Dear Property Owner(s):

The Florida Department of Transportation (Department) is currently engaged in highway improvements of the above referenced highway facility. A License is enclosed which is considered an agreement between the Department and you, the owner of the property, to temporarily allow the Department to enter upon said property solely for the purpose of improving sidewalk ramps at the intersection to comply with American with Disabilities Act which is located along a portion of your property. The project consists of removal of the sidewalk that is beyond the Existing Right of Way line, and for sloping, grading, tying in, harmonizing and reconnecting the existing features to the licensor's property.

As owner of the property, you are not conveying any interest in the property to the Department. This License allows the Department to enhance your property. It is considered a betterment of the property at the expense of the Department to create a more aesthetically pleasing finished road corridor.

Should you wish not to have the Department enhance your property, the Department will simply void the License and no work will be completed. If you should decide to allow the Department to complete the rehabilitation on the property, please sign the enclosed License and Contact Information Sheet and return it to our office in the enclosed envelope. If you have any questions, please feel free to contact me at (954) 777-4231 or email at [Amanda.Shore@dot.state.fl.us](mailto:Amanda.Shore@dot.state.fl.us).

Sincerely,

Amanda Shore
