Repower Vessels

Description: Repower two vessels from current Mercury Verado engines to new Mercury 300 V8 Verados

- Haul vessels at 15th street boat ramp in Fort Lauderdale using Trustworthy Marine's truck and trailer and transport to Trustworthy Marine's shop in Deerfield Beach, FL
- Remove existing engines and engine rigging (controls, harnesses, helm, steering, etc.)
- Install new Mercury 300 V8 Verados (Black color - 30" shaft length)
- Install new Mercury rigging - 7" vessel view, control box, helm harness, 14 pin harness, clean power harness, boat harness, rigging tubes, helm, steering hoses, steering harnesses, tie bar, props, hubs, and steering pump
- Reuse existing battery cables, fuel lines, fuel filter housings, isolators/ACR's, batteries, battery switches
- Return vessels to FLPD at the 15th Street boat ramp in Fort Lauderdale, FL and perform sea trial with FLPD representative and go over work performed

Lead Time: Engines are in stock and available for immediate delivery

Payment terms: Payment due in full within 45 days of completion of the work

Please note that this quote includes the Mercury Government program discount.

Quote valid for 120 days from date of quote

Engine oil not included in quote as engines come with oil in them.
 Price includes any shop supplies, grease, oil, rags, etc. required to complete removal and installation of motors
 Consumables/expendables included in quote.
