## Section A

1. **Summary of the proposed ordinance, to include the public purpose to be served by the proposed ordinance, such as serving the public health, safety, morals, and welfare of the City.**

Ordinance Amending Section 8-55.5 of the Code of Ordinances, Titled "High Impact Events on Beach Property" by renaming Section 8-55.5 to "High Impact Zones During High Impact Periods" to Authorize the City Manager to Designate High Impact Zones within the City and Impose Additional Immediate Temporary Measures During High Impact Periods

2. **Estimate of direct economic impact of the proposed ordinance on private, for-profit businesses in the City.**

- a. **Estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted.**

Should the City Manager temporarily suspend sidewalk café permits and require the businesses to temporarily remove those tables and chairs within the regulated area, the businesses would be unable to generate revenue from those tables and chairs, causing a loss of revenue.

- b. **Identification of any new charge or fee on businesses subject to the proposed ordinance or for which businesses will be financially responsible.**

There is no fiscal impact associated with this item.

- c. **An estimate of the City's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs.**

There is no fiscal impact associated with this item.

3. **Good faith estimates of the number of businesses likely to be impacted by the proposed ordinance.**

The proposed amendment to the subject ordinance will "temporarily" impact the businesses within the area of a high impact event, if the manager elects to suspend sidewalk café permits during said high impact event.

4. **Any additional information the City may deem to be useful.**
