Re: Consent to Assignment in Connection with the Acquisition of Certain Assets
of Ciber, Inc. by Infor (US), Inc.

Dear Adam:

On March 20, 2017, Ciber, Inc. ("**Ciber**") entered into an Asset Purchase Agreement with Infor (US), Inc. ("**Infor**") pursuant to which Ciber transferred to Infor the majority of its business and assets relating to the services it provides in connection with Infor's software products (such transaction, the "Transaction"). The closing of the Transaction occurred on March 31, 2017.

The terms of the Transaction provide for Ciber's assignment of its rights and obligations under the Agreement for Professional Services RFP 742-11378 Enterprise Resource Planning (ERP) System Solution between Ciber and The City of Fort Lauderdale (the "**Company**"), dated October 31, 2016 (the "**Contract**"), to Infor effective as of the closing of the Transaction and for Infor's assumption of such rights and obligations from and after the closing of the Transaction. The purpose of this letter is to request your consent to Ciber's assignment and Infor's assumption of the Contract as described above.

By signing below, the Company consents to Ciber's assignment of the Contract to Infor effective as of the closing of the Transaction, and acknowledges that, from and after such date, Infor has assumed the Contract. For avoidance of doubt, Infor will not be responsible for any obligations or liabilities of Ciber that arose prior to the assignment to Infor, and Ciber will remain responsible for any such obligations or liabilities.
