

**FOURTH AMENDMENT TO INTERLOCAL AGREEMENT BETWEEN
BROWARD COUNTY AND CITY OF FORT LAUDERDALE
FOR COMMUNITY BUS SERVICE**

This Fourth Amendment (“Fourth Amendment”) is entered into by and between Broward County, a political subdivision of the State of Florida (“County”), and the City of Fort Lauderdale, a municipal corporation located in Broward County, Florida (“City”) (collectively referred to as the “Parties”).

RECITALS

A. The Parties entered into the Interlocal Agreement, dated October 23, 2019 (the “Original Agreement”), for the City to provide Community Shuttle Service.

B. The Original Agreement was amended by a First Amendment, dated August 4, 2020, which modified Exhibit A to include specific times and stops and remove the wave and ride option, remove advertisements, and remove fares; a Second Amendment, dated February 22, 2021, which adjusted the funding to reflect the rate in the City’s agreement with its new Subcontractor and amended the vehicles list to reflect the vehicles utilized to provide service; and a Third Amendment dated June 16, 2021, which adjusted the funding to reflect the rate provided for in the City’s agreement with its vendor and to modify the vehicle list to reflect the vehicles utilized to provide service. The Original Agreement, as amended by the First Amendment, the Second Amendment, and Third Amendment is referred to herein as the “Agreement.”

C. The Parties now desire to further amend the Agreement to retroactively increase County funding to the City for Fiscal Years 2022 and 2023, revise route schedules for new service that was approved on January 5, 2022, amend the list of Leased Vehicles utilized by the City, and add certain provisions regarding Prohibited Telecommunications Equipment and Criminal History Screening Practices.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. The above Recitals are true and correct and are incorporated herein by reference. All capitalized terms not expressly defined within this Fourth Amendment shall retain the meaning ascribed to such terms in the Agreement.
2. Amendments to specific language in the Agreement made pursuant to this Fourth Amendment are indicated herein by use of strikethroughs to indicate deletions and bold/underlining to indicate additions. Except as modified herein, all remaining terms and conditions of the Agreement shall remain in full force and effect.
3. Exhibit A is hereby deleted and replaced with the attached Exhibit A.

4. Exhibit D is hereby amended as indicated in the attached Exhibit D.
5. Revised Exhibit F is hereby deleted and replaced with the attached Exhibit F.
6. New Sections 11.23 and 11.24 are added to the Agreement as follows (bold/underlining omitted):

11.23 Prohibited Telecommunications Equipment. City represents and certifies that its Subcontractor does not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. City shall require its Subcontractor to represent and certify that the Subcontractor shall not provide or use such covered telecommunications equipment, system, or services during the Term.

11.24 Criminal History Screening Practices. If this Agreement is subject to the requirements of Section 26-125(d) of the Code, City represents and certifies that City and its Subcontractor will comply with Section 26-125(d) of the Code for the duration of the Term.

7. County will make a one-time payment to City in the amount of Seven Hundred Ten Thousand Eight Hundred Twenty-one and 41/100 Dollars (\$710,821.41) for reimbursement of City's incurred operating costs that exceeded prior County funding covering the period from January 1, 2022, through September 30, 2023.

8. In the event of any conflict or ambiguity between this Fourth Amendment and the Agreement, the Parties agree that this Fourth Amendment shall control. The Agreement, as amended herein by this Fourth Amendment, incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein, and the Parties agree that there are no commitments, agreements, or understandings concerning the subject matter hereof that are not contained in the Agreement as amended in this Fourth Amendment. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written.

9. Preparation of this Fourth Amendment has been a joint effort of the Parties and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the Parties than any other.

10. City acknowledges that through the date this Fourth Amendment is executed by City, City has no claims or disputes against County with respect to any of the matters covered by the Agreement.

11. The effective date of this Fourth Amendment shall be the date of complete execution by the Parties.

12. This Fourth Amendment may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

(The remainder of this page is blank.)
