTICE BY THE OTHER PARTY, THE PARTY MAKING THE DEMAND FOR JURY TRIAL SHALL BE LIABLE FOR REASONABLE ATTORNEYS' FEES AND COSTS OF THE OTHER PARTY TO**

CONTEST THE DEMAND FOR JURY TRIAL, AND SUCH AMOUNTS SHALL BE AWARDED BY THE COURT IN ADJUDICATING THE MOTION.

11.12. Amendments. Unless expressly authorized herein, no modification, amendment, or alteration of any portion of this Agreement is effective unless contained in a written document executed with the same or similar formality as this Agreement and by duly authorized representatives of the Parties.

11.15. Multiple Originals and Counterparts. This Agreement may be executed in multiple originals or in counterparts, whether signed physically or electronically; each of which will be deemed to be an original, and all of which, taken together, will constitute one and the same agreement.

11.16. Nondiscrimination. No Party to this Agreement may discriminate on the basis of race, color, sex, religion, national origin, disability, age, marital status, political affiliation, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement.
